Potentate's Message

ILLUSTRIOUS SIR JAMES T. "JIM" RENNIE - POTENTATE

I would like to thank all the Nobles for putting their trust in me as Potentate of Rameses Shriners for 2015. I know that I have a hard road to travel and to keep the high standards of Rameses going.

As your new Potentate I will do my very best, as the Potentates have done in years gone by.

To Ill. Sir Terry Fulton and Lady Helen, we wish you well and thank you for your support to Rameses Shrine over the years.

I would like to thank Ill. Sir Bevan Carrique, P.P., for doing a great job at the Installation and all of the scrutineers.

I would like to welcome your new Oriental Guide Noble Jed Handy and his Lady Christine.

I would like to welcome back Ill. Sir Jim McKinney, P.P., as Treasurer and his Lady Linda.

I would like to welcome back Imperial Sir George Mitchell, P.I.P., as Recorder and his Lady Deanna.

The biggest surprise was when I saw the two Nobles from Aladdin Shrine Temple in Columbus, Ohio. I have known these two Nobles and their Ladies for 17 years. Nobles, if this is not Brotherly Love what is it? If you were there I was speechless. The story I heard from one of their Ladies was that they would be here come hell or high water, but it was snow instead.

A few events coming up at the Temple are:

February 21 Financial Meeting at 1:30 P.M.

We are planning a seminar on March 21st, 2015 at 124 Queen's Plate Drive. Please plan to attend, as we have not had one in a few years. All the information will be emailed to the Club and Unit Secretaries. Be sure to reply so that we have enough material for all.

Membership is our number one issue. As you know we lose about 100 Nobles every year to the Black Camel. My goal this year is to replace the ones we lose. Nobles please don't let me down. We need your help, as we can't do it by ourselves.

There will be a presentation for the Potentate's Trip at the Temple on Sunday, March 29th, 2015 at 1:00 P.M.

Do not forget the Potentate's Ball on April 11th, 2015 at the Woodbine Banquet Convention Hall at 30 Vice Regent Boulevard, Toronto, Ontario. All the information you need to know is in the Papyrus.

Be sure to register for the Spring Ceremonial in Belleville on June 12th to 14th. Book your rooms through the Housing Chairman Noble Calvin Thomas.

Lady Barb and I are looking forward to meeting the Nobles and their Ladies as we travel throughout our jurisdiction having fun as Shriners do.

I would also like to say thank you to all the Nobles that helped me through my years coming up the line and to the Past Potentates that have guided me. Thank you one and all.

My motto comes from being in the truck and transport industry. It seems that we Shriners are always driving here or there for one thing or other. So driving for our kids seems appropriate.

Driving for our Kids

RECORDER'S MESSAGE

BY GEORGE MITCHELL
PAST IMPERIAL POTENTATE
Recorder

Isn't it great to be a Shriner . . .
it's Feztastic!

Our Greatest Gift

Having fun and "Driving for Our Kids" as Ill. Sir Jim Rennie says.
Many of my favourite and best-loved short stories are the progress and testimonies of our Shrine kids.

These wonderful stories contain valuable lessons for us as Shrine Masons. Each of us has a unique gift to share with the world, a gift born of our talents, personalities, abilities, knowledge and innate sense of compassion and willingness to reach out and serve others.

As Shrine Masons, we become empowered through our experience in our Clubs and Lodges to share this gift whatever it is.

I would suggest that there are many, but, two rewarding personally meaningful ways we can put these ideas to work.

First, in our Clubs we can consciously and intently focus on how we can help our fellow Nobles to develop their own special gifts and bring them to bloom, having fun, even if they are helping us.

Secondly, as we search for ways of sharing and caring, we can examine opportunities to give one of the most precious gifts we can offer and bring our talent to the benefits in acts of service to Shriners Hospitals for Children.

How can we put these talents we gain in Club, Units and Lodges to good use in this service of others?

We can lead and speak out, put our leadership skills to work in our neighbourhoods, our churches, service groups where people would benefit enormously, as we all have as Shrine/Masons.

Each of us can reach out and offer those around us a gift that can profoundly change their lives as it has for me. We can invite them to a Club meeting or social function.

As we start this new year in our new home, we will proudly remember over 143 years of Shrine History.

May the coming year bring us all challenge, opportunity and great reward and fulfillment and may we all find abundant opportunities to share with others the most precious gift we can give; the gift of ourselves as we keep the red fez smiling.

A few thoughts, ideas and initiatives to promote:

1. These gifts would be to hold educational meetings for example make it a point to attend your Leadership/Workshop Training Seminar, March 21st, 2015 at Shrine Headquarters.

2. Challenge members to set goals and help them achieve them, be a window to this world.

3. Recognize achievements, appreciation builds loyalty for example, honour your new member, recruiter or first line signer with a pin, certificate, and tie.

