Potentate's Message

ILLUSTRIOUS SIR TERRANCE S. "TERRY" FULTON - POTENTATE

It is not easy to sit here and compose this article as the temperature is above freezing, the sun is shining and you can hear the snow melting, what a beautiful day in our part of the world. It has been a very busy time since the elections, getting use to my own position and working with my fellow Divan members as they adjust to their new duties, all has worked well and we are all getting along and things are progressing.

The first few weeks of my tenure was a very busy time. I installed 10 Clubs, each with a great meal at their Banquet. Lady Helen managed to stay slim and trim and me, I'm still trying to shed a few pounds.

As a point of interest, Port Colborne, Welland & District Shrine Club have contributed \$100,000 to our Canadian Hospital in Montreal over the past year.

Nobles and Ladies, Lady Helen and I would like to sincerely THANK YOU for all your hospitality, support and friendship as we travel around Ramezes territory, God bless!

Ramezes' new home has gone out for tenders.

Just a few reminders:

RECORDER'S MESSAGE

BY GEORGE MITCHELL
PAST IMPERIAL POTENTATE
Recorder

Isn't it great to be a Shriner. . . it's Feztastic

To reach out and change a child's life, we have learned in marketing it takes more than one approach to get someone to react. It takes Shrine Circuses, articles in the news, hearing a patient presentation, listening to a Shriner and seeing the red Fez of a Shriner at sporting events. You can't do just one thing and say it doesn't work.

It could be the silent sellers that keep talking after you've left. Shriner's brochures, posters and booklets are excellent tools because they can be shared with others. They also contribute credibility to givers who want to reach out and change a child and as Most Worshipful Brother Donald A. Campbell says "We, with that one-on-one contact, can be a better advertisement for Freemasonry than all the brochures, open houses, mall display booths or other programs currently in use."

"No one has ever become poor by giving"

From the diary of Anne Frank.

Once a person is convinced and feels that "they are what they give" and it's a Shrine child that they want to help to give a better life and future to, they may feel this responsibility if it's a financial gift that is dealt with correctly.

In that case Potentates, Treasurers and Recorders are directed to immediately notify and send full particulars to the legal department at International Shrine Headquarters in Tampa of all bequeaths, gift or monies known to them which may be intended for the benefit of Shriners Hospitals for Children.

Shrine Clubs and Units follow this same procedure as a

conduit for bequeaths, gifts and monies to Shrine Hospitals for Children for charitable intent. Such information is necessary so that the legal department may take proper steps to protect this interest in our philanthropy.

Since court receipts referred to charity may be executed by only authorized officers of Shriners Hospitals for Children to insure legal related language.

In the best interest of Shriners Hospitals for Children, Potentates and Recorders of Temples are to see that their Temple attorneys review accuracy relating to ways of making charitable gifts to Shriners Hospitals for Children.

It is important to be prompt. We don't want Shriners Hospitals for Children to be the last beneficiary to respond to a contract.

You may ask, "Why do I need to send in original envelopes to our legal department?" Sometimes this is the only contact information provided, as well as the postmark on the envelope showing the date the clock started running. Also, the cover letter may provide information, which allows staff to personalize a thank you letter, as the legal department needs to provide a thorough and complete response. Envelopes may contain information regarding Shriners Hospitals for Children's tax determination.

We are all on the same team, with the same goal to benefit, protect and enhance our great philanthropy which is Shriners Hospitals for Children and as we reach out and change a child's life, we continue to keep the red Fez smiling.

"When we give cheerfully and accept gratefully, everyone is blessed"

From Maya Angelou

Deanna and I recently returned from the Recorder's Seminar in sunny Florida, we now look forward to sharing a fun time with you at the Spring Stated Meeting and the Spring Ceremonial in Sudbury from June 13th-15th, 2014.

Nobles, as I write this article, I would ask each and every one of you, when you talk with your friends, neighbours and business acquaintances, ask them "Why are you not a Mason"?

Most often the answer is "No one has ever asked me".

We must be a little more aggressive and ask these good men to join our fraternity.

Once they join the Masonic Lodge, we need to get them involved doing some part in a degree to keep their interest. If we let them sit on the sidelines and be ignored, they will soon disappear. Talk to your Masonic friends; ask them to become a Shriner. Invite them to any of the social events, show them the fun side and make them feel they want to be part of the Shrine organization.

A lot of members say they are too busy to chair or sit on a committee for an event or fundraiser. The truth is, the busier you are the better job you do. There can be a lot of hard work planning a successful event, but there can also be a lot of fun and fellowship. The next event you plan you may be surprised at how many more members are willing to be involved.

DAVE'S NOTE PAD

BY DAVID RAWN
High Priest & Prophet

The more events your Club or Unit is involved in, whether it be a BBQ, fish fry, golf tournament, Circus and of course the parades, the stronger you will become as these events will attract the new and younger Masons. These are the people the Shrine needs to grow our membership.

