Potentate's Message

ILLUSTRIOUS SIR TERENCE J. "TERRY" LAMPING - POTENTATE

The days are really warm lately and the parades and golf tournaments are in full swing and I hope you are well and are enjoying each and every day. As I write this we are looking forward to attending Tigris Temples Potentate's Ball with Noble Jim Rennie and Lady Barb.

We will be driving to Kingston to be briefed on the plans made by the Kingston and District Shrine Club for the Spring Ceremonial and from what I already know, it promises to be a great event. So don't miss it.

In early May we were in Montreal for the Annual Hospital Seminar where we presented cheques totaling more than \$150,000. A large part of the donation was presented by the Port Colborne Shrine Club that you might remember from our last issue of Papyrus, congratulations to the Nobles there.

We sent members of your Divan and their Ladies to Montreal to represent us at the Karnak Potentate's Ball. Visiting is an important part of our Shrine and also our Masonic Fraternity and we have always enjoyed meeting new Nobles and Ladies as well as renewing old friendships.

We travelled to the New York Ontario Shrine Association in early May that was held in Syracuse, New York and several Imperial Divan members were in attendance. The Imperial Sirs have some great plans for membership, so we would urge our Nobles to get on the Internet at "BeaShrinerNow.com". By sharing our knowledge with our Lodge members we can increase our membership to enrich and perhaps define our lives in an unselfish manner by sharing with others what we really do.

We certainly do more than wear funny hats and drive little cars. We need to talk up our Children's Hospitals every chance we have. Remember the phrase now is "without regard to the parent's ability to pay". As you know, we look after children that other hospitals often give up on.

We have secured a restaurant in Indianapolis for the Sunday evening dinner. It is Ike and Jonseys' and only a short distance from our hotel. We will be the only customers at the restaurant. The theme will be a 50s/60s night and we will dress the way many of us did so many years ago. So get out your togs and be young again, at least for the night.

We have learned that the Shrine Hospital in Minneapolis established close ties with the Mayo Clinic Care Network. This will be interesting should this association expand in many other centers throughout our hospital system.

The next big news is about our newly designed Circus. We have negotiated 5 locations in the GTA for a total of 27 performances. We will ask for strong support from all our Clubs as well as our Ladies groups. We are looking forward to this new Circus. A large cat (lions and tigers) is part of this show and promises to be a winner. Information will be available soon. Remember we need help for fire watch.

At the moment our search for new premises goes on and we will know very soon the outcome about one particular building we have offered to buy.

So please enjoy your Shrine and remember: "WHAT WE WILL WE CAN"

RECORDER'S MESSAGE

BY BOB MCGREGOR, P.P.
Recorder

First, let me bring you all up to date on our financial situation. Let me start by assuring you that we are solvent with respect to our General, Transportation, Lottery, U.S. and Club accounts and we do not owe a dime to anyone.

We will, however, experience a cash flow problem due to the fact that income will be down this year because we do not have a Fantasy Show or Football game in the 2013 program. Our Circus is not the same as in the past and we have been told to expect an income of only \$60,000 for 2013 which is a long way short of the total income from the 2012 Circus which generated for Rameses approximately \$190,000 which, believe it or not, was the least we have ever raised on our Circus in the last 20 years.

As I'm sure most of you are aware, Xentel, our telemarketing group, sold out to a company called I-Mark and they are different (enough said at this time). This year's Circus is run by a different partnership and there will not be telemarketing as was done in the past, it will be done by computer and frankly it's a bit deep for me, but they seem to think it will work, we shall see.

Now, to the current investment portfolio. In my last report to you in the May issue of Papyrus, I informed you on February 13th, 2013 that the total value of your financial investment was \$8,598,741.70. Be advised that as of March 14th the total value of our investment is \$8,673,313.00. That's an increase of \$74,572.00 in one month. It won't necessarily follow this pattern every month but I sure hope the Noble that hinted at the first sale meeting that we would likely fritter this money away, is reading this.

We have looked at several properties but only two have captured our attention and we have put forward a conditional offer on one of them. It is within the boundaries we advised you of at the November 2012 meeting and the asking price is also within the amount we indicated we would have to spend on our new digs. Be advised that if (and I repeat if) it goes through, the property will require major renovations, but again the amount in question should keep us well within the amount we feel is justified. Zoning is a major problem with this property and if we can't get it changed we will have to move on and get our deposit returned, however we have not given up looking at other properties in the meantime.

The Potentate's Ball is now past and our next important function is our Special Ladies Luncheon on May 26th, 2013 at 3100 Keele Street and we hope that all our Special Ladies can be here so that we can entertain them once again. Please let the office know if you plan to be here so that we can prepare for your annual visit. You are all very special to us so please try to attend. I must admit that where as I do recognize most of you, there are some that I just can't place and if it looks like I'm ignoring you, I'm not. Just give me an elbow in the ribs to

remind me and be assured I'm looking forward to seeing you all.

Please remember that the west side of 3100 Keele Street is a mess and I suggest once again that you don't park there because you will be up to your ankles in mud. The new owners have not yet replaced the missing asphalt.