4. Focus on meeting the needs of others. Conduct a membership survey or discussion about progress and remember, respect is the key.

5. Glance in the mirror once in a while. Is your Club, Unit or Lodge warm, welcoming and supportive? Inflated egos don't

work. Treat everyone as family or as you would like to be treated based on your Masonic principals.

6. Make 'em laugh – you have to have fun. The Shrine was started with fun and fellowship over 143 years ago. Keep 'em happy and they will stay and bring others to this Fraternity.

7. Orient new members. Informational packages are a good idea.

8. Holding social events, appreciation events, Circus days, sports events fundraisers, barbeques and holiday gatherings are a great way to bring everyone together.

9. Absentee Members – personally contact members you haven't seen in a while to touch base.

10. Set up an effective mentoring program.

11. Don't let officers or leaders slip away.

12. Promote leadership opportunities, challenge all members to take on leadership positions.

13. Promote Club, Unit, Temple Association and Lodge visits and events, they could be an eye-opening experience and turning point for members.

I am confident with strong leadership, to manage change in this fast paced environment, we will continue to keep the red fez smiling.

Nobles, I would like to thank you for your support electing me once again as Recorder of Rameses Shrine. I take this position seriously and I promise to continue my hard work on your behalf.

Please feel free to call me anytime with your questions or concerns or just to say hello.

I would also like to welcome our newly elected Oriental Guide, Noble Jed Handy. Both Lady Deanna and I look forward to working with you and Lady Christine.

WOODY'S WISDOM

BY TOM WOODROW
High Priest & Prophet

Well Nobles, we have just completed another Election at Keele St. (our last Election there). My Lady Linda and I would like to congratulate Noble Jed Handy on his successful bid to become our Oriental Guide. We welcome him and Lady Christine to the Divan.

I would like to thank the other Candidates who ran for offices, Nobles Doug Foss, Joe Johnson, Jim Thornton and Ill. Sir Terry Fulton. You may not have received the necessary votes but you did participate in the greatest procedure . . . democracy".

Nobles, as we prepare to leave our "old" home, I would like you to think of some fond moments or funny events that occurred at Keele St. Please write them down and send them into the Papyrus so we can all share the memories.

I would like to thank two Nobles and their Ladies for their service to our Temple. They are Noble Ed Elcombe and his Lady Margie and Noble Steve Singleton and his Lady Shoulin. These Nobles and their Ladies work very hard for our Temple behind the scenes, with little reward to show for their efforts but I, for one, appreciate all that they do. So please next time you see Noble Ed and Steve, don't forget to say "thanks". They are two very important Nobles.

I leave you with this quote "It is better to have lived a rich life than to have died rich"

Rameses Wheelers: Ready for another fun year

By Noble Jerry Pedersen

Director

RAMESES WHEELERS

Elections are over and Noble Doug Overy was elected President and "Boss Hawg" for the upcoming year. With the success of last year's events this year should also be a hit.

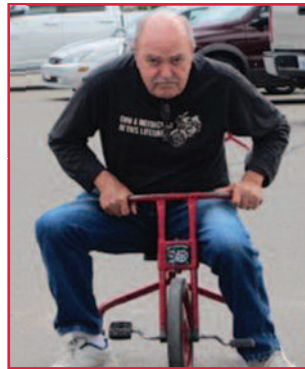

The new executive is working hard, planning events and activities for 2015.

Last year's car rally was a massive success and plans are underway for a repeat performance with new and exciting checkpoints. Car rallies are a great way to see local towns and communities that usually are passed by when travelling on the major highways.

The second annual picnic held in July was a great event where no skills were needed or expected. Dinner consisted of tasty steak on a bun, baked beans, potato salad and coleslaw. Kudos to the chefs! Probably the best free meal we have had in a long time. Two types of dessert were also available, healthy and not so healthy. After dinner, competitions began to help us work off all those extra yummy calories!

A round robin of ladder golf commenced and everyone put on their best game face and started firing their balls onto the ladders. After several competitive rounds, Lady Karen Watson and Lady Trisha McComish were the victors of the tournament. There were second place winners but no one ever remembers who won second, so I won't mention them here.

The second unskilled challenge was figure eight, smash-up tricycle derby. For those who could not attend the carnage, the cyclists were blindfolded and were pushed around a figure eight course by their partner, who is trying desperately to dodge the

pylons and the other cyclist! Talk about blind faith! Those who were the cyclists quickly realized that more padding was required for those tiny seats, and having your knees hanging over the handlebars is not very comfortable! There were several crashes, burnouts and a few who went way off course - I think it was a misunderstanding of which way is right and which way is left - the yellow caution flag had to be waved numerous times! After several rounds and a few near misses, the winners were, Lady Doreen Stetski and Lady Louise Overy. Congratulations Ladies!

Our dinner meetings, where our Ladies are invited to attend, will continue. Meetings are short, meals are excellent and games after the meetings are fun. The success of the potluck movie night will again be planned for this year.

