Potentate's Message

Illustrious Sir Raymond A. Causton, Potentate

As I look out the window at the first sign of spring, it brings to mind how life springs eternal. Just as our Shrine Clubs and Units host the many Shrine activities for members, family and friends our Shrine life springs eternal.

What a great fraternity we have that practices Fellowship, Family and Fun. An organization that has something for everyone.

As our Imperial Shrine Hospital Endowment Fund loses money with the down-turn in the world economy, it has affected 3 of our Shrine Hospitals. The Galveston Hospital has been closed due to lack of funds (just, too costly to repair after last year's hurricane). The rebuilding of the St. Louis and Los Angeles Hospitals has been put on hold. I must add that none of our special children will go without our care.

We must step outside the box or extend the box as never before. Remember, membership must be our number one priority. An ever-growing membership can only alleviate this situation. More members mean more hands for fraternal and charitable fund raising.

On a more positive note, Rameses has indeed stepped outside the box by implementing a fraternal fundraiser for all 12 Shrine Centres in Canada. By the time you read this message the Petro-Canada Shrine Fundraiser should be in full operation. Please support this endeavour personally and encourage your friends and family to use the Shrine Fuel Saver Card to buy gas or diesel at Petro-Canada. Each litre of fuel you buy, Rameses will receive up to 2 cents a litre, no cost to you and you can also use your Petro-Points card.

Many thanks must be given to our office staff, members of the Divan and our fundraising chairman Assistant Rabban Jim McKinney for their hard work and dedication.

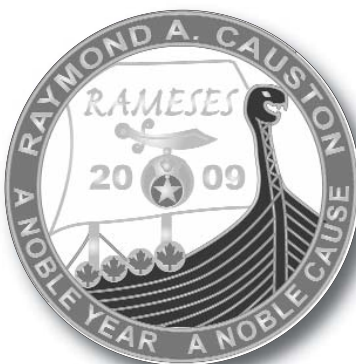

Many of you have heard of the Justin Timberlake Shriners Hospitals for Children Open Golf Tournament held in Las Vegas last year, what a great success. Well, there will be a PGA Tour event in our area very soon.

The date is July 20-26, 2009. The name of the PGA Tour event is RBC Canadian Open and is being held at the Glen Abby Golf Club in Oakville, Ontario.

Imperial Sir Ralph Semb has asked, "If we can have a good showing of Shrine Fezzes it would certainly attract many of these PGA Pros to attend Las Vegas this coming fall". What a great way to project our Fraternity and Philanthropy, just by wearing your fez.

If you would like to attend, I will need to know how many Nobles need tickets, which are free.

Please contact your Ambassador no later than 8 June so I can get the required tickets.

TERRY LAMPING - *Oriental Guide*

Now that we are looking forward to warmer days and great times in our parades and golf tournaments we also increase our busy and fun times at the Shrine Centre and in our Clubs.

Our new fundraiser through Petro-Canada will be a great asset to our Shrine Centre and to the Shrine Clubs. So be sure to take advantage of it and mention it to all your friends and families.

My lady Joyce and I were in Tampa for the Oriental Guide School in March to learn more about the responsibilities, rules

and duties required in our great philanthropy.

The lessons were informative and interesting and we made many friends from all over Shrinedom. The people you meet and the friends you make are a side benefit that we all enjoy in our work for the Shriners Hospitals for Children.

Should you have an opportunity to visit a Shrine hospital please do so. Most of us feel even more committed to our efforts when we meet the dedicated doctors, nurses and volunteers working with "our" children.

We, on your Divan, look forward to meeting you again and hope that you will be able to attend the Spring Ceremonial in North Bay June 10 -14. Rorab Shrine always does a great job.

The Imperial convention in San Antonio in July will be another great one not to miss.

As we listen to the daily news and read the local papers, we find that every time there is a robbery, a stabbing or a shooting in our towns or cities it is the first story in the news whether newscast or newspaper. The culprits get the headlines. They and their crimes get the headlines.

However, when someone, whether young or old, does something very worthwhile for those around them it gets second place in the news, or maybe it is even fortunate to hit the news at all.

It is always good to hear about the worthwhile job the Shriners do for our young folk. Shriners are busy, very often quietly busy, working devotedly to support our Childrens Hospitals, Burns and Research Centres. Through these institutions our "Shrine Kids" find a renewed quality of life. They can smile and that smile says "Thanks Shriner!"

Chaplain's Corner

BY REVEREND MARSHALL JESS - *Chaplain*

The efforts of Shriners very often go unnoticed and rarely hit the news headlines. Well, let us not be backward about telling the stories of the worthwhile efforts shown by those who wear the Red Fez because those are the kind of stories that should hit the headlines.

Let us be proud of our ventures and confidently maintain that support for our medical staffs, our hospital units and, first and foremost, our "Shrine Kids" .

Keep in mind our Ill. Sir Ray Causton's theme for this year: "A NOBLE YEAR - A NOBLE CAUSE".

Bryan's Blackboard

BY BRYAN W. LAWSON - *Chief Rabban*

Your Divan has been very busy since the day of Installation. We have travelled to many of the Clubs for Installations as well as other social events and by the time you read this, the many fundraisers such as Golf and BBQs will have started and we will be enjoying spring weather. We have also had a number of Divan meetings with very full agendas and many discussions have been made on behalf of the Nobility.

One of the biggest single items has been the Petro-Canada project with its kick off on April 1st. By now all of our members and many Shrine friends are using the cards as well as Shriners and friends across Canada. Please remember to use it each time you purchase gas at Petro-Canada. The benefits for the Shrine are enormous.

