Potentate's Message

ILLUSTRIOUS SIR DAVID E. RAWN - POTENTATE

Your Divan has been very active since the last Papyrus. Our first event was initiating 6 new Nobles into Timmins and Northland Shrine Clubs with a Cold Sands Ceremony. Congratulations to each of you.

A special thank you to our Chief Rabban, Tom Woodrow and Lady Linda as well as all our Elected and Appointed Divan for the most perfect Potentate's Ball anyone could hope to have. We were very pleased to have our family and special guests in attendance along with many of Rameses Past Potentates, our counterparts from NYOSA as well as Mocha, Tunis and Karnak Temples. Edith and I were very honoured and will remember this weekend forever.

On 8 April, High Priest & Prophet Bill Sweet and Lady Barbara along with Noble Dave and Lady Christine Gillies represented Rameses at Oriental's Potentate's Ball in Jacksonville, New York to honour Ill Sir Jim Vooy's and Lady Julianne.

On 8 April, Lady Edith and I accompanied by 1st Ceremonial Master Rob Wigmore and Lady Bonnie attended Mocha's Potentate's Ball in London to honour Ill Sir Gary Willsie and Lady Christine. Also in attendance were Noble Clive and Lady Sandra Allen along with Noble Don and Velda Gillis.

On 29 April, Lady Edith and I attended Ismailia's Potentate's Ball in Buffalo, New York honouring Ill. Sir Michael Hackford and Lady Kim. Our travelling companions were Chief Rabban Tom Woodrow and Lady Linda, Noble John Chipchase and Lady Jane, 1st Ceremonial Master Rob Wigmore and Lady Bonnie, Noble Don Gillis and Lady Velda.

On 5 May, Lady Edith and I along with Chief Rabban Tom Woodrow and Lady Linda, Assistant Rabban Jed Handy and Lady Christine, High Priest & Prophet Bill Sweet and Lady Barbara, also Chief Aide Eric Welbanks and Lady Linda attended New York Ontario Shrine Association in Alexandria Bay, New York.

It is truly a pleasure to visit all the Temples within NYOSA as well as Mocha, Tunis and Karnak. There are many close friendships developed during our time on the Divan.

The Founder's Golf Classic will be held on May 11th at Innisbrook Golf Course. This is always well attended, a great social event and also an excellent fundraiser. I thank all the members of the Founders for their dedication in making this such a great success.

Lady Edith and I along with Chief Rabban Tom Woodrow and Lady Linda will be travelling to Montreal for Karnak's Potentate's Ball and also attending meetings at Montreal Shrine Hospital for Hospital Days.

Director John Hindle and Lady Susan and their committee have organized a very special day for our Special Ladies Sunday, 28 May.

We are looking forward to the Spring Ceremonial in Collingwood 8-10 June. Director General John Chipchase and his Committees have organized an incredible weekend. Hope to see you there.

We also need to remember our dedication to our Philanthropy so we can continue . . .

Shriners working at McHappy Day

By Noble John Hindle

MANITO SHRINE CLUB

Once a year on McHappy Day, McDonald's Restaurants choose an organization to support and this year Collingwood and Wasaga Beach McDonald's Restaurants picked Manito Shrine Club of Collingwood to be their organization to support.

On 3 May, Manito Shriners along with the Ladies from Salaam Ladies Shrine Club, also of Collingwood, helped at their restaurants to seek donations for Manito Shrine Club and Ronald McDonald House. The public was very generous to these two organizations.

Everyone had a great day. Shown collecting donations are Noble Robert Van Slyke the organizer of the Shrines participation for the event, and with him is Noble Richard Marsden.

I began my last article stating that it was spring. That must have been fake news because visiting various places in the last little while showed snow, sleet, rain and some sun. That fake news stuff is starting to get bothersome. I hope it doesn't catch on.

We had another "Cold Sands" ceremony in Sudbury for 2 Candidates. The members of the Sudbury Club showed great support for a Friday afternoon by showing up in large numbers. The warm spirits expressed there made the day trip easier to withstand. Congratulations and welcome to Noble Salvas and Noble Fleming. Enjoy the ride.

The St. Patrick's Day parade in Toronto was another sellout. The parade route is close to 5 kilometers long and littered with streetcar tracks and other forms of parade detritus that can make the unobservant marcher unwelcome on the ride home. I never was in parade shape but it seemed like forever since last golfing season. The Drum Corps folks marched the whole route just as the Divan members did but with their music gear attached. Even with that constraint it is a distinct pleasure to march behind our great Drum Corps. I was right behind Noble Bruce McKerracher and that was fun. Whenever the parade comes to a halt, he darts to the spectators and lets the young kids play tunes on the glockenspiel he carries. It must be heavy because he doesn't travel in a straight line while marching. Remember the detritus! (Had to go back and look it up didn't ya!)

