Potentate's Message

ILLUSTRIOUS SIR TERRANCE S. "TERRY" FULTON - POTENTATE

With the fall season upon us, it makes me wonder where the year has gone. Lady Helen and I have enjoyed the many BBQ's and picnics and thank you for the opportunity to visit the Membership.

In September we had the opportunity to meet the public at the International Ploughing Match in Simcoe County. The Masons and Shriners were well represented and the beer tent was a great success. There were many inquires showing great interest in both the Masonic Order and the Shrine.

The Fall Ceremonial will be held on Saturday November 15th, and I am looking forward to seeing everyone again.

Your Divan is getting prepared for Elections and Installations in the upcoming months and hopefully the Clubs are doing the same by having candidates ready for all positions.

Due to the fact of my being away, I have left the report on the new building to my fellow Divan Members, who are up to date on the progress of the construction.

THANKS FOR BEING A SHRINER.

RECORDER'S MESSAGE

BY GEORGE MITCHELL
PAST IMPERIAL POTENTATE
Recorder

**Isn't it great to be a Shriner. . .
it's Feztastic**

Now is the time

When Walter M. Fleming, MD and actor Billy Florence met in 1870 to discuss the formation of fraternity based on Masonic principals with an added emphasis on fun and fellowship, they couldn't possibly visualize how their dreams and ideas would exceed all expectations. Today I am reminded of the quote "When memories exceed dreams, the end is near", so let's not be satisfied with exceeding our founders' dreams. Let's have some of our own and continue to move forward, now is the time, with those thoughts in mind and this being fourth quarter for 2014 and to embark once more on our Club and Unit Elections.

The schedule for Elections is now in the hands of all secretaries.

As we see each day, never before has the need for good leadership been more critical for all levels of government and business.

The Shrine that we know and love is facing serious problems.

Membership, as in most organizations, is decreasing at an alarming rate and for many different reasons.

As Shrine leaders, we should have two objectives. The first is to motivate and assist Clubs and Units and members to achieve leadership status. The second is creating a legacy of leadership, as did Dr. Walter Fleming and Billy Florence.

How will your Club, Unit or Lodge succeed once your term of service concludes? Are you building future leaders of your Club or Unit today?

The successes you achieve today are short-lived if they don't last beyond your leadership term.

To build a legacy of leadership, all you have to do is plant seeds. How does this happen? You plant seeds of encouragement with your fellow Shrine Masons. You plant seeds of belief, support and faith as elections near. Help your fellow Nobles realize the potential they do not yet see or believe for themselves.

Whatever your role is in the Shrine or Lodge, whether you are a new or veteran member, plant seeds today.

If this message speaks to you, the seed is planted. You will be a superb Club or Unit President, Divan Member, Master of your Lodge etc.

I believe in you, now believe in yourself. Take a role in leadership; start building your legacy of leadership today. Your legacy begins now.

Mahatma Gandhi said, "You are no followers, but fellow students, fellow pilgrims, fellow seekers, fellow workers".

Fellow Nobles, "It's great to be a Shriner".

Hawaiian Night sponsored by member for "attitude adjustment"

Noble "Wild Willy" Oliver

GUELPH AND DISTRICT SHRINE CLUB

The fourth Thursday of every month - the Nobles, Ladies and Special Ladies take part in an Attitude Adjustment evening; one member or couple, sponsor an evening of dinner and lighthearted fun once a month.

To kick off this season, Noble Don Dyson and his lovely Lady Gloria, sponsored a Hawaiian Night. The Club was totally decorated for a Luau with a complimentary Lei been given out at the door and even surf boards were present throughout the building. This event was totally catered out, with the members enjoying a lovely fall evening in the courtyard of the Guelph District Shrine Club! Just a fantastic way to kick off our Shrine Season

Oktoberfest is coming to the Guelph District Shrine Club on October 23, hope to see a big crew out to partake in some Sauerkraut and Sausages, and what Oktoberfest would be complete without some Beer!

Rameses Shriners on the Road to Belleville for the 2015 Spring Ceremonial

The Belleville Shrine Club has been chosen to host the 2015 version of the Rameses Spring Ceremonial. This is a great honour for the members of our Club and our committee has been busy making plans for a fun-filled and memorable weekend. Belleville last hosted the Spring Ceremonial in 2006. Four days of activities are planned starting Thursday June 11th, with Opening Ceremonies and Flag Raising at the Quinte Sports and Wellness Center and concluding on Sunday June 14th, with Brunch at the Belleville Shrine Club.

Activities for the weekend include a golf tournament on Friday at the Trillium Wood Golf Club, a Friday evening buffet dinner with outstanding entertainment and a dance, a Saturday morning Ladies program with lunch, the Rameses Shrine Parade, the Rameses Feast on Saturday evening, and a spiritual service of worship on Sunday morning. All Friday and Saturday activities will be centered at the new Quinte Sports and Wellness Center on Cannifton Road and the adjacent St. Theresa Secondary School.

Our feature entertainment for the 2015 Ceremonial is "Freddy Vette and the Flames". This local group is known as Canada's Premier 50's Rock and Roll Show. This group will play from 7:00 PM to 11:00 PM on Friday evening. We are very fortunate to have been able to book this group for our Ceremonial. This is the same group that we had in 2006 and I'm sure this will be remembered as one of our weekend highlights. Check Freddy's website at <http://www.freddyvette.com>.

Any Clubs or individuals who have not yet booked rooms are reminded to contact our Housing Chairman, Noble Calvin Thomas. Calvin can be reached at 613-476-7720 (residence) or 613-391-7356 (cell) or email at csthenas2013@gmail.com.

Nobles requiring more information can contact our Director General, Noble Clarence Stevenson at 613-962-6246 or email at: clssgs@hotmail.com

JIM'S ON THE RUN

BY JAMES "JIM" RENNIE
Chief Rabban

As the leaves start to change colour and I sit back and think about the good times Lady Barb and I have had at the Club's and Unit's different events this summer. Thank you Nobles and Ladies for a great time. The hospitality was great.