Wow, when the Wheelers get together, we sure know how to have fun!

Our motto should be "You don't stop having fun when you get old; you get old when you stop having fun!" Not that we are saying anyone in the Wheelers is old!

We are in the early planning stages for a Hawg Degree in the new Rameses Temple so we look forward to see you sometime in the New Year.

TREASURER'S REPORT

BY JIM MCKINNEY, P.P.
Treasurer

I would like to thank all the Nobles who came out to vote on Saturday, January 10th. Congratulations to Illustrious Sir James Rennie on his election as Potentate of Rameses Shriners for 2015. His motto is "Driving for Our Kids" and with your help let's make 2015 a great year.

As you read this Papyrus we are well into the year of Ill. Sir Jim Rennie and we congratulate him on this appointment and wish him success. I would also like to welcome our new Oriental Guide, Noble Jed Handy and his Lady Christine. They make a great addition to our Divan team. I also congratulate Imp. Sir George Mitchell, P.I.P., on his re-election as Recorder and his Lady Deanna.

I would like to look back on the successes of the past year. We had many highlights. I would like to mention the great attendance at the Circuses and hope we are able to build on that in the coming year. I would also mention that we saw resurgence in our Christmas cake sales. In particular, I would like to congratulate the members of the Shriners Club of Hamilton for their great efforts which broke all records for Christmas cake sales. Congratulations Nobles and a Tip of the Fez! Well done.

Another highlight was the great attendance and super sales efforts of the Nobles who attended the Argonauts vs. Tiger-Cats football game. This was a great effort by the Clubs who had members sitting in the crowd cheering on their favourite team and in particular the 40 plus Nobles and Ladies who made record sales of 50/50 tickets. This was not only a great fundraiser but everybody had FUN, FUN, FUN! This is also on the agenda for this year and we hope to see everybody out again.

2015 is going to be an important year. We have many new activities planned and we are looking to increase the joint ventures between the Temple and our Clubs. We all need to work together to try and reverse our downturn in membership and to raise the level of fun throughout the organization. I would draw your attention and beg your attendance at our Educational Seminar to be held at the Temple on March 21,

It is time to start increasing membership while at the same time having fun.

Congratulations to Imperial Sir George Mitchell, P.I.P., on his election as Recorder and to Noble Jed Handy as Oriental Guide. Thank you for the honour and opportunity to serve as your Treasurer for another year.

I would also like to thank the Nobles who also ran for office. They are Nobles Doug Foss, Joe Johnson, Jim Thornton and Illustrious Sir Terry Fulton.

All the best for 2015.

2015. It is important for all Ambassadors, Line Officers, Secretaries, Treasurers, and any other member who has an interest to attend this seminar which will cover subjects of overall duties and responsibilities of all of the positions noted above and will also include sessions on Membership and Protocol. Please mark this date in your calendar.

Our move to our new building will be a great challenge. Moving from our former building of 37,000 sq. ft. to a building of 10,000 sq. ft. will change the way we approach many activities and events. Please be patient as we adjust to our new surroundings.

Always remember we were formed as a "fun unit". This was the way it was for many years then we took on the Philanthropy of the Hospitals and our care of children. Both these two elements fun and care of children are interwoven and we must never forget what our basics are. We need to plan our meetings and activities with this in mind and work together as Masonic Brothers to achieve our goals. There may be occasional disagreements but let us always remember where we came from and why we are here.

Both Lady Jackie and I look forward to meeting up with you during the coming year. If you have any ideas or questions, please do not hesitate to contact me. I certainly do not have all the answers but I'm sure if we work together we can come up with them.

Hopefully everyone had a great Christmas. I would like to thank all the Nobles and their Ladies who attended our Christmas Carol Service and those who took part in the service. We were honoured to have the York Regional Police Youth Band join us. These young people enjoyed themselves and asked a lot of questions about the Shrine.

Congratulations to our newly elected Divan for 2015. It was

great to see the turnout for the Elections and to have Nobles who were ready to put their names up for election. This is a good sign as we enter a new year. Let us all work together in peace and harmony and help to increase our membership so we can continue to work for the children.

Did you know that you can make a difference in the lives around you? It's true! With a kind word or a smile, you can impact your world for the better. Today, step out of your comfort zone. Make an impact and do something nice for someone.

We pray for those who are sick or in distressed circumstances. If I can be of any service, please feel free to get in touch with me.

HANDYMAN'S MUSINGS

BY JED HANDY
Oriental Guide

It is unbelievable that a year has gone by since I announced my intention to run for the position of Oriental Guide 2015. Since then, I have travelled thousands of kilometers and ate countless Club meals (some better than others). The most memorable and exotic was the "moose and squirrel" meal compliments of Lakeshore Shrine Club.