For those who have not yet heard, the Spring Ceremonial for 2010 will be hosted by the Manito Shrine Club in Collingwood. The Committee is very busy with plans to make this event enjoyable and will be available at this year's Ceremonial in North Bay to answer questions and take room reservations. Mark your calendar for June 10th to 13th 2010. It will be here

before we know it.

2010 is also the year that the Imperial Session comes to Toronto and the committees for this event are still looking for lots of help. Many of the jobs are not hard and even our senior members would have no problem looking after them. Please consider being part of this event as we showcase Toronto and Rameses Shriners.

For the many members that we have that are not members of a Club or Unit please consider this your invitation to join one of the many that Rameses has to offer. There are many of the Units that need your help and participation, not to say the enjoyment that awaits you while you take part. If you would like to accept this invitation just look in the new Roster and call one of the Clubs or Units, or better still, be a visitor at one of their meetings or practices. I am sure there is fun to be had, all you have to do is look for it.

Best wishes for safe and happy travels, and remember, Shriners do it Best.

Recorder's Message

BY BOB MCGREGOR, P.P. - Recorder

At our January 10th, 2009 Stated Meeting our Illustrious Potentate mentioned that we had made a conditional offer on the property at the south east corner of our lot at 3100 Keele Street and it was intended that this become part of our investment portfolio.

Regrettably our conditions were not officially met within our time period and with the economy in turmoil as I write, your Divan decided to withdraw this offer and our deposit has been returned. Be advised that this proposal is dead and we are not interested in this property at the present time, we do however wish to thank Noble Jeff Laceby for his good council and assistance on this project.

All members of your Divan are working hard on the Petro Canada project and I trust by the time you read this, you will all be buying your fuel at the Petro Canada service station of convenience and that you have placed your order for the Shrine Fuel Card. The Chairman of this project is our Assistant Rabban Noble Jim McKinney and therefore I will leave the details and the dos and don'ts up to him and our illustrious Potentate.

However, Nobles please get on board with this project as it's you and you alone that can make this the biggest fundraising project to come our way in many years and it's just so simple. When you need fuel, make sure it's Petro Canada you use. Have them swipe your Shrine card then pay for your fill-up with cash, debit or credit card (your choice) then watch our Shrine bank account grow.

The February financial stated meeting was not well attended. A total of 43 Nobles including the Divan showed up and all items on the agenda were subsequently discussed and approved of which the main item was the 2008 financial report. There were no questions asked and all present appeared to be happy with the financial statement which is now part of the record and history of Rameses Shrine.

On April 2nd of this year, your Illustrious Potentate accompanied by his Divan will travel to Sudbury to present the Sudbury Botox Clinic with a cheque for \$51,000 from our Transportation Fund. This amount was raised by your generous donations to it in the amount of \$30,000 and with an additional amount of \$21,000 raised by the Sudbury Shrine Club. It just goes to show what we as Shriners can do when we work together as a team. There is a misconception that Botox injections are for cosmetic purposes only but that's not what we use it for. The Botox is injected into our young patients who among other things have Spina Bifida and Neuromuscular disorders. The Botox loosens up the muscles and allows the children much better use of their limbs. For example, children who tend to walk on their toes with jerky movements prior to injections, walk on the soles of their feet and in a somewhat more normal fashion after the injection. I'm told that this treatment works for in some cases several months but it does eventually have to be repeated.

One day we will cure this terrible malady but until then we

all strive to make our kids as normal as possible and from the bottom of my heart I thank every Noble that makes a donation to our Transportation Fund and if you could see the result of your effort for yourself, you would be suitably impressed. It may even bring a tear to your eye.

While we're on the subject of money and our Transportation Fund, be advised that your Illustrious Potentate Noble Ray Causton will be going to our Canadian Shrine Hospital in May of this year at which time he will present them with a cheque for \$100,000 and again this is money that you the Nobles of Rameses raised and it will go to help our kids which is we feel, exactly what you would want us to do with your hard earned cash.

Nancy and I are going to be on a well earned vacation for three weeks in March so if you can hold off on your questions until I come back, I would appreciate your indulgence. It's not that other members of your Divan cannot answer your questions but quite frankly they are too busy with other things on their plate.

I hope you will all see fit to support your Potentate in North Bay for our Spring Ceremonial in June of this year.

The local committee, under the direction of Director General Noble Dale D. Letts and his Housing Chairman Noble Gordon A. McKay have put together a great weekend with fun and fellowship at the top of the list and all we need now is your support. Let me remind you that the Shrine is the playground of Masonry and there is nothing wrong with having a good laugh and a jolly old time with your Shriner friends.

For those of you that have never been in San Antonio, now is your chance. It is just about the nicest city to have a convention in and we will do our best to make you welcome. The river walk flows past our hotel and you can have either a tour or dinner on these open air barges. It's just a fun thing to do. The Alamo is just around the corner, that's where Davy Crockett, Jim Bowie and a very distant clan member by the name of McGregor made their stand against the Mexicans, which when you think about it, wasn't so long ago.

Please Nobles, try to add this trip to your lifetime of happy memories and I'll look forward to being with you on this fabulous trip.

My kind regards to all of you for a great summer ahead. May it be the best one ever. I appreciate all that you do for Rameses but most of all, thank you for just being Shriners.

Fuelling Shriners...Litre by Litre: A Unique Fundraising Effort from Shriners and Petro-Canada

Starting April 1st, Shriners and Petro-Canada launched a unique and powerful fundraising opportunity. The Fuelling Shriners program requires no additional effort on your behalf, other than ensuring that you purchase your fuel for the next year at Petro-Canada gas stations. Simply filling up your gas tank can help to contribute over \$500,000 to the Shriners fundraising efforts over the next 12 months!

