## ***Potentate's Message***

**ILLUSTRIOUS SIR DAVID DUNN - POTENTATE**

In May, our Special Ladies Luncheon at the Temple was a huge success. Thank you to Director Noble Brian Poole, Lady Anne and their team. A job very well done.

The Orillia Spring Ceremonial was another huge success. The Orillia Shrine Club, through their efforts and hard work, did an outstanding job; I have heard nothing but praise. It was a pleasure to welcome 51 new Nobles and their Ladies to Rameses Shrine, we also received \$118,098 in donations from Clubs and Units for the Shrine Hospital and Transportation Fund.

The highlight of the weekend was the P.R. presentation at the Feast with a video and the personal appearance of one of our Shrine Hospital patients, 8-year-old Keagan and his Mother Robin.

To Director General Noble Tom Woodrow and Housing Chairman Noble Shawn Hewlett, Committee members and the Nobles and Ladies of the Orillia Shrine Club, Lady Robin and I thank you from the bottom of our hearts.

In Charlotte, N.C., at our 138th Imperial Session, the Elected Divan followed a very busy schedule, attending meetings from early morning into the late afternoon. A special thanks to the Appointed Divan Nobles and Ladies, under the direction of Chief Aide Noble Al Berry and Lady Jackie had 5 busy days of looking after the hospitality room and catering to over 100 Rameses Nobles, their Ladies and guests who came to Charlotte to support Rameses Temple. Excellent job.

At the Imperial Session on the Call was Article 36, (B) Civic-Public Events. In civic and public exhibitions including parades, Nobles and their immediate family may participate (with the approval of the Potentate). This amendment was passed by a narrow majority.

As Potentate of Rameses Shriners, I have reviewed this amendment, I have concerns about policing and marshalling as well as insurance or liability of these events. Therefore, I do not approve or give permission for the duration of 2012.

Nobles, don't forget the Shrine Varsity Blues Football game on September 15th, 2012. Please bring your Club banners and support our Varsity Chairman High Priest and Prophet Noble Bob Jones.

Remember to order your tickets for the Western Night at 3100 Keele Street, October 19th, 2012.

On behalf of Lady Robin, I would like to thank everyone for their support of Rameses's First Lady's project, it raised \$2,423. The proceeds went to the Montreal Hospital to purchase a wheelchair for a child with brittle bones disease.

Lady Robin and I look forward to seeing you all in our travels.  
Es Selamu Aleikum.

## Recorder's Message

BY BOB MCGREGOR, P.P. - Recorder

**N**obles, the 2012 Spring Ceremonial is over and I'm happy to report that we brought into Rameses 51 new Nobles and I wish all of them a happy and beneficial Shrine journey in the coming years. You have joined the playground of Masonry but never forget that the end result is fun with a purpose.

The Orillia Ceremonial team did a great job and I know they had a very active group of Nobles working hard to make sure you had a good time and I hope for your sake it worked and that you will all have lasting memories of your first encounter with the Shrine.

I can't possibly remember all the names of the Orillia Committee but I do know the Director General, Noble Tom Woodrow and I ask him to convey my personal thanks to all of his group for a job very well done. Be assured your effort was not taken for granted. We appreciate and thank you for the time you spent on this project and take comfort in the fact that it was very much a success for Rameses and will be remembered as such for many years to come.

The Imperial Session was held in Charlotte, North Carolina this year and Rameses had just over 200 Nobles and Ladies on hand for this fun week, all be it that it was a busy one for your Divan. David, our Illustrious Potentate was President of C.A.S.T. this year and he went out of office at the Canadian Breakfast after having served his three-year term in office. The breakfast was well attended with approximately 200 Ladies and Nobles from coast to coast in Canada and a generous sprinkling of Imperial Officers including the Imperial Potentate who was, in fact, the main speaker at the breakfast.

I regret to inform you that once again the Imperial Divan saw fit to wash their dirty linen in an open room in the convention centre which contained quite a few non-Shriners - camera and sound control technicians etc. Believe it or not a fifty-four-page letter of essentially condemnation of the 2011-2012 Imperial Potentate was read out word for word and it took one hour and twenty minutes to read it. The contents of this letter did not go well for the Imperial Sir and he had some difficulty trying to convince the approximately 1,000 Nobles in the room that he was innocent of the accusations made against him. I will not go into detail of the criticisms as so far as we know a conclusion has not been reached and it looks like more dirt has to be thrown before we can get back to having the fun we are supposed to be good at.

On a personal note, I do believe that if a wrong has been done, it has to be challenged and if necessary punishment dished out as the proven charges warrant, however you can't convince me that we need to go public with our problems, that's what we have a boardroom for and an abundance of lawyers and chartered accountants who could easily assess the complaint then separate fiction from the fact and if necessary force a reconciliation and all done in private. It makes me

wonder about this brotherly love thing. Does it exist or is it a figment of our imagination? The Imperial Divan has, I believe, lost the confidence of the voting delegates and they will need to work hard to restore it.

