Potentate's Message

ILLUSTRIOUS SIR JAMES T. "JIM" RENNIE - POTENTATE

We have finally moved into our new Headquarters. We had a few hitches to clear up and I hope that they are all behind us by now. The first three events that were held there were a great test and everything went well. We, at the Divan, had the opportunity to present Noble Ralph Hutchinson with a plaque for a donation to the Three Star Gold Book Society Award for the Canadian Shriners Hospital in Montreal.

I mentioned in the last issue that several Shrine Clubs were having Master Mason's Nights and I have been to a few of them and they have shown to be very successful evenings. We should think of having more of them, and other functions that we CAN have Master Masons and their families attend.

Nobles, do not forget that the Spring Ceremonial in Belleville is coming up very fast and they sure need your support. Also, we need new Candidates.

It was nice to see a good turn out to the Special Ladies Luncheon. A big thank you goes to Noble Robert Wigmore and all of his helpers for a job well done. I know that the Special Ladies enjoyed themselves; also a big thank you to the band for the entertainment.

Nobles, do not forget to book your rooms for the Imperial Session in Houston, Texas. All you have to do is call the Temple and Rina or Toni will be glad to help you. Also, you will be supporting Rameses Shriners.

Remember that the Circuses will be starting in the middle of

June. You will be informed of where they are, with the time and locations. This is a joint event for all of Rameses Shriners to put their effort into. It is a great place to be wearing the Red Fez and to show everybody what the Shriners do. We need you for Fire Watch. It is not a hard duty to do and you get to see the show.

By now you should have all your plans together for the opening of the new Canadian Shriners Hospital in Montreal on August 20th.

Driving for our Kids

Niagara working hard

By Noble Dave Gillies

NIAGARA SHRINE CLUB

George Mitchell, Past Imperial Potentate, Recorder and a proud member of Niagara, congratulates our newly installed Secretary, Noble Ron.

How do you write an article when you're up to your eyeballs in the March snow that someone is going to read in June when its 75° or 80° outside? I guess you're supposed to be creative and far thinking. If my memory serves me correctly, there was a creative writing course offered at school that I seemed to have missed. Guess I'm going have to bluff my way through this one but my memory's not as sharp as it used to be. Also, my memory's not as sharp as it used to be. Now where were we?

Mocha Shrine Centre entertained a small group of our Nobles after they decided on a quick road trip, to visit London for lunch. Headquartered in a beautifully restored 1902 mansion in downtown London, the center also includes a large banquet hall, an addition in recent years. The centre is open daily for lunch; they were doing a brisk trade that day and serving a great food by the way. Some pins were exchanged with the Potentate and Recorder who then let us wander around to explore the magnificent old home's nooks and crannies on our own.

Fortunately for us, a Brother was also having lunch and possessed the keys to the Lodge building which occupies a lot on a street behind the Shrine centre. The modern, functional two-story building contains a huge Lodge room, with a little brother mirroring it on the main floor, and another large room for the Scottish Rite on the upper floor. The lower level has a large banquet room and kitchen used for rentals or Lodge functions. Well worth a visit to both if you find yourself in London someday.

Some of our Nobles got in a Circus practice while helping out Ismailia with their fundraiser in early March. I believe one was recruited to follow the elephants with a large shovel. His job, to retrieve the 10-pound, 10 pin bowling ball sized nuggets they like so much to deposit. Just read an article today; the Toronto Zoo is going to start producing electricity with their nugget finds and they are looking for investors; nuggets or cash I wonder.

A golden spoon award goes to the "Italians for a day Nobles" who organized, cooked and served our first spaghetti dinner fundraiser. By the time this issue comes out the next two scheduled for April and May will have taken place. If they produce the turn out the March dinner had we will have to expand the Club's floor plan. What an evening, a little of the red, some Italian crooner tunes, lots of sauce, pasta, kids and customers. If you closed your eyes your imagination might have found you dining alfresco overlooking Rome's Trevi Fountain and the throngs of tourists.

Not sure you will be pleased or not, but more tales may be forthcoming from visits to the Quebec fish camp on a more positive

vain I hope. A possible benefactor (only time will tell) found a boat with a matching inboard outboard driveline for the "Titanic" up in the Haliburton area. I'm going to transport the relic back home, and get to work on that monkey on my back in time for the opening week of those elusive eyes. Stay tuned for more reports, there might even be a story on the pickup trip if that familiar dark cloud appears overhead once again. The last time I was up there I had to go to court. The judge said, "you have been brought here for drinking" so I said, "well let's get started".

Our Hospitality Group received a gift of a mini bus from friends in Oshawa. Plans are to turn it into a PLUSH transportation unit for both Nobles and patients, as it's also equipped with a wheel chair lift. They are looking for sponsors of captain's chairs or anything that will contribute to the LIMO look of the vehicle, contact the Niagara Club if you have anything classy to donate. Meanwhile the 41 Chevy Clown Truck is up for sale along with a trailer to haul it, call and make an offer, we'll get right back to you. Not like the guy who told his Doc "I have ringing in my ears", and his Doc advised, "don't answer."

