Potentate's trip to Montreal Hospital a huge success

By Noble Dennis Hladysh - OAKVILLE SHRINE CLUB

From start to finish Nobles Kossowski, Amis and Suchak from the Oakville Shrine Club put on a first class trip. A full busload of Nobles and their Ladies enjoyed a rolling hospitality suite, excellent hotel accommodations, Shriners Hospital visit and a professional escorted tour of Montreal. As the pictures attest, everyone had a wonderful time. We visited a young 14-month old girl who was receiving help with her broken hip. A surprise 55th wedding anniversary was also arranged for our Illustrious Terry Lamping and Lady Joyce during the weekend. Even 93-year old Noble Mario DePanics joined in on the festivities. Looking forward to the next Oakville Shrine Club trip.

Clockwise from top left hand corner:

Illustrious Sir Terry and Lady Joyce Lamping being surprised on their 55th wedding anniversary; young Noble of 93, Mario DePanics enjoys the hospitality suite; relaxed Nobles taking in the sights on private tour of Montreal; socializing on the bus; folks enjoying themselves in the hospitality suite; Illustrious Sir accepting cheque from Shrine Club Vice President Dennis Hladysh; Nobles and Ladies enjoy thier bus trip; 14-month old patient receiving treatment for a broken hip.

Laying the Corner Stone

The Shriners Hospital for Children Montreal held a corner stone ceremony at the construction site of its new building on September 22, 2013, next to the future McGill University Super-Hospital. Based on a Masonic tradition, the ceremony at the site of the new hospital was attended by Masons, Shriners and Daughters of the Nile from around North America.

Potentate's Message

ILLUSTRIOUS SIR TERENCE J. "TERRY" LAMPING - POTENTATE

As I begin to write this piece we are feverishly preparing for our trip to Russia that we go on tomorrow. There are a total of 27 people joining us and we are looking forward to exploring and enjoying Russian food and its people. We are excited and afraid we may forget something but I know that my Lady Joyce will watch me carefully.

Since the last issue, we have certainly done a lot of travelling around Ontario and New York State.

The Oakville Shrine Club organized a great bus trip to the Montreal Hospital and we did have a great time at the Hospital and around Montreal. We were surprised to see the progress of the new Hospital, now it is above ground and not a deep hole we saw the last time we were there.

We were invited to attend a dinner at Blue Mountain with the Supreme Council session and left early Saturday morning and drove to Endicott New York for the Potentate's Ball there. Most of the NYOSA Potentates were there and I was reminded that in 2015 I shall be the President of that organization. Wow!

We have a new building as you know and plans are being made to finish the inside to our liking and I look forward to the day when we can have a "GRAND OPENING". We have had great, positive comments on the location and the large amount of parking that is available. It is a 10,000 square foot building. I know that your Divan were happy and relieved to be able to find such a perfect site. There is even a Tim Hortons 2 minutes walk away!

We, on your Divan, have made many visits to Clubs in Sudbury, Niagara Falls, Hamilton, Barrie, Kingston and the Trent Valley BBQ on Labour Day at Brighton, a great day with good food and wonderful fellowship.

We attended the Tunis Potentate's Ball in Ottawa complete with a dinner cruise on the Ottawa River and a great time with my friend Michel Vigeant and his Lady Wendy. Many of the Potentates from NYOSA were also there and we compared notes on the differences between our two great democracies.

Our Circus did better financially than we at first thought and next year we will be adding more locations. We agree that this was the best Circus we have seen for some time. The 10 tigers as the first act certainly started the show off with a bang.

Tonight we had our Circus Appreciation Night at the Temple and it was attended by more than 100 people who were the real hard workers who made sure that it was the success that it was. Once again the Hillbillies shone bright and gave their support on fire-watch. I was impressed with the Clubs who did support us and particularly, I single out my own Club for their wonderful efforts.

The Niagara Shrine Club has formed a new unit, "The Hospitality Unit", and they provided a great dinner for the Circus Appreciation Evening at a excellent cost. They are available to any Club or organization that may wish to stage a function.

On Wednesday, September 18th your Divan performed a 2nd degree at Granite Lodge in Parry Sound. We thought we put on a great degree and I know the young man who now is a Fellowcraft was impressed and we did add a bit of levity, as is the want of Shriners everywhere. I should hope that more "work" will be performed in the years and months ahead.

Lastly, I hope that this issue finds you well and you are enjoying your experience in your Masonic Lodge and at your Shrine Club and at Headquarters in Toronto and elsewhere.