Despite my best efforts and intentions, even with a full year of travelling, I could not get to every Club. To those Clubs that I missed, I hope to have the opportunity to visit you in the near future.

I made countless new friends and rekindled old friendships. I

Nobles, I would like to thank everyone who attended Rameses Election on Saturday January 10th. It was great to see so many that travelled to 3100 Keele Street to decide who would serve on your Divan for 2015.

Congratulations to Ill. Sir James Rennie and his Lady Barbara on his being raised to the position of Potentate of Rameses Shrine for 2015.

I welcome Noble Jed Handy on becoming our Oriental Guide. I know Noble Jed and his Lady Christine will bring enthusiasm and support to Rameses.

By the time you receive this issue of the Papyrus, the Club and Unit Installations will have been completed. It is my pleasure to have the opportunity to visit the Clubs to meet and greet the Nobles and their Ladies.

In March we will be holding an Executive Seminar for all Club Ambassadors, Presidents, First, Second and Third

bought all kinds of door prize tickets and sometimes even won! There is a common thread that runs through all of our Clubs. Good men, having fun with a purpose. I very much enjoyed my travels and will, with absolute certainty, continue travelling as Oriental Guide.

I hope, over the next 5 years, to discover the talented individuals in the various Clubs and utilize, where possible, those talents to further our cause, "Helping Children".

I also want to extend a short thank you to Nobles Doug Foss and Joe Johnson. Anyone who has put themselves into a political campaign knows the effort and wherewithal required when you seek office. You kept the campaign interesting. Thank you and good luck with your future endeavours.

I am anxious and excited to embrace my role as Oriental Guide. We all know how quickly time passes, I am confident that will translate into the reality that I will be seeing many of you very soon.

Vice-Presidents, Secretaries and Treasurers. This will be a very informative meeting and I encourage everyone holding the office to attend.

At present there are a number of Nobles that have not paid their 2014-2015 Dues. If your dues card is not current, please call the office and give your Visa or Master Card number.

At this time, several Nobles have a Candidate for the Spring Ceremonial at Belleville in June. If you don't have a Candidate, there is still time to invite a Mason to join Rameses Shriners.

Thank you all for just being Shriners!

Many Brethren attend Lodge

By Noble Willy Oliver - GUELPH AND DISTRICT SHRINE CLUB

The Guelph and District Shrine Degree Team led by R.W. Brother Ian Millar was on hand to raise Brothers Jim Pratt and Mathew Poole (son of our DDGM R.W. Brother Brian Poole) to the sublime degree of a Master Mason at Trillium Lodge No. 724 on Thursday December 18th, 2014.

We had many Brethren in attendance from Roseville Lodge No. 522 in Michigan, USA, to witness this event. We had a Rameses Past Potentate and other Divan notables also in attendance to support our Candidates.

As this was a double Third Degree the night went on later into the evening but the Shrine Degree Team whistled through the work with efficiency and zeal.

Sheba Shrine activities planned

By Noble Doug Griffin SSCCS

SHEBA SHRINE CLUB CHIEF SCRIBE

The sun is hot and the sand burns my feet. Florida can be warm in January. I am trying to write this article with you in mind. That is difficult when I am here getting a tan and you are there getting frost bitten. So let me recall what happened before I arrived to these warm Florida shores.

Back in November we held our elections, which were supervised by High Priest & Prophet David Rawn and Past Potentate Bryan Lawson. I would like to thank you both for counting the ballots and installing our New Executive.

On behalf of all the Nobles, I would like to congratulate our new President for 2015 Noble Sandy Mealing and his Executive. Your fellow Nobles here at Sheba look forward to participating in the many activities and events planned for this year. To all the Nobles who were elected or put their name forward we thank you for your devotion.

To our Past President David Loughheed we thank you for a great 2014. You did an excellent job of putting fun into our Club while guiding us through a productive year.

Our Christmas Party was a great success featuring a full turkey dinner with all the trimmings. There was so much food some of us had seconds while others never left the buffet table. We washed it all down with either red or white wine. The floor was then cleared for dancing, which brought out some of the best movers and high steppers in the room. Everyone enjoyed the evening . . . some more than others . . . but at Christmas only Santa knows who was naughty and who was more naughty . . . oh sorry . . . who was nice!

The next day was Sheba's Children's Christmas Party. No one could have predicted the large turnout. Santa himself was shocked as he entered the room to a group of wide-eyed children. The Christmas Spirit filled the air. Every child had the opportunity to sit on Santa's knee. Some were a little shy at first. Others were so small their parents carried them to Santa's waiting arms. The Jolly Old Fat Man welcomed them all and gave each of them a present. Thank you Santa and all your Helpers for giving our little ones the true meaning of Christmas.

Cal's Gentleman's Breakfast was held on Saturday December

20th. This started about 46 years ago when some of Sheba's members would get together on Saturday for breakfast at a local restaurant and has continued in one form or another ever since.

