Make Plans to Attend the 2012 Imperial Session in Charlotte

Shriners International

Mark your calendars now for the 2012 Imperial Session, scheduled for July 1-5, 2012, in Charlotte, N.C. This gorgeous city has become one of America's most important financial centers, second only to New York City.

Charlotte offers plenty of popular tourist attractions. The Bank of America Corporate Center – one of Charlotte's tallest skyscrapers – offers spectacular views of the cityscape; Charlotte's Carolina Raptor Center has 25 different species of raptors; and for those in the mood for fast rides and sideshows, there is Paramount's Carowinds theme park.

Some of Charlotte's main museums and art galleries include the Charlotte Museum of History; Discovery Place, which

includes an Omnimax Theater, planetarium and aquarium; Charlotte Nature Museum – an exciting nature center with Native American relics; North Carolina Transportation Museum – with information and exhibits about various forms of historic transport and the Mint Museum of Art – North Carolina's oldest art museum. The city also offers countless gardens to enjoy, including McGill Rose Garden, Daniel Stowe Botanical Gardens and the UNC Charlotte Botanical Gardens. Another popular attraction is Reed Goldmine State Historic Park, where America's first documented gold rush took place.

Charlotte also has numerous options for those who love cars and racing. The Backing Up Classic Auto Museum and the North Carolina Auto Racing Hall

of Fame both offer a large collection of classic cars and car racing memorabilia. There is also Charlotte Motor Speedway, a major racing track, as well as the Richard Petty Driving Experience – where racing fans can experience professional race car driving first-hand.

The Oasis Shriners and Deputy Imperial Potentate Al Madsen look forward to hosting the 2012 Imperial Session in their home city. Please make your plans soon, and be a part of the fraternity's most significant week of the year.

2016 Session Location Announced

The latest city to be added to the Imperial Session list is Tampa, Fla., scheduled for 2016. Tampa is a vibrant city that is also the home of Shriners International Headquarters and Shriners Hospitals for Children — Tampa. In addition to the fantastic weather and the area's beaches, the city also offers a wide range of interesting spots to visit, including Busch Gardens and the Tampa Museum of Art. For fans of plays, orchestras and grand operas, there is the David A. Straz, Jr. Center for the Performing Arts. There are also plenty of shopping options to choose from and also the possibility of catching a Rays game for all the baseball enthusiasts. Checkout **www.imperial2012.com** for more information.

Please also note that the Imperial Session will be held in Indianapolis, Minneapolis and Houston in the intervening years.

Potentate's Message

ILLUSTRIOUS SIR JAMES D. "JIM" MCKINNEY, POTENTATE

Where has the summer gone? As I sit down to write this message, it is already October. This time of the year is one of the nicest times of the year. The fall colours should remind us of just how fortunate we are to live in a great place called Ontario.

Our main fundraiser, the Rameses Shrine Circus, is over for another year. I am happy to report it was a success financially. I would also like to thank our Circus Chairman Assistant Rabban Terry Lamping, Noble Rik Kubiak and all the helpers for their great work.

This past Saturday, Rameses had a visit from a very special Shriner by the name of Noble Reverend David Kinsey, who gave a very fine presentation on Leadership and Motivation. I would like to thank the Nobles and their Ladies, who attended this event. People came from Belleville, Sudbury, Parry Sound, Niagara, as well as various other places. I do hope all enjoyed the presentation. A very special thank you goes to a very hardworking, dedicated and special group of people and that is the Appointed Divan and their Ladies, for all the work they did on Saturday. Together they made it happen. The conclusion I took from the session is that we can all be better Leaders.

September was certainly a busy month. Lady Linda and I had the honour of going to Europe with 130 people on our trip. Going with a group is a whole lot of fun. In this regard I would ask you to strongly consider going on our Chief Rabban's trip next year. Noble David and Lady Robin have a great cruise planned to the Mediterranean and deserve our support.

Looking ahead, there is still a lot to do. Your Divan is working hard to get some new sources of revenue coming into Rameses Shriners. The Fall Ceremonial is also just around the corner, so I would ask you to please make an effort to attend and also to sign-up as many new Nobles as possible.

I look forward to seeing as many of you as I can at the upcoming events.

Please remember . . .

TOGETHER WE CAN

Diamonds in the rough

to cook them standing on end! One night I used some for popcorn and now I have 43 holes in the kitchen wall. Powerful corn, for sure.

The Rameses Hillbilly Shrine Club has been active again this summer in our efforts to help support our wonderful Shrine Hospitals for Children and those very special little children who depend upon us in so many ways. What better reason to be a Shriner?

Amongst the parades we participated in so far this year was the annual Kinmount Fair, about 100 miles north of Toronto. It is probably the most popular country fair in the entire area and always plenty of spectators to hoot and holler and cheer us on as we amble up their main street. Sort of reminds me of down here in Burning Sands, except, their sidewalks are cement whereas down here, just some gravel and sand. While there this year, we again added another Second Prize ribbon for the best non-commercial float. Congratulations to all our hard working and parading members who drive up there each year to represent the Hillbilly Club. Although our Hillbilly Gals do not ride with us on our float as they have their own vehicle, etc., and despite having won several ribbons for their efforts, they still talk to us and above all, continue to support we Shriners, not only at our various parades, but also the many circus performances, etc. We appreciate our ladies and recognize the importance of having their support - so a tip of the ol' floppy hat to all of them.

Friendly neighbour, we still have many parades scheduled and it sure would be nice to see YOU (especially our newer Shriners) either riding with us in the comfort of our float where y'all may get a chance to sit on our not-too-hard wooden benches (they have been well-sanded, so no slivers). By participating, you will be sure to see how parade spectators appreciate the work done by Shriners.

Friends, by time y'all read this, another very successful Gathering of the Clans will be history. It was again held in September at the summer home of Noble

Bob and Marion O'Brien and several Shriners and their gals became Hillbillies of Clan 46. A great day was enjoyed with delicious food and fun-time socializing.