Please stay healthy and talk to your Masons in your Lodge and offer them the joy and pleasure of being involved in the world's greatest philanthropy, Shriners Hospital for Children and Shriners International.

So Nobles remember, if it is to be it is up to me and . . .

RECORDER'S MESSAGE

BY BOB MCGREGOR, P.P.
Recorder

Welcome back Nobles to the Fall session of Rameses Shrine activity. The summer weather was a bit of a dud for most people and there is no doubt that this is a summer we will all remember and mostly without affection.

The good news, that I'm sure you are all aware of, is that we have purchased our new home and the address is 124-126 Queens Plate Drive, Toronto. That's very close to the Woodbine Race Track and Casino and it faces onto Highway 27. It's easy to get to from the 401 exit on to Islington North to Rexdale Boulevard, West on Rexdale Boulevard to Queens Plate. It is approximately 12 kilometers west of our present location and for those of us who live on the east side of town, we can add, on a good traffic day, 10-15 minutes to our journey. I live in Pickering and I'm not concerned by a few more minutes of travel.

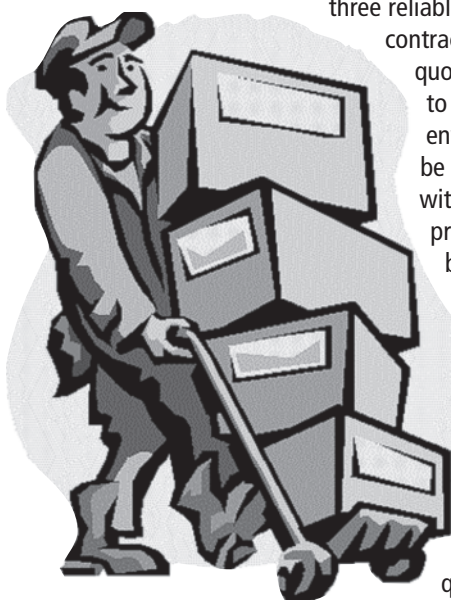

I personally looked at dozens of potential locations and your Divan put conditional offers on three of them, however in all three, the zoning condition on them was not to our advantage and we withdrew our offers. This property meets our zoning requirements and has been checked out by our real estate broker and our lawyer.

We are scheduled to take possession of our new headquarters on September 30th, however, this may be moved forward to September 25th to accommodate both the seller and us, the buyer.

We are presently working with our architect on the interior layout and that will likely take until the end of October. Once we approve the new layout, the architect will submit the plans for a building permit. This will probably take another four to six weeks to get approved, however, it may be that wait time has improved over the years.

The architect will then submit the approved plans to the three reliable and financially sound contractors who will submit their quotation and completion date to the architect in a sealed envelope. These envelopes will be opened in the boardroom with all members of the Divan present. These quotations will be reviewed and the contract awarded. We will advise all our members at that time and work will commence immediately.

I am being asked by many of our Shriners when we intend to move in and regrettably I cannot answer that question at this time,

however be advised that as soon as a completion date is established you will be advised; we will not move until all the work has been completed and my best guess is that we will still be at Keele Street for the month of January 2014. In the meantime, all our regular annual functions will take place at Keele Street including the Fall Ceremonial, the Carol Service on December 15th and it is very possible that our Annual Divan Election to be held on January 11th, 2014 will also be at Keele Street but be assured, I will keep you all posted on any and all changes as they are made. If you don't hear from me, it's business as usual.

Naturally we hope that all our Nobles will be pleased with our choice but I'm under no illusions that it will please everyone.

We hope to be able to have our Fall Ceremonial, The Special Ladies, Carol Service and Thanksgiving Dinner possibly at Queens Plate however we will likely take the Potentate's Ball to the local hotel. Those of us who been Shriners for over 40 years will well remember when the highlight of the year was the Potentate's Ball held year after year at the Royal York Hotel.

This November issue of Papyrus shows the list of Election and Installation dates on page 22. Be advised that if the day and date are not suitable to your Club or Unit, call me with your preferred date and I will try very hard to comply with your request. The Divan Noble who will conduct your election will be in contact with you promptly so that he can set up his visitation schedule.

The Scottish Rite has moved out of Keele Street and things are fairly quiet here in the evening. Let me repeat for the benefit of our local Clubs and Units who use Keele Street, you need to dispose of all your old equipment now while we have the time. Please note you will have minimal space at the new location and I respectfully ask that you only keep that which you use regularly. We will move it for you at the appropriate time but heavy boxes and equipment will not be handled so please Nobles, start sorting it out now. We will dump it for you. Note if you require certain items for the Fall Ceremonial, it's OK to keep it here but let us know what to dump so that we don't throw out an item or piece of equipment you still want to use. Thanks Nobles for your co-operation.