The Rameses Nobility also received a gift in March. The front door keys to a brand new Shrine Centre at 124 Queen's Plate Drive. Heard the christening was done at the leadership seminar so make sure you visit your new Headquarters soon, to check it out yourself. It's going to take a while for me to stop saying 3100 Keele St; but much easier and quicker for us Golden Horseshoe boys to get there and do some "Driving for our Kids".

Niagara was proud to host the New York Ontario Shrine Association Spring Session in April. I believe all the Temples in New York State that belong to the Association were represented along with the only Ontario member, Rameses. A great Fallsview Hotel served as headquarters; our Club room the venue for their meetings and the visiting Ladies were treated to a chocolate, wine, shopping tour of Niagara-on-the-Lake. All of this made possible with help from our Shrine Ladies and our sister Clubs of St Catharines and Port Colborne/Welland; everyone working as one cohesive unit.

The Maid is firing up her boilers in order to get a full head of steam up for the sail to the city of Belleville, name-sake of Lady Arabella Gore. Illustrious Sir Jim's Spring Ceremonial is shaping up to be a great one as the "Quinty" Nobles are practiced hands on putting on Ceremonials. Don't miss this one; it's going to be good, but don't get a waterbed there, the last time I was away, I got one and the wife called it the Dead Sea.

RECORDER'S MESSAGE

BY GEORGE MITCHELL
PAST IMPERIAL POTENTATE
Recorder

Isn't it great to be a Shriner . . . it's Feztastic!

I have the magic formula for success - and what is success?

There's a story about John F. Kennedy, the late President of the United States. As he was touring NASA and its operations, during the tour he walked by a man with cleaning supplies. JFK paused and asked him what he did at NASA. The janitor responded that he was "helping put a man on the moon". He was a successful man.

What would we say about Shriners International? Does it have this magic formula for success? Is the Shrine built to last? Will it transition from good to great and if so, how?

As we become comfortable and settled into our new home at 124 Queen's Plate Drive, or work into our new Webfez Temple Membership System, which is still a work in progress.

The uniqueness of Shriners International is that it relies on people to develop people to have fun with a purpose.

Remember "YOU" are the magic ingredient in Shriners International success and as Mother Theresa said "if you can't feed 100 people, feed one" and as I say, if we can't each bring in 100 new Nobles, be passionate, be persistent, go out and sell yourself and the Shrine to bring in one.

I love the Shrine and believe "Failure is not an Option". I often read articles about high profile leaders and how they would apply or relate their strategies, ideas or formulas to Shrine International.

I like to look at best practices of successful individuals, volunteers or new volunteers.

As I read articles, no entrepreneur sells himself quite like Sir Richard Branson, founder of the Virgin Group, a conglomerate of more than 400 companies including Virgin Atlantic Airways. He provides valuable lessons for the business world and aspiring leaders and says why business people can't speak simply, free of jargon and confusing concepts.

He doesn't speak for other people but dyslexia shaped his and Virgin's communication style. Branson said from the beginning, Virgin used clear ordinary language and if he could quickly understand a campaign concept, it was good to go. If something can't be explained off the back of an envelope, it's rubbish. He says too many business professionals underestimate the power of simplicity in pitching their stories, ideas or presenting their products.

An early Google investor once said if an entrepreneur cannot explain his product or idea in fewer than 10 words, an investor loses interest clearly.

Branson values simplicity as well and said he once pitched a business plan that fit on a beer mat. This idea was for low-cost Domestic Airline in Australia to take on Qantas and Ansett

Airlines, that "beer mat" pitch became Virgin Blue, now Virgin Australia.

Although that is Richard Branson's style, it may capture imagination with bold and inspiring visions. I am not recommending or suggesting we use beer mats and envelopes for suggestions and ideas. If we can encourage change to help empower Nobles, to realize their dreams through fun and fellowship of Shrine Masons.

We may not help put a man on the moon, or bring in 100 new Nobles, but we could make a difference in the lives of our members and children in Shriners Hospitals.

Whatever it takes or how we make it happen, what the world needs now is more Shrine Masons.

Let us all work together in harmony, have a vision to keep the red fez smiling.

It's that time of year again . . .

The 2015 Rameses Shrine Circus

Is coming to town and we are looking for help from Shriners, Shiners Ladies, family members and Masons to help take tickets, watch strollers, general security and of course, Fire Watch.

Nobles, I know that I am asking for a great deal of each Club and Unit, with some being asked to come out even more than in the past. Unfortunately as the number of Rameses Clubs and Units decrease it places a greater burden on the rest of us to ensure that the show continues to go on. So please, if you can spare the time, come out on your own or with the family and support the Shrine Circus.

If I inadvertently overlooked your Club or Unit and it is not on the schedule I am sorry. If you can spare the time please come out and lend a hand.