Now, I reckon some of y'all reading this will complain "I didn't know about that" (etc., ad nauseam), however, good folks, there was much publicity about the event, so, if y'all missed it, maybe you should be paying closer attention to this ol' column.

Folks, please always keep in mind, whether or not y'all are a Hillbilly Clan or a Shrine Hillbilly Club member, please do YOUR part to ensure Shrinedom will be around for many years so we may continue to support our Shrine Hospitals so those very special little children will continue to always receive the very best of treatment, care and love.

Friends, until next time, may all your troubles be few and may the G.A.O.T.U. keep taking a liking to y'all.

A special hello and best wishes to all Shriners and their family members not enjoying the best of health right now. Our prayers and thoughts are with you always.

So until next time and on behalf of Club President Cuzin' Jim Rennie, this would be Cuzin' Barry saying g'day for now and hope y'all will visit us.

As always, a very special thank you to Noble Joe Johnson for all his dedication, support and assistance to all of we Shriners in his efforts to make the Papyrus such very special reading material.

Hillbilly Shriners: How much more fun can a Shriner have?

One of the local fellers was at Doc Sperling's office. They were long time friends. He shook the doctor's hand, thanking him for curing him of his ailment. He told the doctor "Doc, I just want you to know, NO...I am not going to offer you any payments for the treatments, but, instead, I reckon on leaving you an honourable gift in my will."

The doc paused for a moment and then said "By the way, could y'all give me back that prescription I just gave you. I'd like to make a little change ?

HILLBILLY SHRINE CLUB

Howdy friends and neighbours. Well, y'all sure don't need a college professor to tell y'all summer 2011 is almost a memory now. The harvest and the major chores are done around Burning Sands so most of the regulars are returning to the front porch of J. Johnson (Esq.) General Store and Gas Bar, to spend a few hours passing along the latest news from the area and enjoy a refreshing bottle of Nehi Orange Soda. Now, I must admit, when we show up early in the morning, we usually end up inside the store where the ol' pot belly stove warms us up and makes a visit a little more comfortable for us.

I should mention, the Shrine Circuses have come and gone and the big red tent will soon be in place in the warmer southern areas while we enjoy winter.

Last year I was able to get my wheelbarrow over to one of the circus performances and able to scoop up a load of elephant manure, because Cuzin' Ernie Bartwell got to mention how the crops would grow if a feller fixed to use it for fertilizer. Yup, it sure does work. The corn stalks out in my back forty were so high I had to get the ol' step ladder out to reach the ears of corn. Not only that, because they were so large, they wouldn't fit into the pan to boil, so I had

Recorder's Message

BY BOB MCGREGOR, P.P. - Recorder

I hope that all Rameses Nobles, their ladies and their families had a wonderful summer and that you are now actively involved in Shrine fall projects, not the least of which is the Club and Unit elections. Just a reminder you can have your installation done on the same night as your election. Note: the new executive takes over the minute the new Potentate is installed on January 7, 2012. It really does make sense considering expense, possible inclement weather and if your Club or Unit does want a full blown installation and dinner at a later date, our new Potentate will do his very best to attend - it's your choice.

On the subject of new executives, please be advised that all Nobles who presently hold an appointment under the present Potentate are required to relinquish their title and return your fez strip to the office so that others can make use of it for 2012. Imperial by-laws state that all current appointments start and finish with that of the current Potentate. Note: should the new Potentate request you stay on in your appointed position or perhaps a change of duty, he will already have advised you in writing. If required, your fez strip should be returned on January 7, 2012 immediately the new Potentate is installed and I thank you for your consideration.

To all the Nobles and ladies who worked hard on our circus this year, I thank you all for your dedication to the Shrine. Your name is no secret to us. We know each and every one of you and our appreciation and sincere thank you seems all too little considering the time and effort all of you put into this fundraising, believe me it was appreciated.

Our next fundraiser is Varsity Football on October 15, 2011, with a bus full of happy Shriners I hope. This event will be over by the time you get this papyrus however I will extend my thanks to all those who took the time to support this fun day.

Fantasy and Christmas cake sales will be our next task and we would appreciate all the help you can give us on these fundraisers as well, and hopefully you can raise a few dollars to help defray your Club and Unit fraternal expenses for we all know that heat, light, power and insurance have to be paid.

We know that there are a few Nobles who are not pleased about the recent increase in dues and for the record we are not exactly thrilled about this decision ourselves. Believe me, it was not a popular choice for the Divan either, however if you read your financial statement these last three years you would know that our income is way down and as you know from your own pay cheque, prices are going out of sight. Simply put, our costs are up and our income is way down and it's predicted to be much worse in 2012.

Circus revenue for 2011 was estimated to be \$245,000. The final figures as I write are not in but we hope to reach this target, for 2012 we are predicting a circus revenue of \$150,000 with the other fundraisers showing a similar drop. The good news is that the increase in dues will make up this difference and hopefully we will be back on track.

I also advise you that we have reduced our staff at headquarters. Charlene is no longer with us and in addition to this, the Divan is required to pay a larger portion of the personal costs ourselves. Golf and BBQ visits are being scaled down and travel expenses on many items are now a personal expense. No, we are not looking for praise or pats on the back, we just simply want to play our part in the rejuvenation of Rameses Shriners. We are also looking seriously at other means of reducing our costs and we will keep you informed on our financial status as the weeks and months move on. Red ink is not an option and we will do our part to make sure this problem disappears in the not too distant future.

We are also working on two computer related fundraisers which were brought to the table by our Illustrious Potentate and the launch on these two items will take place before year end. I rather think the Illustrious Sir will brief you on both of these fundraisers when he returns from his trip, so I'll leave it at that for now, however let me just say if we all get behind them and show solid support, there is good money to be made and it could be the turning point for Rameses. Remember the 10 most powerful two-letter words are IF IT IS TO BE, IT IS UP TO ME.