Be advised that Illustrious Sir Fred Clarke has completed nine years as your Representative to the Canadian Hospital in Montreal and Imperial Bylaws state that his time is up. Nine years is the limit set for this very important commitment and Illustrious Sir Fred has served with dedication and next time you see Illustrious Sir Fred, it wouldn't hurt to thank him for his service to Rameses and the kids he so obviously cares for. You have served us well Illustrious Sir Fred and on behalf of all Rameses Nobles, I thank you most sincerely for a job well done.

I look forward to spending time with you all as the year winds down and don't forget that your questions are important to me so don't hesitate to pick up the phone or email me with your question or request and I'll respond by return mail.

My thanks to all Nobles for your support in 2013 and I trust you will continue to support Rameses as you have in the past.

My thanks to all of you for just being Shriners.

DAVE'S NOTE PAD

BY DAVID RAWN
Oriental Guide

Fall is now upon us as the leaves change colour. How fast time slips away. By the time you receive this message the Club and Unit Elections and Installations will be underway.

Every Club and Unit needs Nobles to step forward and to stand for an office. We all need to keep our Clubs and Units strong and healthy.

The Fall Ceremonial is November 15 and 16 and will quickly be upon us. Do you have a new Candidate you plan to sponsor?

Hopefully everyone had a great Thanksgiving. We all have so much for which we can be thankful. We live in this great country, Canada, where we enjoy our peace and freedom. There are so many countries that are not nearly as fortunate.

I would like to welcome our new Nobles and sincerely hope that you will get involved with a Club or Unit. I am truly sorry that our Temple Units are declining. We must remember that the reason we became Shriners was to have "fun with a purpose" and be active and involved so we can support our Shrine Children while doing so. Please, I appeal to all Nobles, get involved and help bring our Temple back to the "good old days" of great times and long-lasting friendships while supporting our Hospitals.

A reminder to all the Nobles and their Ladies about our Christmas Carol Service to be held for the last time in our present location on Sunday, December 15, 2013 at 2 p.m. We

Go to your next Masonic meeting and look around the room. There may be Nobles that just need that special invitation.

A very important issue at Rameses is the number of Nobles who have not yet paid their dues. This money is needed to pay the overhead within the Shrine. Please check your card to be sure you are current. If you are not, contact Rameses Shrine Office. The office staff will be more than glad to help you.

The Shrine Lottery tickets are now available at your Club. Your Lottery Chairman will be more than glad to make tickets available to you. We appreciate the effort that you put into selling these tickets so please help us to get them all sold. There are so many people we know that would buy a ticket if they were asked. Please do your best we are counting on you.

hope to once again be entertained by the York Regional Police Youth Band along with our Temple Drum Corps and the combined choir from Oronto Temple, Daughters of the Nile and Bokhara Court, Ladies Oriental Shrine of North America. Please come and celebrate the Christmas season with your fellow Nobles and their families.

When you arise in the morning, give thanks to the morning light. Give thanks for your life and your strength. Give thanks for your food and give thanks for the joy of living. And, if you see no reason for giving thanks, rest assured that the fault is in yourself.

Generous donation made on your behalf to new local state-of-the-art hospital

Nobles

We are all aware that a new state-of-the-art hospital is presently under construction at 2175 Keele Street. It will be known as the Humber River Hospital Foundation and it is due to open sometime in 2015.

We, your Divan, decided that as they were in fact our neighbours, we should give a little financial support for this very special project and ever mindful that in cases of emergency we could in fact benefit from their skill and dedication.

We are very aware that Shriners only have one charity and that is Shriners Hospitals for Children however, we felt that it was necessary to show support and so on your behalf we donated \$5,000 to be used as best suited.

The hospital was delighted to receive this cheque and insisted on taking a picture of the presentation. I trust you will all approve.

Yours in the Faith,
Robert R. McGregor, P.P.

Arkansas Statement

Imperial representatives of Shriners International voted to make a change to its articles of incorporation regarding membership at the 139th Imperial Session. The prerequisite requiring that members of Shriners International are first members of Freemasonry (Masons) in good standing has been amended to exclude the requirement for the state of Arkansas.