Shriners reporting for the Fire Watch please report in one hour prior to show times. This allows you time to sign in and report to your station. Fire Watch must be in place 45 minutes prior to show time; that's 15 minutes before the public is allowed to enter the tent.

For Rameses Shriners, the Circus is more than a fraternal fundraiser. It is also an opportunity to give back to the community, by making it possible for everyone to have a Circus experience.

The Shrine Circus brings something important to the community - quality, affordable family entertainment.

So come out, renew acquaintances, lend a hand and help us help our kids!

Nobles and Ladies.

Lady Barbara and I take great pleasure in welcoming you to the friendly City of Belleville for the Rameses Shrine Spring Ceremonial, 2015.

The Belleville Shrine Club Nobles and their Ladies have planned many activities to ensure an enjoyable stay for everyone.

A well deserved thank you to the entire Ceremonial Committee for bringing to fruition many years of planning and hard work.

Come join the celebration and enjoy yourself.

A MESSAGE FROM

Director General – Clarence Stevenson

Welcome to the Friendly City of Belleville and the Quinte Region. It's hard to believe that the 2015 version of Rameses Spring Ceremonial is almost here. It has been an honour and a privilege for me to work with our Potentate, Illustrious Sir Jim Rennie, as the Director General for this year's event. The Ceremonial Committee and all the Nobles and Ladies of the Belleville Shrine Club have been very busy making this one of the largest and most successful Spring Ceremonials that Rameses Temple has seen for many years. Belleville Shrine Club hopes you enjoy the fun-filled weekend we have planned for you: "On the Road to Belleville"

A MESSAGE FROM

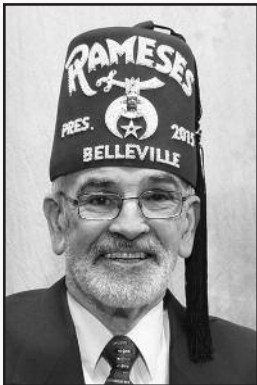

Leonard Bedford - President, Belleville Shrine Club

On behalf of the members of the Belleville Shrine Club we extend to everyone a warm and sincere welcome to our Friendly City.

Belleville thanks Illustrious Sir Jim Rennie, Potentate of Rameses, for the honour of hosting the Spring Ceremonial in 2015.

An event of this magnitude cannot happen without the devotion and dedication of many. I would like to express my thanks to Noble Clarence Stevenson, Director General, and to all the Nobles who headed up the many committees. Also, many thanks to our Nobles and Ladies for a job well done.

This will be a weekend of "Shriners having fun and helping kids".

A MESSAGE FROM

The Mayor of Belleville – Taso Christopher

It is an honour and a privilege to have this opportunity to extend a warm welcome to visiting Shriners and their Ladies who are attending the Shriners Spring Ceremonial. This four-day event promises to be one of great excitement for all the participants. I offer my personal best wishes to the new Candidates. The camaraderie and pride you will garner from belonging to your respective Shrine Clubs will serve you well. I would be remiss if I did not also take this opportunity to formally acknowledge the work that the Shriners undertake to help children and families in need. Your commitment and ongoing dedication to the betterment of society is truly appreciated. On behalf of my colleagues on Council, once again our warmest welcome and we hope you have a wonderful time during your visit and return home with great memories of the time spent in the "Friendly City".

Greetings Nobles. I think all of us are very much aware that Membership is our number one challenge. We must increase our membership if we are to survive. There are several factors working against us at this time, being the large number of black camel visits, demits and suspensions. With an average age of 74 in our Temple, there is very little we can do about the black camel. However, there is a lot we can do to cut back on demits and suspensions.

Membership is not only the responsibility of the Divan and our Membership Committee. It is a responsibility of each and every one of us. We are all part of the "Membership Committee", and the key is we have to work together, the Divan, Club and Unit Executives and Nobles all. We have to, as a group and a team, get out into the Lodges where our potential members are located. We have many tools such as advertising materials and videos to help get our message out, but the key is to get into the Lodges and talk to our Masonic Brethren.

At the present time only 13 percent of Masons in our area are members of the Shrine. This is very low, in fact one of the lowest percentages in North America. Our only way to increase this percentage is to get these Masons into our Temple is through open dialogue.

Over the past few months there has been an increase in activity at the Club and Unit level with many Master Mason nights and other approaches to the Lodges giving us some success in getting our message out. Our secretaries are contacting local Lodges with news of our activities.

To all the Clubs and Units who have held Master Mason nights I sincerely thank you for your efforts and encourage you to continue. Should you require any membership material, please contact any member of the Divan or Membership Committee all of whom will be more than happy and willing to assist you in any way possible.

Let us be clear when we go out to talk to the Lodges, that we instill in their minds that the primary focus of the Shrine is twofold.