Don't forget our senior members; we don't want them to feel that they have been forgotten. If you know a Shriner who has not been out to your meetings in a while, call him up, ask him why, maybe he just needs a reminder, ask him if he would like a ride to the next Club meeting.

Membership is the most important part of the Shrine today. We must all work together to retain our existing members and attract new. It should be every Shriner's goal to sponsor one new member in the up-and-coming year.

JIM'S ON THE RUN

BY JAMES "JIM" RENNIE
Chief Rabban

As I sit here on this last day of February realizing that we have had an old fashion winter, I begin to think about the warmer weather that is ahead, and the fun we as Shriners can have by visiting other Shrine Clubs and Units, enjoying their hospitality at their BBQs, golf tournaments and picnics.

I would like to thank all the Nobles and their Ladies for attending the Potentate's Ball at the Holiday Inn. I know that Ill. Sir Terry and Lady Helen enjoyed it very much. It was nice to see friends that you have met before and also to make new ones.

Events coming up in the future are Potentate's Golf Tournament on May 15th and also on May 25th the Special Ladies Luncheon at the Temple.

Nobles, do not forget about the Spring Ceremonial in Sudbury. The Nobles in Sudbury have done a great job in

arranging this event so let's go and support them and have some fun; that's what it's all about.

Now is a good time to go out and get new Candidates for the Spring Ceremonial in Sudbury. You know that we lose about 200 members every year.

The Circus is coming to the Greater Toronto Area in June and it is a different venue this year. There are shows during the week and also on the WEEKEND. We will need ALL the HELP we can get! We all know that the Circus is a big fundraiser for the Shriners and our children so please come out and help.

All of the above information you can find in the Papyrus or on the web site.

I was at the Daughters of the Nile Tea on February 23rd and Emmanuelle Rondeau spoke on the progress of the Shriners Hospital for Children - Canadian Unit in Montreal and it sounds like the roof is on and that they are on schedule for the ribbon cutting in August 2015, opening in September 2015.

Nobles, do not forget to visit beashrinernow.com and visit Shriners Village.

Nobles remember our Ill. Sirs Motto: "Fun with a Purpose".

As I write this column, Lady Jackie and I have just returned from the Assistant Rabban Seminar held in Tampa, Florida. As you may be aware there are two separate seminars, one for the Ladies and one for the Nobles. The content of both seminars are similar material(s) with the main item on the agenda being "Membership".

We are not, unfortunately, the only Temple to be losing members. In fact, most Temples are losing members at an alarming rate. A number of the seminars covered membership, retention and recruitment. In spite of rather dismal figures throughout the organization there are a few Temples that are increasing membership.

There does seem to be a common thread which identifies these Temples. These characteristics seems to be:

- 1) a strong relationship between the Shrine Temple Clubs and the Masonic Lodges within their jurisdiction;
- 2) active participation in the Craft Lodges by the Shrine Masons;
- 3) as many of the Lodges do not offer many "family" activities these Temples are offering a wide range of family based activities designed to attract Masonic and non-Masonic families (this is not a new approach, as the Independent Order of Foresters, which is a fraternal insurance company, has for many years promoted the social activity benefits to attract customers for their insurance);
- 4) the Temple encourages all Clubs to run as many family events as they can and to invite all members of the Craft Lodges (and their non-Masonic friends) by letters or email sent to their homes so the wife sees the invitation (each Club and Unit should work to develop a mailing list or email list to invite families to these events);
- 5) active participation by the Temple and Shrine Club members to ensure that all visitors have a good time;

AL'S ALMANAC

BY ALAN BERRY
Assistant Rabban

- 6) have the Shrine Ladies spend time with the visiting Ladies to discuss the benefits of their husbands joining the Temple, please don't leave the new Lady sitting by herself or she will never return (Tampa has material for our Shrine Ladies to aid in recruitment).

This may seem somewhat simplistic but remember, we are a family fraternity and we should offer to our members a balance of activities that is "men" only events; men and ladies events; and full family events including children.

Don't forget that the people we are looking to attract both in the Masonic fraternity and non-Masons alike have limited time. In most cases both family members are both working and it would be fair to say the working wives do not appreciate their husbands going off by themselves, they want to spend their limited social time together. Let us give them the opportunity to have a pleasant evening out in good company along with their families and see the benefits of joining our great fraternity.

So please, when planning your activity calendar, keep this mix in mind and get the word out to your friends and family and show them what it is to be a Shriner.

Lady Jackie and I look forward to visiting with you over the summer at the various activities throughout the jurisdiction.

Have a safe and happy summer.

TREASURER'S REPORT

BY JIM MCKINNEY, P.P.
Treasurer

The year 2014 is off to a good start financially, however if you have not paid your dues, please do so ASAP. If at any time you have any question with the financial statements of Rameses Shriners, please do not hesitate to contact me.

I know your Divan is working hard to stay within budgeted

amounts and in addition is very receptive to any new fundraising ideas you may have. Any ideas please let us know.