On April 29th I have a meeting with the new owners of 3100 Keele Street and I will bring the parking repairs to their attention once again. They have verbally indicated to me that they are not in a rush to have us all leave Keele Street and they have stated that they would like us to stay on as tenants. We, the Shrine, would much rather have our own place by year end, however it's an offer that may have to be looked at if we can't get the new home we are looking for and our Lodges and Scottish Rite may wish to look into this offer as a stop gap situation.

Don't forget our Stated Meeting in Kingston, Ontario on Thursday, June 6th, starting at 7:00 p.m. in the Club Rooms after which we can settle in for a fun weekend. We are, of course, hoping that we will have at least 100 Candidates for this session so it's up to all of us to get cracking and line up a few new Shriners.

The Imperial Session also needs your support. Indianapolis is only a good days drive from Toronto, approximately 450 miles I'm told, so let's all try to support this most important meeting of the year. Not only do we elect a new Imperial Potentate but also we very often make changes to the Imperial By-laws. It's rumoured that, due to the conflict with the Grand Masters of Arkansas and South Carolina that, a motion may be presented for a vote to go to the street in those two states for Shrine members. Now whether you are for that or against it, it represents the thin edge of the wedge in the relationship between their Grand Lodge and the Shrine. Fortunately we have in Canada, Grand Masters and Potentate's who have a good working relationship and frankly we are all just too busy to get into this petty one-upmanship. I know and respect that our Grand Master is the head of Masonry in Ontario and I support his position as such and I do believe he respects the Shrine as well. Is it any wonder that countries go to war when we Masons can't agree on simple common sense issues? It makes me wonder about the 5.P.O.F. A trip to the woodshed may be the answer for these "Masons".

On May 8th, 2013 the Divan will visit the Botox Clinic in Sudbury to take part in our annual visit with the Sudbury Shrine Club. At this time, the Club will donate a cheque to the local hospital to help offset the cost of the Botox injections our Shrine children in the Sudbury area received locally instead of taking the long drive to Montreal. Simply put its just way more convenient and economical as well. As usual, we will top up the Club donation by adding a few dollars to the total. Note, all this money comes from our Transportation Fund.

I wish to thank every Noble for your support of Rameses Shrine and I do appreciate your hard work on behalf of each other and the nearly 500 kids that are in our care.

I wish you all a happy and healthy summer and thanks for just being Shriners and Shrine Masons.

DAVE'S NOTE PAD

BY DAVID RAWN
Oriental Guide

Since my last notes in the Papyrus, I have been very involved with the Shrine.

I had the opportunity to attend the Oriental Guide Seminar in Tampa and while there we also toured the Shriners International Headquarters.

Shriners International Headquarters covers 85,000 sq. ft. and employs more than 250 people. Shrine Headquarters is home to two separate corporations, Shriners International, the fraternity, and also Shriners Hospitals for Children, the philanthropy.

The Oriental Guide Seminar was three days of meetings from 8 to 5 each day and it was here we met up with our counterparts from the U.S. and had much information to exchange on our own Club activities.

Can you believe that we are half way through our Shrine year and now we come into our busy time!

A very warm welcome to all our new Shriners. Hopefully you will join us for our Church Service at the Kingston Shrine Club on Sunday, June 9th, at 9:00 a.m. We hope to have a Drum Head Service followed by a country breakfast. All are welcome.

I hope that we will have a good turnout of Nobles and their families at both the Spring Ceremonial and the Imperial Sessions. Both of these events are a great opportunity to meet other Nobles from all over and make new friends.

TERRY'S THOUGHTS

BY TERRY FULTON
Chief Rabban

As I write this, you are reading or have read the last article in which I hoped and wished for green grass, singing birds and warm weather. We didn't get the warm weather but we did get the birds, they don't sound very happy but they are here. Robins, Jays, Doves and one Blue Heron after the fish in the pond.

It is a busy time, the Potentate's Ball is just over, Lady Helen and I had the honour of hosting this event. We had a good turnout with many NYOSA Shrine Centres represented, along with many members and visitors from Ontario and Quebec. A great

After reviewing the actual vs. budgeted dues number for this year, it is readily apparent that not everyone has paid their dues. In this regard I would like to ask you to please pay ASAP.

The fundraiser called Direct Appeal should meet budgeted revenue, which will help replace some of the revenue we are not going to get with the other telemarketing fundraisers.

The Circus is coming to town very soon. Nobles this is a fun event. Noble Rick Kubiak could use your help with fire watch.

The round-table discussion I find is important to learn what is working at other Clubs. The Seminar itself was very informative. Subjects covered were Leadership, Membership, Shrine Law, Protocol, Budgets and Finance. The speakers were Imperial Officers Gary Bergenske, Jeff Sowder and Bill Bailey.

Lady Edith also had 3 full days of meetings covering Protocol, Membership and Mentoring and also Communications. There was much to learn in such a short period of time.