AL's ALMANAC

BY ALAN BERRY
Chief Rabban

First, it is FUN! We were formed by Masons to have fun and enjoy our activities. Sometimes we maybe forget this and take ourselves a little too seriously. Let's get back to the fun aspects by supporting each other at our picnics, BBQ's, social events and all activities offered. Visiting has always been a cornerstone of Masonic activities and as such it should be a cornerstone that we travel and support each other. In many parts of our area local Clubs are banding together and supporting each other. This sends a positive message to the local Lodges in that area that we are a fun friendly group and worthy of their consideration.

Our second focus is of course our philanthropy – our

Hospitals. Our message there is very clear that we take a great deal of pride and satisfaction in our support of our Hospitals. We see the results on a regular basis and know that we are making a difference. I recently visited our Sudbury Club to attend the cheque presentation for their Botox Clinic and was impressed and proud of the work that this Club along with the local hospital are achieving. We had the pleasure of seeing six little children whose lives have improved because of

our efforts. These children with so many challenges were laughing and smiling. One little guy who couldn't walk prior to his treatment is now walking. I offer my thanks and congratulations to the Nobility of Sudbury for their great work. I know all of us who visit at our different Hospitals feel the pride of belonging. We need to get this message to our Masonic Brethren.

In closing, I thank you all for your efforts in membership. Lady Jackie and I look forward to meeting up with you during our visits over the summer months.

TREASURER'S REPORT

BY JIM MCKINNEY, P.P.
Treasurer

Nobles, at long last Rameses Shriners has finally moved to a new home at 124 Queen's Plate Drive. If you have not been to the new building, I suggest you go down to our new Headquarters for a visit and see it.

I would also like to thank all the Nobles who came down to the Leadership Seminar. A special thanks goes to our Chief Rabban Noble Al Berry for organizing a very successful event, and in addition to organizing a really nice Potentate's Ball. Well done.

As we head into summer, there are many events to attend and have fun. I urge you to get out and attend as many events as possible.

The Circus will also be coming to town which is always a fun event to attend. Please try and come out to as many performances as you can. It is your attendance which makes our participation in this very important fundraising event possible.

I would also ask you Nobles to reach out to your family friends to find new members. With your help we can start to increase membership.

Last but not least if you have not paid your dues, please do so ASAP.

I look forward to seeing many of you soon. Have a great summer.

WOODY'S WISDOM

BY TOM WOODROW
High Priest & Prophet

Well Nobles, spring is finally here! I would like to congratulate Noble Chief Rabban Al Berry for the great job he did organizing our Rameses Shrine Leadership Seminar. Also, thanks to all the presenters. We hope that you were able to find it interesting and informative.

Nobles, the Spring Ceremonial is fast approaching. As always the Belleville Shrine Club is preparing to put on a great show. I certainly hope that all our Clubs and Units are working hard to bring in new members.

Congratulations to our Potentate, Noble James Rennie and

I hope this message finds all of you healthy and brimming with enthusiasm for another spring and summer of Shrine fun and fellowship.

Your Divan has been very busy with a number of fraternal functions. Many hands make light work.

We have hosted our Leadership Conference at our new Headquarters. I heard nothing but positive remarks and we hope to host another session in the future.

Congratulations to Noble Al Berry, Chief Rabban, on another successful Potentate's Ball. Oddly enough the first song was a trucker song. The dance floor definitely got a workout. There are

Lady Barb on a great Potentate's Ball.

We are finally in our new home. Yes, it was a long time coming but I think that you will agree that, the wait was well worth it. I realize that there will be some criticisms but remember, "Honesty, Determination, Persistence and Faith" are the four elements that will make up the cornerstones of all we want to do in life. Placing these elements at the four corners of the foundation will enable us to build character. With the element of "character" as our cornerstones, we can be assured of a successful life. We will be empowered to achieve greater heights by each small success along the way.

Woody's Quote

"Life is not about the breath that you take but, what is in your heart and what you give from your heart." This is something that Noble Ralph Hutchison knows about.

HANDYMAN'S MUSINGS

BY JED HANDY
Oriental Guide

far more functions than space will allow me to mention. Needless to say we spread the good words: "Driving for our Kids"

Let's stay positive and focus on fun and philanthropy. Remember, "Believe you can and you are half way there".

DAVE'S NOTE PAD

BY DAVID RAWN
Assistant Rabban

Nobles, spring has finally arrived. Rameses Potentate's Ball, in honour of Ill Sir James Rennie and his Lady Barb, has come and gone and was very well attended. Our Chief Rabban, Al Berry, and his Lady Jackie did a fantastic job planning the evening and it turned out great. Congratulations to Noble Al and Lady Jackie.

Our Spring Ceremonial in Belleville is just around the corner but you still have time to welcome another Candidate into the World's Greatest Philanthropy. Come and join the fun!

A warm welcome into Shrinedom for our new Nobles. You have chosen to become members of the world's greatest philanthropy. When you see the work that Shrine Hospitals do for our children, there are not enough words to explain the feeling of pride and gratitude.