The Program Details

70,000 Fuelling Shriners Cards were distributed to participating members and supporters at 11 Shrine Centers across Canada. Shriners members should go online at www.FuellingShriners.ca beginning April 1st to activate their cards as well as their supporters cards before distributing them to the supporters. Supporters and members then swipe their cards before filling up at one of Petro-Canada's 1,400 retail locations, or at North Atlantic Petroleum gas stations in Newfoundland. The cards are also valid with diesel purchases for your personal vehicle.

The Outcome

Petro-Canada will track the activity on a monthly basis and provide Ramses Shrine with a quarterly contribution cheque based on those participation numbers. Shriners will be able to go online at www.FuellingShriners.ca on a monthly basis to see the latest total aggregated contributions from the program.

What is required for Success?

The secret ingredient is the strong personal commitment that Shriners members are already known for:

- Commit to buy your fuel exclusively from Petro-Canada
- Ensure all Fuelling Shriners cards are activated at www.FuellingShriners.ca before they get distributed to your supporters
- Ensure you always use the Fuelling Shriners Card at the time of fuel purchase, including diesel
- Communicate with your supporters on a regular basis to ensure they continue to go to Petro-Canada and always use the card at the time of fuel payment

With full commitment from participating Shriners and supporters over the 12 months of this program, Fuelling Shriners can prove to be a simple and profitable fundraising strategy!

Volunteers required for Rameses First Aid Unit

By Noble John H. Balcom
Chief Medic

RAMESES FIRST AID UNIT

The installation of the Rameses Shriners First Aid Unit mission is to fundraise, provide basic first aid to members, support events and maintain medical equipment. The first aid members will be wearing orange berets to be easily visible to all members. The benefits of having a First Aid Unit is to educate members and provide basic CPR/first aid to Shrine members until emergency medical personal are on scene. In developing this Unit, it is important that we recruit members to maintain the Unit so we are able to meet the first aid needs of the Shrine and fundraising goals.

As a Unit to raise funds we will be selling first aid kits; small one for \$28 dollars (Individual use); larger one for \$50 dollars (office use). These can be purchased through any first aid member.

I will be acting chief medic that will oversee the development of the Unit; Noble Andrew Turk is acting secretary/treasurer; Noble Dr. William R. Awrey will be acting physician for the First Aid Unit. To join the Unit there will be an \$80 dues that will be used to provide CPR and first aid courses, you will need to purchase your uniform. Anyone interested in joining the unit please contact me.

If anyone has family members in the healthcare field that will be interested in volunteering please email me at John_Balcom@hotmail.com or John.Balcom@Sickkids.ca or telephone me at 647-405-0632.

This Unit will be a great asset to the Shrine and the community. Any help would be much appreciated to maintain the First Aid Unit for years to come.

ORONTO TEMPLE No. 69

With spring in the air and our Orthopedic Tea now over we would like to thank the Members of Rameses Shriners who attended this special event. This is a time that the ladies show the items that they have made or purchased for the Shriners Children's Hospital in Montreal. Our ladies work very hard from year to year for this special event and your presence is always appreciated every year.

now ready to assume there year of Autumn Splendor.

Again we thank the Rameses Shriners and their ladies who attended this afternoon event.

May 4-8 our ladies will be making their delicious fruit pies (Blueberry, Cherry and Raspberry). If you are interested in showing off your culinary side, the ladies would love your help in either roll, fill, crimp and bag the pies. Many hands make light work and the ladies would welcome the Nobles and their wives' help. Bring your lunch, tea and coffee are always available.

DAVID DUNN - *High Priest and Prophet*

Nobles, as I write this message the spring thaw is upon us and I contemplate the arrival of warmer weather. Many of our winter Shrine functions have been completed. We can now look forward to our Spring Ceremonial in North Bay, Ontario where we will have the pleasure of increasing our membership.

Illustrious Sir Ray Causton has appointed Noble Jim Thornton

as Membership Director. He is a good man with great ideas. Please give him your full support. Many of our Brethren are waiting to be asked to join our Shrine fraternity and to be a member of the greatest philanthropy in the world.

Nobles, our Petro-Canada Fuel Card fundraiser will now be in full swing. Petro-Canada has offered us a great opportunity to test a totally unique fundraising strategy. With your hard work, diligence and distribution of the cards, it will be a win/win situation for all Clubs and Temples involved. Remember Nobles, "Fueling Shriners, Litre by Litre". Your dedication and commitment in order to further the care of our children and the work in our hospitals is greatly appreciated.

Spring is just around the corner. I hope everyone has had a good winter and is looking forward to spring. It won't be long until the Spring Ceremonial in North Bay is here. In this regard let's all try and get as many new Nobles for that great event. I hope to see as many of you as possible in North Bay as I know the Nobles are working hard to host a great event. Rorab Shrine Club will do a great job.

Most of you are aware by now that Rameses has signed a contract with Petro-Canada, the purpose of which is to increase their market share. The Shrine in Canada is the first and only organization to be given this unique and incredible opportunity.

Jim's Notebook

BY JIM D. MCKINNEY - *Assistant Rabban*

The slogan Petro-Canada has come up with is "Fueling Shriners, Litre by Litre". We have nothing to lose but lots to gain. All we have to do is find people, family, friends, neighbours, and business associates who buy their fuel from Petro-Canada.

The cards will be available soon. I know with your help this project will be a huge success.

All the best for a great spring.