Lady Edith and I were invited by Noble Robert and Sherrin Whiteford to attend a dinner in honour of Imperial Potentate Sir Alan Madsen at Egypt Temple in Tampa. We enjoyed the fellowship and dinner and met many Shriners and their Ladies. The following morning we headed home.

Nobles, the Special Ladies Luncheon is coming up on Sunday May 26th at 3100 Keele Street.

Also, the Spring Ceremonial in Kingston is fast approaching and is sure to be a fun-filled weekend. Get your registrations in early. SEE YOU THERE!

To our Nobles and their families who are not well, I pray for your return to good health. If I can be of any assistance to you, please do not hesitate to contact me.

Nobles, let us never forget our Shrine obligation. Please stay involved and help to promote Shrinedom.

time was had by all, as for you that missed this gathering to honour Ill. Sir Terence Lamping, you missed a great time of fellowship, celebration and a great meal.

In March, my Lady and I attended the Installation of Lady Joyce Anderson-Johnson as Queen of the Daughters of the Nile. We wish Queen Joyce and her hard working Ladies a great year. Keep up the good work on behalf of our Hospitals and the Shrine Children.

Again this year Lady Helen and I had the honour of attending on behalf of Rameses Shrine and our Potentate, the Installation of Officers of Bokhara Court #22. What a well run and impressive ceremony.

The Ladies of the Court support Shrine Hospitals in many ways. Good Luck High Priestess Lady Barb Van Der Heyden and best wishes to you and your Court.

Nobles, I know that I am asking for a great deal of each Club and Unit, with some being asked to come out even more than in the past. Unfortunately as the number of Rameses Clubs and Units decrease it places a greater burden on the rest of us to ensure that the show continues to go on. So please, if you can spare the time, come out on your own or with the family and support the Shrine Circus. If your Club or Unit is not on the schedule and you can spare the time please come out and lend a hand.

Please check the schedule above for times and duty. If for any reason you cannot attend on the date posted pick another date we are always short for the Fire Watch, if you can spare the time we sure could use you. All those on Fire Watch should be signed in and at their stations 45 minutes prior to show time as technically the public cannot be in the tent without the Fire Watch in position. As always meals will be served to Shriners and Shrine Ladies that are attending back-to-back Circus performances.

JIM'S ON THE RUN

BY JAMES "JIM" RENNIE
Assistant Rabban

During the last few months, I have been traveling to the Clubs and Units; some have had Master Mason nights which are a very good way to get the membership back up. We lose about 170 members each year. Other Clubs talked about our Montreal Hospital and what we do for the children.

Now that summer is coming there will be BBQs, picnics, and golf tournaments. This is a good way to get a Master Mason to come out and have some fun or take the family to your picnic. As you know it is all about having fun.

At the Assistant Rabban Seminar the talk was about the

It has been an exciting time since my last post in the Papyrus. Lady Jackie and I had the great opportunity to travel to Tampa, Florida for the Oriental Guide Session. It was a very informative and interesting seminar covering such topics as Leadership Skills, Shrine Law, and Membership. The Ladies also had an intensive program that included Communication, Fundraising, Membership, Protocol, Mentoring Program, Ladies Program Ideas, Imperial First Lady Program, and Shriners International.

This seminar was a great starting point for assisting me in understanding what it really means to serve as a representative on the Divan as well as a great opportunity to meet my counterparts throughout Shrinedom.

Recently, Lady Jackie and I attended the Lakeshore Ladies Night and we were most impressed with the Local Chapter of the DeMolay Boys. These young men in most cases will become Masons and hopefully Shriners. They did a wonderful job of serving our dinner. Afterwards, upstairs in the Lodge Room they performed one of their degrees. Their work was exceptional and

Membership, Fun, Fellowship, and how to get Membership to come back. I know that it is a tough task but we have to try.

Nobles, the Circus is coming to the Toronto area on June 21, and will be here for 7 weekends and Nobles, we sure need your help for Fire Watch. It is a big fundraiser for the Shriners. The locations are in this edition of Papyrus and when the different Clubs and Units will be asked for their support.

I would like to thank Noble Terry Fulton and Lady Helen for a job well done at the Potentate's Ball, and also the Nobles and their Ladies for supporting it. I know that Ill Sir Terry and Lady Joyce enjoyed it.

Nobles, be sure to review *beashrinernow.com* or *Shrinersvillage*.

these young men are very worthy of our support. If you get a chance to see these young men in action, please do so. If you know of a young man, your son, grandson, nephew or neighbours encourage them to investigate the opportunity. If you would like more information on the Order of DeMolay, please contact Noble Ron DeMerchant, President of Lakeshore Shrine Club at 905-885-1482.

Spring has arrived and now is the time to travel and visit other Shrine Clubs. So Presidents, gather up your Vice-Presidents and other members of your Club and visit your neighbours. They will be happy to see you, and you will be even happier that you made the effort to go out and visit.

I look forward to seeing all of you and your Ladies at the Spring Ceremonial in Kingston.