However, even the miracle workers in our hospitals cannot do it without the help of our Nobles. You will only get out of the Shrine what you put into it. Thank you for joining Rameses Shriners.

I would like to invite all the Nobles and their Ladies to our annual Drum Head Church Service on Sunday, June 14th, 2015, 8:00 a.m. sharp at the Belleville Cenotaph on Station Street.

CHAPLAIN'S CORNER

BY REVEREND
BEVAN CARRIQUE, P.P.
Chaplain

There will be a breakfast following the service at the Belleville Shrine Club. All are welcome.

As a Noble do you ever wonder about your value? No need! To our Hospitals and to God you are the most valuable thing in the world.

If I can be of any service to you or your family, please feel free to get in touch with me.

Leaving a Legacy of Hope

Hôpitaux Shriners

Shriners Hospitals
for Children®
Canada

At Shriners Hospitals for Children® – Canada, it is the generosity of our donors that gives kids a chance to realize their dreams. Through our specialized services, innovative research and training, we help make these dreams come true every day.

You can be a part of these dreams well beyond your lifetime. By naming Shriners Hospitals for Children – Canada in your Will or by considering a planned gift of life insurance, RRSPs/RRIFs or securities, you can leave a legacy of hope and health for generations to come.

Charitable Bequests – The Benefits to You

It's important to Have a Plan

When you donate to Shriners Hospitals for Children – Canada you can make a meaningful difference in the lives of countless children, either during your lifetime or through your Will.

However, the need for a Will has little to do with the size of your estate and much more to do with your willingness to make that difference.

With proper planning, a charitable bequest can help to reduce taxes owing upon death and ultimately will ensure that you maintain some control over the distribution of your estate to chosen beneficiaries.

Donor Appreciation Programs:

Our donors are part of a unique group who believe that every child deserves a chance to realize their dreams!

Leaving a legacy is an important decision. Shriners Hospitals for Children offer a remarkable Donor Appreciation Program to appropriately acknowledge and thank donors who have generously established a legacy or bequest in their Will.

LADIES ORIENTAL SHRINE

OF NORTH AMERICA

BOKHARA COURT No. 22

Our new corps of advancing officers for 2014/2015 are: Lady Marion Searle, High Priestess, Lady Meredith Pennock, Princess, and Lady Tanya Waite, Associate Princess, Lady Lisa Sellarajah, 1st. Ceremonial Lady and Lady Edith Rawn, 2nd Ceremonial Lady, wife of Rameses, Assistant Rabban, Noble David Rawn.

Our Grand Council will be held in Orlando, Florida, May 17 to May 22, 2015. Lady Edith Rawn, our mushroom will receive her symbols for her class and they will be announced at a later date.

Our Installation was held at our new home and was very interesting as we adjusted to our new surroundings, with entrance doors in different places. It is amazing how the head doesn't want to let go of old comforts. It was well organized with Noble Eric Searle, grandson, doing a fine job of removing the chairs as needed. Granddaughter, Lady Kaitlynn Searle and daughter-in-law, Lady Mary Searle were installed as Greeters. We were entertained before and after our meeting and dinner by Joanne Rhude with wonderful keyboard music.

Lady Marion Searle, High Priestess was presented with a cheque by President, Noble Gordon A. Fraser of the Sudbury Shrine Club in the amount of \$10,000 toward our Bokhara Court gait lab project for the Shriners Hospital in Montreal. This was gratefully received with loud applause.

Congratulations Levon - check cheque

CREDIT VALLEY SHRINE CLUB

We have had another winner in our Shriners Lottery Group. He is doggone lucky. This is my Granddog who won \$100. His real name is Levon and his nickname is Lerve from somebody who couldn't pronounce his name properly (Donna A). He signed it with his paw print and had it cashed.

Gold Book Society award presented

Illustrious Sir Jim Rennie and the Rameses Divan, had the opportunity to present Noble Ralph Hutchinson with his Three-Star Gold Book Society award for a donation to the Canadian Shriners Hospital in Montreal.

Nine levels of giving, from \$2,000 to \$249,999.99, are recognized by Gold Book Society awards given to living benefactors.

The Three-Star Award covers donations between \$7,500 to \$9,999.99.

Driving for membership and having fun

By Noble Joe Johnson

OSHAWA AND DISTRICT SHRINE CLUB

The Oshawa and District Shrine Club has been trying different methods of attracting Master Masons to become Rameses Shriners.

In February, the Oshawa Club held a Hawaiian Luau complete with Kalua Pig and real Hawaiian poi imported from Hawaii. Current President Noble Dennis Urbanski had spent some time in Hawaii before returning to Oshawa and thought this was an excellent break from the February blahs.

We entertained 8 Master Masons and 1 previous member of Rameses Shriners as well as some of their family members. Even Potentate Jim Rennie and Lady Barbara enjoyed the festivities, food and fun.