A question I am asked from time to time by non-Masons is "what benefit do you get out of being a Shriner". My response is varied, but one of the biggest benefits is the many, many friendships I have made not only in Rameses but the Shrine all over North America. You have many friends you have yet to meet. In this regard please get out and visit one of our Clubs sometime soon.

Just remember our Ill Sir Terry Fulton's motto "Fun with a Purpose".

As we leave behind what has been a long, rough winter, I am hoping for a great spring and summer. Hopefully everyone had a Happy Easter.

We will soon be into our new Temple and looking forward to our Spring Ceremonial in Sudbury.

For now winter is past, the rain is over and gone. The flowers appear on the earth; the time of singing has come, and the

WOODY'S WISDOM

BY TOM WOODROW
Oriental Guide

Hello Nobles, apparently it's spring, but you won't know it up my way! Anyway, I'm sure it will come. Nobles, I have attended the Oriental Guide School in Tampa and I don't know if I'm smarter or just a better "smart ass", that's for you to decide.

Nobles, on a serious note, we all must work harder at bringing in New Members. In 2011 Rameses brought in 118 new members, in 2012 we brought in 75 members and in 2013 we brought in 48 members. As you can see this is not the direction that we want to take. It's time to get busy with membership, I mean everyone!

I believe in Rameses and am very proud of our efforts to take care of our Hospitals. There was a great tradition in Rameses and we all need to bring it back. I know that words alone

cannot make it happen. We have to roll-up our sleeves together.

Membership is not just your Divan's problem; we all must share in solving the problem. Think for a moment, we have approximately 3,300 Nobles and if we split into groups of 25, could we come up with at least one good Candidate? If we did we would create 132 new Nobles for 2014. Now don't misread me, I not talking about just anyone, I'm talking about good Candidates. Someone that you would be proud to call "Noble".

Please give membership some serious thought and take some action. If you have never sponsored a Candidate perhaps it is time. Together we can make great things happen, we prove this everyday in our Hospitals.

Nobles, the Spring Ceremonial is in Sudbury, let's make that this is a very special time.

Don't forget the Potentates Ball on April 12, Ill. Sir Terry has worked very hard for membership over the past years, let's show our appreciation!

Remember the quote of the month, "Hands that help are holier than the lips that pray".

Muskoka blasts off for 2014

By Noble Tom Brooks

MUSKOKA SHRINE CLUB

The Executive Installations for 2014, commanded by Ill. Potentate Terry Fulton moved the gears to forward, very positive with relatively young Nobles on board, an air of eagerness permeated the room and a booming spirit for fun and fellowship was evident. Yes, a good blastoff and hard to ask for better than that.

The first Shrine event loomed large as a bit troublesome, the February Dorset Snowball Winter Carnival, in which our Unit of Hillbillies was catering. Dorset is a small village set in the heart of the Lake of Bays territory, a long drive from the core of Muskoka, only a one day event but for 8 hours of very steady activity and a lot of our members are of the snowbird type that migrate to the southern climes to ease their aching joints.

Past year's catering had shown this event as a good one day fundraiser, we always liked the warm and friendly atmosphere, we knew that a good number of people from far and wide congregated there and besides, we would have a chance to visit that well known 'Robinson Country Store'. Another year of participation seemed cloudy especially with the issue of enough help but those never really give up. The founding Hillbilly had established a very good infrastructure but just could not be available for this year.

The thinking seemed to be, "Do we or don't we" or "Can we"? Shriners being Shriners gave encouragement to come up with answers. The good news was that our Ambassador Noble Carl Hawthorne and his fine Lady Vera agreed to organize and plan the event. We were in motion. The problem of rising food costs, the heavy load of helping, the pressure of short order cooking on demand, the smooth flow of preparation and the suitable delivery of the foods were some of the hot topics. What a job they did! A Friday night session of planning and readying was established, the 8 hour day was divided into 2 shifts of 4 hours and they enlisted the help of the Club's phoning committee to muster as much as would be possible along with any Shriner's Lady that would volunteer.

Twelve Nobles and eight Ladies presented along with five Hillbillies from Stouffville. It was, as stated before, a steady flow of hungry patrons, all the helpers were still standing at the end and the patron feedback was exceptionally positive.

Net event fund \$1,600, not much food left over and the workers often commented on the good fun and fellowship that they had enjoyed.

Many congratulations and thanks to you, Noble Carl and Lady Vera for the wonderful job and success. Yes, Shriners can do it and our Ambassador said that it will again be an event for 2015.

Membership

By Noble Jim Thornton

MEMBERSHIP DIRECTOR

Membership retention and membership recruitment are still our two most significant challenges. The Nobles of the membership committee are your resource for materials, ideas, talks and support. Call any of us when needed. Geographically the Rameses is well covered. Most importantly remember, all Nobles in Rameses are responsible for membership.

Right now, many of you are saying what can I do? There are many ways to help improve the 7% loss of last year.

Number one is to get more Masons to join our fraternity. Talk about the Shrine to your Lodge brethren not in a formal setting but rather conversationally. Tell them about why you joined and the fun you have. Talk to the brethren more than once, invite them out to a function and have an application with you. Maybe we need to help to make Masons. This is the concept behind "beashrinemow.com".