Little Camren presents the big cheque

By Noble Charles Mullett

ALGONQUIN SHRINE CLUB

Pictured above are Keri Masters and her son, Camren, presenting a cheque for \$10,000, part of a pledge totaling \$75,000 to the Montreal Shriners Hospital bone density room. Receiving the cheque from the Algonquin Shrine Club are: Noble Jim Kirkham on the left and President Ron Mark on the right.

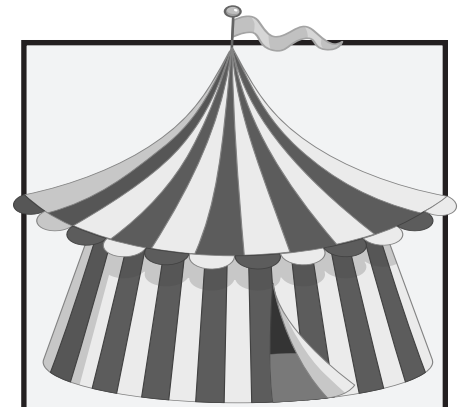

Keri Masters and her son Camren attended Algonquin Shrine Club's March meeting. Keri was our speaker for the evening and she spoke about Osteogenesis Imperfecta, known as "OI". Camren was diagnosed with this bone disease and was assessed at the Shriners Hospital in Montreal.

Keri praised the staff of the Montreal Hospital for the wonderful work that the hospital does and how well Camren and his family were treated while there. Keri and her husband, Colin, made a donation to Montreal Shriners Hospital for the great work that the Shriners do for our "Kids".

It was also a pleasure to have Assistant Rabban, Noble Jim Rennie and his Lady Barb with us to hear Keri's presentation.

It's that time of year again . . .

The 2013 Rameses Shrine Circus is coming to town and we are looking for a few good Shriners to help take tickets, watch strollers, general security and of course, Fire Watch.

Nobles, I know that I am asking for a great deal of each Club and Unit, with some being asked to come out even more than in the past.

Unfortunately as the number of Rameses Clubs and Units decrease it places a greater burden on the rest of us to ensure that the show continues to go on. So please, if you can spare the time, come out on your own or with the family and support the Shrine Circus.

If your Club or Unit is not on the schedule and you can spare the time please come out and lend a hand. Shriners reporting for the Fire Watch please report one hour prior to show times. This allows you time to sign in and report to your station. Fire Watch must be in place 45 minutes prior to show time; that's 15 minutes before the public is allowed to enter the tent.

For Rameses Shriners, the circus is more than a fraternal fundraiser, it is also an opportunity to give back to the community, making it possible for everyone to have a circus experience.

The Shrine Circus brings something important to the community, quality, affordable family entertainment.

So come out, renew acquaintances, lend a hand And help us help our kids!

'Billies paradin' with float, tractor, bathtub and outhouse

By Noble Jim Johnston Sr.

HILLBILLY SHRINE CLUB

Howdee kind folks. Glad to see you here. I am on the porch of J. Johnson's General Store with the one gas pump, enjoying the warm sun in summer, here at Burning Sands.

I have to mention that Cuzin Zeke fell into a vat of corn whiskey last week. Some men tried to pull him out, but he fought them off and he drowned. We had him cremated and he burned for 4 days.

Us Hillbillies are into the busy season with parades and circuses. Our float has side benches for us Hillbillies and an outhouse in front for our President Rik Kubiak to use. Then we have a motorized bathtub taxi, a small tractor and an outhouse on a go kart. They zoom around our float while we play Blue Grass music and we get a lot of laffs. We enjoy keeping people happy while paradin' while we earn money to financially support the Shrine Hospitals, who offer unique care for the children. We invite all Shriners to join us on our float. Wear your Fez.

The dedicated Hillbilly Guys and Gals turn out no matter the weather or distance. We are into our Spring Ceremonial in Kingston June 6 to June 9 with the parade on Saturday. We hope you will be there and look out for us.

All our Shriner Cuzins have a great opportunity to join Clubs and Units and become a valuable, needed member so that we can support our Shrine Hospitals for the children. You can check their emails in front of the Papyrus and see which one you would like to join.

Some of you may want to join us Hillbillies as we are a wild and crazy bunch of Guys and Gals and have a lot of fun. You do not have to be talented; just want to have fun while doing good. If you want to join, contact President Noble Rik Kubiak at 647-225-1171 or our Membership Chairman Noble Brian Korson at 905-731-4355.

Our Chow Down is coming up on Saturday August 24 again at Beth and Jim Johnston Jr's country spread, west of Stouffville where they have their wonder dog, Yankee. We have good food, good fellowship and good fun. The Divan, guests interested in the Shrine, Shriners and their wives interested in being a Hillbilly and many of our Cuzins from the Outhouses were there. So come one, come all with your better half and enjoy a great time.

We have a crazy initiation at the Chow Down for Guys and Gals wanting to be Hillbillies. It was in the middle of a corn field with bales of hay to sit on. You will split your sides laffing at the ceremony.

I am writing this here stuff slowly because some of us Hillbillies cannot read too fast.