I would like to thank all the Nobles and their Ladies that supported the Western Night. Also thanks to Nobles Shawn Hewlett and Doug Foss and their helpers for putting on a great evening.

Nobles, remember the Stated Meeting coming up on November 14th and the Fall Ceremonial on the 15th. You will need your 2014 dues card.

Do not forget to get new Candidates for the Fall Ceremonial.

We need new members, as you know, we lose about 200 members every year.

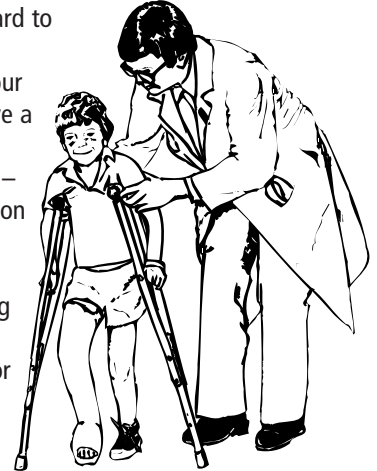

The Club and Unit Elections will be underway and do not be afraid to stand for a position on the executive. Also you will need your 2014 dues card to vote.

The Lottery Chairman will have your tickets for you to sell. We did not have a complete sell out last year.

The Shriners Hospital for Children – Canada in Montreal is coming along on schedule and is opening on August 20th or 22nd 2015.

Nobles, I hope that you are visiting beashrinernow.com and Shriners Village. All the information is there for you.

Also remember our Ill Sir's Motto "Fun with a Purpose".

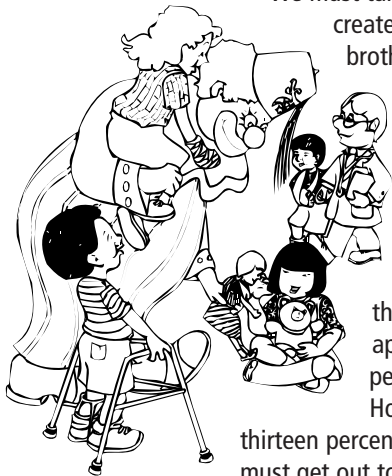

Fall is upon us as we move into our busiest time of the year. Elections, Installations and the Fall Ceremonial all come in this period.

It is especially important at this time that we remember we are Shrine Masons, and to follow the oaths we took as Master Masons in our dealings with our Brethren. We need to make a lasting impression on all the Nobles we meet, especially the new Nobles and their Ladies.

We must take time to nurture them and create an environment of brotherhood and unity in our Clubs and Temple, and resolve our differences in a spirit of cooperation and reach our decisions by consensus.

New membership is the key to our survival. It is interesting to note that throughout North America approximately twenty-five percent of Masons are Shriners.

However, in our area only thirteen percent of Masons are Shriners. We must get out to our Lodges and ask the non-

AL'S ALMANAC

BY ALAN BERRY
Assistant Rabban

Shriner Brethren to join us.

The question often asked of newly initiated Nobles is, "Why did you wait so long before joining the Shrine?" The answer is usually "Nobody asked me before". The message is clear, go to your Lodges and ASK, ASK, ASK. If possible, seek permission for one of our Membership Committee or Divan member(s) to attend your Lodge to make a presentation. We have a good collection of videos and handouts which can help promote our membership and which I am sure will be an entertaining and informative evening and may well convince them to join us (I personally have a projector and numerous videos and I am more than willing to attend any group that requests a presentation, please just call me). Remember, we are ALL on the Membership Committee! Get those membership petitions in.

In closing, I thank you all for what you do. Our children need you.

Lady Jackie and I look forward to meeting with you in our upcoming travels.

CHAPLAIN'S CORNER

BY REVEREND
BEVAN CARRIQUE, P.P.
Chaplain

We will soon be into the Christmas season and I would like to invite all Nobles and their families to our annual Carol Service, Sunday, December 14th, 2014.

This will possibly be the last official function to be held at

3100 Keele Street. We hope to have the York Regional Police Youth Band join in our service. Let's go out with a "bang!"

To our new Nobles who joined at our Fall Ceremonial, I welcome you. You are now members of the greatest philanthropy in the world. Get involved in supporting our hospitals and our children

Let us pray for a speedy recovery for those Nobles and their families who are in ill health.

If I can be of any assistance, please feel free to give me a call.

WOODY'S WISDOM

BY TOM WOODROW
Oriental Guide

Well Nobles, the Fall season is upon us and that white stuff is near. Soon we will be in our new building ready to start new memories. The journey to the new building has been long but with your help it will be rewarding.

Nobles, it is that time of the year, that's right, Lottery time. Last year we, as a Temple, fell short of selling out on our Lottery

tickets. Let's all pull together and do our best to sell out. Remember, you don't have to be a Shriner to buy a ticket. The cost is only \$2 a week. This is a very important event for our Temple.

Nobles, remember that membership is a very important issue in our Temple. Without new members the work becomes harder for all of us. **OUR KIDS NEED US.**

Remember that we are all Shrine-Masons, together we are a family.

I leave you with this quote:

"Anxiety does not empty tomorrow of its sorrows, but only empties today of its strength".

I would like to thank everyone who attended our Circus Appreciation Night. A big thank you to the Niagara Hospitality Unit for the meal they prepared for everyone.

Thanks to Rik Kubiak and Bill for the slide show they made to entertain everyone.

The next big event is the Fall Ceremonial. It will be held at 3100 Keele Street. The Stated Meeting is Friday November 14th at 7:30 p.m. The Ceremonial will be on Saturday the 15th at 9:30 a.m. Every Club and Unit should try to have a Candidate.

Nobles, as we approach this time of the year, the Elections are about to start within the Clubs and Units. Our Scrutineer will check all dues cards, so please check yours to be sure it is for 2014.