As far as our hospitals are concerned, we are still spending more money than we are taking in. We are now spending about ten million dollars a month more than we are taking in. The good news, if you can call it that, is that less than two years ago we were spending over twenty million dollars a month more than we were taking in. Our hospitals, none of which are working at full capacity, will continue to operate at a loss. It's an emotional issue because Shriners don't want to close hospitals, neither do I but as a business man, I'd close six of them in the blink of an eye and make the other sixteen pick up the slack and no kid would ever be denied his treatment. The only difference would be that he or she may have to travel a little further to get it but considering that we pay the cost on all their travel, I don't think that a little extra time is too much to ask. The question I ask is, how long can you keep spending the interest on our endowment fund and still have continued growth?

In fairness to some of our leaders, they have introduced third party pay which, when fully implemented, will generate additional funds. But will it give the third party the right to influence the type of treatment we give our kids? They say not but when an insurance company has to fork over hundreds of thousands of dollars, they will insist on being heard and I'd bet my pay cheque on that.

You will have heard by the time you read this, that recently we received an unsolicited offer to purchase 3100 Keele Street. The offer was cash and it was one we felt was worth consideration so we brought our real estate expert on board in conjunction with our legal department to review and report on this and any other offer we receive in the very near future. We propose to have an emergent meeting on August 18th, 2012 which will be over before you get this Papyrus, however we propose to give our membership some of the reasons that make the proposed sale attractive. A notice of motion will be presented at the August meeting however no vote and no decision will be taken at this time. The motion will be stated at our Fall Ceremonial on November 17th at which time the motion will be seconded and then open for discussion and subsequent vote. We look forward to seeing a good turn out of our membership on this occasion,

Nobles, there are several items that need your support and at the top of the list is, of course, membership. We only had fifty-one Candidates for the Spring Ceremonial and we need another fifty in the Fall to reach our 2012 target of 100 new members. Rameses is now down to 3,700 Shriners and we are not even close to breaking even.

There are approximately 50,000 Masons in Ontario so there is a lot of fish in the barrel. We need to tap into this source of raw material and do it now. We also need to get the approximately 700 Nobles who have not yet paid their dues for 2011 and 2012 to pay them. Nobles, if you are one of the

**H**opefully everyone has had a good summer. We had a great Spring Ceremonial in Orillia and a very good time at the Imperial Sessions in Charlotte, N.C.

To our new Shriners, I hope you have contacted a Temple Unit or Club and are planning to join one if you have not already done so. Please get involved and enjoy the fellowship

**N**obles, we were in Charlotte, NC, attending Imperial Sessions. It was nice to meet old and make new friends. Rameses put on a good show for the parade.

We are in the stage of planning ways to renew the interests of our Nobles as to what goes on in our Shrine Centre and have you participate.

In the last few years it seems that we have more card-carrying members, members only interested in their Clubs and Units. Our Shrine Centre will fail and the Clubs and Units will disappear if we don't have better attendance in our main home, Rameses Centre.

Our main fundraiser this year, our Circuses in the GTA are very disappointing. We need twenty to twenty-five Nobles for

and the joy in helping the children in our Shrine Hospitals.

I realize Christmas is still several months away but I want to give you an advance notice of a special feature we will have at our Christmas Carol service on December 16, 2012.

The York Regional Police Youth Band will be entertaining us after the service. If you have never heard these young boys and girls play you do not want to miss this opportunity. They are a very talented group of young musicians and a delight to hear. Please mark this date on your calendar.

Please remember that I am only a telephone call or email away if I can be of any assistance.

every show. We have been lucky if ten Nobles showed up. Don't just be a card carrier, read the Papyrus and see where we need your help and attendance.

Our Stated Meetings are where you should be voicing your opinions. Things only change by a majority vote.

I hope everyone is enjoying the summer, hot, yes but we don't have to shovel it. I am wishing everyone good health and happiness for the rest of the year.

above, please send us your cheque now or have us receive it by Visa or MasterCard. We really do need the money and your support.

We also need our businessmen and managers to place an ad in the Papyrus. If you look at our most recent issue, we only have 6 paid for ads in it and Papyrus loses well over \$30,000 per year. Yes, I know we could stop printing it but if we didn't have the Papyrus as the information vehicle it is intended to be, we would then have to mail out this information to all our membership at a cost of approximately \$5,000 per mail out,

that's paper, postage and time. The best choice is to have the Papyrus break even and to do this, it needs our support. Please talk to Noble Joe Johnson our editor. I'm sure he will make you an offer you can't refuse.

Last, but not least, I'm pleased to inform you that Shriners International now has 195 Temples. The most recent member is from the Philippines on the Island of Mindanao and it is named Agila Shriners, membership 613 Nobles. We now have two Temples in the Philippines.

Thank you to all our Nobles for the support you do give, I appreciate all that you do but most of all, just thank you for being Shriners.