One of our members is also heading up an ODSC Shrine Degree Team, in order to get out in front of our Brothers in Lodge and show them we support our Craft Lodge as well as Shrine activities. Members of

the Oshawa and District Shrine Club are also standing up in Lodge to announce upcoming events and

activities at the Oshawa Shrine Club open to Master Masons and their families.

Our President Noble Dennis Urbanski also was invited out to Doric Lodge No. 424 in Toronto East District to give a talk on Shriners and the Oshawa and District Shrine Club in particular. He was well received and had a number of Shriners present (see picture of W.M. Terry Spalding-Martin, ODSC President Noble Dennis Urbanski, and several Nobles in attendance).

We have several events coming up including the annual Golf Tournament in June, the Mini Bike and Tractor Unit Family BBQ in August, a Chili Cook-Off in September, a Bus Trip to Mont Tremblant and Montreal in September, an Activity Dinner in October, a Turkey Roll in November, a Lunch with Santa in December, as well as a Masquerade Ball on New Year's Eve. Keep an eye on our ODSC Bulletin newsletter, or on our web site www.oshawashrineclub.com for something to do. Of course we do our fall and winter parades as well. You can never have too much fun.

Our Shrine Kids look forward to our December Toy Drive bus trip as well when we drop by the Hospital to visit bearing gifts, tour the Shriners Hospital and say hi to the kids and families who might be there.

Sheba Shrine June Jollies

By Noble Doug Griffin

SSCCS

SHEBA SHRINE CLUB CHIEF SCRIBE

How do you write an article in April for the June Papyrus? The answer is with a pen and a lot of imagination. I can relate to you all the present and the past activities here at Sheba but I can only hope that my vision of future happenings is close to what is now going on as you read this article. So let's see how good my psychic ability is!

First, let me say it is great to see green grass, flowers and leaves on the trees . . . (How am I doing so far?). The Spring Ceremonial in Belleville is in a few days . . . (I looked at the calendar). The weather forecast is sunny and hot with above normal temperatures . . . (I have a 50/50 chance on this one). This year we had more Nobles and Ladies hold hands and kiss than at any previous Ceremony . . . (Now it is up to you to make this premonition come true!) Noble Joe Johnson of Rameses Press Corps reported that he snapped so many photos of couples holding hands and kissing that it will take a week to post them on Rameses Photo Gallery Web Site . . . (I can't wait to see if this comes true!) Noble Joe Johnson also reported that those who could not make the Spring Ceremonial have sent in "selfies" of themselves kissing their Ladies; he has received over a hundred so far . . . (It is amazing how fast Shriner's will pick up on a good thing). It was reported that this year's Spring Ceremonial in Belleville was one of the most "loveable" of all time . . . (We have the pictures to prove it!). Our Illustrious Potentate James T. "Jim" Rennie still has lipstick on his collar from an enormous kiss from Lady Barb . . . (Barb if you are just reading this go ahead and plant one on him).

Fun Wow!! Some Shriners will say this is "Feztastic", while most Ladies will say, "Pass the Lipstick".

On behalf of Sheba Shrine Club Barrie and all Rameses Shriners I want to congratulate every New Shriner on becoming a member of Rameses Shriners and The World's Greatest Philanthropy. It has been a long journey for you and we welcome you into our Shriner/Mason Family. I can tell you that the proud feeling you now have will become larger when you visit one of our Hospitals or join a Club or Unit. CONGRATULATIONS! Wear your Fez proudly and often.

While I have successfully predicted the Future and brought love back to Rameses, let me tell you about the Past and Present.

March came in like a cold wet lamb and went out like a mild tasting mutton. The warm temperatures melted away the cold memories of winter. Even at our March Meeting everyone seemed warmer than usual. But then I realized why my fellow Shriners were so kind and courteous. It was due to the presence of three Ladies from Sharamazda of Bokhara Court #22.

It was a pleasure to welcome Lady Nancy Finch (the 2015 President of Sharamazda), Lady Donna Coulson (Fundraising Chair) and Lady Debbie Money (Membership Chair; and also the wife of Noble Keith Money, who is also Lady Debbie's husband).

Back in February, at the Valentine Tea, Sheba President Sandy Mealing presented the Ladies of Sharamazda with a cheque for

\$2,000 dollars for their Gait Lab Hospital Fundraiser. The Ladies were now here to present Sheba Shrine Club with a cheque for \$2,000 for the use of our building and facilities. Aren't Cheque Presentations so much Fun?

Lady President Nancy Finch gave Noble President Sandy Mealing the cheque for \$2,000 dollars that he handed to our Noble Vice President Norm Malcolm who quickly signed it and gave it back to Noble President Sandy Mealing who also signed it . . . (I hope you are following this so far and you haven't lost track of the money; and that's not Debbie Money who is Keith's wife) Lady President Nancy Finch was then given the signed cheque by Noble President Sandy Mealing, who then says "Please accept this donation on behalf of The Nobles of Sheba Shrine Club".