Noble Cal Madill started the Annual Christmas Breakfast for Gentlemen six years ago to honour prominent community leaders. It began with fifty gentlemen attending. This year there was one-hundred-and-fifty including dignitaries like Barrie's Mayor Jeff Lehman and Barrie's Chief of Police and Deputy Chief.

This year Noble Lewis Robertson was honoured. He is a life-long citizen of Barrie and past President of Sheba Shrine Club (1999). Every year the Honouree chooses which charity will receive the funds raised. A cheque for \$2,000 was given to the Scottish Rite Learning Centre for Dyslexic Children and was accepted by Ill. Bro. Bob Brethour, active Member and Grand Marshall of the Barrie Consistory of The Scottish Rite.

Noble Paul Fockler has hosted this event since its conception. Paul prepares a hilarious Dialogue of fictitious news and jokes in which every person in the room is named and ceremoniously roasted. No one is ever left out and some have their names called more than once. There were more laughs than any person should have at one time - thanks Paul.

I was here in Florida when I was emailed the results of our Rameses Temple Election.

On behalf of the Nobles of Sheba Shrine Club I would like to personally welcome our new 2015 Potentate Illustrious Sir Jim Rennie. I look forward to congratulating you in person. I would also like to thank Illustrious Sir Terry Fulton for leading us through 2014. It was a fantastic year with many memories!

It is with great pleasure that I congratulate our own Noble Jed Handy on being elected to the position of Oriental Guide. We appreciate the hard work you have done for the Nobles of Sheba and know you will work even harder to represent the Nobles of Rameses. Congratulations!

The 50th White Fish Bonspiel will be held two weeks after I write this article so you will have to wait for the next issue to get all the news and gossip. But remember "A lot of what happens at the White Fish stays at the White Fish".

Rameses Shrine Drum Corps on Parade

By Noble Bruce McKerracher

RAMESES SHRINE DRUM CORPS

The Drum Corps had a good fundraising year in 2014 completing 20 parades and performances during the year playing to enthusiastic crowds.

We made donations at the Fall Ceremonial to the new Shriners Hospital in Montreal and to the Rameses Hospital Patient Transportation Fund.

We lost 3 former members who passed away during the year. However, we added two new Shriners during the Fall parade season who both started marching with us immediately after their induction at the Fall Ceremonial in November! One of our new members, Noble Diony Garcia, is incoming Worshipful Master at a local Masonic Lodge in Mississauga so there is an example of a Shrine-Mason who can multi-task with the best of them.

We started off the busy Fall fundraising season by honouring the last of our founding members Noble Edwin George "Eddie" Buscombe who passed away early in the year. Eddie was a proud veteran of the Canadian Navy serving in World War II from 1942 - 1945 on convoy duty in the North Atlantic. Eddie was attending our business meetings in his 95th year and was a member of the Drum Corps for 55 years and marched enthusiastically with us for over 50 of those years. Eddie's dedication to our Drum Corps Unit, to Rameses Shriners, to Masonry and to his country over the years is the type of commitment that gives Shriners a good name in the community and his dedication should be an inspiration to both current and aspiring Shriners.

The Drum Corps honoured Eddie's memory by giving back to the community with a donation of some drums and glockenspiels to an eager group of kids and teenagers at a feeder school in Burlington for a recently formed teenage marching band in the same town. The kids and their parents were in attendance at Headquarters at 3100 Keele Street in Toronto in early November to receive the donated musical equipment.

We are always looking for new Shrine members and you can start almost immediately marching with the Drum Corps. We practice twice a month on Wednesdays for six months of the year, once in the east end and once in the west end of the GTA. You can carry a flag or a banner, crash some cymbals, beat a drum, play a simple learned tune on a glockenspiel or just march with us.

Remember, "The Street is Neat" when you are parading, so hop on board and join a tight-knit group of Shriners and be part of the last merry marching Unit of Rameses Shriners.

Making miracles happen

We will also have all the handmade items from the Temple Sewing Group available for purchase. Admission is a donation at the door. Please come out and share the afternoon with us.

Please come and join us in welcoming our new Queen and her officers. A Reception will follow immediately after the Installation. The invitation is extended to Nobles, family and friends.

Say goodbye 2014!

BY NOBLE DAVE GILLIES
NIAGARA SHRINE CLUB

Niagara had a fun year; the Maid sailed north and west and in some serious circles. We spent the Big Nickel, met the twins in the twin city, took on a new pilot at the Erie Hospital and opened some exciting possibilities for two new Shrine children.

No resolutions to break for me this year, I can't keep them anyway. No need to use our new defibrillators or find a tow truck for the Maid. No horror stories of the fish camp and best of all I have avoided occupying the cot in the garage for another year. It must have been a good one!