We visited with the Bokhara Court and Daughters of the Nile Ladies groups several times. They contribute significantly to the success of our Montreal Hospital each in their own way. Both groups are very active

BILL'S BANTER

BY NOBLE BILL SWEET
High Priest & Prophet

but need new members so just contact them for details. I am sure our Recorder or someone in our office can direct the Ladies to the proper contact people.

I had the opportunity to represent Ill Sir Dave Rawn at the Oriental Shrine Potentate's Ball in Saratoga Springs, New York. When we stopped in Niagara Falls to pick up Noble Dave Gillies and Lady Christina, we were greeted with lots of snow. After that, everything brightened up and Shrine spirit and friendliness took over. That was a new jaunt for Lady Barbara and I. Good company and Shrine friends made the time fly.

The Potentate's Ball has just been completed. Chief Rabban Tom Woodrow and Lady Linda organized a top-notch tribute to honour Ill. Sir Dave Rawn and Lady Edith.

It is worth noting that all the NYOSA Temples were represented along with Zem Zem from Erie. Noble Eric Welbanks and the hospitality crew really put on a great time. No stale drinks reported by anyone to my knowledge.

Until the next time,

See you on the tour. Special Ladies Luncheon, Spring Ceremonial, Golf, BBQ etc.

WOODY'S WISDOM

BY NOBLE TOM WOODROW
Chief Rabban

Well Nobles, we are now one-third through 2017. We just concluded the Potentate's Ball and my Lady Linda and I would like to extend a big thank-you to the Nobles and their Ladies for attending and assisting in making this a memorable evening for Ill. Sir Dave and Lady Edith.

Ill. Sir Dave has been working very hard in making Rameses great, but he can't do it alone, he needs our help. Let's all get together and make Rameses "GREAT AGAIN."

The Spring Ceremonial will soon be upon us. It will be hosted in Collingwood by Manito Shrine Club, under the leadership of Noble John Chipchase. They are working very hard to make this Ceremonial one of the best. Please plan to attend, and don't forget to bring a Candidate. Remember – "replace yourself."

We are trying something new this year to raise money. It's the "Sportsman Draw". Many Nobles have worked hard selling tickets. Please get your money into the Temple ASAP. Raising dues is not an option, but we need you to help us. If you buy just one coffee a day, you will spend over \$500 (and that doesn't count the donuts). Please do your part. If you need tickets, please contact Rina at the Temple.

I have been asked about how do we get our name out "front and centre". Well Nobles, it's up to us to promote the Shrine, through communication, education and engagement. We can put the Shrine and Rameses back on the front page. Long gone are the days where the newspaper and TV come out to promote our philanthropy. We have to take our own pictures and do our own write-ups. If we do that, we stand a better chance of promoting ourselves. Let people know that we have given over 1.2 million children a better life and a brighter future.

Also send your pictures and write-ups to Noble Joe Johnson; he may be able to use it in our Papyrus Magazine.

Nobles, we need ideas and sound vision for our future. When new members come in, be there to greet them, don't ignore them, they are your future. If they have new ideas, help them promote them. Encourage them, don't discourage them. Don't be afraid to think outside the box.

Let me tell you a story about my hometown, back in the early 1900s. Orillia was the world's largest producer of horse drawn carriages. The car was just starting to enter the world. The company "Haywood Wakefield" kept buying up all the factories and companies that manufactured horse drawn carriages. Their belief was that there was no way the automobile would take off. Someone thought about the future and someone remained in the past. Tell me, "What's in your driveway?"

Nobles. it's time to get to know your Shrine.

1. Who was the 100th Potentate of Rameses?
2. Dr. Walter Fleming and Billy Florence are credited with starting the Shrine, only one of them became an Imperial Potentate. Which one?
3. Who is the only US President to play in the East/West Shrine football game?
4. Did you know that Billy Florence was a stage name, what name was he born with?

Woody's quote:

"When you give a child the key to your heart . . . you'll be amazed at what they can find in your heart."

1. Ill. Sir Bryan Lawson
2. Dr. Walter Fleming served as Imperial Potentate for 10 years.
3. Gerald Ford
4. Billy Florence was born 26 July 1831; his name was William Jermyon Conlin.

A hearty welcome to all our new Nobles. I hope you will get involved in a Club or Temple Unit. This is where you can make new friends and have fun while helping the children in our Hospitals.

I would like to invite all Nobles and their families to join us on Sunday morning, June 11th, 2017, at the Manito Shrine Club for our Drum Head Church Service. The service starts at 8 a.m. sharp and there will be a breakfast immediately following the service. Come and see the

Drum Corps place their drums and the Legion of Honour present the flags. Our Temple organist Noble Ashley Tidy will be accompanying us as we sing some of our favourite hymns.

We all look forward to a season of warm, sunny weather and all its beauty. Take time to enjoy the many pleasures summer has to offer.