There are still a number of Shriners who have not paid their 2013-2014 dues. If not paid, your name will be read out at the

stated meeting. Please call the Shrine office if you have any questions.

We have a completion date of November 28th for our building at Queens Plate. As I write this message, we do not know if it is possible to move from Keele Street in December or it may be necessary to wait until after our Election in January 2015.

I will have an update in the next edition.

In closing, remember Ill Sir Terry Fulton's motto: "Having Fun with a Purpose"

TREASURER'S REPORT

BY JIM MCKINNEY, P.P.
Treasurer

I hope that everyone has had a great summer and are now ready for a very busy fall with Shrine activities.

Please take the time to get out to your Shrine Club, and for those of you who are not a member of one, I would strongly suggest you join one.

As Treasurer, I would like to say that Rameses Shriners are in good shape financially, however there are many members who have not paid their dues. If at all possible please pay ASAP.

As far as the expenses are concerned, I am happy to report that up to this point, most items are under budget. All accounts are being closely monitored by not only me but also all members of your Divan.

If anyone has an idea with a new fundraising idea, please let the divan know.

One of my main concerns is membership. Nobles we have a great Shrine Center and with your help, we can keep it that way. If you know of a friend or relative who you think might make a good Shriner, then bring him out to one of the many Club events and introduce him to the members. If he is interested at all, then find him a Lodge close to where he lives and get him Shrine ready. Nobles it can be done.

In the meantime I wish all of you a great autumn.

Noble Ron introduced Janet Barker, from Linkert Bakery in Wilberforce. Murray Linkert started the bakery in the 60's. Janet spoke and showed a powerpoint presentation of the products that her bakery produces. Linkert's Bakery is very well known for their fruit Christmas cakes which they produce for over 14 Shrine Clubs.

Sheba presents cheque

By Noble Doug Griffin, S.S.C.C.S.

SHEBA SHRINE CLUB CHIEF SCRIBE

At the 2014 International Plowing Match in Ivy, south of Barrie, several Masons from Georgian North and Georgian South Districts provided gate control at the Final Furrow where many whistles were whetted.

For their very successful efforts, the Sheba Shrine Club presented a cheque of \$3,500 to the DDGM of Georgian South, R.W. Bro. Kennard W. R. Pratt, for the benefit of the District Projects.

What is a Noble?

By Noble Doug Griffin

SHEBA SHRINE CLUB

A Noble, as I see it, is a member of The Nobility.

We first became Brothers. We took the Obligation as Masons that we believe in the same Morals, Values and Disciplines. Our Surname started with Brother. This was to honour our achievements.

We next became Nobles when we joined The Shrine. Our surname then started with Noble. This was to honour our commitment to having fun and helping our children.

Both these achievements brought each and every one of us closer to knowing ourselves. We belong to a Brotherhood and Philanthropy which has brought us all closer knowing each other. This is FRIENDSHIP.

WHAT IS A NOBLE NOBLE?

I can only believe that this is a Shriner who goes above and beyond just being a member of the Shrine, a Club or a Unit.

A person whose Masonic Values are present in his everyday life.

A person who lives his life with enthusiasm and passion.

A person who brings these qualities through the doors of his Lodge or Shrine Club.

These are the men that volunteer, contribute their time and make everyone they meet feel welcome.

These are the Noble Nobles.

And if you don't believe me, take a look in the mirror, there should be one there!

This may be a good time for REFLECTION!

Sheba Shrine Club Happenings

By Noble Doug Griffin

SHEBA SHRINE CLUB

This Reporter would like to thank everyone for their well wishes and support after having back surgery in July. I can now say I really am "A Just and Upright Man."

I was still on light duty and unable to attend the Alliston Potato Festival Parade. But life works in mysterious ways. That evening my wife Sheena took me to dinner at Barclays Restaurant in Innisfil. We had just finished our meal and were about to leave when this Red Streetcar pulled into the parking lot. The next thing I knew a group of well-dressed Conductors were shaking my hand and saying how great it was to see me. Needless to say the Founders Unit had arrived. These fellows sure know how to make an entrance.

This again proves how deep a friendship we have with each other. You never know when or where you will run into another Brother.

I just wish they had arrived sooner, they could have picked up our bill!

The Nobles of Sheba Shrine Club had the honour and privilege of assisting our own Noble Cal Madill at the International Plowing Match held in Ivy, Ontario. Cal is the Chairman for 2014 and has the enormous responsibility of making sure everything runs smoothly. We all had various duties to perform from the creation of Tent City, to the operating of the Beer and Beverage Lounge. This was a momentous task for our Club with everyone involved. This five-day event saw crowds of 20,000 per day with people from all parts of North America and beyond.

I met a couple from Ireland. They commented on how great a country we have and how friendly the people were. I felt proud they were talking to me and I bought them both another beer.

Some volunteer Shriners came from Orillia and points North. It was good to see a number of Masons involved as well. Some of our friends from Kawartha Dairy, Moffatt's Mazda, Wallwin Electric and World's Finest Chocolate also gave their time and support to sponsor this great event.

We all would like to thank Cal Madill for truly being an "Ambassador Emeritus" by providing us with the opportunity to promote Masonry and Shrinedom. If any one person could be pointed out as a True Shriner, I think we would all agree it would be Cal Madill. Thanks Cal!

From Sheba Shrine Club at the near shores of beautiful Kempenfelt Bay, (as this Reporter makes his way to the Oasis)

I tip my Fez to all Nobles everywhere for being Noble Nobles!

The Niagara "One Club Challenge" just too funny!

By Noble Dave Gillies

NIAGARA SHRINE CLUB

I had the most laughs I've had in years at the "One Club Challenge" organized by newly Fezzed Tom. The August event attended by fellow fun-loving crazies and their wives was a complete success. Only one club for the round and putters included at each green it should have been easy! Easy 'till you had to putt with a T shaped thing hinged together with two eye screws, or a piece of putter-shaped PVC pipe, and what about that crooked wooden shillelagh putter! It was a blast, and a great summer get together for the Club and friends, steaks were pretty good too!