This legislation was brought forth by the two Shrine Temples in Arkansas following the Arkansas Grand Lodge edict last November that would no longer allow anyone to remain an Arkansas Mason AND an Arkansas Shriner. Shriners International has always had a Masonic prerequisite and regrets that the actions of the Arkansas Grand Lodge made the passage of this legislation necessary to preserve the existence of the two Shrine Temples in Arkansas.

Shriners International is committed to maintaining open lines of communication with the Grand Lodge of Arkansas to encourage amicable relationships for current and future Masons and Shriners. This change does not affect other Shriners across the country, and the organization remains a fraternity based on fun, fellowship and the Masonic principles of brotherly love, relief and truth.

Shriners International's primary focus continues to be its philanthropic mission to support Shriners Hospitals for Children, a world-renowned health care system with 22 facilities in the United States, Canada and Mexico.

Noble Gene Davis aka Jambo The Clown

By Noble Rik Kubiak

Gene was Past Master of Alpha-Tuscan Lodge 1987, 2005, 2006, 2007. Gene was a Shrine Clown for over 36 years and appeared in the Circus Skits when the Clowns were part of the Show. He spent three years volunteering at Garden Brothers Circus and the past 33 years volunteering at Tarzan Zerbini's Circus. For the last few years, Gene served as the Circus Co-Director with me.

Noble Gene received his Grand & Glorious Hillbilly Degree on July 5, 2010 at the Imperial Session here in Toronto. He joined the Hillbilly Shrine Club on October 25, 2010. Since becoming a Hillbilly, Gene has attended every parade we have been in.

I met Gene and his grandson, Andrew, about 14 or 15 years ago when I started attending the Shrine Circus, but because of work, I was limited to the Mississauga and Brampton shows.

At that time Fire Watch had to carry the fire extinguishers in and out with every performance. I don't know why but both Gene and I liked the first door to the right of the main entrance. If Gene arrived first he would grab a fire extinguisher run up claim

the door by placing his fire extinguisher with his Fez on top. When I arrived I would grab my fire extinguisher run up to the first door see Gene's extinguisher and Fez then go and claim another door. I would come out of the tent look around and Gene had a funny little smile on his face. The next day I arrived half an hour earlier grabbed a fire extinguisher ran up to the first door and seeing no extinguisher placed my extinguisher and my Fez claiming the spot. When Gene arrived he would grab an extinguisher and run up to the first door see my extinguisher and Fez then went to claim another door. When he came out of the tent and looked around he would see me with a silly grin on my face.

It was a pleasure having Gene as a friend and working with him at the circus. I would often see him walking along with a smile on his face and when he spotted me he would suddenly do a funny little dance. This past year there was a smile but his steps were slower his voice softer and there was no funny little dance but when I asked Gene if everything was alright he would say "I have a sore back". This year I think was the first time Gene missed a circus in 36 years - he missed one day.

Noble Gene Davis passed away suddenly on August 18th, 2013.

Gene, we will all miss you.

Where did the summer go? As I write this message it is only 1 week until Thanksgiving. I do hope all of you and your families have had a great summer and a happy Thanksgiving.

I am happy to report that the Direct Appeal fundraiser has exceeded the budgeted amount and in addition, the Circus has come very close to the budgeted amount. We are going to have a Circus next year and in the words of our Circus promoter should be better. The company is looking to add a couple of locations. As you know, the Circus is now being promoted using the Internet and other methods, NOT telemarketing.

On the other hand, dues continue to be a big problem. At this time, there are about 190 Nobles that are up for suspension for non-payment of dues. Please, if at all possible, get your dues in ASAP. Rameses Shriners and Shriners in general want to retain you as members.

An exciting new fundraiser is being launched by our High Priest and Prophet, Noble Al Berry. It is peanut brittle. For every tin that is sold the Clubs and Units will earn \$3 and the Temple

will receive a donation from the supplier. For more details and information, please contact Noble Al.

As many of you have heard, Rameses has purchased a new home. It is a brand new 10,000 square foot facility across the road from the last turn at Woodbine Racetrack. I am confident that when finished it will be a place all of you will be proud of.

As the new year approaches, I again will be looking for Nobles to come down to Erie with me to attend a Board of Governors meeting at the Shriners Erie Ambulatory Surgical Center. There is no cost to you. Please contact me to book a month in which to come down.

In the meantime, have a great fall and I look forward to seeing as many of you as possible at the Fall Ceremonial.

