## ***Potentate's Message***

Illustrrious Sir Raymond A. Causton, Potentate

**S**pring has finally arrived and I am sure that each of you are enjoying the warm weather. It has been a distinct pleasure to have installed many of the Presidents and Unit Heads.

I must thank all who attended the Potentate's Ball and for supporting the many Temple and Club/Unit events so far this year. It indeed shows how well the Nobility and their Ladies support Rameses. No wonder we are the envy of so many Shrine Temples throughout North America.

We, as Rameses Shriners, are very proud of Illustrrious Sir Terry Moody, Potentate of Aahmes Shrine Temple in Livermore, California. Terry is the son of Ambassador at Large Art Moody of the Newbeaver Shrine Club and Illustrrious Sir Terry is also a member of Rameses as well as the Newbeaver Shrine Club. We wish him well in all his endeavours.

In early April, assisted by the Divan, I had the distinct pleasure of donating a total of \$51,000 to the Sudbury Botox Clinic. \$21,000 of this total came from the Sudbury Shrine Club and they must be congratulated for this very generous donation.

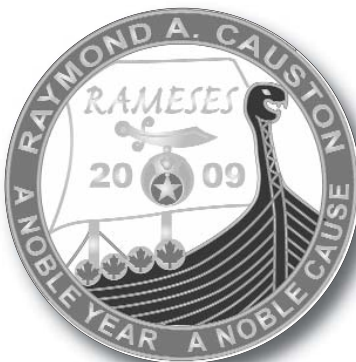

Saturday April 25, will be remembered by both Lady Maureen and I for many, many years. Thanks to everyone who attended the Potentate's Ball and special thanks to Chief Rabban Bryan Lawson and Lady Ingrid plus the Potentate's Ball committee. May turned out to be a very busy month with visits to our Shrine Hospital in Montreal and presenting (on your behalf) a cheque for a \$100,000 plus visiting the Erie Shrine Hospital on May 31.

I would be somewhat remiss if I did not thank all who attended Rameses Special Ladies Luncheon on May 24. What a wonderful day to greet so many loyal supporters of Rameses and to thank each Special Lady for continuing the wonderful work of their husband. Please remember Rameses Spring Ceremonial and let's make it a wonderful experience for all our new Candidates and their Ladies. First impressions are always the best, show them the Fun, Fraternity, Fellowship and Family that we are so well known for in Rameses Temple.

The Shrines Imperial Sessions will be held in San Antonio, TX in early July. If you have never been to San Antonio you have missed a very special city to visit. Any Rameses Noble is more than welcome to march in the parade and if you have a Canadian Flag please bring it with you, it would be great to have a sea of Canadian Flags.

Always remember to reach for the sun and should you miss, you will still end up amongst the stars.

Yours in the Faith  
Raymond (Ray) A. Causton

## Hillbillies busy at celebration for its special member, Ill. Sir Ray Causton

By Cuzin' Nobe Barry L. Jones

HILLBILLY SHRINE CLUB

We just can't put a price on what we do for our special children - so we do it for free. Howdy dear friends and kind neighbours...getting about warm enough to move my editing operations back to the cabin's front porch after enjoying the winter season sitting near the wood stove over at Parke's General Store. Rest a spell and enjoy this latest rendering of the Hillbilly Club news.

Well folks, on April 9th there was quite a celebration way up north in Stouffville. Richardson Lodge held a special evening of recognition for one of their members, our very own Rameses Shrine Potentate, Illustrious Sir Ray Causton. He being their first member to attain the honour of Potentate of Rameses Shrine (also much to his credit, he previously took the Hillbilly Degree).

In attendance were well over 60 Masons and Ladies, including Noble Jim McKinney, current Divan Assistant Rabban,

Past Potentates Robert 'Bob' Young and Robert McGregor; R. W. Bro. Don Campbell (Member of the Board, The Grand Lodge); R. W. Bro. Walter Rawlings, D.D.G.M. (and Noble), from the Masonic District; several distinguished Past and Present Grand Lodge officers; representatives from the Viking and Newbeaver Shrine Clubs; many Richardson Lodge members; visiting Brethren from near and far and to add some flavour, quite a few Rameses Hillbilly Shrine Club 'cuzins' (we knocked the cow poop off our boots before we entered the building). The emcees were Richardson (and Hillbilly Club members), Cuzin' Bill Saunders (R. W.-PDDGM) and Hillbilly Club President James Rennie (V. W.- P.G.S.). A tip of the ol' floppy Hillbilly hat goes to Cuzin' Jim for spearheading the event and to Cuzin' Bill who showed absolutely none of his usual shyness and demureness as the co-emcee.

Well, as you can imagine, having the Hillbilly Club involved

## Hillbillies Continued from Page 4

could only mean an evening of much fun, but, much respect, not only towards our Ill. Sir, his wife and family, but to all in attendance. Cuzin' Kelly Holden had arranged an interview with our Illustrious Sir and it was videotaped and shown during the evening. A special thanks to those involved in its production. Tributes to our Ill. Sir were given by R. W. Bro. Don Campbell (regarding our Ill. Sir Causton's police career (now retired), from representatives of other Shrine Clubs and, a very nice tribute by his son (a Master Mason in Richardson Lodge), to his Mom and Dad. A special thank you to the Officers and members of Richardson Lodge for hosting the event.

Dear reader, it was nice to see our Ill. Sir and his Lady made honorary members of the Hillbilly Club, including presentation of Club membership certificates and Hillbilly 'fedoras' to each. In true Hillbilly-style, our Ill. Sir, during an emotional moment, admitted his fondest wish would be, sometime in the future, to acquire a pants presser.