Be a Guiding Light. Be generous in prosperity and thankful in adversity. Be fair in judgment and guarded in your speech. Be a lamp to those who walk in darkness and a home to the stranger. Be eyes to the blind and a guiding light to the feet of the erring. Be a breath of life to the body of humankind and a dew to the soil of the human heart and a fruit upon the tree of humility.

Please do not hesitate to contact me if I can be of any assistance to you.

By the time you receive your Papyrus our Vidalia Onion sales will be over and hopefully all went well. I would personally like to thank those Clubs, Units and Nobles who purchased onions and/or took part in this initiative. Every little bit helps our cause, thanks again Nobles.

My next endeavour is the 2018 Rameses Lottery. I realize it is a little soon to be talking about next year's Lottery Tickets but the thought is the sooner the better. I am hoping this year we can sell all 3700 tickets. Nobles, please put the word out there in your communities. This is a great draw with great odds: 11 draws a week for 52 weeks. As you may know we have removed the chance to win a Cadillac and are only offering the \$40,000 as the last Grand Prize.

A big tip of the Fez to Chief Rabban Noble Tom Woodrow and Lady Linda for the work they did on this year's Potentate's Ball, a well attended event with green tractors everywhere. LOL, I felt like I was at a John Deere dealership.

Our next event is the Founders/Potentate's Golf tournament at Innisbrook Golf Club in Barrie. We hope to see as many golfers there as possible. This day has always been a good one, with plenty of prizes to be won, and trophies if you are that good or lucky.

HUEY'S HIGHLIGHTS

BY NOBLE SHAWN W. HEWLETT
Oriental Guide

I shall be attending the Special Ladies Dinner in North Bay this year as well as the Luncheon at Rameses Temple. This is a very special day for our Special Ladies. I know as my mother, Rose Ewles, is a Special Lady and she always comments on the good time she has had. Nobles, please treat these Special Ladies well.

Rameses Spring Ceremonial in Collingwood is gearing up and the word on the street is that they are ready to hold a bang-up show for you this year. Ann and I hope to see you there. If we are not able to get to you, please come and say "Hi" and introduce yourself. We want to meet all of you.

Nobles, please know that your Divan is working on a couple new ideas to replace our lost Circus. We hope to know more as time goes on but continue to look for those great ideas which you have to set us apart from everyone else. Keep those ideas coming.

RECORDER'S CORNER

BY ILLUSTRIOUS SIR BRYAN W. LAWSON, P.P.
Recorder

Many things have been happening at your Shrine Headquarters and it is keeping everyone extremely busy. Over the past few weeks, as many of you may be aware, Sonia has been having some health issues and has been off work.

Jackie Berry, last year's First Lady has been filling in making the travel arrangements to get our Shine Kids to their Hospital Visits and doing some of the membership duties, receiving dues, contacting Nobles to correct their address etc. I am very happy to have Jackie in the office assisting us.

With the reduced staff it has also put extra pressure and work on Rina who has been doing her best to keep up with all the other duties in the office. However with everyone working steady, some

things are still a little behind and are just taking a little longer to get completed.

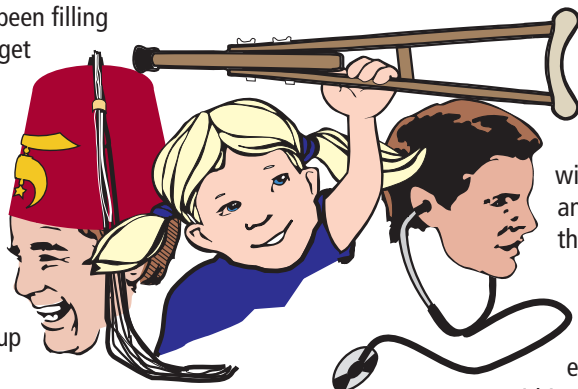

I was very saddened to receive word that Imperial Sir Jack Jones, Imperial Recorder, had passed away. Jack has been a personal friend for a number of years and he will be sorely missed within the Imperial Divan. I will miss his help, wise council and his smile.

Again, I remind you that if you have not logged into Web Fez and registered please take the time to do so as you can make any corrections to your personal information and add things like Club and Unit

membership as well as Lodge and Rite information. This will help us in Rameses Shriners as well as Imperial by keeping our records up to date.

If you have not registered for the Imperial Session do not delay. By the time you read this, it will be almost too late. This will be a great session and should be lots of fun, with our hotel right on the beach.

Lastly, I congratulate all the Clubs and Units for their hard work putting on events and participating in parades and other public relation events. It is very gratifying to see all the activity within Rameses Shriners.

Community benefits from Guelph Shrine

By Noble Willy Oliver

GUELPH SHRINE CLUB

Kudos to Ambassador Don Dyson and President Frank Douglas for dropping into the Guelph General Hospital recently. Almost all our fundraising is geared toward the Shriners Hospitals of North America.