JIM'S ON THE RUN

BY JAMES "JIM" RENNIE
Assistant Rabban

Now that the summer is over, we at the Divan have had a great time visiting different Shrine Clubs and Units for their special functions this summer. We had great fun meeting the new Nobles and their Ladies.

Now we have to get down to business for the Elections and Installations which will keep us very busy.

Nobles remember you must have a 2013 Temple and Club dues card to vote. There are some Nobles that still owe Dues for 2012 and 2013 and if not paid your name will be read out at the Stated Meeting. I hope that this does not happen.

Some of the Divan members were in Montreal for the

cornerstone laying. There was a good turnout of Nobles and their Ladies. It looks like the new hospital is on schedule to open in September of 2015.

We have purchased a new building and are planning to get it into the best configuration for everybody.

Western Night has come and gone and I thank everybody for showing their support.

Nobles, the Stated Meeting and Fall Ceremonial are November 15 and 16. I hope that you have done your part in getting new Candidates as you know, our membership is declining every year.

Don't forget the Carol Service at the Temple, 15 December.

Nobles, be sure to visit beashrinernow.com and **Shriners Village**.

Remember Illustrious Sir Terry Lamping's Motto:

What We Will We Can.

While we move from our many summer activities into a hectic fall season, I would like to take this opportunity to reflect on the 2013 Circus.

Congratulations to Illustrious Sir David Dunn, P.P., who was appointed as Imperial Potentate's Aide to Imperial Sir John A. Cinotto. Illustrious Sir David is pictured here with Lady Robin.

AL'S ALMANAC

BY ALAN BERRY
High Priest & Prophet

This year was a new format and I would like to recognize the tremendous efforts put forward by a small group of Nobles and their families: Assistant Rabban, Noble Jim Rennie and Lady Barbara, Noble Rick Kubiak and Lady Helen and the late Noble Gene Davis and Lady Barbara. All of these hardworking Nobles and their families attended and worked over 50 performances with many sell-out shows. I offer a "tip of the Fez" for their great efforts to make this Circus year very successful.

One area of concern was the lack of support from the Nobility. This is something we need to address going forward and any ideas or suggestions regarding the Circus will be welcomed, please feel free to call me any time to discuss further.

Our fall season started with the Trent Valley meeting and picnic. Although the weather was a little damp, it certainly did not dampen the spirits and hospitality of the Trent Valley Nobles and their Ladies. Special thanks to Noble Aubrey Elliot and Lady Louis for hosting the event.

Elections will soon be upon us and I hope you will consider offering yourselves for the many positions open in your Clubs and Units. There are always openings for new members and the new ideas that come forward.

More than ever in our history we need strong leadership. The challenges are many including financial and membership. Support your membership committee and invite them out to talk to your Club and Unit members. Noble Jim Thornton and his team will be more than happy to assist you. These two go hand in hand and we need to come up with ideas for fundraisers and membership. I'm sure if we all work together we will be successful.

Lady Jackie and I look forward to visiting with you in the next few months and wish you all good health and safe travels.

beashrinernow.com

For the last couple of years, Shriners International has been busy developing new tools to help increase awareness of the fraternity. One of those ongoing efforts is the website **beashrinernow.com** which was created specifically as a way for interested, potential members to learn about the fraternity, easily and quickly.

"**beashrinernow.com** has been an extremely helpful resource in recruiting new members," said Randy Rudge, membership development director of Shriners International.

"In today's world everything is about convenience, and the website allows prospective members to sign-up and learn about the great benefits of being a Shriner in a matter of minutes."

To help bring traffic to the website, Shriners International Headquarters has put together a marketing campaign. You can find online banner ads for **beashrinernow.com**, as well as print ads and inserts that were created for Temples to hand out to prospective members.

The website is a terrific educational resource because it helps explain the relationship between the Masonic Order and Shriners International, and also features a video about the fraternity's history. Site visitors can

learn about the fraternity's connection with Shriners Hospitals for Children and take a virtual tour of one of the hospitals.

beashrinernow.com also helps answer any questions about the necessary steps to becoming a Master Mason and Shriner. If, after reviewing the process, an individual would like to pursue membership, all he has to do is select "The Next Step" tab, fill out a short questionnaire, and he will be paired with a virtual mentor.

One of the great features of **beashrinernow.com** is the interaction membership candidates have with their virtual mentors. Virtual mentors are Shriners who are active in their Temple and Masonic Lodges and have volunteered to guide interested applicants through the membership process.