Folks, we of the Rameses Hillbilly Shrine Club love to parade and we keep parading thanks to our many faithful participating members. A special thank you to all our wonderful ladies who give 110% of their time and effort, not only by parading but by operating and helping out at the famous Hillbilly Flea Markets. Gosh, they have already won a trophy for 'best parade float', with their 'Ladies-only' Hillbilly golf cart.

This year our Club will be busier than a black fly convention at a pig farm. We have many parades scheduled. Thus far in 2009 we have participated at the Claremont (Winter Carnival); Toronto (St. Patrick's Day); Pickering (Easter Parade) and Streetsville (Bread and Honey Festival). We plan to be at the Rameses Shrine Spring Ceremonial in North Bay; the Highland Creek Festival; Oshawa Arts Festival, East York Canada Day, Scarborough Canada Day, Alliston Potato Festival, Dundas Cactus Festival; Norland, Ontario 150th anniversary; Kinmount Fair; Thornhill Wheatsheath Festival and the annual Santa

Parades in Milton and Stouffville.

I mentioned North Bay. Well folks, we will be up there in June. In fact we usually try to arrive a few days early so we can attend the annual Outhouse auction sale, where, for a small price, yet another 'parade vehicle' may be acquired.

Now dear folks, I humbly beg your attention to the following: make your plans right soon to attend and be part of the Gathering of the Clans (once known as the Annual Hillbilly Degree and Chowdown (great Hillbilly food). You, as a Shriner, and/or your lady are probably chomping at the bit to take the famous Hillbilly Degrees (one for Pas and the other for Mas), however, if you have already done so, come along anyway and join us for an afternoon of fun, fellowship, Hillbilly friendship and of course, some fine Hillbilly-styled cooking. Dress is casually comfortable, but keep in mind we sometimes hold a 'Best Dressed Hillbilly contest' so you may want to wear your finest Hillbilly apparel (you never know, you may win a fabulous prize!) Why, a couple of years ago, yours truly won a back bumper from a 1933 Chev. All this fun is scheduled for Saturday, September 26th, 2009 (arrive at 1:00pm or so). Location is at the picturesque summer home of hosts Noble Bob and Lady Marion O'Brien in Kirkfield, Ontario. An occasion of profit and pleasure for everybody, especially Hillbilly Club members, as we get a chance to wash our feet in the beautiful Talbot River which flows alongside the property. More details forthcoming, so keep reading these columns.

I previously mentioned the rush of Shriners wishing to join the Rameses Hillbilly Shrine Club. Whew! All the confusion has now forced us to restrict the number of NEW members. Yup, sorry to report, we must limit the number of new members each year to just 10,000 and I reckon I need not remind you our 2009 quota is rapidly being reached! Kind reader, take my advice and act fast, become part of our circle of friendly folks. Club meetings: every fourth Monday except during the summer

## Terry's Tunes

TERRY LAMPING - *Oriental Guide*

We have just returned from the Potentate's Ball, a great success most ably and efficiently organized by our Chief Rabban, Bryan Lawson and his lady Ingrid.

We were happy to have so many of our US friends and brothers from the New York Ontario Shrine Association (NYOSA) present to enjoy the fellowship and good times. The bond of friendship that we each establish knows no bounds. As our Illustrious Sir Ray Causton said: "It is interesting to reflect that although we take names as people from Canada and those who live in the United States, we really are all Americans because we all live on the North American continent. May we always support and respect our "cousins" who live south of us."

The change in the seasons gets us excited about new and renewed activities and one of the things that many folk like to do is to take a quiet walk through the countryside. Years ago there was a Vicar in England who loved to do this kind of thing but to get to the open countryside on the edge of the town he had to walk through the town. As he did so he was often stopped by his parish folk and occasionally he did not have time to make the walk.

He finally decided that there was a way he could get around this little problem and that was for him to leave the vicarage by the back door and go out across a small stream and then he would be in the open fields.

However, to get to the other side of the stream he had to place several large stones in the stream in order to get across without wading through the water. The people in his area called these stones "hipping stones". It was those "hipping stones" that provided him with the quietness he enjoyed in the open countryside.

Now that spring is in full swing, we are now dealing with all the great tasks such as cutting grass etc., it is interesting to look forward with great expectations to the balance of 2009. It is exciting to note that our schedule is busy and exciting.

We have our Special Ladies luncheon May 24th and our golf days starting with the Potentate's Golf Classic on May 26th and of one of the highlights of our year with the Spring Ceremonial in North Bay. I urge you to attend because I have found our northern Clubs really know how to extend our famous Shrine hospitality to all our Nobles.

I understand the Petro-Canada program is going well and should you need any information please contact any member of your divan or better yet, our office staff.

Remember, this is not only for Shriners but for your friends and family members who buy gasoline.

We believe that this program will make a big difference to our Temples and our Shrine Clubs. So let's just do it!

---

## Chaplain's Corner

BY REVEREND MARSHALL JESS - *Chaplain*

What this little story says to us is simply that we all need some "hipping stones" for in the midst of our many Shrine activities as well as our daily duties we need the quietness of the countryside. That quietness might be in listening to good music, or reading a good book, or spending some time in the interests of a hobby. Then we return to our daily round of activities refreshed and renewed.

It is then we can take a fresh new look at what we are doing and in the Shrine that means our Shrine Kids who depend on us that their lives may be enriched and given some of the quality that other young folk enjoy. Nobles, use your "hipping stones" and keep that "NOBLE CAUSE and NOBLE YEAR" at the head of the list.

## Bryan's Blackboard

BY BRYAN W. LAWSON - *Chief Rabban*

One of the important and most impressive evenings in the Shrine year is the Potentate's Ball. It is an opportunity to dress up and it is where the Nobility honour the Illustrious Sir and his Lady. The duty of chairman of this event usually falls to the Chief Rabban, and as is the custom at Rameses that is what happened this year. For those of you who were unable to attend you missed a real good party.