This day was special, as we gave back to our own community with a special project to help out the Guelph General Hospital. They were very grateful for the \$2,000 donation that will be used towards the purchase of pediatric equipment in our own community. Of special note is that Noble Don was Noble Frank's sponsor into the world of Shrinedom some 7 years ago.

Potentate picks up the cheque

By Noble Dave Gillies

NIAGARA SHRINE CLUB

Lll. Sir Dave came for dinner and had his new pen out to sign for the bill. Actually he really picked up next year's Christmas decorations; green John Deere tractor lights for the tree at home. Had more fun than a Shriner clown while at the Ismailia Circus in March.

A few of the Niagara Hospitality Group volunteered to man their break room. We provided the serving staff and prepared our very own brand of Canadian hospitality added to the provided munchies. Unsolicited thanks received from most of the Ismailia Circus volunteers but in particular, huge thanks to Norm and his volunteers from their Divan to the man.

The Maid sailed across the border with her usual response from border officials. What is that? What's it made from, mixed with the odd time question; importing anything? She provided music and bubbles

from her funnel to welcome everyone for each of their 10 shows over four days. Ismailia Shriners are lucky as appearances of lions, tigers and elephants enchant the performer's acts in an indoor auditorium filled with hundreds of children.

As one of many elder members of this fraternity, I have said before that I thought social media was some sort of event where friends gathered for food and drinks. It has been apparent for a while that social media will be a way to communicate to the younger generation we sorely need to replenish our ranks. Time will tell if our frequent postings on Facebook will excite a response to join the fun we are having in the Shrine. To see what I mean click on "Niagara Shrine Calendar of Fun" and ask to join.

By now, the Maid will have finally sailed out of her winter dry dock for the annual summer waving of our Shrine flag and story. Niagara is

fortunate in having such a recognized icon to represent our fraternity as she sails down the street, bubbles flowing, with our rock 'n' roll music and the sailors waving to our supporters in the crowds. She sure gets a lot of thumbs up acknowledging our Shrine contributions to the children in our care. "Isn't it great to be a Shriner!"

Still barely safe from the cot in the garage, my points are just flying out the banked stash as I pen this article. The annual spring golf outing will come close to producing an eviction notice from my bride if not the actual serving of it.

My other annual trip to the Quebec fish camp for pickerels' opening week will surely produce the process server. Did I mention both annuals are wife free? I keep telling her our Ill. Sirs motto "Helping Our Kids Today and Tomorrow" applies to her resident kid too.

"Out of the blue" Blue Mountain calls out for fezzes and fun as you read this Papyrus. I can't wait to climb the hill and bank a few points with my lovely Lady (surely that line is worth a point or two); to see the fun our new recruits will soon be having after the ritual of Masonry that Billy and Walter dreamed about. Collingwood will be closely followed by Daytona Beach for the Imperial and then our summer break. Not the time to totally relax! The break will give you time to beat your Blue Lodge bushes for Brothers wishing some of the fun you are having.

The Ladies of Bokhara Court were treated to the antics of the Hospitality non-Unit as they prepared and served their installation dinner in April at Headquarters. There were enough amateur cooks to spoil the broth but the chef kept them apart, all working and out from under foot.

Hopefully the ritual calling out of staff to thank them was not just a ritual as they also received many personal thanks from the Ladies. It was a fun day for all involved and shows even at work you can have some fun.

Please don't let the bride know I was the dishwasher as her standard question after dinner at home, "Is the door on the dishwasher broken?"

No tofu, no soy, no vegetarians needed at our June meeting or more commonly called the steak fry. Always a good turnout with the usual Nobles, strangers and tight wads, the former two still welcomed as always for the inexpensive steak dinner. We all know what a tight wad is and maybe they need to be with our current hydro bills but strangers? Strangers are the ones who only show up at a Club dinner meeting and disappear right after dessert. They seldom attend functions, or volunteer and don't want to help with fundraisers. I really wonder why they want to wear a fez! Nobles, you don't realize what you're missing by not joining in on the fun we are having. Get a hall pass or off your duff and come on out to PLAY!

HANDYMAN'S MUSINGS

BY NOBLE JED HANDY
Assistant Rabban

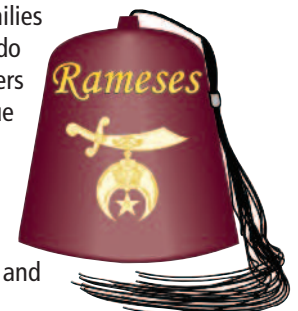

I hope all you Nobles and Ladies are enjoying good health and great weather. This spring has been one of the wettest on record and hopefully that means a great summer. With the abundance of outdoor Shrine events upcoming sunshine and warm days would be appreciated

The boys from Collingwood are ready to spring into action for what, by all accounts, will be an outstanding Spring Ceremonial.