I hope that everybody enjoyed the summer. It was hot and dry. The Spring Ceremonial is over. I give Orillia Shrine Club and their Ladies a great round of applause for the hard work that they put into making it a great success. Also, I would like to congratulate the new Nobles that were initiated. Now you can go out to the different Clubs and Units and have some fun and join the one that you like.

The Imperial Council session in Charlotte, North Carolina, is over. A full week of meetings, fellowship and fun was to be had.

In Masonry and the Shrine we keep saying "Where has the year gone?"

Things have been busy since the last issue of Papyrus with Ceremonials, Imperial Sessions, BBQs, Golf and Club Anniversaries.

There was a good response from the attendees at the Spring Ceremonial in Orillia. A well-coordinated event. Fifty plus Candidates crossed the hot sands. Congratulations to Director General Tom Woodrow and his crew. Have you ever seen a Feast served in as few minutes as Rama?

Next was Rameses trip to the South and Charlotte NC. It doesn't matter if you are in Toronto, Denver or Charlotte in the first week of July. Weather is always hot. A great week was had by all.

The Imperial Sessions were well attended with some new twists to keep everyone interested. What a way to keep up with Nobles from other Temples and Clubs. A great parade led by many, many clowns. One member said he had never seen so many clowns in one location.

The Circus has been in town and around Rameses area since June, ending in early August. Thank you to all Club Circus

Chairmen, Nobles and Ladies who helped out on fire watch, kept us fed and watered. You know who you are so no names. To those who didn't come out, you were missed.

By the time you receive this issue a Special Meeting at Rameses will have been held to move that the membership approve the sale of 3100 Keele St. A vote will be taken at the Stated Meeting in November. All members should be interested enough to attend the August meeting and be ready to vote in November.

Our annual Western Night will be held October 19. This is always a rip roarin' popular night. Bring your gal and do-si-do and have a great time while carving your personal turkey at your table.

Remember to attend your Club or Unit meetings. If you have not joined a Club or Unit, consider it.

You will enjoy the social and fraternal aspect of the Shrine.

Remember the Ill Sir's motto "Lighting the Way for Our Kids" Thank you for being Shriners.

As we have returned from the Imperial Convention in Charlotte North Carolina we can reflect on the exciting and controversial items that were discussed and passed.

One item was that Ladies are allowed to participate in civic parades with the permission of Temple Potentates. Again there were some disagreements and more agreements in enacting the legislation as presented but never-the-less all items were dealt with in business-like manners.

The weather was hot (same as here) but on parade day the temperature dropped by 10 degrees Fahrenheit.

For the whole summer, everywhere we have been has been enjoyable and rewarding to myself and my Lady Joyce.

As the probable Potentate in 2013, I am starting to make

arrangements and decisions about clothing, pins and people.

It is still a long way to go until January but, as I have learned, time really does fly by. So as you read this, I am sure the weather will have moderated and we will be back on our busy schedules.

All the best to each Noble and his Lady and I look forward to the future with confidence and enthusiasm.

## Shriners pull through for teen

### Belleville Shrine Club

The following is a story that appeared on March 30, 2012 in The Belleville Intelligencer, written by Jerome Lessard.

The story and pictures are reproduced here with their permission.

**S**tephen Ling's medical journey is almost over. The 17-year-old Belleville boy who was born with fibular hemimelia, a rare leg length discrepancy, is on his way to rehabilitation following a 32nd surgery at the Shriners Hospital for Children in Montreal a month ago - lengthening is right leg by about 24 centimeters and reconstructing his foot, which will soon allow him to walk.

When their third son was born with the rare leg length discrepancy - it happens in every 60,000 births - Stephen's mother Danielle didn't know where to turn until she was put in touch with the Belleville Shrine Club 16 years ago.

Wednesday evening, Ling was the man of the hour at the local fraternal club. Bob Ridley, the club's publicity officer, invited the Grade 12 student at Quinte Secondary School to share his story during the club's general meeting.

Before speaking to dozens of Shriners, Ling was impatient to show his new and first tattoo, an illustration of the Shriners Hospital for Children in Montreal, QC with the inscription "That which does not kill you, makes you stronger" - a credo of the young man's 16-year journey filled with struggles, pain and hope.

"This deformity caused my leg to be shorter than the other and my ankle and foot were also affected," he said while standing on crutches with his swollen right leg stabilized in an Ilizarov frame, which is used in surgical procedures to lengthen or reshape limb bones.

By his 18th birthday, Belleville, ON boy Stephen Ling, now 17 and who was born with fibular hemimelia, a rare leg length discrepancy, will be on his way to rehabilitation after he's undergone surgery 32 times on his right leg at the Shriners Hospital for Children in Montreal, QC. Above, Ling is seen with members of the Belleville Shrine Club, from left, Noble Allen Hackett, Noble Gerry Gill, Noble John Neil, and Noble Bob Ridley, a few minutes before he was introduced to other Shriners at the Club's general meeting recently.

"When I was born, doctors were still amputating the legs of children struggling with this condition. But doctors at the Shriners Montreal Hospital had other plans."