Our Outhouse #3 in North Bay is having a barbecue on June 23 and Outhouse #2 in Sudbury has a great pig roast on July 25 so if you are in the area, be there for a great time.

Cuzin Bobby-Joe said her daughter had a baby this morning, but she did not know if it was a boy or girl, so she didn't know if I was an aunt or an uncle.

Well us Hillbillies would really appreciate the Units and Clubs helping at the Circuses. Some Clubs were designated to

come out and nobody showed up. We had to use wives, friends, Boy and Girl Scouts and EMS Guys and Gals to help us out. The Shrine Circus is our biggest money maker, so let's support it.

Circuses are at Woodbine Shopping Centre June 21-23 and June 28-30, Powerade Centre July 5-7 and July 12-14, Interchange-Vaughan July 19-21 T.B.A. July 26-28 and Markham Fair Grounds August 2-5.

Be sure to check Billy Hill on Face Book for our past parades and Club pictures.

We wish all our Shriners and their families the best of health and may the G.A.O.T.U. take a liking to you.

Cuzin Clem was sitting in the doctor's office in the waiting room, sitting beside an old lady and the receptionist said to him, the Doctor wants a stool and urine sample. Clem did not hear her and asked the old lady what she said. The old lady said they want your shorts.

Father and son think alike

By Noble Willy Oliver

GUELPH AND DISTRICT SHRINE CLUB

A very proud day to be - a father - a Mason - and a Shriner.

R.W. Bro. Ian Millar organized a third degree for my son Jason to bring him from darkness into light. The Guelph and District Shrine Club did the degree and allowed me to sit in the chair of King Solomon. W. Bro. Colin Slingsby of Trillium Lodge No.

724 set up with Noble Ian Millar a visitation of the Guelph and District Shrine Club to come into Trillium Lodge and increase awareness of the Shrine in Blue Lodge. Just a great day to promote the Fez.

Rest in peace, proud Shriner

NOBLE DONALD W. HUTSON

By Noble Jerry McKnight
HAMILTON SHRINE CLUB

On March 8th, 2013 suddenly and unexpectedly at the Hamilton General Hospital, in his 77th year, Noble Don passed away.

Loving Father of Jodi McDaniel (Todd), Nancy Sandeman (Mark), and Grandfather of Kali and Asia. Dear brother of Robert (Jean) and Sandra Oliver (Bruce) with several nieces, nephews, and other family members. He will also be sadly missed by many close friends.

Don started his work career first as a fireman with the Hamilton Fire Department in 1955 to 1957, then as a police officer with the Hamilton Police Services before ending his career as an Insurance agent with Gore Mutual and the Co-Operator's insurance companies.

He was a member of Hillcrest Lodge #594, Life member of St. John's Chapter #6 Royal Arch Masons, Life Member Godfrey DeBouillon Preceptory 33.

Don Hutson became a Rameses Shriner in 1963 and a Member of our Hamilton Club the same year. He also was an honorary member of Anezeh Temple Mexico City and a honorary Life Member of Syrian Temple Cincinnati, Ohio. In reality, Don was far more than just a member of the Hamilton Club; he was the Hamilton Club and our President in 1974.

A great Shriner and mentor to us all that marched to his own beat and had those leadership qualities that enticed others to emulate him. His farewell to us was a perfect example of his strength of character. He requested a celebration of his life rather than the usual funeral service and they came from far and near to celebrate.

On April 6th, 2013 at the Hamilton Shrine Club, family, Friends, Shriners and a very special guest- a great Shrine Clown dressed in face, "Doc and Mini Doc" joined us to celebrate his life and remember this truly great Shriner. A very unique farewell indeed!

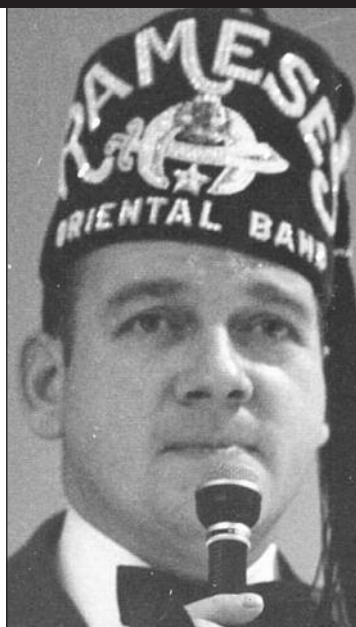

Noble Ken Cole, a close friend, had some great stories and memories

recalling how Noble Don was instrumental in making big improvements to the hall interior. Daughter Jodi with support from her sister Nancy also spoke on their Dad's behalf and told us what great a Dad/Granddad he was.

President Brian introduced our Ambassador and on behalf of our Potentate Illustrious Sir Terry Lamping daughter Jodi was presented with Don's Fifty year Certificate and Jewel.

Noble Donald W. Hutson, we thank you sincerely for the legacy you have left us as I recall one of your many words of wisdom suggesting that while we are doing a good job, we need to work a little harder as we always can do better.

Farewell Noble, Good Job!