Well talk about a March Thaw, that was a real "Jaw Dropper"! I thought everyone in the room was going to melt. Sheba Treasurer Noble Rick Partridge is still trying to figure out who ended up with the money, so is Keith Money but Lady Debbie knows exactly where it is!

This Reporter attended the March Seminar at the new Rameses Shrine Centre on Queen's Plate Drive and I must say I was not only impressed with the information that we received but also with our new building and facilities. At the end of the day I walked away with a lot of knowledge and the satisfaction of knowing that this new building will meet our future needs. I could have taken pictures but you really need to see it for yourself and while you are there you should check out the new bar. I think you will find this Oasis will certainly give a lot of liquid nourishment to any "Sons of the Desert" and for those "Sons of the Dessert" the kitchen is big enough to accommodate any waistline.

I think it is appropriate to also give recognition to our Rameses Office Staff. Rina DiTommaso, Office Administration Manager, Sonia Gordon, Senior Clerk, Toni Radocchia, Secretary/Office Assistant and Veronica Szegho, Accountant. At the seminar we were given a list of duties that each one of these ladies is responsible for. It was a revelation for many of us. We are fortunate that we have such a hard working, dedicated Staff assisting our Divan. Thank you Ladies.

Illustrious Sir James T. "Jim" Rennie has chosen "Driving for Our Kids" as his motto and when you think about it we are constantly "Driving". Whether it is to a Meeting or a Parade and whether we are driving alone or we are with other Shriner/Masons, the driving force behind us is our Kids. So the next time you are behind the wheel if you remember Illustrious Sir Jim's Motto it should put a smile on your face.

I would like to finish off this article with a joke but I am told by my fellow Nobles at Sheba that my jokes aren't funny. They must be right because I hear more groans than laughter. So instead of being a Comedian I will sign off as a Magician and disappear into the sandy shores of Kempfenfelt Bay.

Abacadabra.... POOF.... I'm gone.

Remembering Illustrious Sir Hugh Pancoast PP

By Noble G. J. (Jerry) McKnight

SHRINERS CLUB OF HAMILTON

They were the "best of times". You were a Rameses Shriner born and raised in Canada's steel town, Hamilton, Ontario, and proud to have just been elected as their Potentate.

The year was 1983 and you, Illustrious Sir Hugh Ervin Pancoast are the Potentate; an honour you deserved and worked very hard to obtain since crossing those hot sands 10 years earlier in 1973. That same time presented you with other challenges not the least being the severe downturn in the steel industry that became a major factor in your having to close down the company that you owned. In that regard, for you personally, they must have been, the "worst of times" and no one would have blamed you for passing on being the Potentate.

While researching other Nobles that were involved at that time as to the attributes of our Illustrious Sir Hugh, the one that stuck out in my mind was from our Imperial Sir, George Mitchell who responded, "He was my John Wayne", that kind of said it all and made me realize just how great a Potentate he must have been.

Noble III. Sir Hugh passed away peacefully on February 23rd, 2015 in his 86th year. Beloved Husband of the late Lady Olive Pancoast. He will be sadly missed by his son Guy, grandchildren Guy, Ashley, Janene, daughter-in-law Arlene as well as many siblings and friends.

Beach Lodge No. 639 was his Mother Lodge and he was also a member of St John No. 6 Royal Arch Chapter, the Preceptor Geoffrey de Bouillian, a notable Jester and became a life member of Rameses Shriners in 1985. A great Masonic journey indeed!

The Masonic funeral service was held at the Donald Brown Funeral home on February 27th with many distinguished Past Potentates not only attending but also performing a very emotionally packed, flawless Masonic funeral ceremony. The Masonic service was immediately followed by an impressive group of Jester Brethren, one by one filing up to pass along their warm good byes. Grandson Guy, in his eulogy, stated that

his Grandfather simply loved to help people, especially children and the underprivileged in every way and at every opportunity that he could.

A reception was then held at the Hamilton Shrine Club where a celebration of Hugh's life was enjoyed by all. Thanks and appreciation to the Pancoast family, Lady Dawn and Noble Nick Eveley for the very excellent refreshments. Definitely first class and worthy of a great Past Potentate.

Like John Wayne, Illustrious Sir Hugh was a hero figure to many people from all walks of life and although our Hamilton Club has not had anyone fill that distinguished office for over 30 years since, we are very proud of having been blessed with the presence and leadership of Illustrious Sir Hugh Pancoast.

Like John Wayne, we will remember you for a very long time. Happy to meet, Sorry to part, Happy to meet again.

Share Your Fraternal Pride on Shriners International Awareness Day

On June 6, 1876, the Imperial Council, the governing body of the Shriners fraternity, was founded. To celebrate and recognize this important milestone in our history, Shriners International has declared June 6th Shriners International Awareness Day. On this day, nobles everywhere are encouraged to celebrate their great fraternity and raise awareness of the importance of our organization in their communities.