A "tough" decision that mom Danielle does not regret making at the time.

"When Stephen was born, they (doctors) gave us a choice, amputation or do this new procedure in Montreal using the Ilizarov frame," said Danielle with emotion. "As a mother I asked myself and Stephen 'Did I make the right choice?' Now I know we've made the right choice. Today, Stephen has two perfectly aligned legs of the same length and a foot. It's unreal what this club has done for Stephen and our family. In a sense, the Shriners have become our extended family."

To Ridley and other Shrine members like Gerry Gill, the story behind Stephen's medical journey remains one of the best examples of what Shriners, notable for the red fezzes they wear at charitable events, are all about.

At no expense whatsoever to his family, the youngster has received the "highest" level of care at the Montreal hospital, including dozens of surgeries and numerous series of treatments over the years.

Had Stephen not received the care, his leg would be about 24 cm shorter than his left. The result is a student - Ling will graduate this spring - who, in the near future, will take on all comers on the basketball court, isn't afraid of getting dirty on a rugby field and races down his school's track.

A close-up black and white photograph of a tattoo on a person's upper arm. The tattoo features a detailed illustration of the Shriners Hospital for Children in Montreal, with the text "That which does not kill you" written in a script font above the illustration, and "Makes you stronger" written in a script font below it.

That which does not kill you  
Makes you stronger

## Grand Lodge Annual Communications

**T**his year, with the permission of the Illustrious Sir, letters were sent to the Potentates of Tunis and Mocha Shriners to participate in the information booth at the Royal York.

The letter asked that if any members of the membership committee were in attendance, their participation would be welcomed.

The Potentates from Rameses, Tunis and Mocha took part as well as the Chief and Assistant Rabban's of Mocha and Tunis plus other Divan members. To, as they say, put icing on the cake, Imperial George Mitchell, Past Imperial Potentate and Illustrious Sir Barry McQuillin assisted as they have done since 2006.

A number of Brothers stopped by to inquire and in some cases pick up an application form.

In other news our Public Relations Chairman, Noble Terry McLean, received the Grand Master's Meritorious Award for his contributions to Masonry in and out of our jurisdiction.

Finally the Facebook page is doing very well. Many Nobles of Rameses are posting pictures and event notices. Let us know what is coming up. Thanks to Noble Dennis Hope for administering the page.

## Ladies attend Supreme Sessions

By Elaine Clare

Jr. Past Queen

DAUGHTERS OF THE NILE

ORONTO TEMPLE No. 69

I sure hope you all had a wonderful summer and you enjoyed the heat, never mind the humidity.

In June, seven of the Ladies of the Household including our Queen, attended Supreme Sessions of Daughters of the Nile in Portland Oregon. On Thursday evening, we all observed Supreme Princess Royal Suzie being crowned as Supreme Queen. Congratulations!

Princess Tirzah Bev, had a BBQ in July and the Dancers had their corn roast and BBQ in August. Each one was a great success and enjoyed by all.

In August, Supreme Queen Suzie honoured us with her presence at our Shrine Centre where we initiated seven Ladies and now they are Princesses of Oronto Temple No.69. Congratulations, and we look forward to seeing you at our stated sessions.

Past Potentate Noble Derek Fisher, our "King" pastry maker and his lovely Princess Julie, organized the making of our pastry. Our Princesses are rolling and packaging our "dough" once again. Please call Princess Betty Webster at 416-439-2944, to place your order for our wonderful dough. It freezes very well. Thank you, thank you one and all who helped in the kitchen and for purchasing the dough. Our "kids" thank you also.

Congratulations to our very own Princess Recorder Peggy Johnson-Heggie, Past Queen for being appointed Supreme Escort to the Temple Banner.

RAMOCA SHRINE CLUB

**T**he Ramoca Shrine Club had a very special dinner meeting at the end of April which included our lovely Ladies to honour Noble Jack Gardhouse.

We had a great attendance of 69 Nobles, Ladies and Guests. We also had the pleasure to have Potentate Illustrious Sir David Dunn and Lady Robin in attendance to help us celebrate the special recognition of Noble Jack Gardhouse for his membership of 50 years of service.

On behalf of Ramoca Shrine Club, President Noble Lloyd Stewart presented Noble Jack with a Lifetime Membership and Potentate Illustrious Sir David Dunn presented a Certificate of Recognition for his 50 Years Service.

It was nice to have Johnny Gardhouse, son of Noble Jack, present to witness his father's achievement as a Shriner. Johnny is always quick with a joke as we know Jack is proud of his career as a stand-up comedian.

The Ramoca Shrine Club have had a couple of nights of entertainment using Johnny's talents, and he never fails to amuse and make a Noble's side hurt!

Noble Ted Horton shared some very entertaining stories about Noble Jack over the past years that were certainly entertaining and confirmed that Shriners do have fun and lasting memories.

Noble Creighton Taylor and Lady Lois once again did a fantastic job with providing us with a program of entertainment.