Rameses had an outstanding Potentate's Ball honouring Ill. Sir David Rawn. Tom and Lady Linda deserve a hearty pat on the back for a job well done.

I have been to a number of 90th birthdays lately. All of the Nobles are special to me but two are very close, Ill Sir Ron Stewart (Potentate 1973) and Jack Wallwin (President of Sheba, 1972). These men are an inspiration to me and I am very proud to call them my Uncles. Many more years Uncle Ron and Jack. Fraternal Families are part of a legacy. I have my "Legacy Pin", do you? We have to remember our senior members and the work they did in the past and continue to do for our Clubs

I hope to see you all at the Spring Ceremonial. Consider attending the 143rd Imperial Session being held in Daytona Beach July 8 - 13, 2017. That's about it. "Shrine on" and remember, "Work hard and give back".

Orillia Shrine ready to parade

By Noble Rick Tarullo

ORILLIA SHRINE CLUB

We are already committed to participate in 7 parades this year and planning to be in more. And, what a show we put on. With three separate Units, we cover more than 225 feet of a parade with marchers and machines. Two pumpers, a 1968 GMC and a 1928 Bickel, along with a dozen performing Mini Cars driven by our Desert Riders follow our Colour Guard float and marchers along the parade routes. You are sure to see us in Collingwood this year, but if you would like us to appear in your local parade, just give our Secretary a call.

RAMESES SHRINE SPORTSMAN DRAW 2017

Nobles, 2016 is over and we are looking forward to 2017. As you already know, there will be no Circus this year. With no Circus, means no revenue. Your Divan is introducing a **"Sportsman Draw"**. This draw will be held on **Saturday, October 7, 2017** in Owen Sound and there will be 15 prizes for Gift Cards redeemable at **"Trombly's Tackle Box"**, a premiere sporting goods store located in Orillia.

1st prize
\$2,500
gift card

2nd prize
\$1,000
gift card

3rd prize
\$500
gift card

4th prize
\$250
gift card

5th prize
\$250
gift card

Plus 10 prizes
of a \$100
gift card

The tickets are \$5 each or 3 for \$10. The tickets are in packs of 13. Why 13 you ask? Well you sell the first 12 tickets and the 13th ticket is free to you! The more tickets you sell the more free tickets you can get. Nobles, we need you and your Clubs to get behind this project.

Please do your part, remember **THIS IS YOUR TEMPLE!**

Yours in the Faith, Thomas W. Woodrow, Assistant Rabban

Proceeds from this event are for the use of Rameses Shrine. Payments are not tax deductible

El Shamaly Shrine does it again

By Noble Jim Johnston

EL SHAMALY SHRINE CLUB

Yes, the El Shamaly Shrine Club is out parading at civic parades and at the Spring Ceremonial. Our little red caboose is well received by the parade watchers. Our crooked roof and windows and our red and white stripes on the caboose are enough to make anybody laugh.

Speaking of laughing, we are a fun group and make fun of Shriners and everybody else.

A Shriner went to a Minister and asked him to pray for his hearing. The Minister put his fingers in the Shriners' ears and prayed for about ten minutes. The Minister said, "How is your hearing now?" The Shriner said, "I don't know. It's not till Wednesday."

Our caboose needs maintenance and updating, as it is 35 years old. We put in new headlights and a bigger alternator to power our lights for Christmas and night parades, and to power our heater as we ride in the caboose to the parades.

Nobles and Masons are invited to meet with us on the third Tuesday at the Choice of the Orient Restaurant 9555 Yonge Street, Richmond Hill for an all-you-can-eat Chinese Dinner. Social hour is 6:00 p.m., Dinner is at 7:00 p.m. Contact our President Brian Stapley at 905-832-8202 so that he can get a count of the participants.

A Shriner was driving on the 401 and his wife called him and said, "There is an idiot driver driving the wrong way on the 401, so be careful." He said, "There's not just one. There are hundreds of them."

A Shriner said, "My wife probably tells me I never listen to her."

We are always looking for drivers for the caboose. A "Z" endorsement is required as we have air brakes. Bus or transport drivers are qualified. A driver does not have to be Shriner or a Mason. Contact our Parade Marshall, Leonard Feldt at 416-417-7384.

If you are just a Shriner in name and not with a Club, having fun, socializing, and helping to raise money for Shriners Hospitals for Children, we have the answer.

We can use about four good members. Contact our Membership Chairman, Noble Ross Trumphour at 905-884-1992.

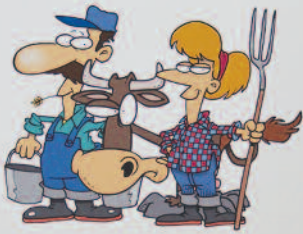

Our fraternity is based on fun, fellowship and the Masonic principles of brotherly love, relief and truth.