Candidates are paired with virtual mentors who best suit their professional and personal interests. The mentor becomes a trusted

friend and advisor through exchanges of knowledge about Freemasonry and becoming a Shriner. The process is intended to re-create the Masonic teaching of developing close, trusting relationships with prospective Masons through personal communication.

Statistics prove **beashrinernow.com** is helping the fraternity more effectively reach a younger demographic, given that the most recurring age for these new members has been 32. This number is especially interesting to Shriners, since one of the fraternity's co-founders, Dr. Walter Fleming, was the same age when he developed the concept of the fraternity.

By continuing to spread awareness with initiatives like **beashrinernow.com**, we look forward to adding more exceptional men to the "world's greatest fraternity."

"Show me the bubbles!"

By Noble Dave Gillies

NIAGARA SHRINE CLUB

Parades, parades, parades. I feel like I had better learn how to toss a baton because I'm not making it as a mechanic. Although the Maid is running like a champ there always seems to be something small not working as we show our flag. The clown truck won't start, the Maid's new generator has a problem, an integral part of our parade presentation, no bubbles; you can hear the grumbles from the kids "where are the bubbles?"

We're still making an impact and getting the Shrine word out none the less. They are only minor setbacks but I seem to be getting a lot of snickers bars from my fellow sailors. (You have to watch the commercial).

Another upgrade for the building was a new heating and air-conditioning unit installed on the roof replacing the inefficient and broken down old unit.

We are fortunate to have as a member, a top notch HVAC man that even got the crane rental waved

in lieu of a donation to the 100 million dollar club. No more sitting here while selling cakes in your winter boots and parka shivering or sweating bullets in the summer when the hall is filled.

Please excuse this reuse of my own words from a previous report but not too much seems to be falling out of the grey matter this month.

Got the urge for public service? Election fever is heating up around the club; hopefully if the entire executive move up a 3rd VP needs to step up to the plate and new directors will be needed. "Before your birth certificate expires"; put your name forward to our President or another officer; take a shot at running the Club it's a real satisfying experience!

"What we will we can"; the clown unit has worked hard the last few months in producing two fundraising events their Trivia Night and a Spaghetti dinner. They have also chased the Maid in several local parades Congrats to those funny faced jokers; keep up the good work.

Don't forget to get your tickets for the Christmas dinner meeting, set aside enough for the caddy draw and pick up a case of cakes for your neighbours.

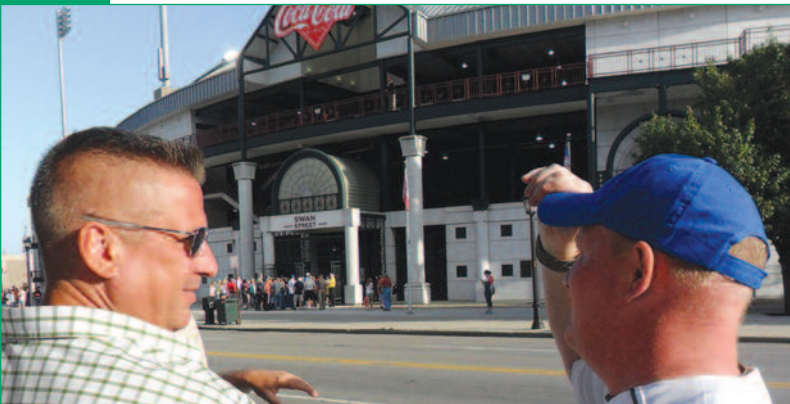

Another pick up should be a Mason lost in the dessert, bring him into the light of the Shrine and attend one of our dinner meetings to experience all the fun we have.

We hit another homerun with the ballgame excursion in August. Over 20 Nobles dusted off their passports and boarded a luxury coach for a trip to Buffalo. The coach got sidelined a couple of times for beverage stops but did make it in time for the first pitch.

Unfortunately the baby Jay's game went south that day and New York's farm team, Scranton/WB soundly trounced them. We all made it home none the worse for wear thanks to the pro driver; the bus is the only way to go!

Early the next morning with some heavy heads and butterfly stomachs we sailed the Maid a few blocks from the Club to Oaks Park. To support Heaters Heroes an annual charity event in honour of Robert "Heater" Lavelle who throughout his life was dedicated to helping children in need. A really fun day out in the sun with music, race walks and inspired stories of courage by these kids in need. The crew even blew up eight or nine hundred balloon things (some you couldn't identify) without passing out. The Maid was a real hit with our music and bubbles but as you can see the balloons were the real draw. This event will be on our calendar of "must do" happenings from now on.