Treasurer's Report

BY ROBERT "BOB" YOUNG, P.P. - *Treasurer*

Spring is beginning to show her head, the trees are in bud and by the time you read this, some will be in bloom. Now is the time to encourage new members to sign on for our Spring Ceremonial to be held in North Bay.

Remind your Candidates that the ladies are welcome to join

them and learn about our Special Children and the ladies organizations.

New members will be able to join and help spread the word about our new projects in the works. Your Divan is working hard to get these projects started and need all of you to help and encourage your family and friends too. Even our shut-ins can help with these projects. We hope you will soon be well enough to join us.

You are always in our thoughts may the spring sun give you renewed health and happiness.

We appreciate your generosity and support for our children

Three Year Trustee and Junior Past High Priestess

BOKHARA COURT #22

This is my last official article and I would like to take this opportunity to personally extend a heartfelt thanks to all the Nobles and Ladies for your wonderful support over the past year. 2008/09 is a year I will always remember, the successes, the energy, the planning, the learning, the friendships and the growth.

While good-byes are never easy, I look forward with enthusiasm to the many new opportunities ahead, as I transition into yet another new role as Three Year Trustee and Junior Past High Priestess.

I also look forward to welcoming our High Priestess Lady Barbara Pennock, and her new Officers. A special welcome to Lady Barbara Van Der Heyden, our 2nd Ceremonial Lady who is our newest "mushroom" until she meets with her Grand Officer at our Grand Council Sessions the third week of May.

A special thank you as well to Lady Patricia Martin, Princess and our Past Hospital Chairperson, Celine Doray, M. Sc. Nursing, Administrator, Canadian Unit, Montreal; Dr. Rene St-Arnaud, Ph.D., Principal Investigator, Canadian Unit, Montreal; Patient, Rachel and her Mom, Jacinta White for their information and all the Nobles, Ladies and guests, who helped make our annual Bokhara Court No. 22 Hospital Spring Tea such a tremendous success. Words can't express how very appreciative we are for your generosity and support, in assisting the children.

Wake up in the Alamo City with the scent of huevos rancheros in the air, the sound of mariachis, and the sight of barges winding down the San Antonio River, and you know you're some in place special.

San Antonio is quite possibly Texas's most beautiful and atmospheric city, so it's no wonder it's the State's number-one tourist destination. Remember the Alamo? It's here, sitting in a plaza right downtown, so you can easily walk to it from your hotel. But while most visitors check out this famous symbol of Texas liberty when they come to town, the historic mission is by no means the only reason to visit San Antonio.

In fact, the heart of the visitor area is the Paseo del Rio -- the River Walk -- a festive, almost magical place that winds through downtown at 20 feet below street level.

Hillbillies airing their best long-johns for parades

By Cuzin' Noble Barry L. Jones

HILLBILLY SHRINE CLUB - CLAN 46

We just can't put a price on what we do for our special children - so we do it for free. Howdy dear friends and kind neighbours, pour yourself a coffee, join me and spend a few enjoyable minutes having a look at this latest column presented for your enjoyment and Hillbilly education.

Nature sure was kind to us when we joined with Masons and many Shriners back on February 7th to parade at the Claremont Winter Festival. We, from the various branches of our Masonic Fraternity, paraded to the cheers of the crowd. Also, it gave us Hillbilly folks a chance to show off our finest attire, well, to be honest, a chance to let them air out after the winter lay-over.

A special thanks to the members of Brohm-Union Lodge who not only organized the Masonic/Shriners portion of the parade, but also took the time and trouble to welcome and feed us delicious chili, coffee and fine examples of Masonic hospitality. I am right happy to report, we Hillbillies had made sure we washed our feet and changed our socks, thus, not one of us was barred from setting foot inside their beautiful, historic lodge building.

The St. Patrick's Day Parade on March 15th was our next project for the 2009. As always a spectacular turnout of Torontonians, many of whom and for the first time, got to tap their toes and clap their hands to some good old bluegrass music and show their appreciation to all the Shriners who paraded along with us.

We have many parades scheduled for this year and again we offer you, as a Shriner, an opportunity to parade with us, that's more fun than picking fleas off your dog. We will be at the Streetsville Bread and Honey Festival parade on Saturday, June 6th, and shortly afterwards we will be wending our way north to 'sunny' North Bay for the Rameses Shrine Spring Ceremonial.

Now, folks, that's quite a drive from Tronna, however, we are hoping to see plenty of roadkill along the way, thus, it is possible we may consider holding a nice family barbeque for the enjoyment of y'all.

On Saturday, June 20th, around noon or so, we will again be showing up at the Highland Creek Festival parade, always a fine crowd to cheer us on and to thank all of the participating Shriners for all the efforts made to assist our special children.

Now, if you have too many chores to keep you busy on June 20th don't fret because you will get a second chance to see us as the next day we will be heading East to Oshawa to again parade in the annual Arts Festival. We've paraded there so often we should get the key to the city, however, with our usual Hillbilly luck, we would likely lose it somewhere along the route.

So, dear reader, you now understand why we have NO lock on our backhouse.

I should mention, due to more and more requests, another Annual Hillbilly Chowdown, featuring the famous Hillbilly Degrees (one for Pa and the other for Ma) will be held at the picturesque summer home of hosts Noble Bob and Marion O'Brien in Kirkfield, Ontario. It's planned for September, more information will follow, so keep having a look at my columns.

Folks, as Shriners, when you parade, whether you march or sit on a float, you soon become aware of how much the spectators appreciate and respect Shriners for the wonderful work we do. If you ever wondered 'what is my role as a Shriner?', parading will sure show you a great reason.