The job of chairman was made very easy with the support of the office staff and in particular, the expert help of Sonia who though her experience is able to guide you in every aspect of what needs to be done. Next are all the people who are involved in making it a success. There are the greeters, the coat checks, the people who look after hospitality, the people who help decorate and the people who are just there and take on

whatever job needs to be done. There is also the Recorder who is able to step in and fill in at the last minute. There is the printing, the decorations, the meals and of course the cleanup. Without all these people it would not be a success. I would like to thank each and every person who contributed to this being a success. I was congratulated a number of times for the good job and I accept the congratulation on everyone's behalf.

The 2010 Imperial Session is now just a little over a year away. Ask yourselves the following questions. Am I planning on attending? Am I going to stay with the Rameses Divan in Toronto at the Delta Chelsea so I can participate in all the fun and hospitality? Am I going to be part of the parade or is my Club or Unit going to be there? Am I going to be working at one of the many jobs that need to be done? Hopefully the answer to one or more of these questions is yes.

Rameses Shriners has lots of rooms blocked at the Delta Chelsea and can get more if needed and would like to see a large attendance of our Nobility attend the 2010 Imperial Session.

# SAN ANTONIO 2009

## 135th Imperial Council Session San Antonio, Texas Sunday July 5 - Thursday July 9

### OUR HOTEL:

Hilton Palacio de Rio  
200 South Alamo Street  
San Antonio, Texas 78205  
Phone: 210-270-0727

- Day Parade Tuesday 7 July
  - Rameses Hospitality Room
  - Welcome Dinner
- Sunday 5 July at 6:00pm**

Wake up in the Alamo City with the scent of huevos rancheros in the air, the sound of mariachis, and the sight of barges winding down the San Antonio River, and you know you're some in place special.

San Antonio is quite possibly Texas's most beautiful and atmospheric city, so it's no wonder it's the State's number-one tourist destination. Remember the Alamo? It's here, sitting in a plaza right downtown, so you can easily walk to it from your hotel. But while most visitors check out this famous symbol of Texas liberty when they come to town, the historic mission is by no means the only reason to visit San Antonio.

In fact, the heart of the visitor area is the Paseo del Rio -- the River Walk -- a festive, almost magical place that winds through downtown at 20 feet below street level.

## Recorder's Message

BY BOB MCGREGOR, P.P. - Recorder

It's April 8th, as I write my report to you and I'll start by briefly commenting on some of the things we are dealing with at the present time.

First and probably most important, is that our Petro-Canada project is underway and all we need to do to make this the success it can easily be, is to pick up our free Shrine Petro-Card then start buying Petro-Canada Fuel.

Let me give you some simple arithmetic. We have been given 70,000 cards. Each card will generate \$40 for the Shrine. Now all you have to do is multiply 70,000 times \$40 and we have \$2,800,000 of which we keep 75 percent. The good part is you don't have to invest one cent in the project. OK Nobles, what are you waiting for? Note, I personally took 50 cards on April 2nd and as of April 7th; I had given out 33 of those cards to family and friends. By the time you read this, I hope to have given out at least 100 cards. You can do the same, just contact our Assistant Rabban Jim McKinney who is the Chairman of this event.

Some of you may have heard that the Shrine of North America is having problems maintaining our 22 hospitals and it's no secret to us that we are spending more money than we take in. Sadly, I can confirm that this is correct and to cut a long story short, the representatives for all 191 Shrine Temples will be voting on a motion to close a total of six hospitals. The statement from Shrine Headquarters in Tampa is, "close six hospitals now or we will be forced to shut down our philanthropy completely in five or six years time".

I do not at this time wish to speculate on this bad news but after our visit to San Antonio in July, I will give you a complete report on the outcome of this serious business. In the meantime let us all do our bit for the children in our care and at the same time keep our fingers crossed that the serious businessmen in our Shrine make the right decisions for not only our survival but in fact, a resurgence in the economy and our membership.

Twice in the past couple of years I have gone back in time to bring you some items that may be of interest and this time we will start at 1930 and the 56th Imperial Session in Toronto. That's the year the Peace Monument was dedicated in the Exhibition Grounds as a symbol of the friendship between Canada and the United States. This is the bronze figure of an angel with outstretched arms holding two palm branches and standing on a globe of the world and facing south towards the American Shoreline.

A souvenir gift was produced for this occasion by E & S Curry. It was a sterling silver belt buckle with the peace emblem and the Union Jack and old glory in colour on the front. As a point of interest, I happen to have three of these buckles, one of which is still in the original cardboard box. Noble "Big Bill" Moffatt, an official of Canadian National Railways was instrumental in having many Pullman cars parked on the rails bordering Fleet Street between Bathurst and Strachan Avenue which the Shriners used as sleeping accommodation during this

Session and this area was affectionately known as Fez City. By the way, Noble "Big Bill" was subsequently elected Mayor of Toronto. Also of note, was that our Illustrious Potentate of the day was the Honorable George S. Henry, Premier of Ontario. The 1930 Imperial was not without its problems largely caused by the October 1929 stock market crash generally referred to as Black Friday.

The number of visitors was down dramatically and many home owners who had opened up their spare room to visitors were left without compensation for their outlay and preparation. Stoodleighs Restaurant at the Exhibition had prepared dinner for 1,000 guests starting at 6:30 p.m. and by 7:15 p.m. not one person had showed up. In desperation he scoured the Exhibition grounds inviting any Shriner he saw to come in for a free meal. Approximately 150 were rounded up but this was not enough and a lot of food went to waste.

The Potentate's Ball held on December 4th, 1930 was held in the Royal York Hotel. A Noble and his Lady would be admitted free, providing he presented his 1930 Shrine dues card otherwise a single ticket was \$3 or \$5 for a couple (not bad eh?) Our membership in 1930 was 3,168 Nobles. The revenue for that year was \$100,000 with an expenditure of some \$54,000. We gave \$40,000 to be invested, leaving the Temple with \$6,000 to cover day-to-day expenses. One of our auditors of that time was Harry C. Tugwell who was the father of Charles A. Tugwell, Captain of our Patrol in the 1960s and I remember him well.