Another newbie and another Tom brought some new faces into the Club each Thirsty Thursday with a Cruise Night. Tough completion with other venues running on the same night but he stuck it out and as they say "build it and they will come" and they did.

I saw some really nice iron out in front of the Shrine Club on Thursdays. Congrats to the new members courage in putting on events, we can all use some of their enthusiasm. Thanks Toms!

Noble Brad organized his second event! Billed it as a hockey game but I think it may be more of a grudge match after their tug of war on ice before the game. He has the firemen lacing up their skates against the police in October, no firearms, or fire hoses were allowed, as there's an open skate after the game. Plans are to clear out the Club garage and at time of writing we're looking to rent some of those sumo wrestling suits for both groups to work off their frustrations after the game.

We live for our kids and there were plenty of them at the Dundas Cactus parade. The Maid, trailing a stream of bubbles, two clowns and dispensing rock and roll tunes had the crowd twisting and shouting as we passed by. Sailing on our rolling Shrine billboard spreading the mission of our fraternity and philanthropy is a sure fire way to have "Fun with a Purpose".

Another fun day also filled with lots of children and members of the community was our participation at Heaters Heroes. A cancer fundraiser which also welcomed back home town hero Mike Strange from his 90 marathons in 90 days a fundraising run all the way from Newfoundland!

I think we twisted over a thousand balloons with same help from our local Shriners, Ladies, clowns and even a junior helper. We also handed out burn prevention colouring books and other Shrine material to some of the hundreds of children and their families. The Maid then served as a perfect backdrop for the evening's entertainment with the colourful rope lighting illuminating her sleek outline against the night sky.

Thirteen thirsty travelers traded their car keys for an escorted ride to a couple of Irish pubs and a sporting spectacular in Buffalo in mid-August. What happened with the Irish will forever remain a secret but the ball game was awesome, matched only by the beautiful weather and the good friends on the junket.

A real corner store win, 7-11, baby Jays of Buffalo over Scranton's baby Yankees. You could almost call it a liquid double header as a few of us had to repeat our consumption at Palmer Lodges' golf outing the next day, I told my bride; it's a tough job but somebody has to do it! My aching knees can't take much more punishment not to mention my liver. "I still don't know how I ever got over the hill without getting to the top."

Not another visit to Ismailia, do I have too as I talked myself into to a ticket to their sportsman raffle. Arriving there along with a bunch of other unlucky Nobles we were greeted with a trailer full of golden foamy beverage, tables of food along with two or three hundred other hopefuls there for the raffle. We had four winners, two notable prizes with me and another winning a piece of string.

I did, however, get to overnight with three other Nobles at our New York headquarters in the hills. We enjoyed a meal, ably cooked by our host over an open campfire, heard many good stories and a few lies until into the wee hours then all slept like a logs till breakfast. I was delivered home to a house full of family that I had forgotten were coming. I did later vaguely remember receiving that message via an international call in the hills the evening before. Presently I'm cleaning out a spot in the garage for a cot between scribing these few words and avoiding and the frosty temperatures inside the happy home.

"A midget fortune-teller who escapes from prison is a small medium at large." Does your future see you holding political office? If not, it should; it's in your best interest in keeping our Club the vibrant, expanding and fun one that it is. Remember this on Election Day this month; run for office or a seat on the board of directors; see just how the Club keeps on course. President John has some words for would-be officers; "If you get to thinkin' you're a person of some influence, try orderin' somebody else's dog around." He is so right; this Club of ours like all the others in the Shrine, is run by all of you so get behind the helm and steer her into the future. Think of it; you can follow our other Niagara captain's over the last 66 years. Continue that tradition started in 1947; sail into history and make your own mark having "Fun with a Purpose."

Order Form for Temples and Clubs

MEGA Brands is providing toy cars to the Shriners organization free of charge. The retail value is \$5. The profits are to be divided between the hospital and the Temple or Club. The Temple or Club can use the proceeds as they wish. The hospital requests that each Temple or Club prepay their order prior to shipment. So, if you order 100 toys, you could potentially raise \$500 dollars. A cheque for \$250 must be sent to the hospital prior to receiving your shipment. If the toy sells well, you can place additional orders. MEGA Brands is suggesting an initial order of 240 cars, however, you can place a smaller or larger order (the minimum sized order is 24 cars).

NEWBEAVER SHRINE CLUB

everyone enjoyed a good afternoon of music and entertainment followed by a scrumptious dinner.

Weather overcast but Shrine spirits high at Credit Valley tournament

Credit Valley Shrine Club

It was a little damp at Acton Meadows Golf Club on Saturday morning - but the hardy Shriners and Ladies bared the weather to support the cause. Thanks to Nobles George Power, Greg Ferguson, Jim Gilpin and Don Thompson who organized and set up the early morning tournament.

Through the cool, wet morning the teams prevailed and finished to an excellent steak dinner and raised some funds for the Shriners Hospital for Children - Canada.

The weather was overcast but the spirits where high as the Nobles, Ladies and guests attacked the links. The Potentate was there to hand out the hardware at the finish. A great morning round and some funds for the Shriners Hospital - it doesn't get any better than that!

High Priestess travels

Bokhara Court No. 22

Ladies Oriental Shrine of North America

LADY MARJORIE YOUNG, PHP

LADY MARILYN WILLETTE, HP

Wednesday, July 16th found our High Priestess at the Official Visit of our Grand High Priestess, Lady Bea Hillman, PHP of Mecca Court #98 of Lakeland, FL to Ailiamsi Court #12 in Buffalo, NY.