Some new art work was displayed on North Street as the Michelangelo's of our Shrine Club got a good head start on painting the outside of the building in August. All that's left is the trim work and hopefully it won't take our apprentices the four years to finish that it took the master to complete the Sistine Chapel. Our painters also dripped some new Salvador Dali like impressionistic paintings that now decorate the driveway to add to our new look. I did however notice that they were all unsigned.

Our official visit on September 3rd, 2013 with Supreme Queen Margaret Ann Risk was an excellent day, an astounding success and a very proud moment for Oronto Temple No. 69. Our Officers Sparkled like beautiful gems while doing their work. We had many special guests that we were very proud to receive.

Love for the Children Tour

Beginning the Next 100 Years

The performances by the Drum Corps, and the Patrol's Hilarious "Grannies" drill entertained everyone with their great routines. The Sunrise Club, better known as the "Durham Dollies" had an extra special surprise for me when they strolled in dressed in a brand new sunny yellow Sunrise Club shirts, reading a poem and singing a song they wrote for me, and presenting me with my very own Sunrise Club shirt. A Special

thank you to all for your performances from SQ Margaret Ann and myself.

Oronto Temple No. 69's newest member, Pr. Jo-Ann Hedley-Plante, was initiated on September 3, 2013 at our Supreme Queen's Official Visit. Welcome Pr. Jo-Ann to our Nile family!

The extra special treat for all who attended the Session and the Banquet was that they had the opportunity to see and hear about "NILA" our Supreme Queen's "Love for the Children Tour" coach, she is a real beauty! NILA will make 112 stops with our Supreme Queen across North America promoting our great philanthropy. What a great way to tell the world about Shriners Hospitals for Children.

Sparkle on...Queen Joyce.

Sadly, another Temple Unit is about to go into darkness

Bevan Carrique, P.P. Director - RAMESES PIPE BAND

I regret to report that the Rameses Pipe Band, like a lot of our Temple Units, is about to go into darkness. The sad thing is that a lot of our Shriners are pipers and drummers. You joined the Shrine to help our Children and our Hospitals. Many of us belong to other bands but some of us still choose to support our Temple and our reason for becoming Shriners.

Our demands are not great. We play at our Ceremonials and banquets and, when requested, support our Ladies' groups by piping in their head table guests, etc.

When the band was originally formed it was very strong with 30 very active members. Those of you who play, I am asking you to offer your support to help bring this band back to the Unit it once was.

If you do not have the time to be involved and active, please let us know if you would be willing to assist when called upon for banquets, weddings, funerals, etc.

Please call me at 705-721-7297 or our Drum Major, Noble George Baird at 416- 284-5665.

IN MEMORIAM

The deepest sympathy of the Illustrious Potentate, Divan and Nobles of the Rameses Shrine is extended to family and friends.

Hillbillies 'a paradin and 'a partaying for our kids

By Cuzzin Noble Jim Johnston Sr.

Howdee Cuzzins, dear friends and neighbours. Here is the latest Hillbilly News from Burning Sands in the Appalachia Mountains.

I have sad news to report. We lost a Shriner's Shriner, W. Bro. Cuzzin, Noble Gene E. Davis passed away suddenly on August 18, 2013.

Gene was the Circus Co-Director with Noble Rik Kubiak. He was a Master in Tuscan Lodge four times. He was a Clown for

over 36 years and appeared in Circus skits. Gene has attended every parade we have been in.

This was the first time Gene missed a Circus in 36 years, he missed one day. He will be sadly missed. Our sympathy to his wife Barbara, daughters Karen and Lori and grandchildren Sarah, Andrew, and Ryan.

Speaking of Circuses, this year was much improved with 10 large tigers, 6 white Arabian horses, a Clydesdale horse, a pony and 2 elephants plus great Circus acts.

The sad part is Shriners are not supporting it. We can use 20 Shriners to man the 10 fire doors. We can get by with 10 with some others to relieve them. One Circus, we had 3 Shriners on the fire doors. Shame on you if you could attend and didn't in Oakville. The Clubs and Units designated to come out let us down. In two or three years there will not be a Shrine Circus. I attended 46 Circuses and my Lady Ann Neilsen, a Lady Shriner in Bohkara Court was at 51 out of 54. She had the honour of singing the national anthem. How many did you attend?

Here in Burning Sands, the church committee refused to buy a chandelier because nobody knows how to play it.

In Burning Sands, we claim the invention of the toothbrush. Had it been invented elsewhere, it would be called a teethbrush.