The second way you can help is to let your Club Secretary, the Recorder, or a member of the Membership Committee know when a member is in physical or financial hardship and cannot pay their dues. The office has a number of different options that can be offered, but we need to know.

On behalf of the Membership Committee, thank you to all the Clubs and Units who have invited us into their meeting. We appreciate the courtesies shown to us, even when we just appear. We also appreciate the conversation about membership and hearing your ideas.

The committee along with the Divan are working on contacting the Nobles who have forgotten to pay their dues and easier ways to pay. If you need resources call us! With your help we can become a Gold Temple (membership gain).

Remember "Fun with a Purpose", the first word being fun. If you are not having fun, figure out why and change what you do by getting more involved.

Finally let us know what you think. Contact a committee member by email or phone call.

Sheba Shrine Club Happenings

By Noble Doug Griffin, SSCCS
(Sheba Shrine Club Chief Scribe)

The 49th Annual Terry Harris Whitefish Bonspiel was held on January 24th and 25th 2014.

This event has always brought together some of the best Nobles of the Realm dressed in some of the cutest outfits.

The festivities started Friday at the Comfort Inn Hotel. The hospitality room had a full supply of spirits but the Nobles wanted something more than munchies!

Scotty Hamilton and his Scottish Clan came to the rescue. The sound of the piper and the pounding of a drum could be heard coming down the hall. They entered the room followed by some want-to-be Scotsmen carrying the Haggis on a stretcher. Scotty said a few words about the Haggis that none of us understood. Steve Muir tried to give an English explanation but he also had a speech problem. The Haggis was beaten, stabbed, cut and sliced. Those of us that were really hungry ate it while the rest of us stayed close to the Bar.

After we put away what ever we could put away we made our way to the Curling Club. (Transportation was supplied, by the way).

The usual and unusual opening ceremony took place at the

Barrie Curling Club with Mr. Whitefish pulling the carved Whitefish (which is symbolic of all fish stories) around the ice. In hot pursuit was The Sheba Colour Party, dressed in their finest attire,

the Piper... making the noise of a true Scotsman and the Drummer, keeping the one beat rhythm. A procession of sober curlers brought up the rear.

It was quite a sight to see with everyone slipping and sliding but always refraining from any foul language, after all, this is The White Fish not The Turkey Shoot. The procession finally stopped and the people of importance gave their speeches; that being the Mayor of Barrie, our Potentate, our Sheba President and the Mayor's five year old Daughter who got the most applause. The cameras flashed, the news cameras were rolling and everyone smiled. Then the rock throwing, broom-sweeping event was Declared Open. The audience clapped to signify their approval while trying to warm their hands at the same time.

Nobles from all over the Rameses Realm came to display their ability to slide on one knee while holding a broom and throwing a stone. Age and experience does not help but it

seems the crazier the outfit and the more liquid spirit you have, the closer you THINK you came to the bull's eye.

The next morning saw everyone enjoying the Official Whitefish Breakfast put on by Noble Joe Malak and his Crew. Starting with an eye opener and ending with a lot of grease. It was a great spread! It helped to get all those cobwebs out of your body and keep your mind clear for a day of curling. And curl they did!

The two-day event capped off with the Banquet and Awards. Most of the awards were for gallant efforts that should be remembered, and timeless memories that should be forgotten.

It seems every year one group of these Would Be Curlers stands head and shoulders above the rest; there are some really tall Nobles out there. This year was no exception. The 49th year winners of the Whitefish Trophy were The Patrol with Pat Monkman, Damon Smith, Glen Polinger and Ian Davidson.

The 49th year winners of The Minnow Trophy were The Woodstock Shrine Club with Bob Elliott, Jim Elliott, Andrew Elliott and Dave Robertson.

Congratulations to Steve Whitley of Avening, Ontario, who was the Ring Draw Winner. Remember Steve that \$1,000 ring should go to your Wife and not your Girlfriend. (Only kidding)

Our Master of Ceremony Noble Paul Fockler paid tribute to every Noble in attendance. In true Shriner fashion each one of us was roasted, enlightened and bathed in humour. Some of us were bathed more than others (Roy Milligan was in attendance).

Every team received prizes thanks to Noble Cal Madill and his list of donors. The event was a great success and everyone is looking forward to next year, which will be a Sheba Milestone.

The 50th Anniversary of the Terry Harris Whitefish Bonspiel will be one to attend. All of the Nobles of Sheba are preparing now to make this a monumental occasion. We ask all the Nobles who have participated before to get their teams together. We also want to call on all virgin curlers who have never attended to come join this bicentennial bonspiel.

50 YEARS is a long time... be part of a weekend of fun and fellowship. Space will be limited so call Noble Stuart Crockatt and get registered early.

Remember what happens at the Whitefish stays at the Whitefish. ...I have only touched on the Highlights.