The next day Lady Marilyn and her Noble escorted our Grand Swan to the Holiday Inn Yorkdale for the start of her Official Visit to Bokhara where she worked on inspecting our Court, Club and Unit books. On Friday, July 18, the Past High Priestesses of Bokhara Court hosted her and our High Priestess at the Mandarin Restaurant.

Lady Bea had a lovely time renewing acquaintances and getting to know some of our Ladies and enjoy her meal before she was back at the books. Such dedication. She actually enjoyed going through them, she said, as they were so well prepared.

At noon on Saturday July 19, a luncheon in Lady Bea's honour was held at the Shrine Centre on Keele Street, followed by a business meeting where Lady Marjorie Young, PHP was presented with a 50 Year Membership Certificate by Lady Bea. Lady Bea read to the membership this verse, taken from the certificate -

May Peace attend thy travels,

May Allah bless thy way.

And direct thy wandering footsteps

Through each successive day.

May Allah's love embrace thee.

Surround thee in thy life.

And shield thy day's endeavors,
From daily woes and strife.

After the meeting, our High Priestess, Lady Marilyn Willette and her Noble Jim Moore invited the membership back to the hotel for a small reception.

Lady Bea finished off the inspection of our books on Sunday morning when Lady Marilyn and Noble Jim drove her to Detroit to her next inspection. It was certainly a busy weekend for our visiting Grand High Priestess.

Special thanks to Lady Lisa Sellarajah and her helpers for their hard work putting the luncheon together, and Lady Joan Cox, PHP and new member Lady Mary Ann Caesar for helping Lady Marilyn set up the meeting and luncheon rooms.

Our next big "venture" is our Ceremonial on November 8th when we will be welcoming several new Ladies into Bokhara Court. This is a closed meeting but the plated dinner being served after the meeting at 5:30 pm is open to all. Please contact Lady Lisa Sellarajah at lisa.sellarajah@gmail.com for tickets. A vegan option will be available. Come and welcome our new Ladies.

Daughters of the Nile Supreme Queen's visits

By Joyce Anderson-Johnson, P.Q.

DAUGHTERS OF THE NILE
ORONTO TEMPLE NO. 69

Oronto Temple had their Official Visit with Supreme Queen Marsha D. Sowers on August 20, 2014 and it was an exceptional day with Queen Beverly

Dixon beaming with pride for her Officers and Pro Tems for the beautiful Ritualistic Work they presented our Supreme Queen and Special guests.

The Oronto Temple Units performances shared their beautiful music and marching to the delight of all. Supreme Queen Marsha was delighted and thoroughly enjoyed them. The Durham "Dollies" of the Sunrise Nile Club wrote and sang a special song to Queen Beverley, who was truly delighted with the Club's gift to her.

We had a fantastic time at the Brooklin Harvest Festival on September 13th. The purpose to be out in the community to share our message of Daughters of the Nile, Shriners and Shriners Hospitals for Children were well received - many questions were asked and answered.

We had our 4-foot Fezzy the Bear there to meet and hug the children, little and Big!

Noble Joe Johnson was there wearing his Fez and taking pictures of Fezzy and his new friends, so that everyone will have a memento of the day. We look forward to attending this event again next year. For pictures for this event please go to our web site <http://orontotemple69.com>.

We are looking forward to making more of our delicious pie pastry on October 21, 2014. Deadline for orders is October 15, 2014. Cost is \$3.50 a pound. If you are interested in ordering pastry please contact: Joyce Anderson-Johnson - 905-668-6465 or joyce_joe@sympatico.ca

Sudbury Shrine's youngest 100 Million Dollar Clubbers

By Noble Nels Conroy - SUDBURY SHRINE CLUB

Noble Gary Trotter, while a Candidate in the Spring Ceremonial in Sudbury, explained to his granddaughters the purpose of his new fez and the important philanthropic efforts of Shriners. Both girls attended the parade.

Some two and half months later, these same two girls and three other grandkids from Oshawa decided to raise money for our Shriners Hospital. They set up a stand on Gary's front lawn the last week before school and sold lemonade, pet rocks and had the Grandparent's poodle perform tricks for money. They did this on their own with no direction from others.

All of the proceeds, \$110.20, were donated to the Shriners Hospital fund.

Rameses acknowledged the donation by making the children the youngest members of Sudbury's 100 Million Dollar Club. According to Grandma Trotter, the children were thrilled with their certificate.

Kudos to Abby, Hunter and their cousins!

Them Hillbilly Clans all a'buzz for fall festivities

By Distant Cuzzin Noble Joe Johnson

HILLBILLY SHRINE CLUB

Howdy Cuzzins, glad to see you all readin' this here news. Since the previous Hillbilly News scribe moved on, a suitable filler candidate to scratch out these musin's seems to be hard to come by. So I picked up my trusty writin' stick, and I said I'll git 'er dun for them chaps as they while away their time down at J. Johnson's General Store with the one gas pump at Burning Sands.

We even had to get old Cuzzin Earl to grab a log from the woodpile out back to put in the old pot bellied stove to ward off the autumn chill. Maybe a little Apple Pie might ward off the chill as well...

You know you're a Hillbilly when going to Wal-Mart is a favorite past-time known as "goin wal-martin" or off to "Wally World".

Now you might be a wonderin' what kind of happenin's went on at the Hillbilly Chowdown at Cuzzin Noble Jim Johnson Jr's and his Gal Beth's place this summer.

Well let me tell yu'all, it was a hoot! Not only did we have some real tasty vittles, there was a real hootenanny shotgun wedding with all kinds of partners coming out of them there corn fields to get hitched. There were some new Hillbillies made and some new Hillbilly Gals too.

Them vittles were shared with lots of cuzzins from some far away places like Sudbury, North Bay, Hamilton, and other places too many to count without takin' off a my shoes. Even our Potentate III. Sir Terry Fulton and Lady Helen attended and had a lot of fun and fellowship.

Only true Hillbillies grow up knowing the difference between "right near" and "a right far piece." They also know that "just down the road" can be 1 mile or 20.