Let me close by reminding you that membership is still our number one problem and I ask every one of you to bring in just one Candidate this year. If you don't get one for the Shrine, then get one for Masonry. We will get him later.

I thank every Rameses Noble for your hard work and often thankless work during the year, but know that I appreciate all that you do for Rameses and most of all thank you for just being Shriners.

### *Hillbillies Continued from Page 6*

(threshing time). We meet at the Shrine Headquarters. All Shriners are welcome to attend and see what we are all about. One thing, however, please remember to bring along your Fez because at 7:30pm we start our meeting by reciting the Pledge of Allegiance. We finish up around 9:30pm or so, or whenever the streetlights activate (whichever comes first). Remember we aren't too fancy and you don't need to wear any special attire.

As Shriners we must never forget why we joined this wonderful Shrine Fraternity and those very special children we hold so dear in our hearts. Be proud, uphold the Shrine traditions and continue your support of our Divan.

For now, dear friends and gentle readers, I will say g'day and thanks for your time. To all our Shriner friends, Hillbilly Club, Clan members and their family members who may not be enjoying the best of health at this time, please take care and may the Good Lord bless and keep and take a liking to you. Until next time don't forget to be considerate to one and other, be kind to your neighbours and be sure to give your dogs fresh water every day.

## Dave's Place

DAVID DUNN - *High Priest and Prophet*

Fellow Nobles, we have arrived at that time of year when our thoughts turn more to parades, circuses, BBQs and golf. The fellowship and fun we have by attending these functions makes the spring and summer fly by.

Seeing the children smile and wave at us as we walk passed them in the parades and the laughter and clapping of the children at our circuses makes our hearts warm. Eating delicious food at BBQs and chasing a little white ball around a golf course with Shriners and friends is very special too.

Lady Robin and I attended seminars in Tampa this spring, a very busy four days of educational learning covering Shrine Law,

Membership, Leadership, Fundraising, etc. The seminar presenters were very professional and informative.

Let me share with you a workshop being developed I thought was very interesting:

SHRINERS VILLAGE is a community of web based content areas called Neighbourhoods. Each neighbourhood will emulate the operation of Shriners International.

For example: Noble information, Membership Resources, Hospital Information, Shriners Member Benefits, Association(s) Information, Imperial Session Information, Shriner Education, Sporting events and more. Initial deliverables are being developed right now for a planned launch at this year's Imperial Session in San Antonio.

I look forward to seeing you at the Spring Ceremonial in North Bay. Rorab Shrine Club will make it a fun and exciting time for all.

The imperial sessions in San Antonio promise to be one of the most important ones for the Shriners hospitals for children. There is a tremendous amount of information floating around with different points of view.

This past weekend I had the opportunity to attend the New York/Ontario Shrine Association spring meeting in Lake George, New York. In attendance were our imperial Potentate, Imperial Sir Doug Maxwell and our Imperial High Priest and Prophet Al Madsen. Imperial Sir Doug Maxwell gave everyone an in-depth talk on the situation, giving us as many facts as possible. It appears there is a difference of opinion as to what direction or course of action should be taken. There was a vote by the members of the joint board to close 7 hospitals. The vote was 15 or so in

favour of closing and 5 against.

Imperial Sir Doug Maxwell was one who voted against

of our  
hospitals*

BY JIM D. MCKINNEY - *Assistant Rabban*

closing the hospitals, but would rather explore other options as to try and close the gap of 200 million dollars.

One option is to perhaps convert some of the hospitals into ambulatory care facilities, whereby no patients would have any overnight stays.

On the revenue side, the hospitals should look at going to third party pay. This is where the Shrine would bill the patient's insurance company and/or the government.

He also stated that there are over 200 full-time employees in Tampa who work on the hospital. I asked him what are the costs of salaries for all these people. He said \$57,000,000 vs \$19,000,000 ten years ago.

The IT department costs are huge. It is very clear that changes must be made. Hopefully all of the hospitals can be saved and operated in some sort of fashion.

FUELLING SHRINERS. Thank you to all of you who are participating and promoting this very exciting project. There are still lots of cards to hand out to people who want to help fuel the Shriners.

## Treasurer's Report

BY ROBERT "BOB" YOUNG, P.P. - *Treasurer*

Nobles, we are now into the month of June and will soon see our labours of spring start to sprout. Encourage our new members to join us in our Clubs and Units. It will be a good time to get them on board with our new project, Petro-Canada Fuel Cards.

All Units and Clubs have cards to hand out to members, family and friends. There are still cards at the Shrine Centre so please call for more if you need them.

Our Assistant Rabban, Jim McKinney has put a great many

hours into getting this project off the ground. We need to get behind this project and show Jim and Petro-Canada that we can make this work. It is such an easy way, just present the card with your payment for gas.

Our markets are down this year and our circuses will be facing difficulties with the new no telephone call system in place. So let's get together and give this project a big boost.

Now would be a good time to encourage our new members to encourage their friends to join them in the Fall Ceremonial. It is never more of a need for companionship and encouragement for each other in the time of troubles. Working together gives us a break from our own problems.

To our own sick and shut-ins, I wish you well and hope you will soon be back with us.

# ***Nobles of Fame, Distinction and Honour***

FOURTH IN A SERIES  
By Noble Michael A. Parkes  
*Editor-in-Chief*

**W**hat can you say about a Noble that has been in, at last count, 197 movies, is 92 years old and still going strong. One word comes to my mind, hurrah!