Our 22 Shriners Hospitals for Children are one of the largest pediatric specialty health care systems in the world. They are dedicated to improving the lives of children by providing pediatric care, innovative research and teaching programs for medical professionals. There are two new locations to be opened in Lexington and Los Angeles for the Shriners Hospitals for Children.

Everybody here at El Shamaly want to wish everyone good health and good fun and may the Great Architect of the Universe be with you.

If you have any jokes, comments or suggestions, contact Noble Jim Johnston 905-470-1946 or johnston1946@rogers.com.

Honoring and Remembering Imperial Sir Jack Jones

February 8, 1932 - April 27, 2017

IMPERIAL SIR JACK H. JONES worked tirelessly over the past 37 years to support and serve the fraternity at the national level. He served Shriners International as Imperial Recorder for 36 years, Executive Vice President for five, Imperial Potentate for one, and received countless accolades and honours, including the Imperial Potentate's Award of Merit, which is the highest honor in the fraternity. Jack was also known as one of the most dedicated and genuine people to work alongside – a reputation he has earned by leading the fraternity with grace and pride.

Imperial Sir Jack Jones was initially elected Imperial Recorder in 1979, and served in that position, or as Imperial Potentate, until his death.

During much of his time as Imperial Recorder, he also served as Director of Membership Development. Imperial Sir Jack Jones also served as Chairman of the Masonic Relations and DeMolay Committees during the majority of this time.

During his time as Imperial Potentate, Imperial Sir Jones focused on bringing people together, developing modern membership solutions and realizing and recognizing the fraternity's global impact and its potential. Jones' theme for the year was "Unity Wins." Imperial Sir Jack Jones did not permit his confinement to a wheelchair to confine his spirit or his travels. He was a frequent speaker at Masonic events throughout the world and was a well-known and well-respected Masonic leader.

While serving Shriners International, Jones also met many high-profile figures, including the Queen of England and President Ronald Reagan, who he had the privilege of personally making an honorary member of the fraternity. While serving as Imperial Potentate, Jones also had the pleasure of meeting the world's oldest man and 113-year-old Shriner, Walter Breuning.

"Imperial Sir Jack Jones has been a fixture on the boards of Shriners International and Shriners Hospitals for Children for decades," said Imperial Potentate Chris Smith. "With the passing of Jack Jones, all Masons and all Shriners have experienced a great loss. He was a truly great Shriner, an example to all."

He also served as Imperial Potentate of Shriners International in 2009-2010, and as the Executive Vice President of Shriners International from 2010 to 2015. Summer comes to Sheba Shrine

By Noble Doug Griffin SSCCS

SHEBA SHRINE CLUB

March came in like a Lamb and April followed with a roar of thunder and a ton of white stuff. Through all the snow

storms and below normal temperatures, Sheba Nobles kept a positive attitude and made sure they drank a lot of Camel's Milk to keep an optimistic outlook.

Our Friday Luncheons became a ritualistic attitude adjustment with a lot of social interchange. Many of the conversations should not be repeated as American and Canadian politics became a major theme. Regardless of what was said, the fellowship flowed until the closing bell and the last call rang out.

Sheba Nobles are looking forward to the Spring Ceremonial in Collingwood.

Since this article is due in April and you are reading it in June, I must apologize for any errors or facts that didn't occur in May because June is here and the April dead line has passed and I never saw May. (If you think you're puzzled - imagine how hard it was for me to write that sentence.)

Hot Off the Press: Spring Ceremonial

Rumour has it that Ill. Sir David is planning a Tractor Pull between the members of the Divan at the Collingwood Fairgrounds. This is an "anything goes" contest that is sure to interest at least a couple of people. The first competition will be Jed Handy on his 1949 Ford "N" against Tom Woodrow driving his Retired Paddy Wagon. Next up will be Bill Sweet in his vintage Mining Truck against Shawn Hewlett on his Harley Davidson and the final contest will be Jim McKinney with his four horse chuck wagon pulling against Bryan Lawson in one of his late model antique cars. These fellows are ready to rip up the course in this fierce competition.

Lady Edith has volunteered to groom the track after each competitor has made their run. Lady Edith uttered, "It takes a woman to smooth things out and to get over those rough spots created by a man".

Remember, it is not the distance these fellows pull but the expression on their faces that will be judged.

This reporter has also been informed that the judges for this event will be the wives of the Divan Members - because only

they are aware of all their husbands' facial conduct.

Ill. Sir David will proudly award the Grand Prize to the winner. He will personally give them a ride on his big John Deere around the track three times and then to the nearest Tim Horton's Drive Through. Here they will be treated to an Everything Bagel and a Hot Tea (bag in). From there the Provost will escort them to his farm, where his big John Deere will be put away for the night. I am sure everyone will now be looking forward to this year's Spring Ceremonial - LET THE DUST FLY!

Breaking News: Get Your Cars Ready!