Divan attending

By Lady Barbara Van Der Hayden
BOKHARA COURT NO. 22

LADIES ORIENTAL SHRINE OF N.A.

As High Priestess-Elect, I was very pleased to attend Illustrious Sir Terry Lamping's Potentate's Ball April 13, and especially honoured to have worn my fez while being marched in! My husband, Noble Frank and I, thoroughly enjoyed this lovely evening.

As I craft this message, my installation is yet to happen on April 20th, however, I do know several members of the Divan will be attending this special day with Noble Terry Fulton, Chief Rabban, representing Illustrious Sir Terry Lamping that day as he and Lady Joyce will be out of the country. I thank you gentlemen for taking the time from your busy schedules to attend our Installation of Officers.

Our Grand High Priestess Lady Jan Hiebert arrives in Toronto June 13th from Wichita, Kansas. Lady Jan will spend time inspecting all Court, Club and Unit books as well as attend our Court meeting June 15th which will be followed by a banquet in Lady Jan's honour.

The Past High Priestesses of Bokhara Court #22 will be hosting a dinner for our Grand High Priestess prior to her departure.

I have the privilege of driving Lady Jan to Buffalo where she will be visiting and inspecting Alliamsi Court.

25th Sheba Shrine Club Golf Tournament

5th Annual Frank Fielder Memorial Event

Friday September 13, 2013

Bonaire Golf Course, Coldwater, Ontario

By Noble Sandy Mealing

SHEBA SHRINE CLUB

Noble Frank Fielder's vision for a golf course at Coldwater began with memories of his war years in Holland. Frank was a tank corps driver with the Three Rivers Regiment of the Royal Canadian Armoured Corps that liberated Apeldoorn, Holland, in 1945. His tank was the first to cross the Apeldoorn River Bridge.

After the war Frank was the owner-operator of an auto repair garage in Toronto, but his passion for golf soon switched his considerable talent and energy to a new business, Bonaire Golf Course, named after the Dutch island in the Caribbean. The title was in honour of the many friends Frank made in Holland.

The name and philosophy were a good fit for Frank's vision. Bonaire, it means good air, in Dutch, started in 1968 and grew from a virtual wasteland to the spectacular oasis it is today.

The annual Sheba tournament began in 1988 when Frank and his son Randy donated the green fees as a fundraiser to go directly to the Shriners Hospitals. Bonaire and Sheba have been Brothers ever since with lots of fun and laughs for all who participate.

The Annual Sheba Golf Tournament celebrates its 25th Anniversary this year. It is estimated the tournament has raised in excess of \$150,000 for the Shriners Hospitals.

Noble Frank passed away in 2008. To honour his memory and his contribution to the Shrine, the tournament has been acclaimed as the "Frank Fielder Memorial Event".

The tradition of this annual event carries on with Randy Fielder, who vows, "to continue this fund raising tournament as long as Sheba wishes."

Bonaire Golf Course is easily accessible from Highway 400 North at Exit 137.

The Chairman of the September 13, 2013 golf tournament is Noble Sandy Mealing, 705-796 6231 or sandymealing@gmail.com or www.bonairegolf.com

Muskoka Shrine Club keeps Moving On

By Noble Tom Brooks

MUSKOKA SHRINE CLUB

Muskoka is, as we presume, typical of all Clubs at this time of the year, in that period considered "the lull before the storm". The storm being the upcoming Spring Ceremonial i.e. the opening of the floodgate for new Shrine activity, and the lull being the quiet workings of Clubs to prepare as best we can.

We are moving on as follows:

1. We see our 38 Unit working diligently to fully overhaul their 18-wheel transport trailer. The last one serviced us for 35 years. This is the vehicle that hauls our 1938 fire engine, our President's showcasing golf cart, and our dozen Honda 50cc motorcycles of our Muskiter Unit. Their plans are for complete exterior murals, scenes to catch the eye and, a real extra for our many parade showings. Planned to have this ready for the Ceremonial so if you are at Kingston then get a glimpse and admire the work as only Shriners can do.

2. Our Shrine Ladies are steadily organizing a Gala Spring Garden Party and, it's a certainty that they will raise big dollar amounts to contribute to the new SHC Gait Lab in Montreal. They will also plan to have great fun and fellowship for a good cause, something that they are really

good at and could teach us male Shriners a lesson or two.

3. Our Muskiter Bike Unit is also on the move, more bikes, more members and, a great horde of Vidalia onions for sale this spring. Pushing onion soup, onion sandwiches, onion salad, baked onions, tossed onion salad, you name it and Muskoka will deliver it with a breath reeking of onions. Good fun and it works.

4. Muskoka proper is heavy into an upgrade of Branding Program with new awareness signage, free parking, etc., etc. and, our Club is in concert with this program as our part in more awareness.

5. Our 2013 Club President, Noble Grant Willard is also very avant garde, a great motivator and, is always primed to improve our image. We will have a full year

And so, we may be in a lull but not idle. We will be at the Ceremonial with our Fez bells on, we will again host our famous Gala Surf & Turf event in July, our well known Ken Kaye Memorial Golf Tournament will have a solid booking and, in every way we will be at work to raise monies for the SHC and having fun in our great philanthropy.