For the record, we are now officially 194 Temples (or Shrine Centres) as we are now referred. The latest one to get official recognition is from Germany and they got their charter in Denver this year. They are now a Shrine Centre and their name is EM-IR-AT (Emirat) and for the record our Clubs and Units are not required to fly their flag. It should be noted that one or more other countries have expressed an interest in becoming part of Shriners International, in particular Australia.

The election and installation schedules are now published. Note: if your Club or Unit wishes to change the date for either of these two functions, please call me immediately or better still email me your request. I will be happy to make the adjustment on a first come, first served basis.

Nancy and I have moved to a condominium. All one level and no stairs. We hope this will be a beneficial move considering Nancy's lack of mobility and I'm sure it's for the best. Our new address is 1200 Esplanade North, Suite 615, Pickering, Ontario, L1V 6V3. Phone 905-839-0508.

I'm reminded of my good fortune to have picked Canada as my place to live and raise our family. What a privilege this is to be part of the greatest country in the world. One only has to look at the rest of the world today, even as close as our friends to the south to realize how lucky and blessed we are to be Canadian. I believe in God. I don't want the Lord's Prayer changed. I believe Oh Canada should be sung in all Canadian schools. I believe in Christmas and I like Christmas trees. I think Christmas trees should be displayed in all schools, banks and businesses. I love the freedom we enjoy in this great country. I can come and go as I please and if for some reason anybody doesn't like this country the way it is, they have the freedom to leave. Wow, you can't beat that for freedom. God Bless Canada. I stand on guard for thee.

My thanks to all Shriners for your support of Rameses projects and I thank you all for just being Shriners, your contribution is greatly appreciated by me.

Newbeaver supports Burns, Plastic Unit

Oshawa making money for our Hospitals

By Noble Vic Phillips

OSHAWA SHRINE CLUB

All the Oshawa Units had a great summer attending parades and making money for our hospitals. The Clown Unit's summer Beef BBQ was a huge success with lots of local families who are friends of the Oshawa Club showing up, many for the tenth time. They all know a food bargain and its one of the highlights of the summer. The Clowns' wives, who are definitely better looking than their spouses, helped with the grub and made the long line-ups a lot of fun.

The Mini Bikers are also a no slouch bunch and the August Corn Roast set an attendance record, which also means more money than ever before was raised.

Not to be outdone, several members of the Oriental Band and their ladies trekked off to Denver, Colorado to make their presence known at the Oriental Band's Presidents' Award Night. Our award winning O'Band is considered one of the best around and continues to win awards for their often unusual sounds.

The Mini Car Unit with their gleaming vehicles made the Club proud at their attendance at all the big parades, including those in Kinmount and Orono. The boys are hard at work with their plans for another huge New Year's Eve bash at the Club which is considered one of the best in the GTA.

Morale is great at the Oshawa Club. Five Mini Bikers now zoom around in their new tractors in the parades and it's always a friendly competition among the Units to lure new Shriners into their group.

There is always some type of event being organized, always with the goal of raising much needed money for our Hospitals. We all know where our money goes, unlike one charity that collected ten million dollars, and now they are going out in search of a new disease.

We have a lot of generous members, but one or two are not that smart. One lad heard that most accidents take place within five miles of home, so he moved. He also went to a doctor to get a hernia transplant.

Until the next Papyrus issue, remember . . . living in the past has one thing going for it, it's cheaper.

Parade Marshal's Message

By Noble Floyd Sales

I take this opportunity to sincerely thank all those Clubs and Units who attended the various parades and events this year. Your attendance and co-operation is greatly appreciated.

We received many compliments regarding the parade at the Spring Ceremonial in Niagara Falls. Thanks to all those Clubs and Units who assisted at the parade in Niagara Falls by leaving the trailers and buses out of the parade.

I was unable to advise or discuss this issue prior to the parade due to a lack of a communications system in place to notify all Clubs and Units.

When I attended the Parade Marshal's meeting in Denver for the Imperial Sessions, the decision by the Imperial Parade Marshal was that trailers and other conveyances used to transport parade assets to the parade were permitted in the parade if they were signed with the Shrine logo and/or the name of the Shrine Temple, Club or Unit. Consequently, your trailers and conveyances used to transport Club and Unit assets to the parade will be permitted in our Shrine parades provided they meet the criteria mentioned above.

Masonic Degree Team

THE KAWARTHA SHRINE CLUB

The Kawartha Shrine Degree Team conducted two Entered Apprentice Degrees in Millbrook Lodge #145 on candidates Justin Mark and Christopher Bulger. The degree team was arranged by Noble Al James and in the Master's chair was Noble John Cumin.

The degree team has been offered to all of the Lodges in the Peterborough District and some have taken up our invitation. The Lodge benefits greatly with the increase in visitors and the Shrine has an opportunity to tell its story for membership promotion.

Past Potentate Ray Causton spoke and presented the new Candidates with pins.

If other Shrine Clubs want to promote their membership, this is a great way to do it and have fun and fellowship.

Dave's Place

BY DAVID DUNN - Chief Rabban

It is now mid September as I write this message. Your Divan has been busy this past summer attending all our great events; time does fly when you're having fun.

As we prepare for the fall, I will be travelling to Tampa for an Imperial Membership Seminar, joining me there Noble Jim Thornton, Rameses Membership Director and Noble Dennis Hope, Rameses Co-Director.

Our goal is to share information with our counterparts from other Temples on membership concerns and successes. Yes, it is very important that we increase our new candidates and retain

our current members.

Nobles, with the Fall Ceremonial on November 19th, at your headquarters, it's not too late to encourage our Masonic Brethren to join this great Fraternity.