Ernest Effron Borgnino was born January 24th, 1917 in Hamden, Connecticut to Charles and Anna (an Italian Countess, née Boselli) who had emigrated from Ottiglio, Italy.

Borgnine joined the United States Navy in 1935 after high school. He was discharged in 1941, but he re-enlisted when the United States entered World War and served until 1945 (a total of ten years), reaching the rank of Gunners Mate 1st Class.

After the war he returned to his parent's home with no job and no prospects. It was his mother who suggested that with his forceful personality he would be perfect for a stage career. To his mother's surprise he took her suggestion to heart. In 1947 he landed his first stage role in "State of the Union". During 1949 he debuted on Broadway in the role of a nurse in the play "Harvey".

In 1951 he moved to Los Angeles where he received his big break in the blockbuster movie "From Here to Eternity" alongside Burt Lancaster. I remember him giving an interview many years back. Apparently a friend of his suggested that he drop the front of his pant down slightly so that his stomach protruded to give the impression of an overweight slob. He attributed that move to his getting the part.

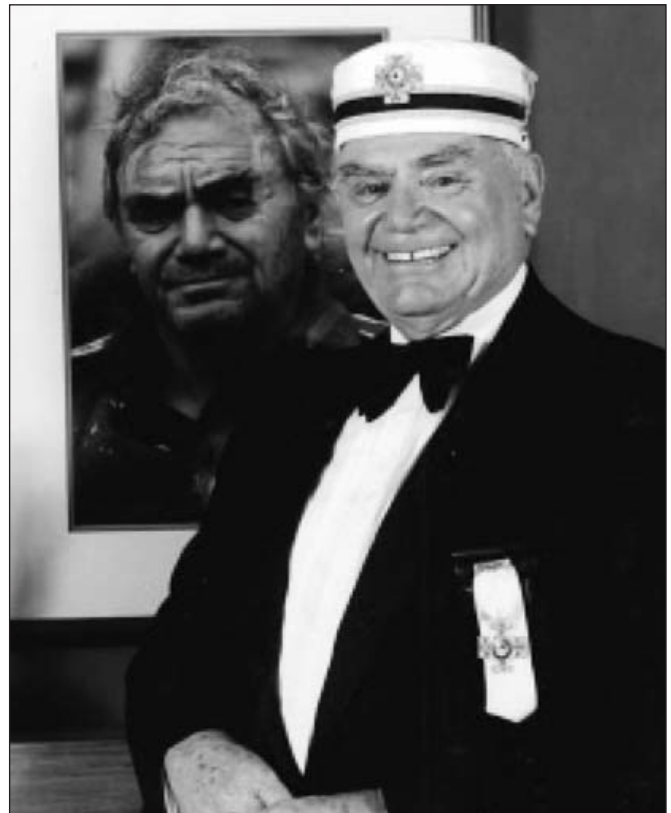

I guess we have all seen Ernie, in many movies over the years, and like you I have some that are my favourites. I guess the big one for me is the Sam Peckinpaw movie The Wild Bunch. I confess that I watch that movie at least 5 or 6 times a year and have owned it in VHS and now DVD. If you have never seen this movie, shame on you. In my books it is the best Western ever made, bar none.

Not mentioning McHale's Navy would be an omission many people would not forgive. Although a fan of that show, I don't think it gave Ernie the depth of acting that he is more than capable of even though he received an Emmy Award nomination for Outstanding Lead Actor in a Comedy Series. The

series ran for four years and was cancelled at the end of the fourth season in 1966.

Ernie holds the 33rd degree of the Scottish Rite of Masonry and has long been active in the craft as well as being a Shriner. He also is recipient of the Grand Cross, which is the highest honour for service to the Scottish Rite.

I know that all Masons and Shriners worldwide join me in wishing Brother and Noble Ernie, good health and longer life. If anyone deserves to celebrate a 100th birthday, it is Ernest Borgnine.

## Fuelling Shriners...Litre by Litre: A Unique Fundraising Effort from Shriners and Petro-Canada

Starting April 1st, Shriners and Petro-Canada launched a unique and powerful fundraising opportunity. The Fuelling Shriners program requires no additional effort on your behalf, other than ensuring that you purchase your fuel for the next year at Petro-Canada gas stations. Simply filling up your gas tank can help to contribute over \$500,000 to the Shriners fundraising efforts over the next 12 months!

### The Program Details

70,000 Fuelling Shriners Cards were distributed to participating members and supporters at 11 Shrine Centers across Canada. Shriners members should go online at [www.FuellingShriners.ca](http://www.FuellingShriners.ca) beginning April 1st to activate their cards as well as their supporters cards before distributing them to the supporters. Supporters and members then swipe their cards before filling up at one of Petro-Canada's 1,400 retail locations, or at North Atlantic Petroleum gas stations in Newfoundland. The cards are also valid with diesel purchases for your personal vehicle.

### The Outcome

Petro-Canada will track the activity on a monthly basis and provide Ramses Shrine with a quarterly contribution cheque based on those participation numbers. Shriners will be able to go online at [www.FuellingShriners.ca](http://www.FuellingShriners.ca) on a monthly basis to see the latest total aggregated contributions from the program.

### What is required for Success?

The secret ingredient is the strong personal commitment that Shriners members are already known for:

- Commit to buy your fuel exclusively from Petro-Canada
- Ensure all Fuelling Shriners cards are activated at [www.FuellingShriners.ca](http://www.FuellingShriners.ca) before they get distributed to your supporters
- Ensure you always use the Fuelling Shriners Card at the time of fuel purchase, including diesel
- Communicate with your supporters on a regular basis to ensure they continue to go to Petro-Canada and always use the card at the time of fuel payment

With full commitment from participating Shriners and supporters over the 12 months of this program, Fuelling Shriners can prove to be a simple and profitable fundraising strategy!