The theme of entertainment was trivia questions "where were you 50 years ago". Three teams of three were formed by lucky draw and competed for some prizes.

The Ramoca Shrine Club wants to thank the Orillia Shrine for hosting an enjoyable Rameses Spring Ceremonial this year.

Other highlights of the summer events for Ramoca included

the Nobles and Masons June BBQ, Owen Sound downtown "Hottest Yard Sale Under The Sun" event with Ramoca Peameal on a bun and baked goods fundraiser, and our ever enjoyable pig and chicken roast in late August.

# Donation made to Gait Lab on Muskoka's visit

By Noble Tom Brooks

MUSKOKA SHRINE CLUB

Summer Talk in Muskoka revolves around tourism, of gorgeous cottages on golden ponds, of huge boat houses filled with wannahave inspirational antique boats, of lolling on docks with Muskoka chairs, of soaking up water that soothes the soul, of BBQs and in holidays to remember.

But, around this talking, we have to know that our Shriners are still active and Muskoka is not unusual.

June saw a real good representation of our Club at the Spring Ceremonial, two new Candidates from our Club and some real good fun and fellowship. That month also saw the Lady Shriners complete a 3-day trip to our Montreal Hospital. If one sees the pictures taken of the bus and of an on-the-bus birthday party, then one will soon realize that they had a great time. They really know how to do it guys, and perhaps we need a lesson or two on this. The Hospital provided a good overview of current and future Hospital plans and highlighted new technologies to the Ladies.

The current Gait Lab which is shown in the picture below is a line down the centre of a hallway which the children walk and are viewed by cameras following the line and interval cross sections, a very impressive innovation.

The Ladies made a presentation of \$1,000 to go towards the new Gait Lab for the new Hospital.

Articles were also received and \$1,947.50 was raised on the bus from auctions and donations, which will be in trust until spring 2013 at which time it will be presented to the new Gait Lab.

One highlight was a viewing and education of the EOS X-ray system, the first machine of its kind in the Shriners Hospital system and, which was made possible by a donation of \$565,000 by the L.O.S.N.A., Bokhara Court #22. The Ladies came home pleased to know that they had a better understanding of the Hospital's undertaking.

July saw some of our members attending the Imperial Sessions with reflections of a good time there, albeit a bit warm.

This month also featured our Gala Surf and Turf Banquet, hosted this year by our Noble Boyd Smith and his Lady Cathy, and boy were they organized. Like a colony of ants the workers knew exactly when and what to do, pheromones right on cue and little if any confusion. A high-five to Boyd and Cathy.

We were honoured to have the Potentate, his Assistant Rabban, his High Priest and Prophet, each with their Ladies in attendance, along with Fred Clarke, P.P. and his Lady Pam. Present also were 270 hungry patrons, good refreshments, good dancing to "Freddie Vette and the Flames" all made for a great way to spend a Saturday night.

August is more of a leisure month with only an interclub

corn roast. But, it is always well attended at 80 to 100 Shriners and guests, receiving many accolades.

September will be the onset of Fall Fair Parades, which our Club duly attends to and they make for good fun as well. This month also showcases our Ken Kaye Memorial Golf Tournament. It is usually a fully booked event, a must do for extreme fun and fellowship, and a nature stimulation to boot. To access information or booking, contact Noble Ron Austin at 705-645-5600 or [rpaustin@vianet.ca](mailto:rpaustin@vianet.ca).

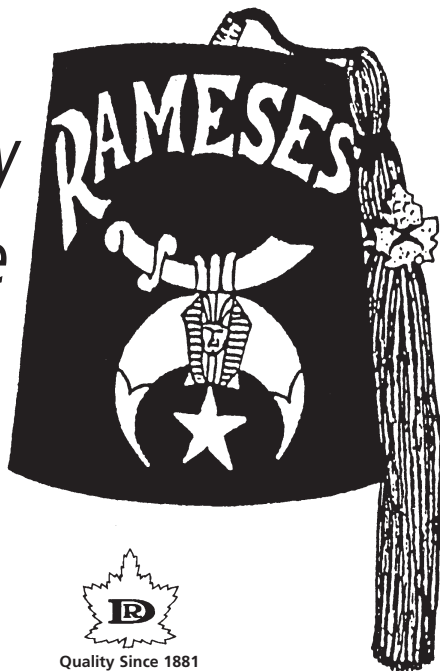

We hope that all other Clubs were also able to have a good, active summer.

## Hillbillies give hearty welcome to our new Shriners

**F**riends and neighbours. Down here in Burning Sands the warm sun beckons some of the regulars back to the front porch of J. Johnson Esq. General Store and Gas Pump, just to catch up on the latest news around the village.

Well, I reckon it is safe to say summer has arrived and now that the late ice has finally melted over at Bradford's Pond, w'all will get a chance to go and see if that is where ol' Matthew Bryant ended up - he sort of disappeared during the winter. We saw some boot prints in the mud but didn't think too much of it, because ol' Matthew never did own a pair of boots - nor shoes, as I recall!