Y'all should know, membership to the Rameses Shrine Hillbilly Club is restricted to just 10,000 each year, so if you are interested and anxious enough to get over to see us, you better do so as soon as possible before we hit the membership limit for 2009. Remember, we meet the fourth Monday of each month, except during the summer, in the Fez Room, Shrine Headquarters on Keele Street. Meetings start around 7:30 PM and we try and get out of there by 9:30, which gives us plenty of time to get back to our farms for our 10:00 PM lanterns out and bedtime. No special attire required, folks, just bring your Fez as we do the Pledge of Allegiance in fine style as conducted by our President Cuzin' Jim Rennie. Couple of things we would appreciate - please consider washing your feet and changing your socks (that's especially appreciated by the fellow sitting next to you). A special hello to our Hillbilly Club Outhouses (or in other words, 'satellites' of our Club) and all those dedicated members who spread the good news of Hillbillydom and Shrinedom throughout Rameses jurisdiction. If you attend a parade where an Outhouse is participating, PLEASE, shout them a 'howdy' and a rousing cheer. Sure would be appreciated.

For now, dear friends and gentle readers, I will say 'G'day' and thanks for reading this sphere of knowledge. To all our Shriner friends and family members who may not be enjoying the best of health, take care and may the blessings of the G.A.O.T.U. continue to be with each of you. To celebrate spring, I will close with a Hillbilly poem. Until next time from the back of the pickup truck, I'll say, take care, be kind to each other and don't forget to get those crops planted. Look for us in parades and cheer us on!

Shriners Hospital for Children is a leader in Pediatric burn Care

Since first opening in the mid-1960s, Shriners Hospitals for Children has provided care for more than 50,000 patients with burn injuries, helping them go on to lead full, productive lives.

Since first opening in the mid-1960s, Shriners Hospitals for Children has provided care for more than 50,000 patients with burn injuries. Shriners Hospitals for Children emphasizes an interdisciplinary approach to treatment, ensuring that patients receive complete, personalized care.

Burn care can include surgeries, continuous internal feeding, innovative infection control measures and scar reconstruction. Aggressive rehabilitation techniques may include positioning, range of motion, and use of garments, splints and other orthotic appliances to achieve improved functional and cosmetic results. In addition, the hospitals offer programs to assist patients and families with the sometimes difficult re-adjustment to their communities and schools.

The medical staff at Shriners Hospitals for Children are renowned for their understanding of the critical care that can help save a severely burned patient's life – such as fluid resuscitation, early excision and skin grafting, and management of increased metabolism.

Since Shriners Hospitals for Children entered the burn care field, the survival rate for children with burns over more than 50 percent of their body surface has doubled. In addition, today, patients with burns over 90 percent can survive, and go on to lead full, productive lives.

The respect for Shriners Hospitals for Children among those working in burn prevention and treatment is indicated by the leadership positions held by hospital staff. These include memberships on the boards of trustees of the American Burn Association (ABA) and The Phoenix Society for Burn Survivors, two national organizations dedicated to improving the lives of those affected by burn injuries.

In order to provide the best, most up-to-date, innovative treatment to patients with burns and burn-related injuries, Shriners Hospitals for Children has a strong commitment to research in burn care. Currently, approximately 60 research studies involving different aspects of burn injury and treatment are in process

and are being funded by Shriners Hospitals for Children. Examples of these include developing cultured skin; understanding the relationship between nutrition and recovery; finding ways to accelerate wound healing; realizing the impact of exercise on recovery; and becoming more aware of the psychological implications of burn injury. Shriners Hospitals for Children is involved in many externally funded burn-related research efforts as well, bringing the total number of research efforts in this field to approximately 200.

Shriners Hospitals for Children shares its expertise in burn care and research through academic affiliations at noteworthy nearby institutions and through various medical outreach programs. In addition, Shriners Hospitals for Children offers residency and fellowship programs, as well as opportunities for graduate students and post-doctoral researchers.

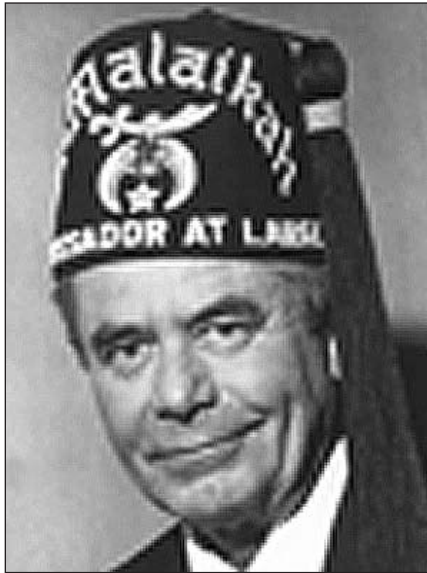

The emphasis on research and education, in addition to excellent treatment, is additional evidence of Shriners Hospitals for Children's total commitment to providing the best care for children with burn injuries.

While the health care system provides this expert care without any financial obligation to patients or families, the organization depends on the generosity of donors to support its mission of caring for children. To learn how you can help, please visit www.donate2SHC.org.

Nobles of Fame, Distinction and Honour

THIRD IN A SERIES
By Noble Michael A. Parkes
Editor-in-Chief

Actor, Mason, Shriner, born Gwyllyn Samuel Newton "Glenn" Ford May 1st 1916 at Jeffrey Hale Hospital in Quebec City, Quebec, Canada. Believe it or not he was a great nephew of Canada's first Prime Minister, Sir John A. MacDonald.

The Fords moved to Santa Monica, California in 1924 and Glenn became a naturalized American Citizen in 1939. He acted in West Coast stage companies, before joining Columbia Pictures in 1939.