The Unit moved from kitchen to tables like troops on a parade square. Under the direction of our drill sergeant/chef, the Lodge Brothers seated before the Worshipful Master and his chairs were served with precision by the amateurs of the hospitality group.

I have a hard time deciphering the fine line between boredom and hunger but the Wentworth Lodge installation dinner went off without a hitch last October.

Our philanthropy is only 144 years old but the pageantry and order of our ceremonies is a strong reminder of ancient times from which our Shrine theme was born.

On a recent trip to the Mediterranean, I was humbled to walk on and among the ruins of Pompeii now 1,935 years old reminding me of some of our obligations taken on the voyage into the Shrine. As I gazed upon the ancient columns two others came to mind that stood at a doorway we all know. These were although not cast, are Corinthian in style and supported the roof of another temple. This

one dedicated to Apollo overlooked by a still smoking Mt. Vesuvius which eventually entombed it. We, in turn, are supported by our Brother Nobles and our obligations in caring for the children entrusted to us and our Hospital system. Don't forget your obligation and the support you receive from these fellow Nobles in the coming New Year. This ramble was going somewhere but got way too serious. The wheels fell off and I've lost track of where it should have gone.

Lots of tracks in the snow leading into the Club for our cake sales in December; Harry's boys manned the tables again and the mountain of boxes melted like we hope all this snow will do soon. A few cases also found their way to Project Share's Food Bank to satisfy a sweet tooth in some less fortunate families over Christmas.

I hate leaving my house confident and looking good and then not seeing anyone of importance the entire day. What a waste, but not so in February. Black tie and tails if you had them were the dress of the day at the Tri-Installation dinner hosted by our sister Club at the prestigious St. Catharines Golf Club. A scrumptious feast dressed up by our lovely Ladies befitted the change in leadership of the three Clubs and the start of our new year. Give your new President all the help he deserves, volunteer, serve, or just offer encouragement or advice.

Leadership changed in the big city also. Congratulations and best wishes to "Big Rig" Ill. Sir Jim Rennie and his Divan in driving our new Shrine year into the future.

The snow held off for most of our eight Santa Claus' parades we participated in but not the spectators. Grimsby seems to be the most fertile area in the Niagara Peninsula as there were more babies, toddlers, youngsters and children per linear foot lining the 20 plus blocks of the parade than we have ever seen. No parade venue makes a donation and also feeds you but those folks in the town of Hagersville. The Legion's chief cook and bottle washer whipped up a feast fit for a king, crowned with some tasty golden fried fillets of perch. Not really fair for us fish lovers. We were almost full of the grilled fillet of beef, lasagna, cabbage rolls, ham and turkey; just a small mention of the gastronomic delights spread out on the close to 20 foot long buffet table. When a clock is hungry, it goes back four seconds but I've already moved ahead and signed up to parade next year in order to be first in line!

Openings last year included a new C.A.O. in our recorder. A rather slow race to our exciting new trophy headquarters at Queen's Plate, a new football fundraiser, and all the Brothers that walked the burning sands to help renew our dwindling numbers just to name a few.

The closing of 3100 Keele Street and for some, all the memories of past fun there, and the close of the Ill Sir's "Fun with a Purpose" year, with his crossed off list of "To Do" things.

"One must wait until evening to see how splendid the day has been"; all the best to you Illustrious Sir Terry Fulton, P.P., and Lady Helen.

Muskoka Shrine in the fall

By Noble Tony Armstrong

MUSKOKA SHRINE CLUB

Writing is something that I never thought I could do. But as a new member who is not good at saying no, when the incoming President and the President have been looking at you and say, "sure you can", well I was voluntold to this position of writing for the Papyrus. I am truly looking forward to talking about what we do in Muskoka.

When I joined the Nobility only two years ago I was excited about all of the fun that goes on with the Club. As I have been around to the events I have learned that these folks that are having fun, have one burning issue inside them - the kids in our Hospitals. I can't tell you how many times since my initiation, I have been told to get to a Hospital to understand why these grown men work so hard in fun to help so many.

As I read the Shriner magazine and the Papyrus, I am starting to understand it. I am part of a great group of people having FUN WITH A PURPOSE.

The Muskoka Shrine Club is very busy in the late summer and fall. Parades starting with the Ryde 135th Anniversary celebration in August where the parade was short but the enthusiasm was high and after eleven parades, the enthusiasm is still high. The support for the parades is great and with the Ladies cheering us on, it makes the whole day loads of fun.

The small communities really like to see the Shriners as we make the parade into something special and sometimes we are more than half of the parade!

The Muskoka Shrine Sports Dinner held this year was a great success. Being in the heart of hunting region of Ontario means the local sportsman know what good food and a great time is and plenty of them joined us for fun and fellowship. A big thank you to Noble Clarence Boyes for leading a strong kitchen (everyone left full) and Noble Fred Cosgrove for chairing this monumental event. This was just another example of Shrine Hospitals benefiting from the FUN WITH A PURPOSE.