Shriners International urges all nobles to display their pride in the fraternity by wearing a fez (when appropriate), hat, shirt, lapel pin, or other item with the fraternity's logo. In addition to wearing Shriner apparel, Shriners International encourages all temples and Shrine clubs to organize special events at their temples and in their communities to honor the achievements of the organization. These events will also support membership efforts. The more information we share about our fraternity, the more we build potential for membership growth.

Show Your Pride and Celebrate Our Heritage

"Shriners International Awareness Day is the perfect time to show and share our pride in our great fraternity. Please take the opportunity to celebrate our heritage and history, share your own story of being a Shriner, and resolve to be an even more active and involved participant in both your fraternity and philanthropy," said Dale Stauss, Imperial Potentate. "Sharing our pride and showcasing the many ways our fraternity impacts our lives and our communities will energize our nobles and inspire potential members to learn more about us."

This international day of recognition is an annual opportunity for Shriners to share information about the fraternity, its history and the benefits of becoming part of an organization dedicated to fun, fellowship and philanthropy.

Plenty of Ways to Participate

Here are a few ways both nobles and temples can get involved:

- » Wear your fez on Shriners International Awareness Day when appropriate (during an official Shriners function).
- » Show your pride in Shriners International by wearing a hat, shirt, lapel pin, or other item with the fraternal logo.
- » Organize an event at your temple or in your local community. Inviting the public to participate will increase awareness and interest in both your local temple and Shriners International.
- » Promote Shriners International Awareness day on your temple website and social media pages. Announce the date at all club and unit meetings to ensure all nobles are informed.
- » Distribute the Shriner Primer and pocket petition to potential prospects during community events.
- » Hold an Open House at your temple.
- » Host a Media Night.

We hope that every Shriner and every temple will participate in this important opportunity to honor our fraternity. We look forward to news of your successful Shriners International Awareness Day activities.

Shriner and Lady volunteers needed for local Spartan Race

Our Canadian Shriners Hospital for Children has partnered with Spartan Races in Halifax, Quebec City, Mont-Tremblant, Ottawa and Toronto.

Rameses Shriners are responsible for providing volunteers to assist with registration of the runners at the Toronto based events.

The Toronto based events will be held on July 18th and 19th at "Ski Brimacombe" just north of Newcastle Ontario.

The day starts at 6:30am and ends at 5:00pm. Ten volunteers are required for the entire day.

Our proposal is to split the day into two shifts, so you can see that 20 to 25 volunteers will be required each day. For more information or to volunteer to assist, Shriners and Ladies are asked to contact Noble Al Berry at 905-446-9495, alynne@rogers.com or Noble John Neil at 613-395-3929, john.neil@sympatico.ca .

The Spartan Race is an obstacle course event. If you are interested in taking part in the race, please check out the Spartan Race website at: <http://spartanrace.ca/>

The following is taken from the Spartan Race website:

Born in the scenic hills of Vermont, USA, Spartan Race was created to bring the excitement of obstacle racing to spectators and athletes alike. That means you.

With 130 events in 15 countries and 6 continents in 2014, Spartan Race is available to most everyone in the world.

Spartan Race is a true adventure that anyone can do, and

everyone should try. With course lengths of 3+miles (Sprint), 8+miles, (Super) and 12+miles (Beast) each course is filled with mud, water, and signature obstacles designed to help you discover your inner Spartan.

Athletes of all fitness levels will enjoy participating in a Spartan Race and the feeling of accomplishment that comes at the finish line.

Spartan Race even has events for kids and young adults. We believe that fitness and adventure should involve the whole family. Come out and watch your kids run, jump, and climb like children were meant to do all in their own Spartan Junior Race.

Not sure you are ready to run a Spartan Race? It's OK, we have everything you need to get you ready: guided workouts-of-the-day, nutrition tips to help you eat better and free workouts held in cities wherever Spartan Races are organized.

Spartan Race is not only the world's best obstacle race, but can be a complete lifestyle overhaul.

So even if you've tried a trail race, mud run, obstacle race, or adventure race it's time to try a Spartan Race. Unlike other obstacle races we offer something for everyone. So sign-up, gear-up and find out why we say...

You'll know at the finish line.

August 17th – 20th Oronto Temple – Many Ladies will be travelling along the 401 corridor visiting various Temples along the way to attending the Dedication of our 4th Million Dollar Plaque for Canadian Temple donations to the Shriners Hospital for Children Canada in Montreal as well as the Daughters of the Nile Floor dedication on August 19th and the Opening Ceremonies of the new Shriners Hospital for Children Canada in Montreal on August 20th. It is a very exciting time for all.

We are always working on our Fundraising plans and we are saving Canadian Tire Money to purchase items for the Hospital as well as the Temple. If you would like to contribute any of your Canadian Tire Money to our cause please contact any D.O.N. member.

We will be going "Under The Big Top" at The Famous People Players Theatre on October 24th in the afternoon. All are welcome. The tickets are \$65 for the Show and Dinner. If you would like to order tickets please contact Queen Elaine at 647-343-1505.