I guess it is now a well known fact that Frank, is running for the leadership of the Progressive Conservative Party in Ontario.

Should you wish to find out more information and support Frank in his quest you can visit his website at: <http://www.frankklees.com/>

Shriners Hospitals to develop

# national cleft lip & palate treatment p r o g r a m

*Before Surgery*

About 5,000 children are born each year with deformities of the upper lip and mouth. The condition is uncommon but devastating to those affected. Care for cleft lip and palate is often difficult to obtain and is, at best, fragmented and incomplete.

No matter how many children are affected, they deserve the best medical attention available. Shriners Hospitals for Children, long known for its care of children with orthopaedic, burn and spinal cord problems, is responding to this unmet medical need by adding it to our official disciplines.

At the November board meetings, the Joint Boards approved development of a National Shriners Cleft Lip and Palate Program. A detailed proposal, including a plan for a systematically organized network of locations, staffing recommendations and costs, will be presented to the boards in April 2006.

In addition, the boards provided adequate funding for the cleft lip and palate program already in place at the Chicago Shriners Hospital, which will serve as a model for the future effort. "Step one was to ensure that the Chicago hospital, which has achieved a national level of prominence in this field, has the resources to provide all necessary services," said Donald Lighter, M.D., associate director of medical affairs for Shriners Hospitals. Step two will be to closely study the Chicago model and then determine how best to proceed with expanding the program to other Shriners hospitals, Lighter said.

*After Surgery*

## **A comprehensive program**

The Chicago hospital has about 1,300 active patients in its program. These patients account for at least 250 operative

procedures and a minimum of 5,300 patient visits annually. Ancillary medical needs are provided through agreements with three major universities in the area.

Treating cleft and palate problems is a long-term commitment; children require care from birth to adolescence, which fits well in the Shriners mission of providing family-centered care until the patient's 18th birthday. Several types of surgeries, including lip and palate repair, nasal reconstruction, facial work and dental procedures, can be required when treating these disorders. Even so, much of the work can be done on an outpatient basis and hospitalizations are typically short. Still, the children will need additional care and attention, such as speech therapy, psychosocial evaluations and orthodontic treatments. These children will also need the expertise of several different medical specialists, including surgeons, several types of dental specialists, speech and language pathologists, audiologists and psychologists. The designated Shriners Cleft Lip and Palate Centers of Excellence will provide all necessary care, often through collaborating and coordinating with local medical centers and universities.

It is hoped that the new program will fill the need for coordinated, comprehensive multidisciplinary care for these children, as well as provide medical research on cleft lip and palate problems. Of course, Shriners Hospitals intends to offer the same state-of-the-art, high quality care in this effort as it does in its established programs for pediatric orthopaedic and burn care.

## Installation of Officers

BOKHARA COURT No. 22

LADIES' ORIENTAL SHRINE OF NORTH AMERICA

**S**aturday, April 18th, 2009 dawned brightly, as the Members of Bokhara Court No. 22 prepared for their Installation of Officers. At 2:00 p.m., at the Rameses Shrine Centre, 3100 Keele Street, Toronto, Ontario, Lady Barbara Pennock, who is the great-granddaughter of Noble Bernard A. Pennock, was installed as Bokhara Court's 85th High Priestess. She follows in the family footsteps, as her mother, Lady Beverley, was President of the Great Lakes Unit Meet in 1997, and her grandmother, the late Lady Myrtle, was High Priestess in 1966-67.

Lady Barbara Davis, Executive Personal Aide, Past High Priestess welcomed everyone to the celebration. Noble Bryan Lawson, Chief Rabban of Rameses and Lady Ingrid represented Illustrious Sir Raymond Causton and his wife, Maureen. Ladies, Nobles, Family, and Friends came from near and far to join us for this special day.

Among the 150 guests were Mr. Jim Corbett (musician), Mr. Andrew Aitchison (soloist), Past Potentates: Illustrious Sirs Robert McGregor (Lady Nancy PHP), Robert Young (Lady Marjorie PHP), and Derek Fisher (Lady Julie). Rameses Shriners Divan members were all in attendance, showing their unwavering support and appreciation of our Court.

Bokhara was honoured to have in attendance, our very own Past Grand High Priestess, Lady Fran Brook, and the Grand Outer Guard of the Grand Council of the LOSNA, Lady Diana Rezbanyay-PHP Dendarah Court No.10, Toledo, Ohio, and her Noble Joseph (Zenobia Shriners). Officers, Members and guests were present from Kheedawee Court No. 6, Cleveland, Ohio, and Ailiamsi Court No. 12, Buffalo, New York, Awalim Court No. 9, Hammond, Indiana and Orak Shriners.

It was Lady Barbara's hope to include as many of our Past High Priestesses as possible at this function, and she was overwhelmed by the co-operation she was given. Nineteen Past High Priestesses took part in the Installation ceremony. Lady Barbara thanked each one of them for being by her side for these many years. In her speech, she recalled her childhood memories of marching with the Patrol, dancing with the Gypsies, and staring in awe, as the drumsticks twirled around her. "One day, I will join these wonderful ladies, and I will wear one of those white "hats".

Our banquet followed, with the blessing offered by Lady Barbara's uncle, Mr. Glen Jones, who, with his wife, Sandy, flew in from Calgary for the weekend. After enjoying a delicious roast beef dinner, Lady Donna Ervine PHP presented two of our Units for performances. The Blue Mountain Steppers and the Drum Corps delighted our dinner guests. These Units retired our distinguished Head Tables, and brought to a close, a most wonderful day!

We work together to donate over \$60,000 in cash and articles annually and present these donations at our Hospital Tea in March. Our plan for 2009-10 is very simple..."We think of the burned and special children, and promise, each month, to do more!"