Muskoka Shrine waves hello!

Meetings in the Snow Belt are a little tough sometimes. The election slated for November had to be postponed due to the weather, but we did get it done in December and President Elect Boyd Smith and his crew are now ready for 2015.

The Christmas party was squeaked in there too. What a fabulous weekend at the JW Marriott in Minett. Spectacular rooms and everyone came ready for the fun and festivities. Then off again on Sunday at noon to our last parade in Baysville - "the parade that is so nice it goes around twice". Smiling all the way but I'm thinking maybe more than a few

Shriners were a little slower on Monday.

Just so we weren't bored, cake sales and Salvation Army kettles filled in the empty time slots in our schedules.

To catch some pics of these events, we have started a Facebook page and our web site is up and running. This will help get out the word about how FUN WITH A PURPOSE helps kids, and how Shriners are a big part of the Muskoka culture.

All in all the fall is a busy time in Muskoka Shrine Club and the Nobles are good for it, but a winter rest is always welcome here or in the sunny south. Spring is coming . . . somewhere!

Noble Charlie Rycroft receives Whitby Mayor's Senior Volunteer Award

Whitby senior volunteer, Noble Charles Rycroft, continues to give to his community. He was presented with the Mayor's Senior Volunteer Award, by Mayor Pat Perkins at the Whitby Seniors' Activity Centre, pictured above.

The award is presented to an individual 55 years and older, who has demonstrated outstanding commitment to community involvement.

Charles Rycroft has spent most of his life giving to others and he's not stopping anytime soon. In fact, the 90-year-old Whitby resident is still so involved in his community that to attend a ceremony held recently in recognition of local volunteers, he had to skip one of his regular commitments.

Noble Charles Rycroft's passion for volunteering began when he was a 10-year-old Boy Scout during the Great Depression. He would spend his Saturday mornings helping refurbish toys to provide Christmas gifts for needy children.

At the age of 16, he joined the military and went on to serve in Europe and Japan during the Second World War. Other roles he's taken on throughout his life include president of the Ontario Regiment, an active member of All Saints' Anglican Church, president of the Rotary Club of Whitby, president of the Whitby YMCA, and director of the Whitby Chamber of Commerce, among countless others.

In 2012, Noble Charles Rycroft and his late wife, Eleanor, were both recipients of the Queen's Diamond Jubilee Medal for exemplary service to their community.

Noble Charles Rycroft 2014 Peter Perry Award Recipient

Born and raised in Whitby, Noble Charles remains a resident to this day and is still a vital, active member of our volunteer community. A lifetime commitment to volunteerism in Whitby

Noble Charles Rycroft receives two awards for Outstanding Volunteerism

was just getting started. Noble Charles also served as a trustee of Trafalgar Castle for 14 years, served on the Whitby District High School board for three years and was President of both the Whitby YMCA and the Whitby Rotary Club. As well as being involved with the Whitby Chamber of Commerce, the Royal Canadian Legion and the County Town Singers.

A lifelong member of All Saint's Anglican Church, Noble Charles taught Sunday school for more than 10 years, served as church warden for three, was treasurer and planner for a new church hall and was President of the Men's Club whose first charter was to re-establish Scouting in Whitby.

While involved with Rotary, Noble Charles was instrumental in saving the Whitby Lawn Bowling Club from bankruptcy and played a key role in the construction of the Green Street Seniors' Housing Complex where his mother became one of the first residents.

As chairman of the Rotary's Disabled Children's committee, he organized a successful transportation program, using 52 Rotarian drivers, to drive children to special programs in Oshawa.

More than 50 years later, those same children, now adults often express their thanks and gratitude. It was programs like this and his ongoing commitment to Rotary,

that he received the highest honour available to Rotarians, the Paul Harris Fellowship along with numerous other honours and awards recognizing his many years of service including his time as President of the Ontario Regiment Association and as a 62-year member of the Masons.

Always putting others before himself, in 1957 as the beneficiary of the David T. Campbell Educational Fund bequest, Noble Charles used the funds through his work with the Masons, resulting in 400 young men continuing their educational pursuits.

Noble Charles has not only served his community well but also his country. At the age of 16, he enlisted in the militia and became a Staff Sergeant instructing in the many aspects of soldiering.

In 1943, he moved into active service with the Ontario Regiment serving in both Europe and Japan during the Second World War and for that, and many more reasons, we are truly grateful.

To this day, he continues to volunteer and give to others, driving seniors around town for activities at the Senior Centre and the Whitby Legion among others. Noble Charles Rycroft is also a proud member of Rameses Shriners and the Oshawa and District Shrine Club.

Membership news

By Ill. Sir Fred G. Clarke, P.P.

Membership Chairman

Hello Nobles, the last time I was Membership Chairman for Rameses Shriners was in 1999 so I am looking for a lot of help this year.