Toronna folks tapped to Hillbilly Bluegrass at St Pat's parade

By Cuzzin Noble
Jim Johnston Sr.
HILLBILLY SHRINE CLUB

Howdy Cuzzins and neighbours. Thanks for being here with us here with our Hillbilly News. We are sitting on the porch of J. Johnson's General Store with the single gas pump, down here in the Appalachian Mountains at our village of Burning Sands.

We want you to mark your calendar for Saturday August 23, cause everybody is welcome, non-Masons and our wives, Shriners, Hillbilly's and our Divan who never miss it. It is our Annual Hillbilly Chow Down at Beth and Jim Johnston JR's spread and their wonder dog Yankee and is located west of Stouffville, north of Markham. We will be putting on our Grand and Glorious Order of the Hillbilly Degree to Shriners and their ladies. What an honour. What fun it will be. Coz everybody will leave full of our chow.

Cuzzin Annie-Mae is serving fast food now at the Road Kill Café. That's where you run over an animal or bird driving at least 65 MPH.

We hope everybody is getting ready for our Spring Ceremonial in Sudbury from Friday June 13 to June 15 with the parade on Saturday June 14. We need Candidates for initiation so ask the members in your Lodge if they want to have fun while belonging to the largest philanthropic organization in the world as we support 22 children's hospitals in North America.

The Circus is coming to town. They will need a lot of help from Shriners because the Spring Ceremonial is on at the same time as the weekend that the Circus opens. Please come out as often as you can to the Circus and not just when designated. Some are designated to come and none show up. What a shame.

The dates are June 13 - June 22 Woodbine Shopping Centre, Rexdale, June 26 - July 6 Brampton Powerade Centre, July 17 - July 20 Oakville Sheridan College, Trafalgar Campus, July 24 - July 27 Markham Fair Grounds and July 31 - August 4, Milton Fair Grounds. Noble Rik Kubiak, our Circus Director would really appreciate you being there.

Cuzzin Zeke went into a bar and asked the bartender for a bottle of Less. The bartender said he never heard of it. Cuzzin

Zeke said, "All I know is my doctor told me to drink less."

You're a Hillbilly if it is common for people to say in your house, "Go jiggle the handle."

I hear that there is a delay in the opening of our new Temple due to revisions and getting Planning Board approval the opening should be at the end of June now.

Our Divan is a bunch of busy guys. I hear that they are sometimes out eight nights a week.

Cuzzin Betty-Lou was walking down the road with a big jug of moonshine. Cuzzin Billy-Bob asked. "What have you got the moonshine for," She said, "I got it for my husband." Cuzzin Billy-Bob said, "Good trade."

The Hillbillies had a great St. Patrick's Parade down Yonge St in Toronna with lots of people laughing, smiling, tapping, and giving us the thumbs up as we pass with our Bluegrass music.

If you are not in a Unit or Club then you are a Shriner in name only. Meet fellow Shriners and have a lot of fun. You will not have more fun than in the Hillbillies. Consider joining us as we meet the last Monday of the month at 7:30 at the Temple. Don't forget to bring your Fez. If you are out of town, we have Hillbilly Outhouses in Hamilton, Sudbury, Muskoka, North Bay.

I notice our Shrine emblem or logo is being butchered by some regalia manufacturers. They have the scimitar going under and over the claws. There is no such thing as artistic license with our emblem. You will see it several times in our Papyrus magazine.

The crescent was adopted as the Jewel of the Order. Though any materials can be used in forming the crescent, the most valuable are the Claws of a Royal Bengal Tiger, united in their base in a gold setting. In the centre is the head of a Sphinx and on the back are a Pyramid, an Urn and a Star. The Jewel bears the motto "ROBUR ET FUCOR" which means "Strength and Fury." Today the Shrine emblem includes a Scimitar, an ancient curved sword, from which the crescent hangs with a five-pointed star beneath the head of the Sphinx. Make sure you buy and use the correct Shrine emblem.

You're a Hillbilly if you paint wearing two heavy coats 'cause it said on the can, "It is better to paint with two coats."

They asked Cuzzin Wilbur if he knew the difference between ignorance and apathy. He said, "I do not know and I do not care." They said, "Correct."

Well Cuzzin Billy-Jack is here to pick me up in his 1938 Chevrolet truck as my 1939 Dodge is in need of repair.

On behalf of the entire Hillbilly's, we want to say, "Howdy" to all our Shriners and friends and hope you are enjoying the best of health. May the G.A.O.T.U. bless you and keep you well.

If any readers have a favorite Hillbilly joke, pass it on and I will mention your name. Cuzzin Noble Tom Norris did. I am at johnston1946@rogers.com.

Don't think about napping!