By the time you receive this message, our Club and Unit elections will be in progress. If you have the time and energy, please stand for an office, your dedication will be appreciated.

Let us work hard for the benefit of our children and have fun along the way.

Your Divan has been busy this past summer attending our events

Nobles, we are now into our fall season and as usual we will be very busy. We need to be preparing for our elections coming up soon. I would like to see a good turn out at all of our Clubs and Units for your elections for 2012. These will be the men that govern the future of your Clubs and Units and if you do not turn out to voice your opinion, you will not have the right to complain later that you didn't make the effort if things do not go the way you like.

The Divan has been busy and working on a few new projects which we hope will raise monies for our new hospital being built in Montreal.

Treasurer's Report

BY ROBERT "BOB" YOUNG, P.P. - Treasurer

All Canadian Shrine Centres have been asked to raise \$5,000,000 over the next 5 years. We hope everyone will get on board and get involved for the future of our children.

I am looking forward to seeing many of you in the near future. To our ill and those confined to home you are always in my thoughts.

Terry's Tunes

BY TERRY LAMPING - Assistant Rabban

We are just returning from a great night at the Temple where we had the Circus Appreciation Night Party. We had a great meal, super impromptu entertainment and FREE beverages provided by your Temple from Steam Whistle Breweries. Plan to attend next year as a volunteer at the Circuses.

As we come into our busiest time for your Divan for the

elections of our Clubs and Units we are excited to be able, once again, to experience the Masonic Brotherhood that we enjoy.

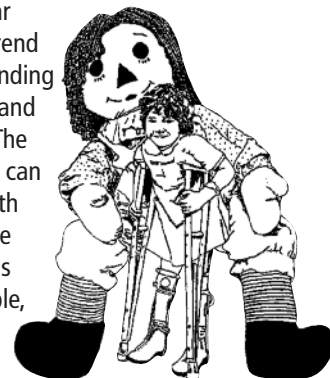

Hope you were able to attend to hear Immediate Past Imperial Chaplain Reverend David Kinsey. The Reverend is an outstanding speaker and has an exceptional history and he will, I am sure, explain and expand. The event was totally free with a lunch. We can always benefit personally from ideas with different ways to view our world and the way we see our circumstances as well as our attitudes and objectives. Some people, myself included, have spent many dollars to hear and experience similar "presentations".

After October 8 with Noble Kinsey we had the sod-turning in Montreal for our new hospital on October 12 and of course our famous Western Night on the 14th and the Varsity Football on October 15th.

Our Fall Ceremonial on November 19th is an event not to be missed.

And lastly, never forget that we need to shout from the rooftops what we have in our Masonic and Shrine organizations and look for and encourage men to associate themselves with our ancient fraternity.

Remember Membership, Membership, Membership.

Chaplain's Corner

BY REVEREND MARSHALL JESS - *Chaplain*

There is a story told of an Englishman who was visiting the Highlands of Scotland shortly after he had an illness that had greatly weakened him. He was doing everything he could think of to restore his good health and strength. On one of his walks he met an elderly shepherd watching his flock of sheep. The two of them chatted as they walked around the pasture and it was at this time the Englishman, looking up at the lofty hills, made a comment to the old shepherd, "I suppose there's no way over those heights?"

Quickly the elderly shepherd replied, "Oh, but there is. You can't see it from the valley but if you follow the winding trail and keep plodding on and up you'll cross the ridge and reach the further side.

Often, in our lives, we travel along with a feeling that we cannot attain our destination because we feel there is no way

"over the heights" that lie before us. That is when we need to listen for the message of the old shepherd.

It was the message that the Englishman needed to hear for it became the source of the courage that he needed and the inspiration which gave him a new lease on life.

There are times in all our lives when we need to listen for that old shepherd's voice telling us to follow the winding trail and keep plodding on and up until we cross the ridge and reach the further side.

Indeed, there are times when we may feel defeated in a project but, if we listen for the message of the old shepherd in the highlands, our strength, zeal and determination are restored and we have a successful finish and "Together We Can" for our Shrine Kids.

Strength, zeal and determination will win the day.

Here we are just coming through a great summer, a very busy but interesting one. Fall is upon us and Mother Nature's colour show will soon be on display.

Elections and installations will soon be under way and I am looking forward to visiting with as many of you as possible.

As a big favour to your electing officer, please have your slate of Nobles seeking office prepared in advance. This will be a great help and the process will flow much smoother.

The Papyrus is not just a pretty face, it is full of information, Temple and Club functions, facts as to our Hospitals, our

Jonesy's Journal

BY BOB JONES - *Oriental Guide*

The year is going very fast and elections are upon us again. I have enjoyed the times spent with many Clubs and Units during the year. Your dedication to the cause, as Shriners, is commendable and I thank you for what you do. My Lady Tina and I look forward to seeing many of you at elections and installations during the next two months.

The Fall Ceremonial will be in Toronto in November and it would be great to see a large contingent from each Club at this year's event. Bring your candidates and make this year one to be remembered in membership.

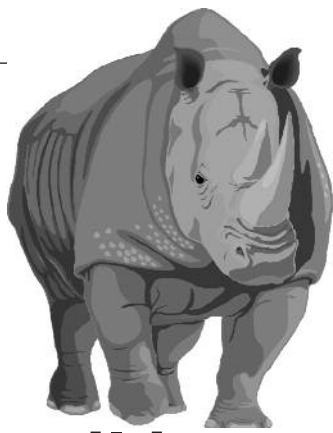

The ground should have been broken for the new SHC as I write this. Support is needed from all corners of Canadian Shrinedom. You will have heard of this by the time of printing and trust when giving you will keep the Shriners Hospital for Children in mind.

By the time this goes to press, Noble Dr. David Kinsey's seminar, Western Night and Halloween will have come and gone. Remember the Christmas Carol Service in December.