Moffatt's Rally for Kids August 12th 2017

This will be the third year that Bryan Moffatt and his family have held this Car Rally in support of Easter Seals Kids and Shriners Hospital for Children.

In 2015, the Rally raised \$3,500 for each charity. Last year \$5,000 each charity was shared. This year by inviting all of Rameses Nobles, Bryan hopes to raise between \$10,000 to \$15,000 for both. This donation will go directly to our Children's Hospital.

This is a full-day event and Scavenger Hunt with beautiful scenery, entertainment, meals and lots of prizes. Stanley Cup Champion Rik Nattress will also be participating. Antique cars, mini cars, sports cars and even the Hillbilly Vehicles are welcome. After a light breakfast you leave Barrie at 9:30 a.m. and travel through scenic Hockley Valley to the Forks of the Credit in Caledon where you will stop for lunch. You will then follow the route back to Barrie for a BBQ, prizes, refreshments and live entertainment. The price is \$200 per vehicle, all meals and refreshments are included.

Register on line www.moffattsmazda.com or call Moffatt's Mazda 705-737-3440.

This is a challenge to all Shriners and their friends - find something to drive and come out, have some fun and support our Hospital.

So from the near shores of Kempenfelt Bay . . .

In addition to the band members, the singing gals - the True Heart Trio, are also a big part of the show. Plus, each show features special guest performers. True Country has entertained for many years at community centres, arenas and concert halls. The show's Country Christmas, is a feature event at the Roxy Playhouse. Honouring our Honoured Ladies

By Noble Tony Armstrong

MUSKOKA SHRINE CLUB

Muskoka Shriners have a long history of making sure that our Honoured Ladies are not forgotten. These Ladies have played a very important role in what our Club is. Let's face it, even though I take on roles in the Club my wife gets to fully participate whether she likes it or not; and I am sure from some stories I have heard this is not a new tradition.

So at least once every year we have a dinner or luncheon to honour them and get as many as can come out to our Christmas party.

This past year I had the opportunity to ride the bus with several Honoured Ladies to the Christmas party. What a hoot. We had a blast, heard lots of stories and learned how to make the "bus party" the highlight of the night.

At our April meeting two special Honoured Ladies were invited out to be presented with One Hundred Million Dollar Certificates. Our newest Shriner Nathaniel Smart sponsored the certificates in recognition of how these Ladies helped Nathaniel when he joined Shriners by giving him some Muskoka tartan and other regalia from their husband's collections. It was pretty cool to see smiles and tears all the way around.

It warms my heart to see how we as Shriners support our Shrine family and keep our Honoured Ladies special.

Chef's night off

By Noble Tony Fernando

MISSISSAUGA SHRINE CLUB

Our Gourmet Chef, Noble Les, took a rest from preparing, cooking and serving the succulent food for our dinner meetings. Instead, we were surprised with take-out Chinese food. It was great! The Nobles insisted that we resort to Chinese food periodically.

We arrive at our dinner meeting between 6.00 p.m. and 6.45 p.m., have a glass of wine, start our meeting at 7.00 p.m., have dinner between 7.15 p.m. and 7.45 p.m. and we wrap up our dinner meeting around 8.30 p.m. after conducting business. We suppose, there is not much waffle as discussions are short focusing on core points. Decisions are made and we are away to our homes between 8.30 p.m. and 8.45 p.m.

We meet on the 1st Monday of the month except in July and August. To join our Club or to visit, email mshrineclub@gmail.com.

It was a pleasure to greet our Past Potentate and Mississauga Shrine Club member, Illustrious Sir Noble Terry Fulton at our April meeting.

We doff our hats to Bingo Chairman, Noble Chris and his team for their ineffable effort to manage and sustain 3 Bingos a month at present.

At the Spring Ceremonial, we donated \$15,000 for the Transportation Fund and we are planning to donate another \$5,000 at the Fall Ceremonial. Although we celebrate and take ownership of this charitable endeavour, the results reflect on the dedication of the Bingo Team.

We will be celebrating our 50th Anniversary soon. Plans are being made by our executive to celebrate. As soon as we are aware of the plans, we will impart the information.

A proposal was made to go with our Ladies to Woodbine at a cost of \$40 per person. It's a great venue and we have certainly enjoyed a palatable "all you can eat" dinner menu. We are awaiting a decision.