Cuzzin Noble Prez Rik Kubiak, who is also Rameses GTA Circus Director, was proud to show off his speakin' talents at the Circus Appreciation Night at Rameses, thankin' all the Cuzzins and Gals, and the other Club's Nobles and Ladies for their hard work and dedication to the cause, helpin' out on Fire Watch, the Gals makin' them tasty vittles between shows, the helpers aguidin' them Circus attendees and wee ones through the entry portals, and makin' the Circus a lot of fun.

Well we are comin' into that fine paradin' weather and season. Put on your best parade duds and come on out to these parades and shake your booty to that be-utiful Blue Grass music. Join us if you can at the followin' parades:

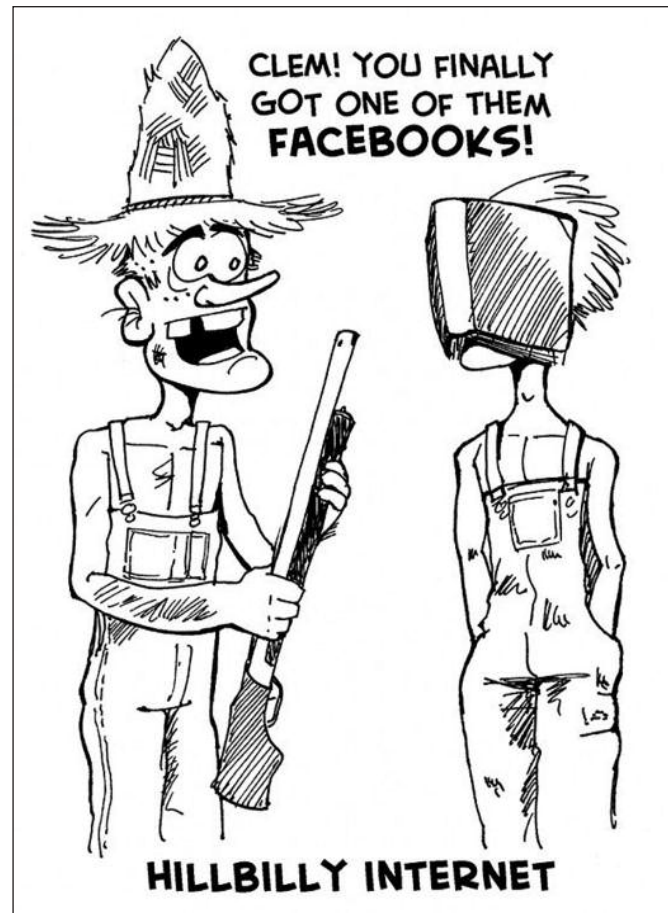

1. **Milton Santa Claus -Sun. Nov. 16**
(set up 12:00, parade 1:30PM)
2. **Markham Santa Claus - Sat. Nov. 29**
(set up 11:30 parade 1:00 PM)
3. **Streetsville Santa Claus - Sun. Nov. 30**
(set up 11:30 parade 1:00 PM)
4. **Stouffville Santa Claus - Sat. Dec. 6**
(set up 12:30 parade 2:00 PM)

You know yer a Hillbilly when you think that the first day of deer season is a national holiday.

Any Shriners not active in a Club should consider joining the Hillbillies, as our guys and gals have a lot of fun getting people laffing and tapping to our Blue Grass music. Contact our membership chairman, Cuzzin Noble Brian Korson at 905-735-4355 for details on joining. He speaks good English.

Only a true Hillbilly can show or point out to you the general direction of "yonder".

Remember, we are paradin' and havin' fun for our Shrine Kids in our Shriners Hospitals for Children. To those who are shut in, sick or in distress, may the G.A.O.T.U. take a liking to you.

ANNUAL IMPERIAL SESSION PARADES

Order of Parade Formation:

1. Police escort.
2. Dignitaries other than Masonic.
3. Parade Marshal and his aides.
4. Colours, singly or massed.
5. Musical unit (if possible).
6. Director General.
7. Automobiles of Imperial officers (present and past).
8. Trustees of Shriners Hospitals for Children.
9. Masonic Dignitaries.
10. Uniformed units of host temple. (Uniformed units of other temples in the state or Shrine association will take their places elsewhere in the parade formation according to their charter dates only.)
11. Uniformed units of Imperial Potentate's temple, followed by the other Imperial officers' temples in protocol order.
12. Uniformed units of all remaining temples will form in order of their charter dates, the oldest dates going first.

ANNUAL IMPERIAL SESSION PARADE REGULATIONS

In addition to Shrine Parade Regulations below, the following regulations apply to Imperial Session parades:

1. **Instructional Meeting.** The Potentate of each participating temple shall designate an officer of his temple, and a person from each motorized unit participating in the parade, to meet with the Parade Marshal and the Imperial Marshal prior to the parade(s). The time and place of the meeting will be announced at an appropriate time.
 - (a) A number of experienced Deputy Parade Marshals shall be provided with two-way radios and special transportation so that they can patrol the parade route. They shall have authority to remove from the parade any unit which is in violation of Shrine parade regulations or which cause a delay of the parade by failing to maintain proper intervals.
 - (b) Except with the express permission of the Imperial Potentate, no temple shall be permitted to participate in a parade unless it has at least 15 Nobles in its parade display. If they have fewer than 15 Nobles, they may parade with their association, which shall follow the temples by organization date of the association.
 - (c) No temple empty buses, trucks or trailers shall participate in the parade. This does not apply to temple units composed entirely of automobiles.
2. **Temple Officers.** Except with the express permission of the Imperial Potentate, no temple officers will be permitted in the parades without their temple uniformed units of at least 15 Nobles. No more than five temple officers, including the driver, will be permitted in a car. The temple potentate is to remain in his vehicle.
3. **Number of Motor Vehicles.** The use of large numbers of cars in smaller local communities is understandable. However, the Imperial Session parades require no unnecessary vehicles. These may cause an interruption of spectacular marching features for visiting officers and Divans and may add confusion and danger in the formation and spoil the pageantry from the viewpoint of the spectators.
4. **Floats.** All floats must have the prior approval of the Director General.
5. **Courtesy.** The purpose of Shrine parades is to afford an opportunity for all participating temples to publicly display the pageantry and glamour of the Shrine. To effectuate this purpose, mutual courtesy needs to be extended among all temples. Over the years, many temples have expressed dissatisfaction over the lack of consideration by certain participating temples and their units. Splendid marching units, and temples with special display features, located by numerical precedence early in the parade on the actual line of march, have executed spectacular street drills which, in themselves, add much to the general picture, but which retard the forward movement of the parade as a whole. As a result, many of our newer units, located far back in the line of march, have had their forward movement repeatedly halted, experienced exasperating delay, been required to stand in line, finished the parade weary and disgusted, and found themselves marching down deserted streets.