Noble Rev. Marshal Jess works hard on these events and it would be nice to have a large number out to support not only him but also the Divan and those who work behind the scenes.

The Divan thanks you for your participation during the year and look forward to your continued interest in the cause.

Club members speak out on our elections

By Noble Dave Gillies

NIAGARA SHRINE CLUB

Elections! Remember Sir Isaac Newton's law of motion; "For every action, there is an equal and opposite government programme".

I can feel election fever coming on again, signs are up around town and there's a buzz around the Club. But I haven't heard the words "I'm running for office can I have your vote". Clubs are run by the membership not a select few as some may think. Step up to the plate if you think changes need to be made or to support your existing officers and the membership in general. We have a great example in the Niagara region in what can happen when you run for office; our own past Imperial Potentate, George Mitchell.

2011 Christmas cakes were picked up and delivered by our own two elves after braving a six speed, six wheeled truck trip to the northern climes of Ontario's Haliburton Highlands. I really was surprised they volunteered for the job as they crewed on the ill-fated Maid voyage to Denver. Perhaps they thought they were jinx free as neither was at her helm on that fateful moment.

Delivery was timely as cake sales again got a head start at the thanksgiving weekend Vineland Craft Fair. Our crack team of salesmen had a chance to practice their sales pitches to the usual large crowds and we made a huge dent in our new inventory. A challenge to all Club members, sign out one case, that's only 320 ounces of cake. You probably buy more birdseed to feed your feathered friends, feed your neighbours instead.

These three wise monkeys, Hear No Evil, See No Evil and Speak No Evil are alive and well and working hard for the Niagara Shrine Club. The fourth monkey, Do No Evil, was in the Casino!

The Fall Ceremonial offers another opportunity for us all to insert new membership into the fraternity, so if there are any potential members that missed the Niagara boat in June, round them up and get them up to Toronto.

Remember, we need to reverse our downward spiral, let's create a Mason-filled cyclone, bring them to the top where all the fun is!

Any tramps looking for a good home? The Niagara Vagabonds are looking for some. If you're interested in taking a fun degree and attending monthly "gourmet" dinner meetings, this is the degree you need. Our small jungle has made two donations this year already to the Montreal and Erie hospitals these funds coming from fun fines at our third Tuesday dinners. Plans are underway for a degree day and dinner sometime this spring watch for details on Niagara's website.

This is the time of year we all close up our cottages, trailers or camps and prepare for the winter season. It's also the time of the year Shriners are, or should be, thinking of fundraising ideas as our fall meetings get underway.

"Together we can" come up with some new ideas to help our hospitals and individual Clubs. The Shrine Fantasy an existing great idea is this month, get out

and help Chairman Jack and give Santa some moral support.

Apparently he's on an expansion programme, some help may be needed getting into the costume after July's Coors tour and some summer long liquid luncheons with his elves. He has been overheard saying "the first time I see a jogger smiling, I'll consider it."

Had the privilege of playing golf, surprise, surprise, back in September with The President and lost all my keys. I'm blaming it on a hole in the pocket, not senility.

Four days later while playing high school golf with her team, a young lady found and turned them in after her first nine.

After receiving a phone call I rushed to the club to retrieve them and ran into her golf coach. I butted into his conversation to thank him and said I hoped the young lady wasn't as far off course as I was when she found them.

One of the guys I interrupted with the coach said "oh she found them in the middle of the fairway", now there's a guy I could really like!

I thought I might be able to turn this into some sort of inspirational message but I'm having an intellectual interruption and nothing comes to mind, maybe it was senility.

Successful BBQs held at Wal-Mart increase public awareness

TECUMSEH SHRINE CLUB

That was one busy summer, with parades and numerous meetings, BBQs, and the Ram Rodeo. Although the Ram Rodeo was not a financial success, there were many positives from the event such as additional sponsors for our Fish Derby and Golf Tournament, and the assistance of two larger corporations.

We held two BBQs at Wal-Mart in Bolton and Orangeville

and increased our public awareness as well as had a fun day.

The Club is now looking at Christmas Cake Sales and our Annual Christmas Dinner in December. We are also pleased to announce that 4 new members joined the Club after the June Ceremonial and if all goes as we have been told, 5 more will join this November.

All is well in Tecumseh so come and visit us the first Tuesday of the month. Email the secretary.

Membership one of the most important elements

By Noble Jim Thornton

MEMBERSHIP CHAIRMAN

Imperial Chaplain, Rev/Noble Kinsey, recently presented a number of ideas or challenges, based on Dr. J. Maxwell's 21 laws for Divan members and the other leaders in attendance to think about.

They are definitely transferable to the Club level. Membership is one of the two most important elements of a Club or Temple's yearly plan. Some may even say it is slightly more important than fundraising. His suggestion is that we have a three year rolling plan or calendar.

Membership requires leadership. In the three cases mentioned below, individual or small group leaders saw a need and took up the challenge. A belief was converted to a plan and the plan is being consistently executed, with the Club's approval. Scarborough Shrine Club is establishing a system where applicants are interviewed to help promote active participation in the Club. When joining, all new members are asked to join a Unit and make a commitment to participate in parades or clown events. It has just started and is a long-term project.

In the Oakville Shrine Club, all matters concerning membership goes through the Membership Chairman and his committee. Again there is a long-term strategy.

Kawartha Shrine Club and the Firefighter Unit took the initiative and developed a system similar to Oakville's. In each Club, invitation cards are available for Master Masons to attend the Club and have a complimentary dinner. This invitation is also a registration card with contact information regarding the brother. These are filed and used to make a contact list of potential candidates. The Masons are contacted over the next while to gauge their interest in joining. Some subtle, friendly pressure is used.

In the three examples a need was identified by an individual or small group that took action, and is succeeding.

Let the Membership Resource Team know through email, what is working (or not) for your Club. We would like to share

your stories. Remember the membership Resource Team is here to assist.