## Aladdin hosts 2009 Shrine Directors' Convention in Columbus

**W**e were entertained by one of the largest Temples in Shrinedom and their hospitality was second to none. They have the largest dance floor in Columbus and an absolutely beautiful facility! They have lots of new membership ideas and stunts to get the imagination flowing.

One message that came out loud and clear was that the second section is one of the more memorable events of the Ceremonial Day. So, we'd like to extend an invite to any member to come out and join us up in North Bay and any future Ceremonial to help make the day memorable for all those future new Shriners. We are always on the look out for creative ideas on how to enhance the new Candidates' experience during the 2nd section. The beauty is that your time commitment is minimal but contribution is huge.

The Directors Staff meets the 2nd Monday of the month September to June, and attends the two annual Ceremonials. Contact the Director Paul Baillie at 905-844-1087

## Presentation made to Children's Treatment Centre

On Thursday, April 2, 2009 the Executive Director of the Children's Treatment Centre, Sally Spence was presented with a cheque for \$51,000 on behalf of Rameses Temple and the Sudbury Shrine Club. These monies are earmarked for the purchase of Medicinal Botulinum Neurotoxin (Botox) which is administered as part of the medical therapy. Certain medical conditions result in the tightening of muscles or spasms which are uncontrollable, and these are often painful. Treatment with Botox can manage these symptoms. The signals causing muscle spasms and pain are sent to the muscles through the nerves. Botox blocks these signals at the site of the affected muscles, thus relaxing them, and easing or eliminating the pain. Rehabilitative therapy can then be initiated.

In attendance was our Illustrious Potentate, Raymond A. Causton (who made the presentation), as well as David Dunn, Terry Lamping, and Robert McGregor, representing the Rameses Temple Divan (Toronto). There were thirty plus Shriners and wives, as well as Wah Chung, President, representing the Sudbury Shrine Club. Mr. Richard Schwar, the Charitable

Coordinator of Charitable Gaming Association of Sudbury (Sudbury Shrine Club partners with the association), and Special Lady Nancy McLatchie, along with her son John and daughter Barbara Snowden were also there.

The McLatchie family was presented with a framed poem composed by Sally Spence, written to honor the late Shriner Bob McLatchie who was instrumental in the bringing about the outreach clinic from Montreal which is held in Sudbury approximately ten times a year. At that time as many as eighty children are evaluated over a two day period, and this saves them taking a trip to Montreal, as well as optimizing our resources. This poem, "Our Champion, Bob McLatchie", follows.

## Firemen Serve at Boston Pizza

By Noble John Cumin - KAWARTHA FIREMEN'S UNIT

The Kawartha Firemen's Unit held a celebrity fundraiser at Boston Pizza, Chemong Road in Peterborough. Members of the Unit assisted in the serving of food and drinks in the restaurant on Thursday April 2. Boston Pizza offered the Unit a portion of the profits and allowed us to sell 50/50 draw tickets.

The evening was a great success and promotional info including Burns Awareness coloring books for the kids and pens for the adults were provided to everyone. One of our Mini Fire Units was on display to welcome customers on their entrance to the restaurant.

The restaurant would like us to do it again. If any other Shrine Clubs are interested check with Boston Pizza.

A 100 Million Dollar Club Certificate is being presented to express our thanks to the staff and management.

*It's that time of year again*  
**The 2009 Rameses Shrine Circus**

*Is coming to town and we are looking for a few good Shriners to help take tickets, watch strollers, general security and of course, Fire Watch.*

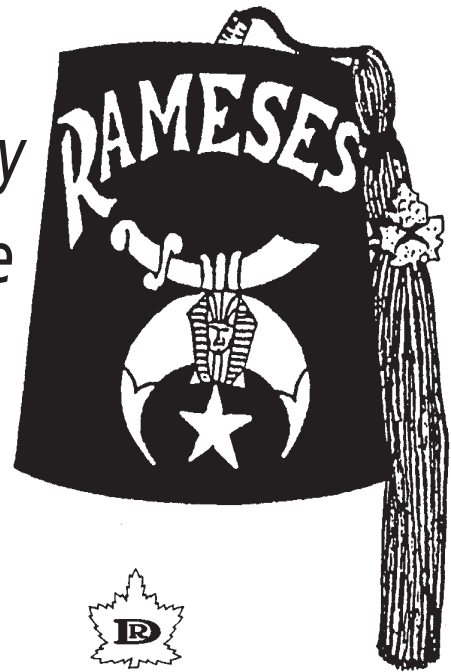

*Shriners reporting for the Fire Watch please report in one hour prior to show times. This allows you time to sign in and report to your station. Fire Watch must be in place 35 minutes prior to show time; that's 5 minutes before the public is allowed to enter the tent.*

For Rameses Shriners, the circus is more than a fundraiser. It is also an opportunity to give back to the community, by making it possible for everyone to have a circus experience.

The Shrine Circus brings something important to the community — quality, affordable family entertainment.

## The best "wood" in your bag, a pencil?

By Noble Dave Gillies

NIAGARA SHRINE CLUB

Hope all our readers have sharpened up their golfing skills before the 26th of this month. Rumour has it there might be the odd sand bagger entered. Good thing this is only a fun tournament and a great excuse to raise a dollar for our hospital in Montreal.

At the time of writing there are spots available but hopefully by the time you read this, the field may be almost filled, call one of the committee for a chance to play. Remember it's only a game; the best wood in most of our bags is the pencil.

We will be running into our summer recess after our last dinner meeting. I'm sure you all remember that it's a steak fry, usually a full house so let Noble President Hooper know you want a steak or call the Club and leave a message. I don't want to hear "Where's the meat?" if we run out of steaks. The Maid will be attending 4 parades throughout this recess; check our Club web site [www.niagarashrineclub.com](http://www.niagarashrineclub.com) for the parade dates and sailing times. Get

on board as a crew member; it's a good way to see the parade and to spread our Shrine word in the region.