By Noble Dave Gillies

NIAGARA SHRINE CLUB

Not that I wish anyone ill will; but a bunch of highly trained, motivated and eager Nobles are itching to try out their skills with our new AED's (Automated External Defibrillators) after a CPR and AED course was completed at the Club March 1st. Don't even think about catching 40 winks at a dinner meeting or they will be all over you with a pair of scissors cutting up your shirt, crushing your chest, messing up your makeup with mouth to mouth, giving you a body shave, then electrocuting you. Seriously though, two new units are now in the Club; one in the jewellery room and the other on the Maid for when she sails the high seas. The Club was able to purchase these two AED's courtesy of "Sleep Cheap"; a tourism driven promotion by our hotels in Niagara benefiting local charities. Noble Greg applied for a grant and we were awarded enough cash to purchase the two AED's. Keep up your healthy regimes and cross your fingers so hopefully we never have to use them on our membership. For all parading Rameses Nobles let your fellow Units know if you have an AED unit available for emergencies.

A few of us braved the cold weather to go shopping over the river; an expression we from Niagara call going into the United States. This time for a meat raffle held at Ismailia Headquarters in Buffalo.

Arriving there almost an hour early we spotted lots of eager ticket holders waiting out in the cold for the doors to open. It's a good thing we had our Rameses Ambassador to Ismailia on board to sneak us in the back door.

We commandeered seats up front, close to a huge pile of ice-cold meat each of us holding a fist full of dollar bills in one hand and a cold one in the other. A full hall produced lots of excitement due to the hard work of Noble Bill on the microphone, the army of \$1 ticket sellers, some liquid refreshment and the winners stampeding up to collect their winning steaks, roasts, turkeys, sausages and even bacon and eggs!

Our group came away with enough protein to feed our Vagabond group their next dinner. When I arrived at home without any booty I got the feeling my visits over the river may be seriously curtailed in the future.

I finally got my "old man" lesson at the Whitefish when I

was given a stick for what I assumed was used to keep me upright. I think it was a prudent move by my teammate in his beer stein hat, and then he informed me it was used to push the rock. Seeing the contortions one must put on one's body to deliver that stone, it would have been impossible for me to recover without it.

I felt like the Michelin Man bundled up against bitterly cold temperatures and high winds but countered them with internally warming beverages and the meeting of lots of new friends.

The combination, of endless conversation, lack of sleep, more warming beverages and lots of munchies made for interesting scoring results. Also for some creative ice dancing or foot control by our rink and the other jester hatted team from Niagara.

I discovered a pleasant tradition however; when you lose, you get plied with more internally warming beverages by the winners. This could be my new winter sport with a little more practice on the internally warming beverages as long as I can figure out how to cut back playing with that rock.

Wow! a story of ice and snow followed by spring fishing and Ceremonial tales; we must be Canadian eh!

Speaking of fishing, that's what we all should be doing and it's not a catch a release program. We need keeper Candidates to walk the sands in Sudbury; to stem the over fishing of Black Camel visits and demits. We all know a potential Shriner, bait your hook with the fun we have and the satisfaction received caring for our kids. Reel in one or better two as they school in pairs and usually stick together in order for them to experience the Fun with a Purpose of the Shrine. The Spring Ceremonial is shaping up to be a "Northern Experience" not to be missed. Our winning golf foursome from Kingston who tied and lost out in the title draw is issuing a challenge to all the divot diggers out there.

They will be defending "their" win on the 5.5 stars rated Timberwolf Golf Course and challenge any and all comers.

Looking for another good reason to attend the high jinx in the "Mini Apple"? If you're a ball fan, the Twins are hosting the Yankees in a four games series ending on our Imperial's opening day in Minneapolis. For your lovely Lady, the largest mall in the USA awaits the click-click of her credit card and for the lovers of a foamy one; there are 26 craft brewers in town. What more could a Shriner wish for other than our usual camaraderie, some pin trading, a great parade down Hennepin Avenue welcoming our new Imperial Potentate and above all having Fun with a Purpose.

2014 Rameses Shrine Circus

Nobles

This letter was sent to all GTA Shrine Units and Clubs seeking your help to put on the 2014 Rameses Shrine Circus.

Last year the GTA had a total of 55 Circuses, this year Rameses has 71 performances within the GTA (we may have 10 additional shows added for a total of 81 performances).

Rameses Shrine only has 16 Units or Clubs within close proximity to the GTA Circuses. I always assign dates for Units and Clubs to attend the circus, this year I am asking you what is the best dates for your Unit or Club to attend?

You will find the 2014 tentative times (in the Papyrus as well) for this year's Circuses and maps to all five locations on the Rameses web site.

Please note the first weekend of the Circus is also the weekend of the Spring Ceremonial, if you have members that are not going to the Ceremonial I would appreciate their help at the Circus.

Each performance requires a minimum of 10 Fire Watch (20 would be ideal), 2 Front Gate Help, 1 Stroller Attendant, 2 to look after seating for patrons that are Handicapped and Special Needs and 2 Greeters/traffic flow directors, (17 Minimum 27 Ideal, 2 per door for Fire Watch allows for washroom breaks, water runs and cigarette breaks etc. Shrine Ladies may sit Fire Watch with their husbands.

As always, meals will be served to Shriners and Shrine Ladies that are attending back to back Circus Performances.

Thanking you in advance

PS: Remember to wear your Fez to all Circus events.