You can also become a membership leader by registering as a virtual mentor. We are still having men sign up with an interest (25 on the active list). In many cases we have to assign multiple candidates to individuals because they

are the only mentor in that area.

Sometimes there are no virtual mentors and the notice is sent to the Club President in the area.

Register on Shriners Village and find out what it is all about.

Defibrillator installed in Belleville Shrine Club

Noble Clarence Stevenson

President

BELLEVILLE SHRINE CLUB

Nobles, the Belleville Shrine Club has done something that every Club should do, we have bought a Defibrillator for our building. It is displayed on a wall in our banquet area. This Defibrillator is portable so we can take it on our bus, when we go on parades and to Ceremonials.

Noble Ray Foley brought up this idea of buying a Defibrillator for the Club and it was passed by our membership.

Noble Ray, being a Volunteer for the St. John Ambulance, set up a training course for our Nobles and Ladies, who are now qualified to use this life saving device. A big factor for having this device is the age of Shriners and their Ladies along with the groups of people we rent our Club to. Our biggest hope is that we never have to use this device, but if we do, we are prepared. If we save one life, the time, effort and expense was well worth it.

On a happier note, the Shrine Circus was in Belleville on July 12, 2011. The turnout was great and the response from the crowds was great. We would like to thank Noble Al Hackett, for the time and effort he put into the Circus.

Also, a special thanks to Lady Gail Stevenson, our Ladies and Special Ladies, for organizing the great Circus Luncheon.

Generous donation made at Ceremonial

MISSISSAUGA SHRINE CLUB

I was disappointed that I could not attend the Spring Ceremonial at Niagara Falls due to Corporate commitments. Our Noble President, Tom Malicki, reported that it was a great event and he was delighted to Fez W. Bro. Robert Palmer from his Craft Lodge. We hope that Noble Palmer has joined our Shrine Club.

As a result of our dedicated, committed Nobles operating our Bingo endeavor, our President presented Ill. Sir Jim McKinney a cheque for \$21,000 at the Spring Ceremonial.

I will miss the September meeting as I am attending the Toronto Humber Valley District meeting.

Noble Don Rowe will be our lead for cake sales at the Bingo Hall. Noble Don can be reached at donrowe9@aol.com if anyone wishes to support him.

We welcome Nobles, Scottish Rite Masons and Master Masons to our dinner meetings on the first Monday of the month at Renforth Temple. For dinner reservations, please call Noble Ralph Cornish at 905-815-9889 or Tony at 905-582-5273.

Soup labels and glasses work hard

LADIES OF THE ORIENTAL SHRINE NORTH AMERICA

BOKHARA COURT #22

Our demonstration at our Great Lakes Unit Meet is now over and was enjoyed by those who attended. It was great to meet with our friends from the south.

Now we have, or are having, our ceremonial to welcome our new members and ten days later we will greet our Grand High Priestess, Lady Sandy Newby.

Lady Marilyn Willett, our 1st Ceremonial Lady is looking for crafts, sewing, etc. and helpers to work at the craft show, especially for the afternoon shift, as it is the same day as our ceremonial. If you are unable to attend our ceremonial and have time in the afternoon, phone Lady Marilyn at 905-250-0675.

We are still collecting Campbell Soup labels and there is a large container in Rameses cloakroom. Lady Jo-Anne Hedley-Plante, will pick them up. The schools in her area are very happy to accept the gifts received from the collection of labels.

Our High Priestess, Lady Joan Phillips is collecting eye glasses, cases, lenses, and hearing aids. These too can be placed in the Campbell Soup drum and they will be turned over to Lady Joan.

The Beauty and The Beast greets Muskokans

By Noble Tom Brooks

MUSKOKA SHRINE CLUB

Fall and winter, i.e. The Beauty and The Beast, now greets the Muskokans, as does us all, and for us it is a time for reviewing and renewing the multi-facets of our great Club. In this sense we feel very grateful.

Our membership has held steady at 100 Nobles, but recent Black Camel events have claimed 3 while the past Ceremonial added just 2. Our Membership Committee, not to be outdone, has pushed hard with a projection of 3 more new Nobles in 2012, and we therefore feel good about our status.

We would, in review, like to offer many thanks to the Executive for their continued dedication in moving and improving the Club:

To Noble Grant Willard for keeping the 38 Unit in high gear along with his superb organization of our highly popular Sports Dinner event in November.

To Noble Ron Richie who commanded a very successful summer event, the "Surf & Turf", to great reviews.

To Noble Ron Austin who engineers a very popular Memorial Golf Tournament as a tribute to one of our own, and turns it into a great day of fun and fellowship for charity.

To our Xmas Cake Chairman, Noble Carl Hawthorne and the many, many Nobles that he garners help from in making this fundraiser one of our best.

To Noble Gord Daw who has staged, each year, an excellent interclub pancake brunch.

To Noble Don Currie who also stages a very good interclub corn roast.

To Nobles Barry Butler and Bob Summerville for taking a big leap for a new event - The Dorset Family Sno Ball Carnival. One year now under their belt and a promising 2012 arises. This is planned for February 18, 2012 at Dorset and bodes a great winter day. More info may be obtained by calling Barry at 705-489-4343.

To Noble Clarence Boyes, an ongoing force that keeps the Muskiter Unit in top form, has those Muskiter bikes out often to the great joy for kiddies and, if he isn't riding, then he's out there cooking up a storm at event after event for our members.