Folks, one thing which has been a 'hot topic' on the front porch was the recent Rameses Spring Ceremonial which was held in Orillia, Ontario on June 7-10, when we Hillbillies traveled up that way to help celebrate by parading and giving a hearty welcome to all the new Shriner Candidates joining our wonderful fraternity.

**IMPORTANT NEWS!** After 11 years of hosting the Hillbilly Degree and world famous Chowdowns, Noble Cuzin' Bob and Lady Marion O'Brien have handed the reins over to Cuzins' Jim and Beth Johnston and also their wonderdog Yankee! They were kind enough to host the 2012 get together at their homestead near Stouffville and a real Hillbilly time was enjoyed by participants and Pa's and Ma's alike! 'Yankee' the wonderdog was a perfect host.

We would like to give our heartfelt thanks to Bob and

Marion for the use of their beautiful spot on the Talbot River and for all the hard work they have done putting on the Chowdown for so many years.

Well folks, I see that ol' Bert Mapland has just driven up to the gas pump in his 1938 Chevrolet, so before I go to gas up his vehicle, permit me, on behalf of all our Shriner friends and family members and especially those not enjoying the best of health at the present time, may the G.A.O.T.U. bless and keep you.

Friends, on behalf of Noble Cuzin' Rik Kubiak, Hillbilly Club President, this here is Cuzin' Barry saying 'g'day'.

Ol' Cuzin' Fergus never did attend school too often, so his grammar and spelling weren't up to par. He left his farm to go to agricultural session down in Georgia. His scholarly weakness showed up when he sent his wifey back home a postcard with the following message which he sure should have proofread before mailing it: 'Havin' a wonderful time hyar in Georgia.

Wish you were her.

# Private First Class Noble Harvey Allan Hansen 97 year old living legend

By Noble Jerry McKnight

HAMILTON SHRINE CLUB

Once upon a time, in a magical land, in the same birthplace as Hans Christian Anderson, Odensk, Denmark, our very own Noble Harvey Hansen was born. The date was May 25, 1915. Harvey immigrated to Canada with his family in 1923, eventually settling in the Hamilton area.

It can truly be said that Denmark's loss was Canada's gain. He enlisted in the Canadian Army February 4, 1944 and after the usual basic training landed in France in August that same year.

Harvey, just like his fellow countryman, Hans Christian Anderson, is a great storyteller. To this day he can recall vividly, with exacting detail, stories of the war, seeing the terrible injuries, the suffering and men dying before his eyes. He also recalls a wonderful moment overseas on June 19, 1945, the surprise of meeting his younger brother, Cliff. Unknown to Harvey, Cliff had also enlisted. In December 1945, just in time for Christmas, Harvey returned home to his wife and young daughter.

Harvey became a Mason in 1953 joining St. John's Lodge, later joining Wentworth Lodge 166 and becoming a life member in 2001. He joined the Scottish Rite in 1955 and obtained his 32nd Degree in 1957. He crossed the hot sands, together with 125 other hopefuls, at the Spring Ceremonial in Hamilton in June 1958.

Recently, still in good shape health-wise for a young 97 year old and because he is not as mobile as he was the decision was made to relocate him to Grace Villa Nursing Home in Hamilton. He had been a regular attendee both at Lodge and the Shrine dinner meetings until only a few months ago. We all miss his smiling face, friendly disposition and storytelling.

Thanks to his close friend, Noble Bill Steel, a visit was organized to the Villa by the fairly large group of Shriners shown in the photo.

We had a wonderful visit which hopefully brightened his day, I know it did ours.

On behalf of our Potentate, Illustrious Sir David Dunn, and all of us, we extended hearty thanks and appreciation to him for just being a Shriner and being one for so very long. Noble Harvey was overwhelmed with the visit and very pleasantly surprised and delighted.

Noble First Class Harvey Hansen, the title says it all. We salute you and wish you all the best for many years to come.

## Shriners helping "outside the box"

Shriner Noble Bill Phillips was recently in San Antonio Tlayacapan to have his car fixed. While in the workshop he noticed a young man without legs working by pulling himself from place to place around the shop on his knees.

Phillips learned that Mauricio was 22 years old. He had owned a wheelchair but it had become worn out from use on the cobblestone streets.

Because of his age, Mauricio was not eligible for treatment at any of the 22 Shriners Children's Hospitals.

Almost everyone knows that the Shriners help children in the United States, Canada and Mexico. However, these services are limited to children aged to 17 years old.

So Phillips contacted local Shriners on an individual basis to see if funds could be raised to get Mauricio a proper chair.

"The response was overwhelming," said Phillips. "We actually raised more than enough funds to privately purchase a "rough terrain" wheelchair - actually manufactured in Mexico."

In the next step, Phillips began looking for a person qualified to measure a patient for a wheelchair.

Keith Sofka of Cargonne and Associates came forward and donated his time to do the measurements. The order was made, the chair manufactured and delivered to Queretaro to a friend of the Shrine Club President, Noble Cesar Rubio, who brought it to Ajijic.