Hillbilly humour!

Cuzzin Noble Tom Norris tells me that Cuzzin Rastus wants to get a divorce and went to a lawyer.

The lawyer said, "Do you have any grounds?"

Cuzzin Rastus said, "I got fifty acres."

Lawyer said, "No, no, do you have a suit."

Cuzzin Rastus said, "I got a suit for church."

Lawyer said, "No, no, do you have case,"

Cuzzin Rastus said, "No, I got a John Deere."

Lawyer said, "No, do you have a grudge."

Cuzzin Rastus said, "Yes, I got a grudge to store my John Deere."

Lawyer said, "Does your wife beat you up."

Cuzzin Rastus said, "No, we both get up at 5:30."

The lawyer getting frustrated said, "Does your wife kid you."

Cuzzin Rastus said, "Yes, we have 8 kids, but the last one does not look like a Hillbilly and that is why I want a divorce."

Oshawa Shrine an oldie

By Noble Vic Phillips

OSHAWA SHRINE CLUB

The Oshawa Shrine Club has been around for 70 years, making the Club one of the oldest in the Rameses area and we are still going strong.

I guess we have some bragging rights. We have a wonderful and functional building in Oshawa that is usually filled with Club Shriners and guests at our Regular Meetings on the third Wednesday of every month. Five active Units to choose from,

including Mini Cars, Mini Bikes and Tractors, a Colour Guard Unit, an award winning Oriental Band and our Clowns who have also garnered numerous awards.

We invite prospective members and fellow Shriners from other Clubs to visit with us at any time. Our President,

Doug Somerville, has lined up some interesting speakers for Regular Meeting nights guaranteeing you a fun filled and informative night.

We also have a calendar filled with fun events including an Irish Pub Night every March, the Mini Bike and Tractor Unit Steak Fry in April (normally May every year), a Mother's Day Brunch at the Club that is very well attended, a comedy night with top Yuk Yuk performers in May and our ever popular Golf Day on June 6th at the Kedron Dells Golf Club in Oshawa. Folks are already marking down summer dates to attend at the Club including a succulent Roast Beef Dinner in July and the Mini Bike and Tractor Unit Corn Roast in August.

Besides our busy social calendar we also participate in many Shrine events out of town. Recently a group of Club members visited our Shriners Hospital for Children – Canadian Unit in Montreal and delivered a cart filled with toys for the little ones. There were only six children in the hospital at the time and they brought tears of joy to us as we listened to their stories of how their parents discovered the hospital and the help they were given. We all have fun at our numerous parades, BBQs and dances but nothing beats hearing from others just what Shriners everywhere accomplish.

The Club is mourning the passing of Noble Norm Lawton, one of our most active members. Noble Norm had been a member of our Club for over 63 years and even in his eighties still had the energy to take part in parades and other Club activities. Noble Norm's smiling face and always-positive demeanour is greatly missed.

The Club is also mourning the passing of Noble Gerry Johnston. Noble Gerry put up a brave fight against ALS (Lou Gehrig's Disease) and, unfortunately, there is no cure.

Generous cheque presented

Pictured above is the Guelph Shrine Club President, Noble Jack Reid, presenting the Guelph General Hospital Children's Department with an outstanding \$3,000 cheque garnered from Zehrs tapes turned in by the Nobility from their day-to-day grocery shopping. What a great way to be innovative and raise funds for hospitals!

Noble John Neil is welcomed as the new Rameses representative on the Board of Governors at the Canadian Unit of the Shriners Hospital for Children. Pictured with John is the Board Chairman, Noble Gino Berretta.

Noble Mark taking the oath from our Ambassador Larry Aldebert.

The Credit Valley Shrine Club Masonic Degree Team.

Lots to report from the Credit Valley Shrine Club

By Noble Don Thompson

CREDIT VALLEY SHRINE CLUB

The Credit Valley Shrine Club ended the year with the election and installation of the 2014 Officers. Noble Mark Stoiko was elected and installed as President at the Club's regular meeting in November along with all the other officers. See picture above left.

A number of our Special Ladies attended the Annual Christmas Dinner on December 10th and all were surprised by a very special visit from Santa Claus. Funny how all the Ladies get presents from the Jolly Old Man but the Nobles get nothing. I guess the Nobles will have to try harder to be good this year.

The Annual Christmas Lunch was held again this year at the McGibbon's Hotel in downtown Georgetown. Twenty-two Nobles participated in a turkey and roast beef lunch with all the trimmings. George and Nick Markou, owners of the McGibbon's Hotel donated \$100 to the Shriners Hospitals for Children - Canada. See picture below left.

The Noble Riders and the Smash Unit participated in the Acton, Georgetown, Milton, Mississauga, Erin and Campbellville Santa Claus Parades. The Noble Riders won the best in show at the Acton Santa Claus Parade. The Toys have now been put

away for the winter waiting for the Streetsville Parade in June.