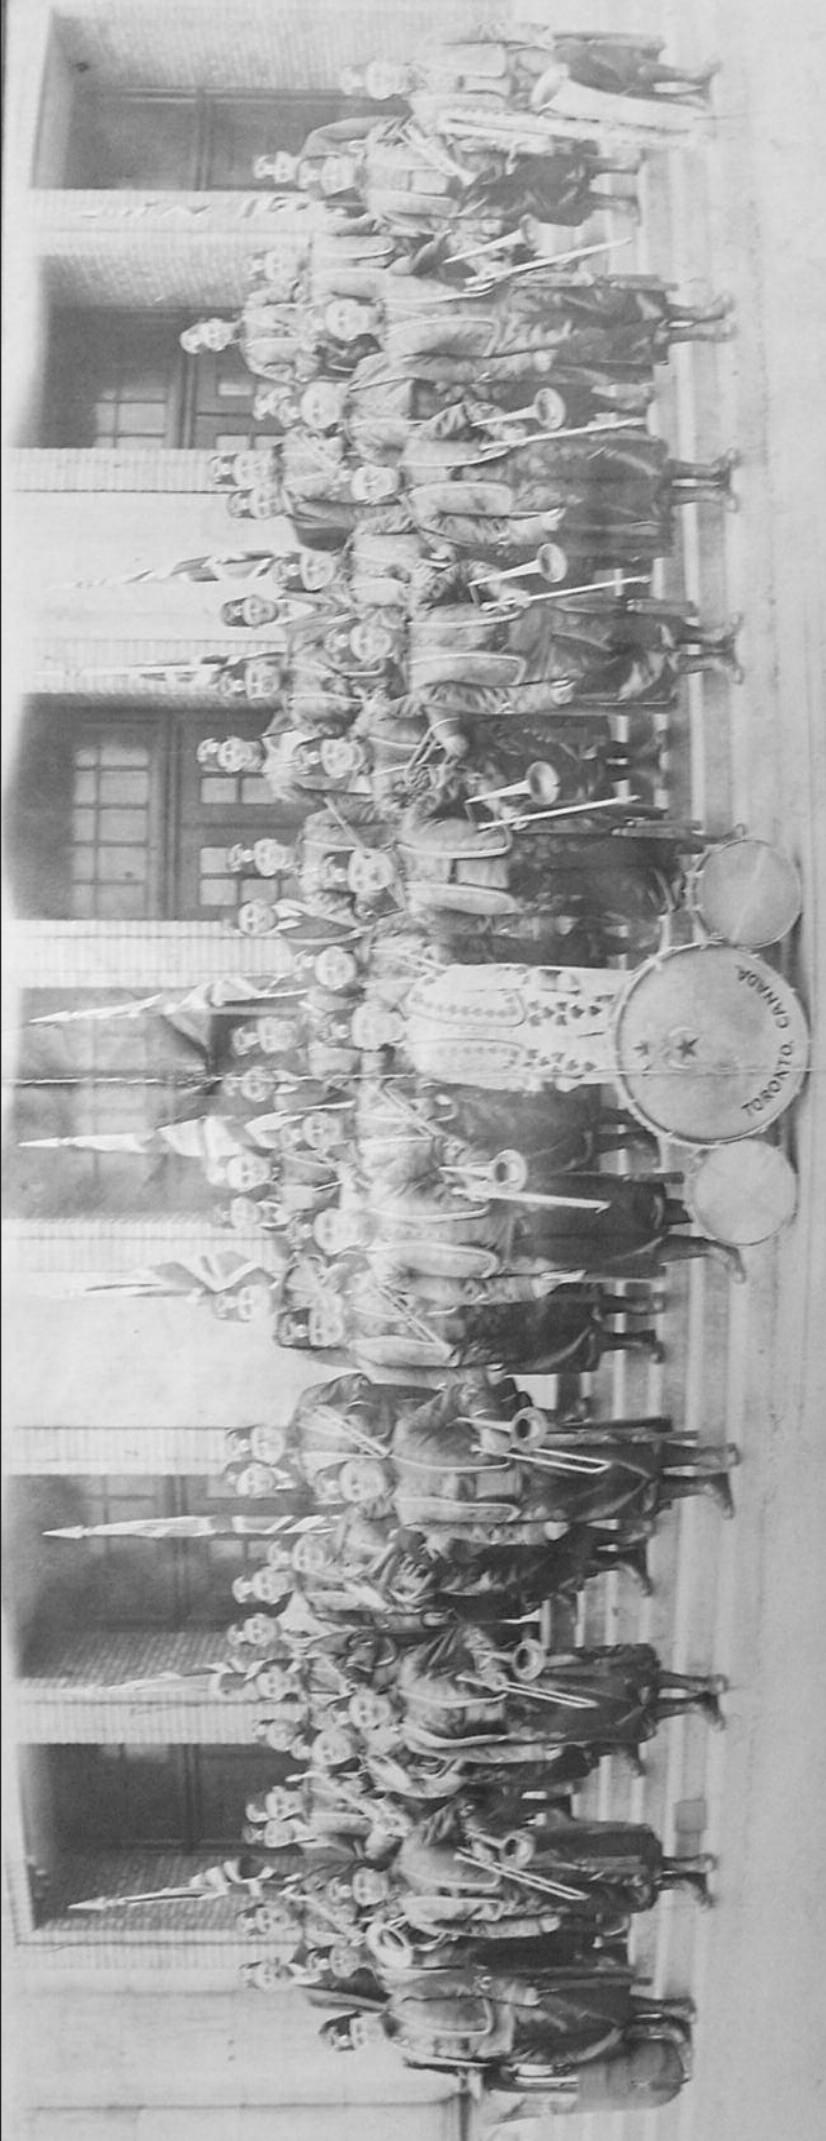

To all the many members that make it a need to be involved and make our Club one of the finest. We can, when all is said and done, say proudly, "We're proud to be an Okie in Muskokie".

We also look inward in renewing. We will, as is custom, change Presidents in November and we do again have a very dedicated, progressive and concerned Noble in our line.

He will be supported continuously by the same loyal Nobles in plaid and it is heartwarming to see all new Nobles jumping in with both feet.

One of our first new endeavours is to host a special day visit for a full troupe of Mocha Shriners to Muskoka. It can't get more exciting than that.