In January the Membership Committee has started working, and as of January 14, 2015, we have 172 members that have not paid their dues for 2014. Current outstanding dues for 2015 is 907 of our 3,140 members. We need everyone asking "Have you received your dues card for 2015?" and the Ambassadors to help in locating members who are behind in dues, as you can see we will drop below 3,000 members in just the Nobles that owe dues, not counting deaths and demits.

What also troubles me is the fact that the Shrine in Ontario only has what I call market share (meaning total Masons), approximately 14% of that membership. As we can only take from this pool, we must address this by actively reaching out to those Masons with correct information. The average percentage of Masons joining the Shrine in North America is 24%, and it ranges to as high as 80% in North Dakota, if we are able to increase to close to the average, then we would double what we are today.

As we have many active Shrine Masons we need to be more open with information to the Lodges and their members as this is the only place we can recruit new members. If we were trying to operate a business with this type of market share, we would disappear. Please help the Divan turn this around.

For those who are planning on attending the Seminar at Rameses in March, let us talk and come up with ideas on how all of us can make a difference in membership at Rameses Shriners.

You can contact me at fred.pote06@yahoo.ca or cell 705-653-6957.

It was a great 5 years

By Noble Jim Thornton

Past Rameses Membership Chairman

It was a great 5 years in that we (Rameses Shriners) talked more about membership and in many cases, Clubs created new plans, started web sites, used the materials provided by our Headquarters in Tampa.

I wish to thank all the Nobles, Club Executives and Divans for their support, encouragement, and time to listen to the team's ideas on membership promotion. All the Clubs during our visits were friendly and welcoming.

To the Committee Members, Nobles Mark Smith, Dennis Hope, Doug Foss, and Bill Sweet, who worked with me the last 4 years thank you for supporting the Clubs in your area. To all who volunteered to be a Virtual Mentor, again thank you. The system did not work well for us. We had too many asking for information in areas where there were very few, if any, Mentors. A new way to work with these submissions has been suggested to the new Membership Director, Illustrious Sir Fred Clarke.

I originally received the appointment from Illustrious Sir Ray Causton after volunteering some ideas and showing an interest in getting involved in committee work. In 1987 after the Treasurer of Rameses Shriners (Noble Jack Dalton) died in a tragic car accident, I was appointed an Assistant Treasurer by then acting Treasurer John Rockett, a duty I performed until this year. Many of you passed by me as you registered for your initiation. It too was a great position, having had the opportunity to work with 6 Treasurers.

As this is my last message to you dealing with Membership, just a short reminder that we are all Membership Ambassadors for recruitment and retention. Illustrious Sir Jim Rennie has set a goal of 105 new members to offset the Black Camel. Attend your Craft Lodge, speak individually and positively to the new Candidates about the Shrine, become a Mentor in your Lodge, and above all, be a proud Shriner by talking about the fun, fellowship and philanthropy we support.

Noble Art Smith, a former Secretary of Peel Shrine Club ended all notices with;

"Wear your fez and bring a smile".

Montreal Hospital Toy Drive

By Noble Joe Johnson

OSHAWA AND DISTRICT SHRINE CLUB

The Oshawa and District Shrine Club had a successful 3rd Annual Hospital Toy Drive, collecting toys and other items for Shriners Hospital for Children Canada in Montreal.

More than 31 cartons were delivered, along with many cartons from the Daughters of the Nile, Oronto Temple No. 69, Toronto, who also delivered handmade Christmas stockings and other handmade items for the children.

Twenty-six Nobles and Ladies from the Oshawa and District Shrine Club, Belleville Shrine Club, Daughters of the Nile Oronto Temple, Lakeshore Shrine Club and Trent Valley Shrine Club, shared the Coach Canada Bus ride on the day trip to Montreal, visited the Hospital staff, had a great tour and met some of the current patients and parents.

It made us proud to be a Shriner,

Shriner's Lady, or member of the Daughters of the Nile. On 3 occasions, families approached us with children that we don't even know, in the Hospital that day; they thanked us for our unwavering generosity in our philanthropic support of children and families going through the Shriners Hospital system.

To our many contributors, both individuals and corporations, if you dropped off even one toy, or told even one friend - YOU made a difference! To the many more of you who went above and beyond - dropping off HUGE and multiple boxes of toys - we are speechless and truly humbled by your

exceptional generosity!

Special thanks to our corporate friends at Lego Canada, Scholastic Books, Henkel Corporation, Durham Radio - CKDO, Shoppers Drug Mart, and Ganz. We greatly appreciate your continuous support, and we look forward to working with you again soon.

You have all made sure it was a Merry Christmas at the Shriners Hospital for Children Canada in Montreal. We hope you had a Merry Christmas and nothing but the best in the New Year!

Sincerely,

OSHAWA AND DISTRICT SHRINE CLUB