Christmas cake sales are finished for another year and the totals are still being finalized and will be reported later. Cakes and Cookies were sold at 11 locations and the Committee hopes to add a few new locations next year. The Nobles put in more than 300 man-hours to accomplish this task and a big THANKS go out to the Nobles that gave of their time.

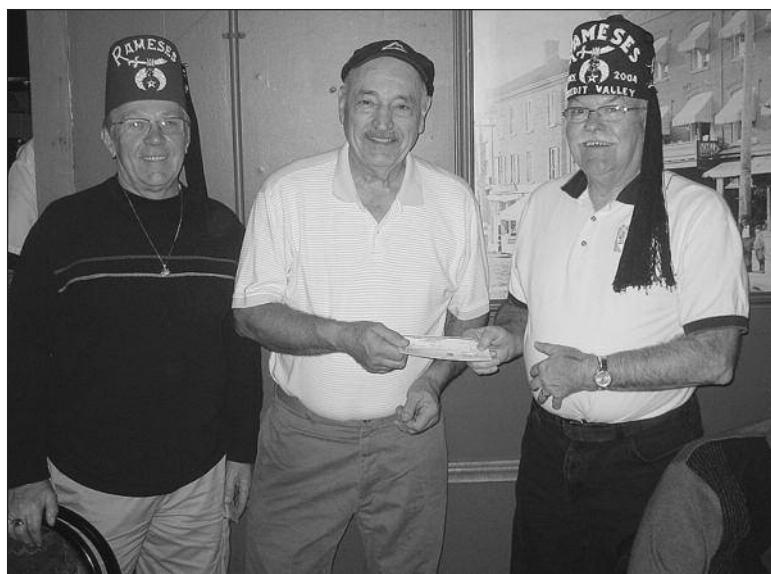

A couple of cases of Christmas Cakes were sent to our Troops still in Afghanistan and a few cases of Shortbread Cookies were donated to the Georgetown Food Bank.

The Credit Valley Shrine Club Masonic Degree Team conferred a Second Degree for Credit Lodge #219 on Wednesday, February 12, at the Masonic Credit Temple, Georgetown under the direction of our Shrine Degree Team Director Noble Greg Ferguson. See picture at top right.

Congratulations go out to Noble Reverend Peter Barrow on receiving his 50-years as a Mason pin.

We had Noble Reverend Peter Barrow as our speaker at our regular meeting on Tuesday, January 28. He has had a very interesting career. Meetings are held at the Masonic Credit Temple, 12 Lindsay Court, Georgetown, refreshments 7:00 pm, meeting 8:00 pm. All Nobles and Masons welcome.

Our Lottery Chairman Greg Ferguson informed us that he has sold 75 tickets for the 2014 Transportation Lottery this year. Many of the purchasers were winners in the 2013 Lottery.

Our newest Shriner, Bob Barker, Geo. Markou, owner of the McGibbon Hotel, and President Noble Ed Evans.

Shriners Hospitals for Children encourages safe driving to help reduce the risk of Spinal Cord Injury

Motor vehicle crashes are the number one cause of death for those between the ages of 16 and 24, and the leading cause of spinal cord injuries in all age groups. Nearly 6,000 teens die and more than 325,000 are seriously injured in traffic accidents each year.

Approximately one in five new teenage drivers will be involved in a crash within the first year of becoming a licensed driver.

Improving driving skills, especially for young drivers, may be the key to fewer deaths and injuries.

Shriners Hospitals for Children is committed to raising awareness to help prevent spinal cord injuries.

The health care system has created a brochure promoting safe driving among teens, as well as additional materials raising awareness of spinal cord injury prevention. The brochure is available through the website, shrinershospitalsforchildren.org, and the other items can be obtained through the online ordering system. Being aware of the risk factors that typically cause a motor vehicle crash and reinforcing safe driving tips – especially among younger drivers – may also lessen the risk of motor vehicle crashes and spinal cord injury.

Tips for Safe Driving:

- Give driving your full attention.
- Follow the rules of the road and obey speed limits.
- Always wear a seat belt.
- If transporting younger passengers, remember to restrain children under age 12 properly in the back seat, and to place children in age- and height-appropriate safety or booster seats.
- Never get behind the wheel after drinking alcohol.
- Be aware of the side effects of prescription medications you are taking before driving.
- Use your side and rearview mirrors every five to seven seconds.
- Never write, read or send text messages while driving.
- Always have a safety zone: a space to your left or right to drive into during an emergency.
- Your safety zone can also be the cushion of space in front of your vehicle when a tailgater follows too closely.
- Scan the space you are driving in by moving your eyes left and right to get a sense of your surroundings. Use your mirrors frequently.
- Keep your eyes up. Look as far ahead as you can see. Do not focus only on the vehicle in front of you.
- Scan your surroundings.
- Avoid distractions unrelated to driving.

Distractions Include:

- Texting or reading
- Talking on the phone – including using a headset, earpiece or speakerphone
- Eating
- Fatigue
- Arguing
- An animal that is loose in the car
- Disruptive passengers
- Alcohol or other drugs
- Loud music