Greetings for a great summer and we do hope that visits to Muskoka are on your agenda for 2013. We will welcome you with gusto and Shrine pride.

"The gift that keeps on giving"

Bu Noble Dave Gillies

NIAGARA SHRINE CLUB

I believe that catchphrase above, was first used as a marketing slogan for the phonograph way back in 1924. Well, we in Niagara have a new use for it.

Barb Warman, our Lady Shriner has enough 100 Million Dollar certificates she could paper her walls with them. For the past 15 years our Chairmen have received cheques on a monthly basis from Barb. In fact her name is almost preprinted on the President's monthly meeting agenda just waiting for the amount it's so automatic. We may have to trademark the phrase with a small change "the gifter that keeps on giving." Thanks Barb and you know the kids really thank you too.

We all love a party and a group of Nobles here are turning partying into profit. The new unofficial group calling themselves the Niagara Hospitality Unit, started out by helping in an election hospitality suite. Thinking they were so hospitable, they decided to get together and offer their services for donations to the Hospital or Transportation Fund. So far they have helped out at three functions and even produced a logo. We're not sure if it's the work or the party they like.

Watch out for them sporting their spiffy new retro hospitality shirts on your travels.

Most of Niagara's Special Ladies were treated to an early Easter luncheon cooked and served by the Nobles of Niagara. Fresh flowers dressed up the hall along with aproned Nobles but all of that had a hard time matching the lovely Ladies. Some sported Easter bonnets and all with spring smiles getting out together after the long winter. They were greeted, and then treated by Noble and Lady Biggar to potted plants as a takeout order. President Gary and Ambassador Andy thanked them and their late husbands for laying a strong foundation making the Club as vibrant as it is today.

Some of our wandering Nobles paid visits to the Shrine Circus in Buffalo and to Erie's Zem Zem Shrine Centre in mid-March. In Erie, the Irish were out in full force and filled their hall for a Money Mania fundraiser. Three of our Nobles managed to

come away with a little more US green than when they arrived; and they weren't even Irish! To maintain our Irish feelings acquired over the afternoon we had to make a dinner stop at the Irish Times in Buffalo. It's the pub across from Coca Cola Field that we visited on our ball game excursion. By the

way, another excursion is planned for August 9 this year, call the Club for details. The afternoon extended into the early evening as we celebrated with the "Irish for a day" patrons. I don't really remember if the following were the exact words spoken by "she who must be obeyed" when I arrived at home safe, thanks to our DD, but not too sound. "No matter how much you push the envelope, it'll still be stationery."

Take a few petitions and a copy of the Papyrus to Lodge and show your Brothers what fun the Shrine is. No memory work or hard work, just fun, games and good feelings when we see positive results happening with our kids in the hospital system.

Speaking of hospitals, Shriners Hospital for Children - Erie, less than 2 hours away holds their open house June 2. Stand up in Lodge and invite your fellow members for a tour and see why we have so much fun in fundraising. If they don't bite at that chance, have them bite on a juicy BBQ'd steak at our casual dinner meeting this month. The resident smoke eaters have the grill all shined up just waiting to sizzle some succulent steaks for potential Shriners.

Are you looking forward to the summer off from all this hard partying work we do? You will have some time to brush up on the golf game, or even wet a line or two; also give you a chance to get the grey matter working on how we can grow this great group. We are such a fun bunch why aren't Masons knocking down our doors? Sell them on a really great way to relax from the formality of the Blue Lodge but still maintain your principles while having a little fun. Let's follow the Ill. Sir's motto, "What We Will We Can"; petition a potential prospect promptly to produce a proud, practicing Shriner.

***A message
from the
Imperial Potentate
Alan W. "Al" Madsen***

April 2013

Dear Fellow Nobles

It is almost time to "SEND IN THE CLOWNS" at the 139th Imperial Session in Indianapolis. Our Shrine Clowns will lead the parade, and provide great fun for the crowds. We hope to set a Guinness World Record with the most clowns in a parade! The Lady Shrine Clowns will also be participating to help set the RECORD!

We've attended several meetings and seminars lately – here are some highlights:

The Sports Seminar, held March 3- 6, featured guest speakers Hunter Cannon and Hillsborough County Commissioner Al Higginbotham. Hunter is featured in some of our promotional materials and is a patient at our Northern California hospital. His remarks proved to us, once again, that obstacles placed in our way are merely challenges to be met. Imperial Sir Dale Stauss, Chairman, and his TEAM presented an inspiring program, enjoyed by everyone in attendance. If your game/event wasn't represented, make sure the manager or leader attends next year.

Next we attended the Oriental Guides and Assistant Rabbans seminars, which were held at the Airport Marriott in Tampa, FL, March 7 - 14. This training program has evolved considerably since the first one I attended some ten years ago, and has become a premier leadership conference. Imperial Sir Jeff Sowder, Chairman, and his TEAM provided training for the many Nobles and Ladies in attendance. If you're AR or OG was unable to attend, sign them up for next year. This training has been proven to strengthen Temple operations time and time again.