His stage name came from his father's hometown of Glenford, Canada and his first major movie part came in 1939 in the film "Heaven with a Barbed Wire Fence".

I guess the first picture I remember Glenn Ford in was "Blackboard Jungle" but I remember him more for the original "3:10 to Yuma". Probably, because it's been playing a lot on television over the past couple of years.

Glenn saw service with the US Marine Corps during WWII as a photographic specialist with the rank of sergeant, spending most of his time in Quantico, Virginia. He was honorably

discharged from service in December of 1944. In 1958 he joined the Naval Reserve and was commissioned a lieutenant commander. In 1967 he went to Vietnam for a month tour of duty as a location scout for combat scenes for a training film. He retired from the Navy in the 1970s with the rank of Captain.

Glenn was initiated into Palisades Lodge No. 637, which is now Santa Monica Palisades No. 307, and a Charter Member Riviera Lodge No. 780 Pacific Palisades California. Although I have not been able to find the year, at some point he was Mason of the Year. Glenn was also a member of Al Malaikah Shrine.

The last time I remember seeing Glenn Ford was several years ago during an interview on Canadian television. He was being questioned during a visit back to Canada. After answering several questions, Glenn, turned to the interviewer and said "How come you haven't asked me how I feel about being home". To me this said a lot.

Even though he had spent a lot of his life in the US he was, I believe, still proudly Canadian.

Master Masons' Wine and Cheese Party

By Noble Phil Finkle

SUDBURY SHRINE CLUB

Belrock Masonic Centre was the venue for a Master Mason's wine and cheese party on Sunday March 22nd. An enthusiastic group of Shriners and their wives, along with guests who were Master Masons (and their wives) gathered for fellowship and to be introduced to what the Shrine Club, Rameses Temple, and the Shrine hospitals are all about. The event was a resounding success, and will no doubt be repeated on an annual basis. Over the years the Sudbury Shrine Club has experienced a decline in membership and attempts are being made to reverse this unfortunate trend. As this year's Spring Ceremonial is being held in North Bay, (June 11-14) it is easy for Candidates to travel there (130 km) and it is hoped that a good number will be attracted.

An excellent Power Point presentation was prepared by Noble Robert Dixon. The Master of Ceremonies was Noble Clair Bracken who provided a colorful history of the Sudbury Shrine Club, from its inception to the present day. He then introduced our Club President, Noble Wah Chung. Both Wah and Lady Eva Chung have had major surgery in the past few months and appear to be recovering nicely. We certainly wish them well.

Following Wah's introduction, Noble Bill Groom told the audience about our Shrine Children and the St. Jerome treatment centre where Dr. Hamby and his Nurse (from the Montreal Shriner's Hospital) hold evaluation clinics 9-10 times a year and see some 80 children in a period of two days. This is the only outreach clinic in Rameses Temple jurisdiction. Noble Mervin Lees then told the audience about the International Shrine hospitals organization, what we are, who we are, and our goals.

We then had the opportunity to meet a wonderful Masonic family: Master Mason Paul Campbell, his wife Sabrina, and children Joshua (age 3) and Ava (8 months). Paul was under the care of the Shrine at the age of eight years and required surgeries which he received in Montreal. It is fitting that his raising to the 3rd degree was performed by a Shrine Degree team. Joshua is also under

our care and will receive ongoing treatment in Montreal. Both Paul and Sabrina were very positive of all their experiences in Montreal. Joshua is a delightful boy and won the hearts of all he met. I can envision this family as true ambassadors for our endeavours.

Following this Noble David Sykes and Lady Denise introduced the various Units of the Sudbury Shrine Club. Unit representatives were dressed in their "outfits" and this included the Oriental band, Clowns, Hillbillies, Penny Farthing, and Recycling. Noble Robert Gordon then touched on the financial considerations of becoming a Shriner, and the spring and fall ceremonials.

The formal part of the program being concluded continued fellowship ensued. I must say that everyone had an enjoyable time, as well as getting a chance to renew and review our obligations to our fellow man.

All of our hearts were touched by this story

By Noble H. McGregor

OAKVILLE SHRINE CLUB

No, it was not Valentine's Day, but it was at our regular meeting that had our memberships hearts touched.

Our guest speaker was Mrs. Diane Shoenoff, President of Support in Motion, who spoke with regard to Spinal Cord Injuries, particularly with regard to her son, Nicolas.