Congratulations to our President, Noble Kevin and his officers for a smooth year in steering our Club in the right direction. Good thing he steered his way to a chicken take-out in April when the caterer decided we all had to go on a diet. They didn't show up with our food! Our quick thinking President did some fast tap dancing and a fine chicken dinner appeared much to the delight of our members and guests. I think we all thought some belt tightening would be happening that meeting.

Between lost dinners and lots of inter-Club visits, our meetings are keeping everyone interested, one or two jokes help also.

The Shrine Circus will be in town in July and Noble Andy and our St Catharines brothers sure can use some Clowns and Nobles for fire watch that day. We had a good showing of Nobles last year and the crowd responded in kind. Almost a full house; I saw some of our children that were there. To see their eyes light up when the clowns come out and acts got underway, priceless.

I just have to say, "Isn't it Great to be a Shriner". The Circus has been a good fundraiser over the years so we need to be visible wearing our fez and waive the flag in order to continue this revenue source.

Something new at the Club this summer. Two car shows are scheduled for June 28th and September 20th in our parking lots. Originals along with custom cars are expected and if any Shriner reading this is interested, give Brother Scott a call, details can be found on our web site. Nobles will be needed around the Club to look after the expected crowd's food and beverage needs. Talk to Noble Drew to see where you can help.

Enjoy your summer but don't forget to distribute those Petro-Can cards they can and will generate lots of funds for headquarters and our Club.

Last word. One of life's many great mysteries, why is it that no green garbage bag will open from the end on your first try?

## Oshawa Club Gala a big success

By Noble Vic Phillips

OSHAWA SHRINE CLUB

It was a star-studded affair. The 2009 Oshawa Shrine Club Gala was held at a popular golf and country club and featured newscaster Ken Shaw as MC, with special guest and honorary chairman Sandy Hawley entertaining the crowd. The Shriners and their ladies along with dozens of guests danced the night away to the sounds of a 19-piece band. Local radio and television stations promoted the Gala and at the same time helped publicize our Childrens Hospitals.

The Clubs calendar is packed with events, from the usual parades to a "Lottery for Murder night."

On a recent regular Club night our guest speaker was Peter Northcott, Sir Knight of the Knights of Columbus who talked about the organizations activities and said they are having the same problems as other fraternal clubs with lower memberships. There are 1.7 million members throughout the world and they consider Shriners as brothers who help those in need.

The mother's day brunch was a sellout as usual as was the Mini Bike Unit's annual Steak Fry and the Master Masons' night.

The lads are working frantically behind the scenes with plans for our annual Golf Day and, of course, we intend having a very visible presence at the North Bay Spring Ceremonial with all five Club Units strutting their stuff. Come by and say hello at our Hospitality Suite, always one of the more popular rooms at the Ceremonials.

Our own Noble and Past Potentate Barry McQuillan is director General of the 2010 Shriners convention in Toronto and is on the lookout for Nobles and their ladies to help with some of the events including: Imperial Night, Imperial Sir Mitchell's pageant, the Ladies Luncheon and two parades along with numerous other activities. Check out the website at [www.toronto2010.ca](http://www.toronto2010.ca)

Until the next time, remember you will know you are in a bad hotel when the number for room service is 911 and if you've lost your memory, forget about it.

## The history of the Little Red Caboose

By Noble Bruce Kelly, President, TRANSPORT CORPS UNIT

The Transport Corps Unit started up in the late 1940s. Today, our Unit consists of approximately 12 active members. At the Transport Corps Unit we have refurbished, several times over the years, since its inception in 1965, a used motor vehicle, very similar in looks and therefore appropriately named, the 'Little Red Caboose'. It is red and white, or candy stripe in colour, very visible in size, and has a very loud sounding horn, similar to a train.

Over the years, the Little Red Caboose has participated in many parades such as the Ceremonials, the Imperials, Santa Claus and numerous other parades throughout North America. Usually, you can locate our caboose at the tail end of the parade routes. The Little Red Caboose has also been on display at various children's functions.

Another function of the Transport Corps Unit has been the selling of chocolates at various shopping locations in Toronto, along with other fundraising events to raise funds for the Shriners Hospitals. Also, when requested by the Divan, to assist with transportation assignments at Shrine events.

The Transport Corps Unit officers and members meet about six times a year, usually a morning meeting at the Rameses Temple. We more than welcome any new Shriner to our Transport Corps Unit, especially one with a Class Z endorsement, of a Ontario driver's licence to drive our little caboose. Looking forward to seeing you all at the next parade.

## Community Service

**A**DESA Toronto's V. P. & General Manager Darryl Maidment was presented with a Membership Certificate in the Shriners' One Hundred Million Dollar Club by Noble Ivan Tees of Peel Shrine Club. This was to express our appreciation for assistance rendered to the Peel Shrine Club by Adesa generally and Darryl in particular.

He has made it possible to have Shiner Christmas Cakes sold on auction days, had generously contributed to our Club when our Parade Go-Carts were stolen and further avails us secure parking for our Shrine Truck & Trailer. Also, permits the use of an interior area to prepare our carts for parades throughout the summer, fall and Christmas seasons for these fundraising events.

Assistance of this nature will permit our Club to this year donate \$50,000 to the Montreal Shriners' Hospital.

For your general information, the One Hundred Million Dollar Club is a Financing Arm assisting our 21 Shrine Hospitals in Canada, U.S.A. and Mexico providing treatment, free of charge, for children suffering from crippling orthopedic or severe burns.

The daily cost for the operation of these 21 hospitals is \$1,600,000 U.S. so all assistance available is required for which we are very grateful.

Adesa also avails its "Sale Days" in October to the Canadian Legion for the sale of remembrance Day Poppies, and the generous contributions for this venture are substantial and appreciated by the Canadian Legion.