Next on our agenda was attending Hejaz' Potentate's Ball in Greenville, SC, which gave us a great opportunity to socialize with Hejaz Nobles and Ladies. Also attending were the Divan members of Jamil and Omar Shriners, and their Ladies. It was wonderful to see so many South Carolina Shriners supporting one another. We thank you, Gary Parsons and Lady Barbara, for the invitation.

Next on our travels was a return to the Sunshine State.

Florida Shriners have a unique opportunity to extend hospitality to "snowbirds" enjoying a respite from the cold weather. Sahib Nobles and Ladies welcome many northerners to their Thursday luncheons in Sarasota. Our visit on March 7 was no exception. We were welcomed warmly by Illustrious Sir Bill Zurlo and his Lady, Stacey Lee, the Divan and their Ladies, along with Club and Unit representatives. The 250 people in attendance

enjoyed an afternoon of fellowship and brotherly love.

The Potentate of Egypt Shriners, Tom Robinson, and his Lady, Trish, also welcomed us warmly to their Oasis in

Tampa. We noticed a few fezzes from northern jurisdictions around the room at the Egypt Temple, too. Some came down to visit for a few months and decided to stay. Isn't it wonderful to have the opportunity to continue your Shrine activities when you move to a new area?

A partnership opportunity is being explored with the Disney organization. On March 18, Imperial Sir Doug Maxwell, Gary Bergenske and I, along with staff from Leo Burnett, met with Disney World representatives to explore possible options. We are hopeful it will lead to a positive outcome for all parties.

It is exciting to be part of a groundbreaking ceremony, especially when the children who have received treatment and/or are receiving treatment at that respective hospital are involved. About 12 Patient Ambassadors from the St. Louis Shriners Hospital took the stage, and the microphone, and acted as the emcees during the groundbreaking ceremony for the new St. Louis hospital at 2 p.m. on March 20. It was a cold, windy day, but the children's enthusiasm warmed our hearts. Imperial Sir Doug Maxwell and Lady Patricia, Imperial Sir Dale Stauss and Lady Cheryl and Imperial Sir Jerry Gantt and Lady Lisa accompanied Lady Jan and myself to the event

That evening, our group of officers and ladies was hosted by the Moolah Divan and their Ladies. The auditorium was filled with Nobles and their Ladies from various Clubs and Units. We were especially impressed with the monies given to Potentate Patrick Hensley for the Temple's transportation and hospital funds. This is a normal occurrence at their stated meetings.

Members of the South Atlantic Shrine Association met in Greensboro, NC, on March 22 and 23 for their mid-winter meeting. North and South Carolina officers of Rotary International also happened to be gathering in the same hotel. A chance meeting with Rotary International President and CEO Ron Burton presented an opportunity to share ideas on membership growth and retention.

Our next report will contain visits to Tangier, Boumi, and Abou Saad Temples, MASA meeting, Spring Board meeting, PR Seminar, FSA meeting and a visit with Sudan Shriners and their Ladies.

Please continue to keep Membership as the "TOP Priority" for your Temples, Clubs and Units.

Beloved Shriner Red Skelton to be honoured in 2013

*2013 marks the 100th birthday of fellow
Mason and Shriner Red Skelton*

The year 2013 will mark the 100th birthday of fellow Mason and Shriner of 58 years, Richard "Red" Skelton. Red was a member of both the Vincennes Blue Lodge in Vincennes, IN. and Al Malaikah Shriners in Los Angeles, CA.

A tribute to Red - who was often celebrated as the "world's greatest clown" - will be held at the Red Skelton Museum Clown School, on the campus of Vincennes University in Vincennes, IN on June 4-9, 2013.

All Shrine clowns and fraternity members are invited to take part in the commemoration of the life and legacy of Red Skelton. For more information about the event and the Red Skelton Museum, please visit the Red Skelton Museum website <http://www.redskeltonmuseum.org/events/red-skelton-festival>.

The Legacy of Red Skelton

Born the son of a circus clown in 1913, Richard "Red" Skelton was destined to entertain the world. By age 15, Red was employed as a full-time entertainer, with assignments ranging from vaudeville to circus performances. It was not long until Red's slapstick comedic parodies captured the American public's attention. In 1941, Red premiered his own radio show, The Raleigh Cigarette Program. Ten years later, CBS adapted the popular program for television, with Red as their first host televised in colour.

By the 1950s, Red had expanded his performances and appeared in more than 30 MGM films, which included Having a Wonderful Time and Bathing Beauty. In addition to being a television and radio entertainer, Red was also a famed interpretive clown and, in 1989, was inducted into the International Clown Hall of Fame in Baraboo, WI.

Near the end of his life, Red enjoyed the fine arts of writing, music and painting. Some of his best work is displayed at the Red Skelton Museum, including scrapbooks and photos of his eclectic life. Brother Red is buried at the Forest Lawn Memorial Park Cemetery in Glendale, California.