The chair was finally presented to Mauricio during the first week of June.

Mauricio is doing well and enjoying his new chair and the mobility that comes with it.

Those involved with the project proved that when a problem is identified and folks come together to generate a solution, good things can happen.

President of the Ajijic Shrine Club, Cesar Rubio, delivered a "rough terrain" wheelchair purchased by local individuals to help out Mauricio, whose wheelchair had been worn out on cobblestone streets.

## Guelph Shrine Canada Day Celebrations

The Guelph District Shrine Club always participates in the Canada Day parade in Cambridge each year. There were a lot of participants from Mocha Temple with the Cambridge Shrine Club throwing on a Festive Board after the parade out on Cheese Factory Road. Just a super time meeting up and participating with Mocha Shrine Temple. Sure was a warm one this year.

## Go-Carts "having too much fun"

By Noble Ivan Tees

PEEL SHRINE CLUB

**T**he Ceremonial Parade at Orillia was indeed a real success as was the entire weekend! Congratulations Orillia!

Next June it will be Kingston and will truly be a weekend not to be missed. Early reports indicate the Fort will be the focal point for the weekend as well as location for the Feast!

As a point of interest, how many of us have camper units and would attend this as a Shrine Camping weekend? It is always more fun to have other campers in the same area. Also cuts your costs which hopefully will encourage more to attend, as well enable those to bring their entire family. If interested my email is: [ivantes@rogers.com](mailto:ivantes@rogers.com). We just might get permission to organize a Rameses Camping Unit for planned summer family weekends.

At Orillia, Peel Shrine Club had 9 carts out (of a possible 16) and we want to thank Mississauga members Noble Malcolm McKay and Noble Dennis Blake for again filling in as needed drivers.

It is our pleasure to work in conjunction with Mississauga with not only many dual memberships but also co-operation in fund raising. This dual effort enabled us to donate \$20,000 to the Rameses Transportation Fund at Orillia and we anticipate similar success for the Fall Ceremonial.

This year, we participated in a first for Peel Shrine Club at the Port Credit Canada Day Parade and they are to be congratulated for hosting one of the best community parades in which we had the pleasure of attending. It started with a great Pancake Breakfast and it just got better as the day went on!

Picture at left is our Go-Carts, any Shriner out there looking for some action on a Parade? We have a couple of spare carts and invite you to join us. The more carts on parade the more excitement for the kids watching and seeing the smiles and waves of these children truly makes it a rewarding experience. Also, where else can a grown man act like a kid on a Go-cart?

## Dedicated group seeks trailer for 20 riders

By Noble Blair Smyth

Commander

Rameses Legion of Honour

**T**he Rameses Temple #33 Legion of Honour is a dedicated group of serving, retired or ex-Service Men within Rameses.

We are a group of patriotic Canadians who lead the parades at Ceremonials.

Since we are a growing Unit, but aging, we have a trailer that is car tow-along and holds 4 riders. We

need a larger one to hold all those who would like to come into and enjoy being part of the parades.

If any Temple Club wishes to donate or sell at a moderate cost their unused trailer that could hold up to 20 riders, please get in touch with one of the three principal officers of the Legion of Honour: Commander - Noble Blair Smyth; 1st Lt Commander - Noble Len Tufford or The Adj. - Noble Jim King.

Please help us put forth the best effort for our Temple.

# Niagara leads the parade

By Dave Gillies

NIAGARA SHRINE CLUB

The last official function before the summer recess, our steak fry BBQ was another smoky success. It's an annual surprise to welcome so many "stranger" members who appear for this casual night but none of our monthly meetings. Suggestion to the President, "steak for every meeting".

Work progressed on the Maid at feverish pace with only 1 or sometimes 5 or 6 members on a daily basis morning to evening from May right through till the final hour Friday July 29.

Our road testing was supposed to be in attending the Spring Ceremonial and two other parades; only a wait for parts blew that schedule.

Time out to attend the Ceremonial in Orillia, to congratulate our newly Fezzed Shriners and to march in their parade. We rounded up some sailors willing to take our rowboat van to the "Sunshine City" where the confused weatherman provided a rain free parade. A quick visit to the Oasis for some camel's milk, the casino to make a donation then we had to row home before the tide turned.

The next target was Charlotte but we missed the mark again. The motor was in and running, all brake and steering plumbing reconfigured, some of the wiring hooked up even got 3 tires on her; but...it was still up on the jack stands with no road testing and some minor(?) adjustments still to make.

With all the mountains on the drive down we made a decision to leave her in dry dock and only send the crew down on a furlough to represent her involvement in the Imperial Sessions.

The ship's liberty parade got started with some leaving on Thursday and some stragglers on Sunday. With a previously received email warning of no power to pump gas in West Virginia the stragglers of course drove right into the no power state. Real men don't ask directions and I guess they don't accept them either.