SHRINE PARADE REGULATIONS

1. **Non-Shriners.** Other than the police escort, dignitaries, distinguished guests and Shriners Hospitals for Children patients, only Shriners are permitted in Shrine parades.
2. **Cadence.** Marching cadence will be 110 steps to the minute, except for specialized units which may require a different cadence.
3. **Interval.** Intervals of not over 80 feet between temples and 40 feet between units are to be constantly maintained.
4. **No Impersonations.** No impersonations of ethnic groups, females, or political figures are allowed in parades.
5. **Vehicle Equipment.** No motorized vehicles shall engage their emergency sirens or lights.
6. **Safety Laws.** Motorcycles, scooters, and other motorized vehicles shall obey local laws regarding speed, prudent operation and the use of hard helmets. In states where helmets are not required, the temple potentate may direct helmet use for safety reasons instead of fezzes.
7. **Throwing Objects.** Neither candy nor other objects shall be THROWN to spectators along the parade route. A Shriner may walk along the edge of a parade route and hand out candy, Shrine information or other appropriate objects [No latex balloons.].
8. **Demeaning Displays.** No demeaning displays, or discharge of firearms of any type, or other items that may be considered in poor taste are permitted.
9. **Alcoholic Beverages.** Members of participating units shall not drink any alcoholic beverages before or during any parade, and they shall be circumspect in the use of soft drinks in public places so as not to give the impression they are drinking alcoholic beverages.
10. **Reviewing Stand.**
 - (a) At Imperial Session parades, a reviewing stand is reserved for the exclusive use of the Imperial Potentate, Imperial officers, Past Imperial officers and such guests as invited by the Imperial Potentate.
 - (b) At the reviewing stand during Imperial parades, temple divans will give the hand salute and must not stop to salaam. The Imperial Potentate (or ranking Imperial officer) receives the salute. When temples from an Imperial Officer's state or province pass in review, that officer receives the salute of these temples along with the Imperial Potentate.
 - (c) At association of temples parades, the ranking Imperial officer along with the association president or potentate (as appropriate) receives the salute of all temples. Other Imperial officers and association officers will follow the same procedure as above.
 - (d) At association of temples parades, the temple potentates may leave their cars and accept the salutes of their units.
11. **"Country" Flags.** No "country" flag shall be lowered or dipped when passing the Reviewing Stand or elsewhere.
12. **Enforcement.** Parade marshals shall enforce all Shrine parade regulations and they shall report any violator to the potentate of his temple. Failure on the part of a temple potentate to cooperate with parade marshals shall be reported in writing to the Imperial Potentate.
13. **Potentate Responsibility.** Each Potentate is personally responsible and accountable for knowingly permitting any violation of parade regulations. Temple Potentates are required to review parade regulations with their temple marshal, the Parade Marshal, and their unit heads.

CIVIC PARADES

1. **Shriners Only.** Notwithstanding the provisions in §335.11 of the international bylaws, in parades of temples at annual sessions of Shriners International, or in local Shriners parades or exhibitions under the auspices of temples or Shrine associations, only Nobles shall participate.
2. **Civic Parades.** In civic parades, and non-Shrine public appearances, Nobles, their ladies and children, and Masonic related or sponsored organizations, may participate, with the approval of the Potentate. Only Nobles may perform, compete, ride vehicles with fewer than four wheels, or operate any vehicle while parading.
3. **Regulations.** Shrine Parade Regulations 4, 5,6,7,8,9,11 and 13 apply to civic parades as well.

A fitting 100th birthday for Mr. Norwood

By Bill Freeman
Trent Hills Independent
REPRINTED WITH PERMISSION

It was a one-hundredth birthday celebration few will forget and a fitting tribute to J.J. Stewart, Mr. Norwood, a "bedrock" member of the township for generations and a stalwart leader of the local and regionwide business community.

Over 1,000 people streamed into J.J. Stewart Motors to honour Stewart

who was born August 23, 1914. The lineup to shake his hand snaked outside the showroom and seemed to never end. Outside, there was a festive party featuring classic cars, a barbecue, face painting and a bouncy castle.

It all started with a birthday breakfast that was a replica of a gathering Stewart and a clutch of friends, including Asphodel-Norwood Mayor, Doug Percy, enjoy every month. This time the guest list increased 100-fold to match the 100 years.

"We have been very close friends over all those years and I'm very proud of that friendship. It's nice to know people like him," Mayor Percy said, recalling his arrival in Norwood in 1969 to start a business and an early conversation with Stewart.

"He said 'I'll support you' and he never let me down," Percy.

"It's a pretty important occasion and Jack Stewart has been a supporter of this community; he has done so much for us. I felt I should lead this thing up. It's just been a wonderful thing, a beautiful thing," he said.

political heavyweights like Peterborough City Mayor Daryl Bennett and County Warden J. Murray Jones. A splendid framed birthday certificate and photo from Queen Elizabeth II was also on display. Bennett said Stewart was "admired as the bedrock of the local business community in addition to [his] commitment to the social and cultural wellbeing of the community."