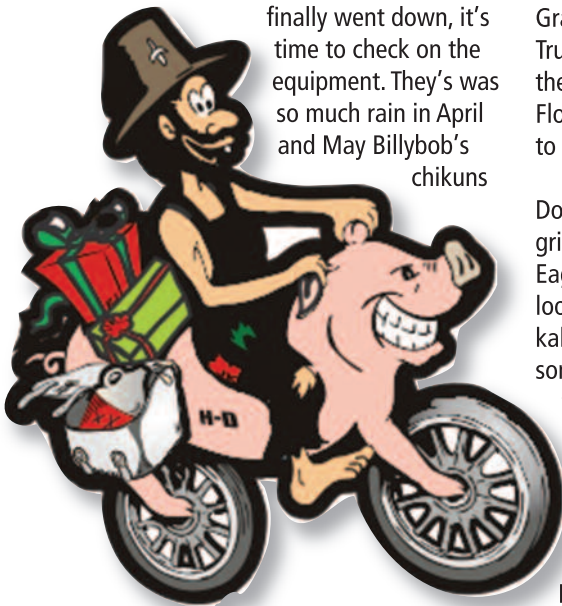

A motion was tabled and a unanimous decision was made by the members to purchase two One Million Dollar Certificates on behalf our Club.

A motion was unanimously approved to fund a school to enable students to participate in swimming. Publicity pays off.

Saying goodbye to loyal friends

By Noble Jerry McKnight

SHRINERS CLUB OF HAMILTON

Maître D' Catering! Way more than a catering service, much more. To the Shriners Club of Hamilton they truly were a vital part of our Club. It's no coincidence that they also just happen to be the best catering service this side of the hot sands. The quality, quantity and cost were fantastic and needless to say our relationship blossomed over the years.

Shriners visiting from other Clubs did so in no small part because our meals were so good. The Roast Beef was famous and the horseradish sauce was aptly named the mother of all horseradish sauces; hot as heck but very flavourful. The desserts were to die for.

Hugh Bell was a Brother Mason and the Maître D' at the Burlington Golf and Country Club. Hugh and his wife Margaret started Maître D' Catering well over 35 years ago serving many Masonic Lodges in the Hamilton area as well as our Hamilton Shrine Club. I guess you could say it was a Mom and Pop business to begin with; however it soon expanded with daughter Cathy and son Rick jumping on board, as well as a very efficient staff of twenty dedicated employees.

Unfortunately, after a very long and successful run, they decided it was time to close down the operation, with some staff retiring and others pursuing a different course. To honour their service to our Club, we invited the Bells to our March dinner meeting and presented them with Million Dollar Certificates. The photo shows our President Noble Bob Gordon and Past Presidents Noble Ken Cole and Noble Ralph Weston presenting Margaret and daughter Cathy with their certificates

(Rick was unable to attend). We do wish them all the best in their future endeavours and sincerely thank them for their culinary skills and warm friendship over these many years.

Happy to meet.

Sorry to Part.

Happy to meet again.

The Importance of Lawn Mower Safety

Shriners Hospitals Wants Kids to Stay Safe

Shriners Hospitals for Children® is committed to helping keep kids safe, and injury-free.

Although they may seem like a common household tool, lawn mowers are one of the most dangerous items in our homes. Thousands of people are hurt while using lawnmowers each year – these injuries can include deep cuts; loss of fingers, toes, and even limbs; burns and broken bones. However, many lawn mower-related injuries can be prevented by following some safety guidelines.

Lawnmower Usage Safety Tips

Keep Children Safe

- Children under 6 years of age should be kept indoors during mowing.
- Make sure children are a safe distance away from the area you plan to mow because rocks and debris often can shoot out while the lawn mower is running.
- Keep a close eye on children when a lawn mower is in use. Make sure they do not run into the mower's path.
- Never allow children to play with the mower, even when it is turned off. A lawn mower is not a toy.
- Children should be at least 12 years old before operating a walk-behind lawn mower and at least 16 years old to operate a riding mower.
- Never allow children or any other passengers on a riding lawn mower because of the potential for falling under the mower and sustaining serious injuries.

Weather and Terrain

- Do not cut grass when it's wet because it can cause your feet to lose traction and slide.
- Do not use a mower on hills or slopes, to avoid having it tip over and cause injury.

Prior to Mowing

- Read your mower's instruction manual and familiarize yourself with the product prior to use.
- Use a mower with a control that stops it from moving forward if the handle is released.
- Clear your lawn of items such as nails, sticks, rocks, toys, sports equipment, dog bones, wire and equipment parts, so the debris does not cause damage or hurt anyone.

During Usage

- Wear close-fitting long pants and long-sleeved shirts, eye protection and heavy gloves.
- Do not wear sandals or be barefoot. Wear sturdy shoes with good traction.
- Do not wear jewelry.
- Always fill and start lawn mowers outdoors.
- Never fill the tank with gasoline when the lawn mower is on or hot.
- Do not remove safety devices or guards on switches.
- Never reach underneath a mower because the blade remains engaged even when it is shut off.
- Do not mow in reverse unless absolutely necessary.
- To remove debris from mower use a stick or broom handle, not your hands.
- Always shut off the engine before leaving the mower unattended.
- Stay away from the engine cowling, as it can become very hot and burn unprotected flesh.
- Wait for blades to stop completely before crossing gravel roads, unclogging the chute, or removing the grass catcher.