We attended the Sudbury Chow Down at Outhouse #2 and 16 of us Hillbillies went up from the Toronto area. We had men's and ladies initiations with the ladies doing a better job than the men doing theirs. The food, the company and music were great. They had a 22-piece Hillbilly Wrangler Band.

Sudbury is holding an Oktoberfest Saturday October 13, Annual Hillbilly Christmas party is Saturday December 8 with a pot luck dinner and gift exchange.

Don't forget our Fall Ceremonial on Saturday November 16 at the Rameses Shrine Headquarters.

We are going with a bunch of Hillbillies to the Western Dinner Dance on Friday October 4 at 3100 Keele Street. It is a turkey dinner with all the trimmings, dancing to a live band and prizes, all for \$35 each.

Cuzzin Zack wanted to get a hunting dog for his son, but the pet store did not want to swap.

Do not forget the Spring Ceremonial in Sudbury June 12-14, 2014. Book your hotel early.

The Hillbillies went as far as Kinmount from the Toronto area for a parade and got the 1st prize for best float. Later we went to Karen Jones' cottage about 10 miles away for some pot luck food and socializing. Karen is the wife of the late Cuzzin Noble Barry Jones who wrote this here Hillbilly News up to last year.

A little tip for the ladies: down here we cook our meat till the tire marks disappear.

Cuzzin Bubba went to J. Johnson's General Store with the single gas pump and saw a sign saying it was open 24 hours. But it was closed. He saw Johnson locking up and said 'the sign says 24 hours'. Johnson said, "not in a row."

Well cuzzins I hope you are well and enjoying life. May the G.A.O.T.U. take a liking to you. The good Lord willing and the creek don't dry.

Mark your calendars now for the 2014 Imperial Session in Minneapolis. We look forward to your participation in the fraternity's most important event of the year.

The 2014 Imperial Session is scheduled for July 6-10, 2014, in Minneapolis. Named one of the "world's cleanest cities" by MSN, Minneapolis has an array of offerings for every guest. Come visit where "nature meets skyscrapers!"

Minneapolis is also home to many world-class museums and theaters. Introducing our 2013-14 National Patient Ambassadors

Olivia Stamps of Batesburg, S.C., and Brendon Wiseley of Tulsa, Oklahoma, have been selected as the health care system's national patient ambassadors for 2013-2014. The announcement was made recently, after the premiere of their video, "Walking toward Endless Possibilities" during the Imperial Session of Shriners International in Indianapolis.

Every year, Shriners Hospitals for Children chooses two national patient ambassadors to represent the thousands of children who receive care at the health care system every year. The Ambassadors share their stories to inspire others and raise awareness of Shriners Hospitals for Children.

Meet Olivia

Olivia has cerebral palsy, which affects her mobility. She was originally diagnosed at Shriners Hospitals for Children, Chicago, but since moving to South Carolina, she has been cared for by the Shriners Hospital in Greenville, S.C.

Olivia has benefited from Shriners Hospitals' expertise in treating the orthopaedic effects of cerebral palsy and in movement analysis. In the movement analysis laboratories, available at 12 Shriners Hospitals facilities, high-speed cameras, reflective markers, force platforms and muscle sensors combine to record and measure how a child with a mobility impairment is moving. A team of medical professionals can then determine the best treatment plan to help the child improve. After reviewing the data from Olivia's analysis, her team recommended surgery to lengthen her heel cords and hamstrings. After surgery at age 6 and rehabilitative therapy, Olivia, now 10, has a perfect walking gait and can run, dance, jump on a trampoline, ride a bicycle and keep up with her peers.

shrinershospitalsforchildren.org

Meet Brendon

Brendon loves to race. In fact, he was on the track in a micro-junior car when he was 5, and is a track favorite in his hometown of Tulsa, Oklahoma.

His ability to participate in the sport he loves nearly came to a quick end when he was 7 years old, when he was injured in an accident involving a lawn mower. Although he lost a leg, the expertise of the prosthetics staff at Shriners Hospitals for Children, Shreveport and the health care system's commitment to personalized attention and care combined to get Brendon back on track. Brendon is able to race again, the only difference, now he passes his helmet to collect donations for Shriners Hospitals.

The stories of Olivia and Brendon are representative of the successes that can be found throughout the 22-facility Shriners Hospitals for Children health care system. We applaud their achievements, and those of all the patients they represent in their roles as National Patient Ambassadors. Shriners Hospitals for Children is pleased to have been able to help them on their journey toward life's endless possibilities.