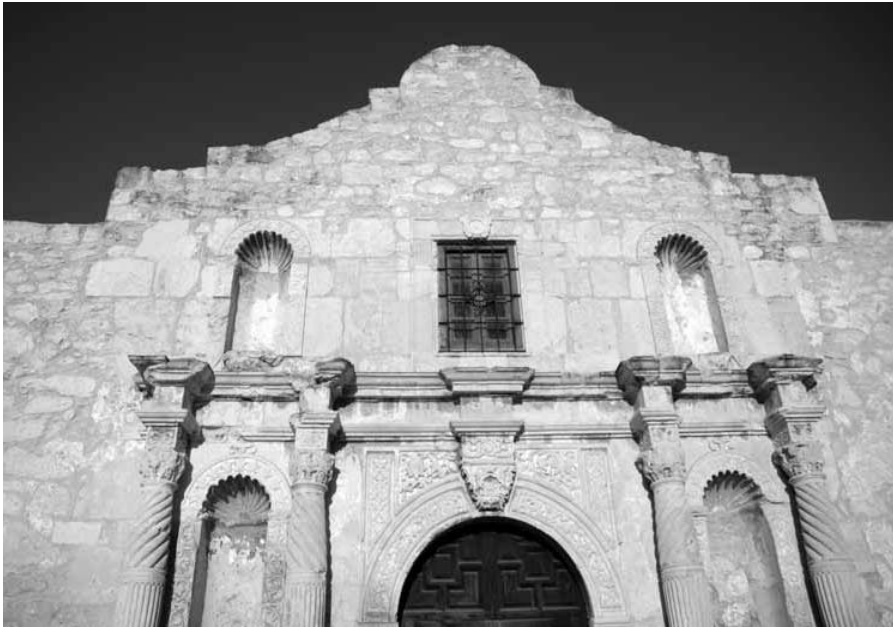

Nicolas had a very serious snowboarding accident four years ago when he was 13 and is now, miraculously, going to graduate from his High School, walking with the help of a cane and more and more frequently walking without it. After his accident he was rushed to the hospital in Barrie, then transferred by air ambulance to Sick Kids where he underwent a seven hour operation.

Following exhaustive treatment at Sick Kids, the normal process for children like Nicolas is to be sent to the Bloorview Hospital for rehabilitation. After receiving the best rehabilitation possible at Bloorview, they are then discharged and hopefully, will find assistance to help them fully recover.

In most instances help is not readily available unless a family can afford further treatment. Fortunately Nicolas was able to get help from the Lyndhurst Centre. Mrs. Shoenoff now volunteers her time to help other children with spinal injuries find the therapists who can help. Following her excellent talk, it was suggested that perhaps the Shrine could assist many of these children as our forte is Spinal Cord Injuries and our Club will follow-up in this regard with our headquarters.

Following our dinner, our Oriental Guide Noble Terry Lamping explained the upcoming agreement with Petro-Canada and our Shrine and hoped everyone would not only participate but encourage friends and family members to participate as well.

Summer – and the next Imperial Council Session – will be here before you know it. Shriners and their families and friends are all making plans now to attend the 135th Imperial Council Session, which will be held July 5-9, 2009, in San Antonio, Texas. Be sure you're doing the same – you don't want to miss the fun and fellowship!

Like Shriners International, San Antonio is rich in history and tradition, with activities and attractions to entertain people of all ages. The city boasts a wide assortment of restaurants, ranging from Tex-Mex to Deep South cuisine. Shopping is also plentiful, with outlets, malls, galleries, unique shops and Mexican markets. There are also areas in San Antonio where you can find unique crafts, antiques, local art and south-of-the-border imports.

When it comes to attractions, San Antonio has it all: historical sites, including the famous Alamo and four other Spanish missions, art galler-

ies and museums, including the San Antonio Museum of Art and the Witte Museum, which will have an exhibit on the myths and realities of the Wild, Wild West.

For those who prefer theme parks, area favorites include Six Flags Fiesta Texas and SeaWorld San Antonio. Another popular spot is The River Walk, also known as Paseo del Rio, which winds through the downtown area and is lined with an interesting array of restaurants and shops. To learn more about all the wonderful things San Antonio has to offer, please visit www.visitsanantonio.com/2009ImperialSession.

In addition to these activities, families can look forward to having a great time at the Shriners' competitions, where clown units, motor patrols, horse patrols, band units and more vie for top honors. And, of course, there's always the parade, a Shriners specialty looked forward to by youngsters and adults alike.

While the Session will be tinged with sadness due to the unexpected and sudden passing of Deputy Imperial Potentate Terry McGuire of Alzafar Shriners in January, the Alzafar Shriners, with the guidance of Director General Robert Jett and Deputy Director General David Martin, have continued to pour their efforts into ensuring the success of the 135th Session and are looking forward to welcoming every Shriner to their great state of Texas.

The Session promises to be a very exciting week, full of the unique combination of the serious business of managing an international fraternity and philanthropy, and Shriners fun that defines this great organization. The Imperial Sir's Evening on July 8, with entertainment by Frankie Valli and the Four Seasons, is sure to be just one of many memorable events of the Session. For more information about the 2009 Imperial Council Session, please visit www.Imperial2009.com, and check back often for updates.

Master Masons' Night a phenomenal success with recruitment

SCARBOROUGH SHRINE CLUB

The very first Master Masons' Night hosted by the Scarborough Shrine Club turned out to be a great success. On 9 March eleven Master Masons attended this meeting which was held at the Watts Restaurant in Scarborough. It was a very good evening with a special speaker. The visiting Master Masons were given many Shrine pamphlets, this started a very interesting conversation.

At the end of the evening, 5 Master Masons signed the applications for the Shrine Temple and also the application to join the Scarborough Shrine Club. Two more are expected to sign up in a few days.

It's easy to get any photograph you see published in the Papyrus

There are hundreds of fabulous photographs which, due to space constraints, are unable to be printed in your Papyrus. High resolution, colour, digital pictures of all the major events are expertly photographed by the Shrine Press Corps and their associates.

These pictures may be downloaded to your computer and printed or emailed for you and your friends to enjoy, what an excellent way to promote the Shrine.

It's that time of year again The 2009 Shrine Circus

is coming to town and we are looking for a few good Shriners to help take tickets, watch strollers, general security and, of course, Fire Watch.

Shriners reporting for Fire Watch please report in one hour prior to show times. This allows you time for sign in and report to your station. We need Fire Watch to be in place 35 minutes prior to show time; that's 5 minutes before the public is allowed to enter the tent.

So come out, renew acquaintances, lend a hand and help us help our kids!