We expect a great 2012 and do hope that we can have many more such visits and have the opportunity to visit in return. Greetings from Muskoka Shriners.

Can you determine the year of this photograph showing the Rameses Shriners Band? One of our readers has this 20" x 8" panoramic photo and is asking for information.

Please contact the Papyrus Editor-in-Chief, Noble Joe Johnson at 905-668-6465 or email at joej@ca.ibm.com, with any ideas or possible identification of these Nobles.

Shriners Hospitals
for Children®

Shriners Hospitals for Children: Why They Are Special

There are 22 Shriners Hospitals for Children® in the U.S., Canada and Mexico. The renowned hospital system provides expert pediatric specialty care to children with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate, regardless of the patients' ability to pay. Shriners Hospitals for Children has helped nearly 1 million children overcome seemingly insurmountable odds and do more than they ever thought possible.

A History of Specialty Care

The first Shriners Hospitals for Children – opened in the 1920s – were established primarily to care for children who had contracted polio. Today, there are 19 Shriners Hospitals for Children providing care for children with all types of orthopaedic conditions, including clubfoot, hip disorders, limb deficiencies and deformities, scoliosis, and orthopaedic difficulties related to cerebral palsy and other neuromuscular conditions.

In the mid-1960s, Shriners became aware of a lack of medical expertise in pediatric burn care and opened three hospitals specializing in acute and rehabilitative burn care. These hospitals are the only ones dedicated exclusively to the treatment of pediatric burns and related conditions. A fourth hospital in our health care system offering treatment for burns also provides care for orthopaedic conditions, spinal cord injury and cleft lip and palate. These hospitals continue to be pioneers in pediatric burn treatment and research and are recognized as leaders in the development of improved and innovative treatment techniques.

In the early 1980s, the Shriners fraternity opened the nation's first pediatric spinal cord injury rehabilitation centers. There, patients find the complete range of services needed to recover to the fullest extent possible.

Cleft lip and palate was officially added to the hospital system's treatment disciplines in 2005. Facial clefts are one of the most common birth defects in the U.S. Despite the frequency of its occurrence, and the severity of the deformities, care for patients with cleft lip and palate can be difficult to obtain. Shriners Hospitals for Children is committed to improving care for children with this condition through a comprehensive, coordinated program of clinical excellence, teaching and research.

Meeting the Need

Admission to our hospitals is based solely on medical need. All children, under the age of 18, are eligible for care if there is a reasonable possibility they could benefit from the specialized services available. All services are provided regardless of a patients' ability to pay.

Sharing Knowledge and Expertise

Shriners Hospitals for Children is dedicated to conducting innovative research to provide answers to complex medical difficulties affecting children. The organization's research efforts not only benefit our patients, they contribute to the overall body of medical knowledge.

The health care system is also proud of its role in medical education. In the past 20 years, approximately 9,500 physicians have received residency education or postgraduate fellowships at our hospitals.

Continuing the Mission

Every day, Shriners Hospitals for Children is changing the world through caring for kids. At 22 locations throughout North America, patients receive expert care that allows them to overcome seemingly insurmountable odds and achieve more than they ever thought possible. The health care system depends on the generosity of donors to carry out this mission of improving the lives of children. To learn how you can help, visit www.donate2shc.org or call **800-241-GIFT**.

2010 Patient Care Statistics

In 2010, Shriners Hospitals for Children® cared for 124,265 patients, including 31,212 new patients, and provided many services, including the following:

- 290,957 outpatient, outreach and telemedicine clinic visits
- 57,264 orthotic and prosthetic devices
- 320,338 physical therapy treatments
- 152,731 occupational therapy treatments

Gemprint™

Insurance can get the money back. Gemprint can get the gem back.

For the last couple of years, Shriners International has been busy developing new tools to help increase awareness of the fraternity. One of those ongoing efforts is the website **beashriner**now**.com**, which was created specifically as a way for interested potential members to learn about the fraternity, easily and quickly.

"**beashriner**now**.com** has been an extremely helpful resource in recruiting new members," said Randy Rudge, membership development director of Shriners International.

"In today's world everything is about convenience, and the website allows prospective members to sign-up and learn about the great benefits of being a Shriner in a matter of minutes."

To help bring traffic to the website, Shriners International Headquarters has put together a marketing campaign. You can find online banner ads for **beashriner**now**.com**, as well as print ads and inserts that were created for temples to hand out to prospective members.

The website is a terrific educational resource because it helps explain the relationship between the Masonic Order and Shriners International, and also features a video about the fraternity's history. Site visitors can learn about the fraternity's connection with Shriners Hospitals for Children® and take a virtual tour of one of the hospitals.

beashrinernow**.com** also helps answer any questions about the necessary steps to becoming a Master Mason and Shriner. If, after reviewing the process, an individual would like to pursue membership, all he has to do is select "The Next Step" tab, fill out a short questionnaire, and he will be paired with a virtual mentor.

One of the great features of **beashriner**now**.com** is the interaction membership candidates have with their virtual mentors. Virtual mentors are Shriners who are active in their temple and Masonic Lodges and have volunteered to guide interested applicants through the membership process.

Candidates are paired with virtual mentors who best suit their professional and personal interests. The mentor becomes a trusted friend and advisor through exchanges of knowledge about

Freemasonry and becoming a Shriner. The process is intended to re-create the Masonic teaching of developing close, trusting relationships with prospective Masons through personal communication.

Statistics prove **beashriner**now**.com** is helping the fraternity more effectively reach a younger demographic, given that the most recurring age for these new members has been 32. This number is especially interesting to Shriners, since one of the fraternity's co-founders, Dr. Walter Fleming, was the same age when he developed the concept of the fraternity.

By continuing to spread awareness with initiatives like **beashriner**now**.com**, we look forward to adding more exceptional men to the "world's greatest fraternity."