"It truly has been the mark of a life well-lived and that's what you're all about [and] that's what this celebration is all about and that's what life is all about," he said.

"You've always been the embodiment of what Peterborough County is all about, your respect for everyone and your concern for everybody," Warden Jones added. "We are all better off because of you."

Peterborough MP Dean Del Mastro called Stewart a "cornerstone of the community."

"He's lived 100 years and he hasn't wasted any days," Del Mastro said, noting that Stewart still spent time at the office every day.

Del Mastro said Stewart has lived his life by "seizing each day, making the most of it and making a contribution."

Things have certainly changed since the days of

hand-cranked cars, grist mills, cheese box factories and cattle wandering into front lawns, Stewart admitted.

"Over the last 100 years I have been very fortunate to have met so many good friends," he said.

Many of the people he grew up with have passed on but the turnout at the Millennium Room and dealership showed that Stewart "still had a lot of good friends."

And as one breakfastgoer noted "a good man has good friends."

Fred Edwards, president of the Trent Valley Shriners, presents a life membership to J.J. Stewart during his one-hundredth birthday breakfast celebration. J. J. Stewart is a charter member of the Trent Valley Shriners. Looking on is Asphodel-Norwood Mayor Doug Percy.

Percy said Stewart's "sense of community" was remarkable.

"That's been his whole life and that's why everyone calls him Mr. Norwood. He deserves it."

The breakfast included scores of Shriners and Masons, local friends and

Countdown towards 2015 - update on construction

The countdown is truly on now! As fall of 2014 is upon us, we come to the realization that we are one year away from moving Canadian services to the new Shriners Hospitals for Children – Canada on the Glen site.

Work is progressing on the site as expected, but as walls go up and equipment is installed we are now getting a true picture of what the future will hold.

Q: Mr. Gantt, can you give us an update of the work accomplished in the last few months?

A: Since June there has been a lot of activity on the construction site, both for the exterior and interior of the building. Inside the building, we have focused on electrical, mechanical and plumbing installation starting from the second basement and moving up. Once those trades have completed their work, walls have been marked, studded and closed. This requires carefully orchestrated timing by our construction manager SNC-Lavalin to maximize the effectiveness of all trades.

The two tower cranes have been removed from the site, and all of the heavy and large equipment to be installed was delivered prior to that. For example, ventilation equipment has been delivered and is being installed on the roof penthouse. An interesting fact is that our tower cranes were housed in the

The outer shell of the building is currently 80% complete and the building is expected to be entirely enclosed before the winter months.

space reserved for our stairwells. They have been replaced by the stairs and the workers onsite now have access to the stairwells to move about the building.

As far as the exterior shell, it is now 80% complete and we are aiming to have the building completely enclosed before the winter months so that we can heat inside to continue the work over the winter months.

As well, the lay of the land has changed tremendously around our new hospital. We have completed the backfill along our foundation walls and the McGill University Health Centre has been landscaping as well as building the loop road that will go around the entire site.

Q: How many workers are currently on site on a daily basis?

A: As of September 2014, we average 180 workers. We expect to have 200 over the winter months.

Q: Is the project still on budget and on time?

A: The project is on budget and our construction manager has managed to catch up with the delays caused in certain areas due to the harsh winter conditions last year.

Shriners Hospitals
for Children®

Meet Our 2014-15 National Patient Ambassadors

Joe Dertinger of Waconia, Minn., and Katie Ladlie of Troy, Mo., have been selected as the health care system's national patient ambassadors for 2014- 2015. The announcement was made after the premiere of their video, "Born to Inspire" during the July 2014 Imperial Session of Shriners International in Minneapolis.

Every year, Shriners Hospitals for Children® chooses two national patient ambassadors to represent the thousands of children who receive care at the health care system every year. The Ambassadors share their stories to inspire others and raise awareness of Shriners Hospitals for Children.

Joe: A Champion Skier

Joe was born with an unusual condition that involved all four of his extremities. He had a short fibula and no tibia on his right leg, and only three toes on his right foot. His left ankle has an unusual "ball and socket" type of joint. He was also born with only two fingers and a thumb on each hand, and the fingers on the right hand were webbed together.

At our Twin Cities hospital, Joe was initially seen by an orthopaedic surgeon and a hand specialist, who recommended surgeries to separate the fingers on his right hand and amputation of the right foot so that a prosthesis would fit better. Over time, Joe received physical and occupational therapy at Shriners Hospitals for Children, combined with lots of encouragement. That, and having a twin sister to keep up with, helped Joe continue to make progress.

Joe, now 18, has been involved in adaptive skiing for many years. In the last two seasons at the national competition in Park City, Utah, Joe has won the Men's Junior National overall Alpine Skiing title. He is currently training for the Giant Slalom World Cup and the 2018 winter Paralympic games, which will be held in South Korea.

While Joe is passionate about his sport, he also wants to give back and help others with similar conditions and has enrolled in Century College's Prosthetics Technology program; he is set to start in the fall of 2014.

Katie: An inspiration to Others

Relatively quickly after her birth, Katie was diagnosed as having a vascular malformation, a very

rare condition. She has been a patient at our St. Louis hospital since she was 2 years old.

Katie struggled with severe knee pain and other difficulties for years. By the time she was 12 years old, her knee had deteriorated to the point that her physicians gave her two options, knee fusion or amputation above the knee. Young Katie bravely determined to have the amputation as this would free her from the pain and from the anchor that held her back, which is how she viewed her leg.

Shortly after the surgery, Katie was introduced to adaptive sports, which was a turning point. She became very active and is no longer sitting on the sidelines in pain. And then she discovered public speaking, and became a patient ambassador for our St. Louis hospital.

Katie, now 16, hopes to be able to give back and inspire others through her new role as a national patient ambassador.

We know that both Katie and Joe will do exactly that in the coming months.