Words of wisdom for our newest Nobles

By Noble Dave Gillies

NIAGARA SHRINE CLUB

Long ago, when men cursed and beat the ground with sticks, it was called witchcraft; today it's called golf. Watching all the coverage over the last few months is making all my pent up hooks, slices and duffs vibrate in anticipation of our annual golf tournament at Rockway Glen June 26. My good Lady says it's amazing how a golfer who never helps out around the house will replace his divots, repair his ball marks, and rake his sand traps. Wonder who she is talking about. A day of golf, lunch, dinner and prizes for only \$100 and you will receive a tax receipt from the hospital for \$25. Make sure you have your ringer registered for this two man scramble. Be ready to drive for the Hospital and putt for the gold before it's all sold out.

Summer is just around the corner, it's PARADE time. The time we are able to show off to the spectators who we are and what we do to have fun. It's also a time to wake up all the Masons watching our moving billboards roll by. It's time to see what a good time we have doing just that, looking after our children in the system. "Isn't it great to be a Shriner"; I sure do love that line; we have to keep spreading the word!

The Maid is out of dry dock, all tuned up and well insured with some creative thinking from our insurance committee and help from a friend in headquarters. Scuttlebutt is that we have some warm up parades in the Niagara region in May. Don't be a landlubber, dust off your sailor suit and sign up to crew in one of them. She will soon be casting off to sail up through "The Gateway to the North" for the Rameses Spring Ceremonial in June. With the Rorab Clubs' planned events a good time seems assured for all in North Bay.

We should have a full crew sailing to support Illustrious Sir Raymond and all those Candidates as they walk the burning sands. The voyage will be a good opportunity to make use of the newest Headquarters fundraising effort, the Petro-Canada cards. A great idea and at no cost to anyone, get a bunch from our Secretary and give them away to all your friends and relatives. Rameses and this Club can make some serious money on every gas purchase, so tell them all to use them.

Fortunately, while on the high seas, our crew doesn't have to worry about that old road trip saying; "It's the strongest bladder determining the pit stops, not the weakest". The water in our head runs like the Falls, flushing away any of our weaker crews fears. Those pesky turn signals are finally unconfused, now anyone following in our wake knows where the Maid is headed. Also our height and weight challenged helmsmen have a new tilt-steering wheel so we can snuggle up a little closer to our gal.

The Chief Engineer is working on installing cruise control, hopefully the Captain won't think he can use the head while still sailing on the briny main.

June's steak fry meeting, usually a well attended event, might be an opportune time to get a Brother out socially. He can really enjoy the fellowship and BBQ due to the lack of any formal business that evening. We were asked to cater a Lodge Ladies night recently which brought out many Masons and their wives so the word is spreading about our the great steak dinners, hopefully we can capture a few of them, Masons that is!

The Shrine Degree Team had a busy past two months putting on three degrees. Our red Club jackets are a sure sign of the Shrine investing in recruitment from the Blue Lodge.

Noble Harry is always looking for members who like doing the work, give him a call.

We were graced by the presence of Illustrious Sir Brian Davenport PP at our dinner meeting the 3rd Wed in February. He decided to drop in after attending a meeting of the Board of Governors at the Erie Unit. The Illustrious Sir was his jovial self and was welcomed warmly, as would all who are in the area on our meeting nights with thoughts of putting on the feed bag. If you happen to miss dinner you are still welcome as our members are always looking for a camel's milk sponsor in the Oasis. The Club rooms are open every Thursday between 7pm and 10pm to all interested in a little social interaction.

Our Clowns just held their own academy awards night but no red carpets, search lights or golden statues were evident. This reporter did however see the following handsome awards. A set of ruby red lips, a dog with a raised leg over a suspicious brown pile of something, one grouchy old man in a rocker and a personal contraption used for the removal of human waste. All these unique trophies were presented to various deserving clowns and joeys by Dapper Dan, Clown Captain and Bugs his trusty side kick for the star studded awards evening. The Clown Unit has raised and turned over to the club from \$5,000 to \$6,000 this past year.

Well its back to that retirement grindstone for me, but not before leaving you with these words of wisdom.

"You know you are getting old when everything either dries up or leaks". Don't let this happen to our philanthropy, we can't let our membership dry up or leak away. Move a Mason for Membership at your next Monthly Meeting!

MOBILITY VEHICLE ASSISTANCE

The National Masonic Blue Pages

www.masons4masons.org

Brothers,

This is to announce that I have created a new service at The National Masonic Blue Pages, which hopefully can help our distressed Brothers, worldwide, find employment.

If you are an **employer who is hiring or know of an employer who is hiring**, you can now fill-out the "Job Opening Form" and I will post the information. As has always been my policy, this is a **FREE** service. There are no fees or charges. All I ask is that you keep me informed as to the status of your listing, so that everything posted can be kept current.

Brothers, we are bound by our obligations to help our distressed Brothers! We must not fail them! Together, we can perform miracles. As individuals, the length of our cable-tow may be limited, but as a Fraternity, our cable-tows tied end-to-end can and do encircle the globe! We have only to act together!

Currently, The National Masonic Blue Pages has thousands of members from over 1,800 lodges in 52 countries and we are growing daily. Please tell the Brothers in your lodge about us and help us continue to grow! Clearly, the more members we have from your area, the more you and the Brothers in your area will benefit.

And so I remain, now and forever . . .

Fraternally,

Bro. James McKenna

The All-New 2009 CTS is here and it is not for the average driver. Cadillac's new luxury performance sedan is for those who reject convention. Broad-shouldered, it's a bold expression of genuine power, performance, luxury and non-conformity. It is a culmination of over 100 years of iconic design and engineering. From an available 304 hp 3.6L direct injection engine to the available All-Wheel Drive; from vertically stacked, jewel-like headlights to wrapped pillars and elegant analog centre stack timepiece, the All-New CTS defines what a luxury performance sedan should be.