After passing half a dozen or more possible stations an animated discussion took place in our car about the lead driver's mental state but we blindly followed them into trouble. "Experience is something you don't get until just after you need it."

Nothing but closed stations to be seen and the vehicles down to fumes only, the lead car forced their way passed a road

block into the one station with lights on. We chickened out and went down the road to the next town only to wait for an hour to get to the pumps. While waiting in line there a local cop showed us his cell phone picture of the tornado that crossed the highway just 100 yards from the station; SCARY!

Charlotte, the Imperial, the camaraderie and parade were all that southern hospitality is known for; and there are many photos available to attest to that fact. Also, Dixie hasn't lost any of its "charm" that I remembered from one of my previous visits. By the way, I have another favourite spot for an office in Indianapolis 2013 called Ike & Jonesy's.

Two of our crew of sailors were honoured to carry the Rameses banner at the head of our delegation down Tyron St. They warmed up the cheering crowds in preparation for our drive by with the van lead by President Rick and 2nd VP John Perham while being vigorously swabbed down by Skippy. We were also the straggler picker upper but only had one to chauffeur even in the 38°C or 100°F plus heat that was registered at high noon. Heat stroke or a mirage?

An unconfirmed report has been circulating that a female dressed like a clown was seen loitering around our marshaling area. Nobles Hooper and Perham are reputed to hold photographic evidence of this possible parade crasher.

I'll give our host Shriners credit for some fabulous 4th of July fireworks as a finale to their 2012 Imperial and as a farewell prior our early departure the next morning.

Our particular ride home was uneventful but passed through many areas still without power after almost a week. I'm sort of glad we only get a lot of snow up here, till the shoveling needs to be done.

Our Niagara Club lost one of its finest to that Black Camel suddenly in July; Ambassador Emeritus Bob Thiel. Bob was a long-time power behind the scenes. His insightful council will be sorely missed.

Now that we are all back to work after the summer off, start mining your Blue Lodge for gems that can be polished into Shriners.

Don't forget to also look through your circle of friends and acquaintances for those that with our Shriners alchemy can be transformed into Masons. Without growth in the Blue Lodge our mining claim will expire along with the worlds' greatest fraternity.

## Great tools to inform interested people

By Noble Jim Thornton  
MEMBERSHIP

**M**embership remains one of the more important focuses for all of Rameses. The beashrinernow.com web site continues receiving notices of interest from men in our jurisdiction. This web site along with shrinersvillage.com and the new Grand Lodge web site are great tools to help inform interested people as well as educate you. We encourage you to create your personal logins to both the Grand Lodge and Shriners Village web sites.

The Rameses Shriners Membership Facebook page continues to grow with over a hundred friends and many members and Clubs using it to inform us of events past and future. Join us on Facebook and keep letting the Shriners of Rameses know what is happening in your area.

In June, I had the opportunity to be with the PR team from the Montreal Hospital at a media conference in Toronto. They have a great "travelling show" that had many stopping to talk with them. I even lost my Shrine tie to an on air personality. It was an interesting time and we hope to have a form of the "travelling show" for the fall.

Recruitment and retention are both our responsibilities. Growth depends on talking about the Shrine, attending Lodge, assisting men in becoming Shrine-Masons and above all, mentoring the new members.

Mentoring is a vital component in retaining the new members, making them enthusiastic participants. Mentoring means being at their three Degrees as well as the Ceremonial, getting them the necessary applications and encouraging them to attend regularly.

All members of the team are here to help you and your Club or Unit. Just ask.

# El Shamaly Shrine celebrates 50 Years

EL SHAMALY SHRINE CLUB

**T**his past May 9th, our Club celebrated its 50th Anniversary. Originally chartered in 1962, ours was the first Shrine Club in Toronto's northern outskirts. Roughly translated, El Shamaly means "The North".

On the actual date of that anniversary, 82 members and guests met at The School of Fine Dining in Unionville and enjoyed an excellent dinner, a silent auction followed by presentations to our Potentate and minimal speeches.

Our one remaining "Charter Member", Noble Dave Hill, did some reminiscing and our Club's Historian, Noble Brian Stapley related many of our Club's activities in and around Richmond Hill.

One of our recent projects was with local Public Schools and concerned Bicycle Safety Training. Our Club donated bicycles to deserving students.

Early on, our Club became famous for its Rickshaw Unit, one of its "Pullers" being Past Potentate Noble Bob Whitmarsh. Noble Bob is one of six of our members who have gone on to become Potentates of Rameses Shriners, something we are very proud of.

Today, our Club parades with its parade float, the Little Red Caboose, most of us being too old now to pull rickshaws. As such, the Caboose serves to draw attention at numerous municipal celebrations to Shriners' work with Children.

That being said, membership is open. We meet at The Choice of The Orient Restaurant on Yonge Street in Richmond Hill on the 3rd Monday of every month except July and August. If you are interested in joining - your first dinner is on us - please contact our Secretary, Noble Ted Rapley at 905-294 1349.

Shriners with truck driving experience are especially welcome.
